### **IV. GENERAL PROVISIONS**

1. The Parties recognize that this Order has been negotiated in good faith and nothing herein constitutes an admission by any Party. Schreiber does not admit to, and retains the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Order, the validity of the facts and violations alleged in the NOV/CO. Schreiber further agrees it will not contest the basis or validity of this Order or its terms.
2. The violations described herein will constitute part of Schreiber’s compliance history where consideration of such history is relevant, including any subsequent violations. Schreiber

understands and agrees that this Order is not and cannot be raised as a defense to any other action to enforce any federal, state, or local law.

3. Schreiber agrees to the terms, conditions, and requirements of this Order. By signing this Order, Schreiber understands, acknowledges, and agrees that it waives: (1) the opportunity for an administrative hearing pursuant to Utah Code § 19-1-301; (2) the right to contest the findings in the NOV/CO; and (3) the opportunity for judicial review.
4. This Order is subject to a public notice and comment period of at least thirty (30) days, in accordance with Utah Admin. Code R317-8-1.9. The Parties each reserve the right to withdraw from this Order if comments received during the notice and comment period render this Order inappropriate, improper, or inadequate.
5. The "Effective Date" shall be the date this Order is executed by the Director. The Director will not sign this Order until after the Division has provided public notice of the proposed Order and has solicited and reviewed any public comments received.
6. This Order includes a civil penalty in excess of \$25,000 and therefore must be presented to, reviewed by, and approved or disapproved by the Board in accordance with Utah Code § 19-5-104(3)(h). Final execution of this Order by the Director shall not occur until it is approved by the Board. The Order will be presented to the Board for final action after the Division has provided public notice of the proposed Order and has solicited and reviewed any public comments received. All public comments, and the Director's responses, shall be provided to the Board in connection with the Director's request for final action.
7. The dates set forth in the Stipulation and Consent Order section of this Order may be extended in writing by the Director, in the Director's sole discretion, based on Schreiber's showing of good cause. Good cause for an extension generally means events outside of the reasonable control of Schreiber, such as force majeure, inclement weather, contractor or supplier delays, and similar circumstances. However, the Director expects Schreiber to employ reasonable means to limit and prevent foreseeable causes of delay. The timeliness of Schreiber's request for an extension shall constitute an important factor in the Director's evaluation.
8. Nothing in this Order shall preclude the Director from taking actions, including additional penalties against Schreiber, for future violations of State or Federal law.
9. The Parties acknowledge that neither the Director nor the Board has jurisdiction regarding natural resource damage claims, causes of action, or demands. Therefore, such matters are outside the scope of this Order.
10. This Order is binding upon each of the Parties and their respective heirs, successors, and assigns. Any change in ownership or corporate or legal status, including but not limited to, any transfer of assets or real or personal property, shall in no way alter the status or responsibilities of the Parties under this Order.

11. This Order may be amended in writing if signed by both Parties.

#### **V. COMPLIANCE AND PENALTY NOTICE**

As of the Effective Date, this Order shall constitute a final administrative order. Compliance with the provisions of this Order is mandatory. All violations of the Act, the Water Quality Rules, and this Order will be strictly enforced during the time that this Order remains in effect. Utah Code § 19-5-115, provides that any person who violates a rule or order made or issued pursuant to the Act may be subject, in a civil proceeding, to a state district court judge imposing a civil penalty per day of violation.
