ABOUT THE STUDY

The Old Bingham Highway Corridor Study focuses on the segment from the Old Bingham TRAX Station (5600 West) to New Bingham Highway (8100 West).

The goal of this study is to:

- Develop a long-term vision for roadway improvements and active transportation along the corridor
- Create a preliminary design and master plan to guide future investment and funding

WHY ATTEND?

- Talk with engineers and planners from the project team
- Share your thoughts on the future of this corridor
- **Light refreshments will be served.**
