Business for the Board

Director Weight commented that the wind has not been cooperating, they can spray with ten mile an hour wind or less. However, the wind grounds the mosquitoes.

Have had some complaints in the Tabiona / Hanna area, set traps, and have sprayed the area.

Currently needing office help, the Secretary moved out of state. During the summer months, this person will help set and collect traps and count mosquitoes.

Next month the Board will review the By-laws and discuss any changes that need to be made.
