QUITCLAIM DEED

STATE OF UTAH X

KNOW ALL BY THESE PRESENTS:

COUNTY OF KANE X

This Corrected Quitclaim Deed is made to correct an error found on the previously recorded Quitclaim Deed filed with the Kane County Clerk, Utah, as Document No. 00158113, filed on June 5, 2013. Said Quitclaim Deed erroneously identified a LESS AND EXCEPT in the mineral reservation covenants on Page 2, Section III. This error has been corrected to remove said LESS AND EXCEPT portion.

Except as corrected by this instrument, all of the other original terms and conditions remain in full force and effect.

THIS CORRECTED QUITCLAIM DEED is made this 13 day of June, 2013, by and between the **United States of America** (herein sometimes referred to as the "Government"), acting by and through the Administrator of General Services Administration (hereinafter referred to as "Grantor"), under and pursuant to authority of 40 U.S.C. § 541, et. seq., as amended, and rules, orders, and regulations issued pursuant thereto, and **South Central Utah Telephone Association, Inc., a Utah domestic corporation**, 45 North 100 West, Escalante, UT 84726 (hereinafter referred to as "Grantee"). The terms used to designate any of the parties herein shall include their respective representatives, successors and assigns of said parties.

I. Quitclaim of the Fee Estate

Grantor, for and in consideration of: (i) the sum of Six Hundred Seventeen Thousand Five Hundred Dollars (\$617,500.00), duly paid by the Grantee, the receipt of which is hereby acknowledged, and (ii) the specific agreements hereinafter made by Grantee, for itself, and its successors and assigns, to abide by and take subject to all reservations, restrictions, covenants, exceptions, notifications, conditions and agreements hereinafter set forth in this Quitclaim Deed, does hereby grant, convey, remise, release and forever quitclaim to the Grantee, its successors and assigns, pursuant to the reservations, restrictions, covenants, exceptions, notifications, conditions and agreements hereinafter set forth, fee simple, in and to, that certain real property known as the Former BLM Kanab Field Office, Kane County, Utah (hereinafter referred to as the "Property"), and described in detail as follows:

Legal Description

Lots 2 and 3 in Block 2, Plat "C", Kanab Townsite Survey, comprised in Section 21, Township 43 South, Range 6 West, S.L.M.

The above described tract of land containing 2.80 acres of land, more or less, and hereinafter referred to as the Property.

TO HAVE AND TO HOLD the Property, together with all improvements, hereditaments, appurtenances, therein and all reversions, remainders, issues, profits and other rights belonging or related thereto, and subject all reservations, restrictions, covenants, exceptions, notifications, conditions, and agreements herein set forth in this Quitclaim Deed, either in law or in equity, for the use, benefit, and behalf of the Grantee, its successors and assigns forever.

II. SPECIAL AND GENERAL EXCEPTIONS AFFECTING THE PROPERTY

This Quitclaim Deed covering the Property is expressly made subject to the following matters to the extent and only to the extent the same are valid and subsisting and affect the Property:

A. All existing licenses, permits, servitudes and right-of-way including, but not limited to State highway department driveway permits, easements and rights-of-way for public streets, roads and highways, public utilities, electric power lines,

electric transmission facilities, railroads, pipelines, ditches, conduits and canals on, over and across said land, whether or not of record.

B. All existing interest(s) reserved to or outstanding in third parties in and to water rights, ditch and reservoir rights, as well as oil, gas, and/or minerals, whether or not of record.

C. All other existing interests reserved by any grantor(s) in chain of title unto said grantor(s), their respective successors and assigns, which affect any portion of the Property interest(s) hereinabove described, whether or not of record.

D. Any survey discrepancies, conflicts, or shortages in area or boundary lines, or any encroachments, or protrusions, or any overlapping of improvements which may affect the subject Property.

E. Existing ordinances or resolutions, special purpose district rules and regulations, including soil conservation district rules and regulations and water conservancy district rules and regulations, filed of public record and affecting all or any portion of the subject Property.

III. RESERVATIONS/COVENANTS COVERING THE PARCELS

This Quitclaim Deed covering the Property is expressly made subject to the following reservations in favor of Grantor, and its assigns.

SAVE AND EXCEPT and there is hereby reserved unto Grantor, and its assigns, all rights and interests which have been previously reserved to the United States in any Patent(s) which cover(s) the Property.

SAVE AND EXCEPT, and there is hereby excepted and reserved unto the UNITED STATES OF AMERICA, and its assigns, all right, title and interest in and to all oil, gas, hydrocarbons, and other minerals that may be produced in and under the Property; including, but not limited to the following attributes in connection with its right to take, develop and produce such, oil, gas, hydrocarbons, and minerals: (1) the right in ingress and egress to the Property, (2) the right to lease, (3) the right to receive bonus payments, (4) the right to receive delay rentals, and (5) the right to receive royalty payments.

IV. CERCLA NOTICES, COVENANTS AND RESERVATIONS

This Quitclaim Deed is expressly made subject to the following CERCLA information and specific reservations, covenants and agreements in favor of Grantor, and its assigns.

A. Notice of Hazardous Substance Activity. Pursuant to 40 CFR §373.2 and Section 120(h)(3)(A)(i) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA)(42 U.S.C. §9620(h)(3)(A)(i)), and based upon a complete search of agency files, the United States of America gives notice that no hazardous substances have been released, or disposed of, or stored for one year or more on the Property.

B. CERCLA Covenant. Grantor warrants that all remedial action necessary to protect human health and the environment has been taken before the date of this Quitclaim deed. Grantor warrants that it shall take any additional response action found to be necessary after the date of this Quitclaim deed regarding hazardous substances located on the Property on the date of this quitclaim.

1. This covenant shall not apply:

a. in any case in which Grantee, its successor(s) or assign(s), or any successor in interest to the Property or part thereof is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this Quitclaim Deed; **OR**

b. to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Grantee, its successor(s) or assign(s), or any party in possession after the date of this Quitclaim Deed that either:

(1) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this Quitclaim Deed; **OR**

(2) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which were known and identified to the applicable regulatory authority as of the date of this Quitclaim Deed; **OR**

(3) in the case of a hazardous substance(s) previously unknown by Grantor and Grantee as of the date of this conveyance but which is hereafter discovered by Grantee, its successor(s) or assign(s), or any party in possession and where after such discovery, Grantee, its successor(s) or assign(s), or any party in possession thereafter causes or exacerbates a release or threatened release of such hazardous substance(s).

2. In the event Grantee, its heir(s), successor(s) or assign(s), seeks to have Grantor conduct or pay for any additional response action, and, as a condition precedent to Grantor incurring any additional cleanup obligation or related expenses, the Grantee, its heir(s), successor(s) or assign(s), shall provide Grantor at least 45 days written notice of such a claim and provide credible evidence that: (a) the associated contamination existed prior to the date of this Quitclaim Deed; and (b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Grantee, its heir(s), successor(s) or assign(s), or any party in possession.

C. **Access.** Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to Grantor. These rights shall be exercisable in any case in which a remedial action, response action or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses or remedial actions, shall be coordinated with record title owner and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

D. **Non-Disturbance Clause.** Grantee covenants and agrees for itself, its heirs, successors and assigns and every successor in interest to the Property, or part thereof, that a party occupying any of the Property shall not interfere, hinder or prevent Grantor, the United States Government, and its officers, agents, employees, contractors and subcontractors, in conducting any required remedial investigations, response actions or oversight activities on the Property or adjoining property.

V. OTHER ENVIRONMENTAL NOTICES, COVENANTS AND RESERVATIONS

A. NOTICE OF THE PRESENCE OF ASBESTOS - WARNING!

1. The Grantee is warned that the property contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.

2. Grantee is invited, urged and cautioned to inspect the property as to its asbestos content and condition and any hazardous or environmental conditions relating thereto. The disposal agency will assist Grantee in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). Grantee shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the property including, without limitation, any asbestos hazards or concerns.

3. No warranties either express or implied are given with regard to the condition of the property including, without limitation, whether the property does or does not contain asbestos or is or is not safe for a particular purpose.

4. The description of the property set forth in the Conveyance Document and any other information provided therein with respect to said property is based on the best information available to the disposal agency and is believed to be correct, but any error or omission, including but not limited to the omission of any information available to the agency having custody over the property and/or any other Federal agency, shall not constitute grounds for any claim by the Grantee against the Government.

5. The Government assumes no liability for damages for personal injury, illness, disability or death, to the Grantee, or to the Grantee's successors, assigns, employees, invitees, or any other person subject to Grantee's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the property which is the subject of this conveyance, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

6. The Grantee further agrees that in its use and occupancy of the property it will comply with all Federal, state, and local laws relating to asbestos.

B. Notice of Lead-Based Paint for Non-Residential Real Property Constructed Prior to 1978

Every purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to converting the property to a residential dwelling.

C. NOTICE OF 100-YEAR FLOODPLAIN

Portions of the Property are located in a 100 Year Floodplain. Grantee, for itself and its successors and assigns, agrees and covenants that any development located within any portion of the above described Property will be subject to the applicable 100 Year Floodplain regulations and other applicable Federal, state and local statutes, and ordinances relating to flood hazard.

VI. MISCELLANEOUS NOTICES, TERMS, CONDITIONS, AGREEMENTS, AND COVENANTS

Except as otherwise provided by 42 U.S.C. 9620(h)(3), Grantee covenants for itself, its heirs, assigns and every successor in interest to the Property herein described or any part thereof that it shall abide by each of the following covenants, each of which will be covenants running with the land. In addition, the United States of America shall be deemed a beneficiary of each of the following covenants without regard to whether it remains the owner of any land or interest therein in the locality of the Property hereby conveyed and shall have a right to enforce each of the covenants herein in any court of competent jurisdiction; provided, however, the United States of America shall have no affirmative duty to any successor in title to this conveyance to enforce any of the following covenants herein agreed.

A. Grantee has inspected the described and conveyed Property and has satisfied itself that the property is free of any hazardous substances or petroleum products or their derivatives, calcium hypochlorite, batteries and insecticides, and Grantee, for itself and its heirs, successors and assigns, covenants and agrees to indemnify, protect, defend, save and hold harmless the United States of America, and its employees, officers, representatives, attorneys and agents, from and against any and all debts, duties, obligations, liabilities, suits, claims, demands, causes of action, damages, losses, cost and expenses (including without limitation, attorneys' fees and expenses and court costs) in any way relating to, connected with, and/or arising out of the discovery of any hazardous substance(s) or petroleum product(s) or their derivatives, calcium hypochlorite, batteries and insecticides which may have contaminated the hereinabove and conveyed Property after the date of the delivery of this conveyance, including but not limited to, any environmental response action, corrective action, or removal, monitoring, investigation, sampling, or testing in connection therewith.

B. NOTICE OF NAVIGABLE AIRSPACE Based upon coordination between the General Services Administration and the Federal Aviation Administration (the "FAA") as recommended in House Report Number 95-1053 entitled "FAA Determination of 'No Hazard' for Structures Near Airports," it has been determined that a public airport is located within six nautical miles of the Property. To the extent required by law, the Grantee, its successors and assigns must comply with Title 14, Code of Federal Regulations, Part 77, "Objects Affecting Navigable Airspace," of the Federal Aviation Act of 1958, as amended. This restriction shall run with the Property.

C. DOCUMENT BOX

At such time as the building is demolished, if any document box is found, which should be located behind the cornerstone, it shall remain the property of the Government and shall be delivered, unopened to the National Archives and Records Service, Washington, DC.

D. As a material part of the Consideration for this deed, Grantor and Grantee agree that Grantee is taking the Property "AS IS" with any and all latent and patent defects and that there is no warranty by Grantor that the Property has a particular financial value or is fit for a particular purpose. Grantee acknowledges and stipulates that Grantee is not relying on any representation, statement, or other assertion with respect to the Property condition but is relying on Grantee's examination of the Property. Grantee takes the Property with the express understanding and stipulation that there are no express or implied warranties.

Why is the intended zone change necessary at this particular location to provide a service to the community?:

The requested zone change is necessary to become conforming with the City of Kanab's land Use and Zoning ordinances. The property located at 318 N 100 E has been continuously operated as a professional office.

Explain how the intended zone change will not be detrimental to the health, general welfare or safety of persons working or residing in the vicinity, or injurious to property or improvements in the vi:

The proposed zone change will not be detrimental to the health, general welfare, or safety of persons working or residing in the vicinity, nor will it be injurious to property or improvements in the area. The property at 318 N 100 E is currently and has historically been operated as a professional office, meaning no change in the nature, intensity, or character of use is proposed. The rezoning is to become conforming with Kanab City's land Use and Zoning ordinances. There will be no increase in traffic, noise, or activity as a result of this zone change. The existing use is compatible with surrounding properties and consistent with the professional character of the area. Granting this zone change will have no adverse impact on neighboring land uses, property values, or the surrounding community.
