

SCOFIELD TOWN PUBLIC HEARING MINUTES

June 8th, 2026

6:00 p.m.

CALL TO ORDER: 6:00 p.m. by Mayor Levanger.

ROLL CALL: Meliss Holloway, Brad Peacock, Jim, Levanger, Ralph Brinkerhoff, Kim Erikkila, Debbie Redford

Business: Ordinance 6-2026 Hearing. Amending Chapter II, Municipal Planning, and Chapter V, Regulations within zones of the Scofield Land Use Code.

Public Comments: Kim Erikkila was not in favor of this ordinance for commercial lots. Mayor Jim suggested that they may need a council discussion on this matter. This ordinance is mainly for parking issues. Carbon County states that the town needs only one ordinance. One conditional use permit for the town. It is not a one size that fits all. The ordinance is mainly for setbacks and parking. This ordinance will make businesses follow what the town wants.

Kim Erikkila made a motion to adjourn the meeting. Ralph Brinkerhoff seconded the motion. All were in favor.
