IMPORTANT ACCOUNT INFORMATION

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Deposit Account Agreement ("Account Agreement") dated October 15, 2021. Effective February 15, 2022, the following applies to wire transfers transactions: the section titled "Funds Transfer Services" has revisions to the introductory paragraph, we added subsections titled "Funds Transfer Security Procedure" and "Rejecting a Funds Transfer Request", and the subsection titled "Your duty to report unauthorized or erroneous funds transfers" has been revised.

If you are enrolled in Wells Fargo Online®, Wells Fargo Business Online®, Wells Fargo Mobile®, or Wells Fargo Advisors® online services, you reviewed and accepted our Online Access Agreement ("OAA") when you enrolled in those services. We have added a new section 15(c) Transfers Security Procedures (Business Customers and Online Wire Transfers) to the OAA to provide more clarity regarding the security procedures that apply to certain online transactions and the various addenda agreements. The updated version of the OAA will go into effect on February 15, 2022.

No, you don't need to take any action. This notice is simply to let you know that certain terms in the Account Agreement and the OAA have been updated. Your continued use of your account and, if enrolled, in the above online services will be your acceptance to these updated terms. Please review the Account Agreement and OAA, and only continue to use the above online services if you agree to all terms.

For more details, please access the Consumer Account Addenda at www.wellsfargo.com/online-banking/consumer-account-fees/ or the complete OAA at www.wellsfargo.com/online-banking/online-access-agreement/upcoming.
