REVIEW AGENDAS FOR THE CITY COUNCIL REGULAR MEETING AND SPECIAL REDEVELOPMENT AGENCY MEETING OF JUNE 23, 2026

Mayor Lang advised that several changes had been made to the evening's agendas.

First, two additional items were added to the Consent Agenda for the Regular City Council meeting. The first resolution reappoints Abigail Dizon-Maughan as Chair of the PSRB, and the second appoints Mike Chesnut to the Audit Review Committee.

Second, one item of New Business was added: Resolution 26-83. Brandon Hill explained that the resolution amends and extends the term of the Parking Structure Management and Use Agreement.

Finally, a special Redevelopment Agency meeting was scheduled. Dan Johnson explained that the purpose of the meeting is to consider approval of a Temporary Construction Easement Agreement with Questar Gas Company.

Upon inquiry by Mayor Lang, members of the Council had no further questions or concerns regarding items listed on the Agendas for the Regular City Council Meeting and Special Redevelopment Agency Meeting scheduled later this night.

RESOLUTION 26-77: ADOPT A RESOLUTION AND STATEMENT OF INTENT AND AUTHORIZE THE CITY TO ENTER INTO A MASTER LEASE-PURCHASE AGREEMENT, ESCROW AGREEMENT, AND EXECUTE RELATED DOCUMENTS

Jim Welch, Finance Director, presented proposed Resolution 26-77 that would adopt a resolution and statement of intent and authorize the City to enter into a Master Lease-Purchase Agreement, Escrow Agreement, and execute related documents.

Written documentation previously provided to the City Council included information as follows:

A resolution authorizing the agreement with JPMorgan Chase Bank, N.A. to secure funding to purchase one (1) fire truck for the Fire Department.

Purchase of one (1) Pierce aerial ladder truck and equipment. This lease provides financing for 10 years with annual payments of \$235,875.61 at an estimated interest rate of 4.0530%. The actual rate will be determined on the date the contract is executed. The amount to be financed is \$1,985,461.00. The total scheduled lease payments are \$2,358,756.10. The City will own the equipment at the end of the lease term.

Multiple sourcing options were considered and JPMorgan Chase Bank, N.A. proposed the lowest cost financing for this transaction.

Mayor Lang inquired about the payment structure. Mr. Welch responded that making the payments on an annual basis appeared to be an effective approach.

The City Council will consider Resolution 26-77 at the Regular Council Meeting scheduled July 14, 2026 at 6:30 P.M.

RESOLUTION 26-78: APPROVE AN AMENDMENT TO A DEVELOPMENT AGREEMENT BETWEEN THE CITY, VILLAGE AT RIVER'S EDGE, LLC, AND VILLAGE TOWNHOMES AT RIVER'S EDGE, LLC.

Steve Pastorik, CED Director, presented proposed Resolution 26-78 that would approve an amendment to a development agreement between the City, Village at River's Edge, LLC, and Village Townhomes at River's Edge, LLC.

Written documentation previously provided to the City Council included information as follows:

This resolution authorizes a development agreement amendment between the City and Village at River's Edge, LLC and Village Townhomes at River's Edge, LLC to clarify which standards from the original development agreement apply to the apartments and which standards apply to the townhomes.

The City first entered into a development agreement on the subject property at 1251 West 3300 South in 2002. This agreement was replaced with a new one in 2023 that allowed the ground floor commercial space within several mixed-use buildings to be converted to apartments and allowed for new townhomes to be constructed on the site. Standards for the apartments and townhomes were included in the new agreement.

The owner of the property is refinancing the apartment project with a HUD insured loan. HUD is requiring that the development agreement obligations for the apartments and for the townhomes be assigned to different entities. The amendment assigns the apartment obligations to Village at River's Edge, LLC and the townhome obligations to Village Townhomes at River's Edge, LLC. The standards in the agreement remain the same.

The City Council will consider Resolution 26-78 at the Regular Council Meeting scheduled July 14, 2026 at 6:30 P.M.

 - o Commercial signs are used for advertising products, services, or businesses.
- They aim to promote economic activities and generate revenue for the

advertiser. These signs often include information such as brand names, logos, product descriptions, prices, and contact details.

- Non-commercial signs convey messages related to non-commercial activities, such as political, ideological, religious, or personal expression. Non-commercial signs are protected under the First Amendment of the United States Constitution, which guarantees freedom of speech.
- Signs Allowed in R-1 and A Zones
 - Flags, non-commercial
 - New Development Sign (allowed to be off-site)
 - Plate Sign
 - Property Sign

Mayor Lang reported receiving an email from a resident requesting that the City review and amend residential sign regulations as they apply to home-based businesses. 7.5 **Notices.** Any notice required hereunder shall be deemed sufficient, if given in writing to the Parties' designated representatives identified in paragraph 7.4 herein.

7.6 **Compliance with Applicable Laws.** Each party agrees to comply with all federal, state, and local laws, rules, and regulations in the performance of its duties and obligations under this Agreement. WVC certifies it is in compliance with Utah Code § 63G-27-201 and will remain in compliance for the duration of this Agreement. WVC is responsible, at its expense, to acquire, maintain,

and renew during the Term all necessary permits and licenses required for its lawful performance of its duties and obligations under this Agreement. WVC is subject to and shall fully comply with the Government Data Privacy Act, Utah Code §§ 63A-19-101 et seq., at WVC's sole cost.

7.7 Interlocal Cooperation Act. The Parties agree that this Agreement will be entered into processed, approved, reviewed by an attorney as to legality, and filed in accordance with the provisions and requirements of the Interlocal Cooperation Act. Except as otherwise specifically provided herein, each Party shall be responsible for its own costs of any action done pursuant to this Agreement, and for any financing of such costs. No separate legal entity is created by the terms of this Agreement, and no facility or improvement will be jointly acquired, jointly owned, or jointly operated by the Parties under this Agreement.

7.8 Liability and Insurance. All Parties are governmental entities under the Governmental Immunity Act, Utah Code Ann. §§ 63G-7-101 to -904, as amended (the "Act"). Notwithstanding any provision to the contrary herein, there are no indemnity obligations among these Parties. Subject to and consistent with the terms of the Act, each Party shall be liable only for its own negligent acts or omissions or those of its employees, officers, and agents while engaged in the performance of the obligations under this Agreement, and no Party shall have any liability whatsoever for any act or omission of the other Party, its employees, officers, or agents. No Party waives any defenses or limits of liability available under the Act and other applicable law. The Parties maintain all privileges, immunities, and other rights granted by the Act and other applicable law. The Parties shall maintain insurance or self-insurance coverage sufficient to meet their obligations hereunder and consistent with applicable law. Nothing in this Agreement shall require any Party to carry different or additional insurance, and any obligations of either Party contained in this agreement to name an individual or entity as additional insured shall be limited to naming such individual or entity as additional insured with respect to such Party's negligent acts or omissions. It is not the intent of any Party to incur by contract any liability for the operations, acts, or omissions of the other Party or any third party and nothing in this Agreement shall be so interpreted or construed.

7.9 Governmental Immunity and Indemnification. The Parties are governmental entities as defined by the Governmental Immunity Act of Utah (the "Act"), Utah Code Ann. §§ 63G-7-101 to -904. Consistent with the terms of the Act, and as provided herein, it is mutually agreed that each Party is responsible and liable for its own wrongful or negligent acts which are committed by it or by its agents, officials, or employees. Neither Party waives any defenses otherwise available under the Act and all other applicable law nor does any party waive any limits of liability currently provided by the Act. Both Parties maintain all privileges and immunities, and other rights granted by the Act and all other

applicable law.

7.10 **Government Records Access Management Act.** WVC acknowledges that County is a governmental entity subject to the Utah Government Records Access and Management Act (“GRAMA”), Utah Code §§ 63G-2-101 to -901. As a result, County is required to disclose certain information and materials to the public, upon request. WVC agrees to timely refer all requests for documents, materials, and data in its possession relating to this Agreement and its performance to the County Representative for response by County.

Generally, any document submitted to County is considered a “public record” under GRAMA. Any person who provides the County a record that the person believes should be protected under subsection 63G-2-305(1) or (2) shall provide both: (1) a written claim of business confidentiality and (2) a concise statement of reasons supporting the claim of business confidentiality. Generally, GRAMA only protects against the disclosure of trade secrets or commercial information that could reasonably be expected to result in unfair competitive injury.

7.11 **Non-Funding.** Pursuant to Utah state law, County appropriations lapse at the end of each fiscal year. County appropriations may be altered at any time during the fiscal year. Consequently, if funds are not appropriated for a succeeding fiscal year to fund performance by County under this Agreement, or if appropriations are withdrawn or otherwise altered, the Agreement shall be terminated, effective upon written notice. Said termination shall not be construed as a breach of this Agreement or any event of default under this Agreement and said termination shall be without penalty, whatsoever, and no right of action or damages or other relief shall accrue to the benefit of WVC, its successors, or its assigns, as to this Agreement or any portion thereof.

7.12 **Assignment and Transfer of Funds.** WVC will not assign or transfer obligations under this Agreement nor its rights to compensation under this Agreement without prior written consent from the County. WVC shall use the funds provided pursuant to this Agreement exclusively and solely for the purposes set forth in this Agreement.

7.13 **Relationship of the Parties.** Nothing contained in this Agreement shall constitute or be construed to create any partnership or agency relationship between the Parties, or to create any new entity.

7.14 **Entire Agreement.** This Agreement contains the entire agreement between the Parties and no statements, promises, or inducements not contained in this Agreement shall be binding or valid.

7.15 **Anti-Waiver Provision.** This Agreement may not be enlarged, modified, or altered, except by written amendment, signed by the Parties. Recipient understands that only the Salt Lake

County Mayor or designee by executive order (available on the County's website) can execute an amendment to this Agreement. The failure of County to insist, in any one or more instances, upon a strict performance of any term or provision of this Agreement shall not be construed as a waiver or relinquishment thereof, but the same shall continue and remain in full force and effect, unless expressly waived in a written and signed amendment.

7.16 **Attorney Representation.** WVC represents, acknowledges, and expressly agrees that WVC has either (i) consulted with an attorney regarding the terms of this Agreement and whether to enter into it and (ii) made an informed conscious decision to proceed without an attorney. WVC affirmatively represents to County that WVC understands all terms of the Agreement and that WVC signs the Agreement as WVC's own free act.

7.17 The recitals are hereby incorporated into the Agreement.

We are pleased to confirm our understanding of the services we are to provide for West Valley City (the City) for the fiscal year ended June 30, 2026.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements of the City as of and for the year ended June 30, 2026. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis.
2. Information about Infrastructure Assets Reported Using the Modified Approach
3. Schedule of the Proportionate Share of the Net Pension Liability – Utah Retirement Systems
4. Schedule of Contributions – Utah Retirement Systems
5. Schedule of Revenues, Expenditures, and Changes in Fund Balances – Budget and Actual – General Fund
6. Schedule of Revenues, Expenditures, and Changes in Fund Balances – Budget and Actual – Redevelopment Agency Special Revenue Fund
7. Schedule of Revenues, Expenditures, and Changes in Fund Balances – Budget and Actual – Community Services Special Revenue Fund
8. Notes to Required Supplementary Information

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements.

1. Schedule of expenditures of federal awards.
2. Combining Balance Sheet – Nonmajor Governmental Funds
3. Combining Statement of Revenues, Expenditures, and Changes in Fund Balance – Nonmajor Governmental Funds
4. Schedule of Revenues, Expenditures, and Changes in Fund Balance – Budget and Actual – Nonmajor Governmental Funds
5. Combining Statement of Net Position – Nonmajor Enterprise Funds
6. Combining Statement of Revenues, Expenses, and Changes in Fund Net Position – Nonmajor Enterprise Funds
7. Combining Statement of Cash Flows – Nonmajor Enterprise Funds

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

1. Transmittal letter
2. Statistical information

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risks of material misstatement as part of our audit planning:

- Improper revenue recognition (assumed always) – this is the risk that revenue may not be recognized in accordance with GAAP.
- Management override of controls (assumed always) – this is the risk that management may override internal controls through pressure on subordinates or other methods.

As of the date of this letter, we have not completed our planning of the City's audit, therefore we will communicate any modifications to the significant risks of material misstatement identified above or if new significant risks of material misstatement are identified during our planning.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the

event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the government and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the City's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the City's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Our audit will also include procedures that are required by the *State Compliance Audit Guide* concerning compliance with State fiscal laws identified by the State Auditor. We use the audit programs of the *State Compliance Audit Guide* to perform our audit procedures. We will issue the necessary reports as required by the *State Compliance Audit Guide* on the City's internal controls over compliance and will issue an opinion on the City's compliance with the state compliance requirements tested.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for the 12 months after the financial statements date or shortly thereafter (for example, within an additional three months if currently known). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your

knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of any prior year audit findings should be available for our review on or about August 1, 2026.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles (GAAP). You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the City in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of KCHM, LLC dba K&C, Certified Public Accountants (K&C) and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to certain governmental agencies or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of K&C personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by an oversight agency. If we are aware that a federal

awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Steven Rowley is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit on approximately June 15, 2026 with planning and mid-year audit procedures.

Our fee for these services will be \$88,500. The above fee is based on anticipated cooperation from the City's personnel and the assumption that unexpected circumstances will not be encountered during the audit and the City's records will be ready to be audited on or around September 1, 2026. The above fee is also based on the current finance director, chief accountant, and other key accounting personnel being available to assist in the audit process. If the finance director, chief accountant, and/or other key accounting personnel are not available to assist with the audit process, and we anticipate that this circumstance will result in significant additional time, we will stop our audit procedures and will discuss it with the City and arrive at a new fee estimate before we incur the additional costs. Additional services for which we may be asked to perform will be billed at our standard rates. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination.

If during the course of our engagement we encounter circumstances which we believe may create a conflict of interest or conflict with the ethical standards of our profession, we will inform the City of our concerns. If these concerns cannot be adequately addressed to our satisfaction, or we are compelled to do so by the professional standards of our profession, we may withdraw from the engagement with a written notice. Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

As members of the AICPA and as required by the *Governmental Auditing Standards*, K&C affirms that we are in compliance with the external quality control Peer Review requirements as required by the related professional standards, rules and policies. Our most recent peer review report can be found on our website www.kccpaoffice.com.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to management and the City Council of the City. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an

audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. The State Compliance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the *State Compliance Audit Guide*. Those three reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to West Valley City and believe this letter accurately summarizes the significant terms of our engagement. CITY RECORDER

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (hereinafter "Agreement") is entered into by and between West Valley City (hereinafter "City"), a municipal corporation and political subdivision of the State of Utah, with principal offices at 3600 Constitution Boulevard; West Valley City, Utah 84119, and Forged Fiber 37, LLC (hereinafter "Provider"), a limited liability company organized under the laws of the State of Delaware located at 208 S. Akard Street, Dallas, TX 75202, (hereinafter "Party" individually and "Parties" collectively).

WITNESSETH:

WHEREAS, the Provider desires to provide Telecommunications Services, as defined in Chapter 20-5-201(25) of the West Valley City Municipal Code, within the City and in connection therewith to establish a telecommunications network in, under, along, over and across present and future rights-of-way of the City; and

WHEREAS, the City has enacted Chapter 20-5 of the West Valley City Municipal Code (hereinafter "Telecommunications Rights-of-Way Ordinance"), which governs the application and review process for telecommunications franchises in the City; and

WHEREAS, the City has subsequently enacted Chapter 20-6 of the West Valley Municipal Code (hereinafter the "Mobile Telephone Service Revenue Act") which – pursuant to Utah law – permits the City to require all telecommunications providers to collect taxes from their customers and deposit them with the Utah State Tax Commission; and

WHEREAS, the City, in exercise of its management of public rights-of-way, believes that it is in the best interest of the public to provide the Provider a nonexclusive franchise to operate a telecommunications network in the City.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the Parties contained herein, and for other good and valuable consideration, the City and the Provider agree as follows:

ARTICLE 1. FRANCHISE AGREEMENT AND ORDINANCE

1.1 **Agreement.** Upon approval by the City Council and execution by the Parties, this Agreement shall be deemed to constitute a contract by and between the City and the Provider.

1.2 **Ordinance.** The City has adopted The Telecommunications Rights-of-Way Ordinance and Mobile Telephone Service Revenue Act (collectively referred to as the "Ordinances"), which are incorporated herein by reference and attached as Exhibit A. The Provider acknowledges

that it has had an opportunity to read and become familiar with the Ordinances. The Parties agree that the provisions and requirements of the Ordinances are material terms of this Agreement, and that each Party hereby agrees to be contractually bound to comply with the terms of the Ordinances. The definitions in the Ordinances shall apply herein unless a different meaning is indicated. Nothing in this section shall be deemed to require the Provider to comply with any provision of the Ordinances which is determined to be unlawful or beyond the City's authority.

1.3 Ordinance Amendments. The City reserves the right to amend the Ordinances at any time. The City shall give the Provider notice and an opportunity to be heard concerning any proposed amendments. If there is any inconsistency between the Provider's rights and obligations under the Ordinances as amended and this Agreement, the provisions of this Agreement shall govern during its term. Otherwise, the Provider agrees to comply with any such amendments.

1.4 Franchise Description. The telecommunications franchise provided hereby shall confer upon the Provider the nonexclusive right, privilege, and franchise to construct and maintain a telecommunications network in the present and future public rights-of-way in the City. The franchise does not grant to the Provider the right, privilege or authority to engage in community antenna (or cable) television business; although, nothing contained herein shall preclude the Provider from (1) permitting those with a cable franchise who are lawfully engaged in such business to utilize the Provider's system within the City for such purposes, or (2) from providing such service in the future if an appropriate franchise is obtained and all other legal requirements have been satisfied.

1.5 Licenses. The Provider acknowledges that it has obtained the necessary approvals, licenses or permits required by federal and state law to provide telecommunication services consistent with the provisions of this Agreement and with the Ordinances.

1.6 Relationship. Nothing herein shall be deemed to create a joint venture or principal-agent relationship between the Parties, and neither Party is authorized to, nor shall either Party act toward third persons or the public in a manner that would indicate any such relationship with each other.

ARTICLE 2. FRANCHISE FEE

2.1 Telecommunications License Tax. Pursuant to Utah law, the fee required under this Agreement is satisfied by the Provider's collection and proper deposit of Telecommunications License Tax with the Utah State Tax Commission. The Provider shall collect and deposit with the Utah State Tax Commission Municipal Telecommunications License Tax at the rate and in the manner currently provided by Utah Code Ann. § 10-1-401 et seq., less any business license fee or business license tax imposed by the City.

2.2 **Equal Treatment.** City agrees that the fees imposed in the City are imposed on a competitively neutral basis, and that any competing third party shall also be subject to fees at the same rate.

2.3 **Additional Fees.** The payment of the Franchise Fee does not prevent the City from requiring the payment of other fees imposed in accordance with Utah Code Ann. § 72-7-102, relating to management costs caused by Provider's activities in the right-of-way.

ARTICLE 3. TERM AND RENEWAL

3.1 **Term and Renewal.** The franchise granted to Provider shall be for a period of ten (10) years commencing on the first day of the month following this Agreement, unless this franchise be sooner terminated as herein provided. At the end of the initial ten (10) year term of this Agreement, the franchise granted herein shall be renewed by the Provider upon the same terms and conditions as contained in this Agreement for an additional ten (10) year term, unless the Provider gives written notice to the City's representative designated herein written notice of the Provider's intent to not renew not less than ninety (90) calendar days before the expiration of the initial franchise term.

3.2 **Rights of Provider Upon Expiration or Revocation.** Upon expiration of the franchise granted herein, whether by lapse of time, by agreement between the Provider and the City, or by revocation or forfeiture, the Provider shall have the right to remove from the rights-of-way any and all of its system, but in such event, it shall be the duty of the Provider, immediately upon such removal, to restore the rights-of way from which such system is removed to as good condition as the same was before the removal was effected.

ARTICLE 4. PUBLIC USE RIGHTS

4.1 **City Uses of Poles and Overhead Structures.** The City shall have the right, without cost, to use all poles owned by the Provider within the City for fire alarms, police signal systems, or any lawful public use; provided, however, any said uses by the City shall be for activities owned, operated or used by the City for any public purposes and shall not include the provision of telecommunications service to third parties.

4.2 **Limitations on Use Rights.** Nothing in this Agreement shall be construed to require the Provider to increase pole capacity, alter the manner in which the Provider attaches equipment to the poles, or alter the manner in which the Provider operates and maintains its equipment. Such City attachments shall be installed and maintained in accordance with the reasonable requirements of the Provider and the current National Electrical Safety Code. City attachments shall be attached or installed only after written approval by the Provider, which approval will be processed in a timely manner and will not be unreasonably withheld.

4.3 **Maintenance of City Facilities.** The City's use rights shall also be subject to the parties reaching an agreement regarding the City's maintenance of the City attachments.

ARTICLE 5. POLICE POWERS

5.1 The City expressly reserves, and the Provider expressly recognizes, the City's right and duty to adopt, from time to time, in addition to provisions herein contained, such ordinances and rules and regulations as the City may deem necessary in the exercise of its police power for the protection of the health, safety and welfare of its citizens and their properties.

ARTICLE 6. CHANGING CONDITIONS AND SEVERABILITY

6.1 **Meet to Confer.** The Provider and the City recognize that many aspects of the telecommunication business are currently the subject of discussion, examination and inquiry by different segments of the industry and affected regulatory authorities and that these activities may ultimately result in fundamental changes in the way the Provider conducts its business and the way the City regulates the business. In recognition of the present state of uncertainty respecting these matters, the Provider and the City each agree, upon request of the other during the term of this Agreement, to meet with the other and discuss in good faith whether it would be appropriate, in view of developments of the kind referred to above during the term of this Agreement, to amend this Agreement or enter into separate, mutually satisfactory arrangements to effect a proper accommodation of any such developments.

6.2 **Severability.** If any section, sentence, paragraph, term or provision of this Agreement or the Ordinances is for any reason determined to be or rendered illegal, invalid or superseded by other lawful authority, including any state or federal, legislative, regulatory or administrative authority having jurisdiction thereof, or is determined to be unconstitutional, illegal or invalid by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such determination shall have no effect on the validity of any other section, sentence, paragraph, term or provision, all of which shall remain in full force and effect for the term of this Agreement or any renewal or renewals thereof. Provided that if the invalidated portion is considered a material consideration for entering into this Agreement, the Parties will negotiate, in good faith, an amendment to this Agreement. As used herein, "material consideration" for the City is its ability to collect the Franchise Fee during the term of this Agreement and its ability to manage the rights-of-way in a manner similar to that provided in this Agreement, the Ordinances, and the City's excavation ordinance. For the Provider, "material consideration" is its ability to use the rights-of-way for telecommunication purposes in a manner similar to that provided in this Agreement, the Ordinances, and the City's Excavation Ordinance.

ARTICLE 7. EARLY TERMINATION, REVOCATION OF FRANCHISE AND OTHER REMEDIES

7.1 **Grounds for Termination.** The City may terminate or revoke this Agreement and all rights and privileges herein provided for any of the following reasons:

- (a) The Provider fails to make timely payments of the Franchise Fee as required under Article 2 of this Agreement and does not correct such failure within sixty (60) calendar days after written notice by the City of such failure;
- (b) The Provider, by act or omission, materially violates a material duty herein set forth in any particular within the Provider's control, and with respect to which redress is not otherwise herein provided. In such event, the City, acting by or through its City Council, may determine, after hearing, that such failure is of a material nature, and thereupon, after written notice giving the Provider notice of such determination, the Provider, within sixty (60) calendar days of such notice, shall commence efforts to remedy the conditions identified in the notice and shall have ninety (90) calendar days from the date it receives notice to remedy the conditions. After the expiration of such 90-day period and failure to correct such conditions, the City may declare the franchise forfeited and this Agreement terminated, and thereupon, the Provider shall have no further rights or authority hereunder; provided, however, that any such declaration of forfeiture and termination shall be subject to judicial review as provided by law, and provided further, that in the event such failure is of such nature that it cannot be reasonably corrected within the 90-day time period provided above, the City shall provide additional time for the reasonable correction of such alleged failure if the reason for the noncompliance was not the intentional or negligent act or omission of the Provider; or
- (c) The Provider becomes insolvent, unable or unwilling to pay its debts; is adjudged bankrupt; or all or part of its facilities should be sold under an instrument to secure a debt and is not redeemed by the Provider within sixty (60) days.

7.2 **Reserved Rights.** Nothing contained herein shall be deemed to preclude the Provider from pursuing any legal or equitable rights or remedies it may have to challenge the action of the City.

7.3 **Remedies at Law.** In the event the Provider or the City fails to fulfill any of its respective obligations under this Agreement, the City or the Provider, whichever the case may be, shall have a breach of contract claim and remedy against the other, in addition to any other remedy provided herein or by law; provided, however, that no remedy that would have the effect of amending the specific provisions of this Agreement shall become effective without such action that would be necessary to formally amend the Agreement.

7.4 **Third Party Beneficiaries.** The benefits and protection provided by this Agreement shall inure solely to the benefit of the City and the Provider. This Agreement shall not be deemed to create any right in any person who is not a Party and shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party (other than the permitted successors and assigns of a Party hereto).

ARTICLE 8. PARTIES DESIGNEES

8.1 **City Designee and Address.** The West Valley City Public Works Director or his/her designee(s) shall serve as the City's representative regarding administration of this Agreement. Unless otherwise specified herein or in the Ordinances, all notices from the Provider to the City pursuant to or concerning this Agreement, shall be delivered to the City's representative at 3600 Constitution Boulevard, West Valley City, Utah 84119, or such other officer and address as the City may designate by written notice to the Provider.

8.2 **Provider Designee and Address.** The Provider's Director of Transformation or his/her designee(s) shall serve as the Provider's representative regarding administration of this Agreement. Unless otherwise specified herein or in the Ordinances, all notices from the City to the Provider pursuant to or concerning this Agreement, shall be delivered to Provider at 1200 17th Street, 10th Floor, Denver, Colorado 80202, with copies to William.soards@forgedfiber37.com and FF_Right_Of_Way@att.com, and such other office as the Provider may designate by written notice to the City.

8.3 **Failure of Designee.** The failure or omission of the City's or Provider's representative to act shall not constitute any waiver or estoppel by the City or Provider.

ARTICLE 9. INSURANCE AND INDEMNIFICATION

9.1 **Insurance.** Prior to commencing operations in the City pursuant to this Agreement, the Provider shall furnish to the City evidence that it has adequate general liability and property damage insurance. The evidence may consist of a statement that the Provider is effectively self-insured if the Provider has substantial financial resources, as evidenced by its current certified financial statements and established credit rating, or substantial assets located in the State of Utah. Any and all insurance, whether purchased by the Provider from a commercial carrier, whether provided through a self-insured program, or whether provided in some other form or other program, shall be in a form, in an amount and of a scope of coverage reasonably acceptable to the City.

9.2 **Indemnification.** The Provider agrees to indemnify, defend and hold the City harmless from and against any and all claims, demands, liens, and all liability or damage of whatsoever kind on account of or arising from the Provider's acts or omissions pursuant to or related to this Agreement, and to pay any and all costs, including reasonable attorneys' fees, incurred by the City in defense of such claims. The City shall promptly give written notice to the Provider of any claim, demand, lien, liability, or damage with respect to which the City seeks indemnification and, unless in the City's judgment a conflict of interest may exist between the Parties with respect to the claim, demand, lien, liability, or damage, the City shall permit the Provider to assume the defense of such with counsel of the Provider's choosing, unless the City reasonably objects such counsel. Notwithstanding any provision of this section to the contrary, the Provider shall not be obligated to indemnify, defend or hold the City harmless to the

extent any claim, demand, lien, damage, or liability arises out of or in connection with negligent acts or omissions of the City.

ARTICLE 10. GENERAL PROVISIONS.

10.1 **Binding Agreement.** The Parties represent that (a) when executed by their respective Parties, this Agreement shall constitute legal and binding obligations of the Parties; and (b) that each Party has complied with all relevant statutes, ordinances, resolutions, by-laws and other legal requirements applicable to their operation in entering into this Agreement. This Agreement shall be binding upon the heirs, successors, administrators and assigns of each of the Parties.

10.2 **Utah Law.** This Agreement shall be interpreted pursuant to Utah law.

10.3 **Time of Essence.** Time shall be of the essence of this Agreement.

10.4 **Interpretation of Agreement.** The invalidity of any portion of this Agreement shall not prevent the remainder from being carried into effect. Whenever the context of any provision shall require it, the singular number shall be held to include the plural number, and vice versa, and the use of any gender shall include any other and all genders. The paragraphs and section headings in this Agreement are for convenience only and do not constitute a part of the provisions hereof.

10.5 **No Presumption.** All Parties have participated in preparing this Agreement. Therefore, the Parties stipulate that any court interpreting or construing the Agreement shall not apply the rule of construction that the Agreement should be more strictly construed against the drafting Party.

10.6 **Entire Agreement and Amendments.** This Agreement and all attachments hereto constitute and represent the entire agreement and understanding between the parties hereto and replaces any previous agreement, understanding or negotiation between the parties with respect to the subject matter hereof, and may be modified or amended, supplemented, or changed only by the written agreement of the parties, including the formal approval of the City Council. No oral modifications or amendments shall be effective.
