Subject: .5% Additional Resort Tax

Background

As discussed during FY 2027 budget meetings, I'm proposing that the Town consider increasing the Resort Tax by an additional .5 % as allowed in State law. This would be added to the currently levied 1% (plus .10%, if approved by resolution) and would require an election. This is one of the steps that would help balance the operating budget by providing an estimated \$150,000 annually. If approved by Town voters in the upcoming fall election, the amount of additional revenue this fiscal year would be half, or \$75,000. This estimate is not appropriated in the adopted budget, pending the outcome of an election.

Town Council discussed this matter during budget discussions and the consensus has been to move it forward.

Recommendation

The action requested of the Council is to authorize the election and approve the ballot language, which has been reviewed by the Town Attorney, at the July 21, 2026, regular meeting.
