**Study Session**

**Closed Meeting**

Item not held.

**Discussion: River to Range Trail**

Mayor Walker said the River to Range Trail was planned to connect the Jordan River Parkway and Porter Rockwell trails. Chris Geddes with Design Workshop said the purpose of the River to Range Trail study done by Design Workshop was to evaluate feasible east-west trail connections, identify corridor opportunities, and support future funding and implementation. He said the River to Range Trail would complete a significant gap in Draper's regional trail network, connect neighborhoods, parks, and transit with future development, and position the City for future funding opportunities.

Mr. Geddes presented four corridor options identified by the study:

Northern Corridor Option A: Mr. Geddes stated this option would follow Corner Canyon Creek, connect to Vista Station, and utilize an existing railroad undercrossing before crossing I-15 to the Jordan River Parkway.

- Strengths: most direct, centrally located east-west connection; would connect established neighborhoods and Vista Station; strong regional trail connectivity.
- Considerations: I-15 expansion plans; easement needs.

Northern Corridor Option B: Mr. Geddes stated this option would follow Corner Canyon Creek, connect to Vista Station, and utilize an existing railroad undercrossing before crossing I-15 at the Bangerter Highway interchange to the Jordan River Parkway.

- Strengths: same as Option A.
- Considerations: most complex crossing; I-15 expansion plans; easement needs; higher implementation cost.

Central Corridor: Mr. Geddes stated this option would follow the East Jordan Canal corridor through The Point, utilize a grade-separated crossing at Bangerter Highway, and pass under I-15 before connecting to Wheadon Farm Regional Park and the Porter Rockwell Trail.

- Strengths: would leverage The Point development; would use East Jordan Canal corridor; would not require a bridge over I-15.
- Considerations: complexity of going under I-15; Bangerter Highway grade-separated crossing; timing dependent on development phasing within The Point.

Southern Corridor: Mr. Geddes stated this option would follow the River to Range Parkway through The Point, include grade-separated crossings at Bangerter Highway and I-15, and connect to the Porter Rockwell Trail.

- Strengths: would integrate with River to Range vision; would support future regional growth; would leverage future development within The Point.
- Considerations: significant grade changes; potential to align with TRAX; timing dependent on development phasing with The Point and UTA's planned LRT improvements.

Mr. Geddes said the study identified that a north-south crossing of Bangerter should be provided regardless of which corridor alignment was ultimately chosen to ensure trail connectivity between the Corner Canyon Creek Trail corridor and the proposed

trail system at The Point. He stated that the study did not identify a single preferred corridor option.

Responding to a question from the Council, Parks and Recreation Director Rhett Ogden said the City did not have a timeframe associated with completion of the trail connection. Councilmember T. Lowery asked the ultimate revenue source for the project. Mr. Geddes responded that a number of parties would likely be involved, including the State, the City, and other funding sources. He said the least expensive option was estimated at \$7 million, and the highest cost option was estimated at \$15 million. Mayor Walker said the plan was for the trail to be part of The Point project, but funding had not yet been identified.

Councilmember F. Lowry said the best option seemed to him to be the northern option, taking advantage of the UDOT I-15 widening project. Staff said conversations with UDOT about the possibility had not yet occurred, but encouraged that now would be a good time. Mayor Walker said he would work on setting up discussions with UDOT. Community Development Director Jennifer Jastremsky said staff had not yet seen design drawings for the UDOT project.

Mayor Walker thanked Mr. Geddes for the presentation.

#### **Discussion: Solid Waste**

Finance Director John Vuyk presented a comparison of the current Draper City solid waste collection pricing, and new City pricing to cover the cost of continuing to provide waste collection services versus private contractor pricing. Mr. Vuyk said a request for proposals (RFP) was released with four qualified bidders respon, and staff selected Ace Recycling and Disposal Inc. as the most qualified with the lowest cost.

Mayor Walker said maintenance and storage of vehicles was a significant cost over time. Mr. Vuyk said the current cost of a garbage truck was \$450,000. Mayor Walker said the City had not increased solid waste collection rates since beginning the service, and said tipping fees would continue to go up every year.

Councilmember T. Lowery asked about liability with a private contractor. Mr. Vuyk said Ace would provide insurance and take on the liability. He stated that increases in fuel costs would be set by the private contractor, with built-in escalators for anticipated cost increases. Councilmember T. Lowery asked about opportunities for valued City staff who drove the City vehicles to apply at Ace. Public Works Director/City Engineer Scott Cooley said the City had wonderful staff, and it was unfortunate the costs no longer worked out in the City's favor. He states that Ace was able to take advantage of economies of scale to which the City did not have access. He said Ace had expressed interest in hiring the City's employees because they knew the area and the routes. Mr. Cooley said Ace would continue the current collection schedule. Mr. Cooley noted that the department had lost two employees since the RFP was released, and another employee would soon retire. He stated that if the City did not contract with Ace, more employees would need to be hired soon.

#### **Report: Major Roads CIP Update**

Mr. Cooley provided an update on current and planned projects, including: sidewalk projects, Bangerter intersection improvements, Pump Station 3 upgrades, parking lot expansion at Draper City Hall, Suncrest PRV replacement, and Lone Peak Parkway Widening project. He said the project to widen Fort Street between Pioneer and 13200 South had been pushed to summer of 2028 due to needed property acquisitions.

#### **Report: Parks CIP Update**

Parks and Recreation Director Rhett Ogden reported the Porter Rockwell Trail access at North Cranberry Hills had been completed. He updated the Council on Jenson Farm Park Phase 3, Porter Rockwell Trail at 1300 East UTA Bridge Crossing, and Phebe Brown Trail Phase 2. City Attorney Traci Gundersen said staff had been in conversation with Phebe Brown Trail neighbors to work out safety concerns. All members of the Council indicated support for moving forward with the Phebe Brown trail. Mr. Ogden provided an update on Sunrise Station Park expansion, Bonneville Shoreline Trail Spring Hollow bridge replacement, and trail improvement projects.

#### **Council/Manager Reports**

- Councilmember F. Lowry expressed appreciation to Kellie Challburg and David Wilks for their hard work preparing for the upcoming rodeo. Mrs. Challburg provided an update on sponsorships. Councilmember F. Lowry commented that Delane ("Hutch") and Becky Hutcheon had been involved in planning the Draper rodeo since it began. He expressed a desire to recognize them as Grand Marshals of the rodeo as a show of appreciation. All members of the Council indicated support.

- Councilmember T. Lowery expressed concern about the 801-840-4000 number. She said she received multiple calls a week from residents reporting the number was not functional. Chief Ferguson said it was his understanding the dispatch office was short staffed and often did not have enough personnel on hand to answer the non-emergency line. He encouraged residents to call 911 in an emergency. Councilmember F. Lowry asked the long-term plan for the number. Chief Ferguson said AI was being implemented into the system to hopefully offset calls and free-up dispatcher time. Councilmember T. Lowery asked if the City had any staff that could be assigned to the line to ensure someone answered the phone for residents. She asked if the City could run an independent number for Draper residents until issues with the current number were resolved. City Manager Mike Barker said staff would look into options. Councilmember T. Lowery said it was frustrating for residents to call and not get an answer, and emphasized that not answering the calls was not an option. She requested a report of non-emergency call volume.

## **Business Session**

### **1. Call to Order by Mayor Troy K. Walker**

### **2. Pledge of Allegiance led by Councilmember Fred Lowry**

### **3. Public Comments**

Kent Davis, Cottonwood Heights resident, introduced himself as Republican nominee for Salt Lake County District Attorney.

Kathleen Anderson, Draper resident, recognized and thanked Councilmember Mike Green for his military service and recent eight-month deployment.

Jim Stites, Draper resident, spoke of the gravity of the drought situation and the need to take water usage seriously. He said Utah was at risk of handing its children an economical wasteland.

Chris Hill, Eagle Mountain resident, said he bid on the RFP for the solid waste contract. He said Ace was a good company, but said his company was local and new, and he hoped other companies would be considered in the future.

Tyler Ashby, Draper resident, said he was a disrupter. He said he believed in consequences and did not believe he was above the consequences. Mr. Ashby

said in 2021 he did everything quietly except spend \$20,000 he did not have, and said he had the money now.

**4. Consent Items**

**4.a Approve the June 2, 2026 and June 9, 2026 City Council Meeting Minutes**

**4.b Approve Resolution #26-34 of the Draper City Council acting as the governing body of the Traverse Ridge Special Service District certifying a tax rate for the 2027 taxable year**

Councilmember T. Lowery moved to approve the Consent Agenda. Councilmember Johnson seconded the motion.

A roll call vote was taken. The motion passed unanimously.

**5. Items for Council Consideration**

**5.a Public Hearing: Ordinance #1726 amending the text of Titles 9 and 17 of the Draper City Municipal Code related to corner lots**

Planner Todd Taylor presented proposed amendments to Titles 9 and 17 to clarify text related to corner lots and setbacks for those lots. He stated the proposed amendments would apply to lots abutting a private road with no access to the private road. He said the Planning Commission reviewed the proposed amendments and forwarded a positive recommendation.

Mayor Walker opened a public hearing, and closed the public hearing seeing no one come forward.

Councilmember Green moved to adopt Ordinance #1726. Councilmember T. Lowery seconded the motion.

A roll call vote was taken. The motion passed unanimously.

**5.b Public Hearing: Ordinance #1727 adopting text amendments to Section 9-31-040 of Draper City Municipal Code regarding standards for the creation of Detached Accessory Dwelling Units**

Planning Manager Todd Draper said the proposed text amendment was initiated by a citizen applicant. He stated that if approved, the proposal would: permit existing accessory buildings and structures to be converted into detached accessory dwelling units (D-ADUs); set different height and setback standards for D-ADUs created from existing accessory buildings and structures; and clarify where a D-ADU could be located on a property. Mr. Draper presented the proposed language, and said the Planning Commission forwarded a positive recommendation.

Staff answered questions from the Council regarding height restrictions. Councilmember T. Lowery said the Council deliberately set the ADU setbacks, and said existing structures referenced by the language were not initially intended to be used for housing. She expressed concern with changing both the use and the setbacks. Councilmember T. Lowery commented that surrounding neighbors would have no opportunity to express dissent for potential new housing if the proposed change were approved. She expressed concern with the Council being asked to change Citywide policy for one specific interest.

Councilmember F. Lowry asked why the Council would allow existing structures that did not meet established ADU setbacks to be used for ADUs. He stated that the same standards should apply for both existing structures and new construction. Mr. Draper said the structures would need to comply with Building Code under the proposed standards. He said he was aware there were cities that provided exceptions for conversions. Community Development Director Jennifer Jastremsky said the applicant's previous request for a variance on the single property was not successful, and said standards for variances were set by the State.

Ellen Rohr, applicant, said Draper's lack of concession for conversion of an existing structure was unusual in the Salt Lake Valley. She said she and her husband believed theirs would not be the only such situation in Draper. Ms. Rohr said the ADU conversion would contribute to an option to age in place. She said it would seem wasteful and against the policy of Draper to tear down a usable building in order to build another. Ms. Rohr emphasized that the structure would be required to meet Building Code.

Councilmember T. Lowery said her concern related to Citywide application of the proposed policy change.

Mayor Walker opened a public hearing, and closed the public hearing seeing no one come forward.

**Councilmember T. Lowery moved to deny Ordinance #1727. Councilmember Johnson seconded the motion.**

Councilmember Johnson expressed a desire to explore if there were other ways to accomplish what was asked on a more individual basis. Councilmembers F. Lowry and Green expressed agreement.

**A roll call vote was taken. The motion passed unanimously.**

5.c **Public Hearing: Ordinances #1728, #1729, #1730 amending the Official Land Use Map of Draper City, the Official Zoning Map of Draper City, and approving a Development Agreement for approximately 1.95 acres located at approximately 762 W. 12300 S. known as the Kuwahara Nursery Land Use Map and Zoning Map Amendments and the Kuwahara Nursery Development Agreement**

Mr. Draper said the applicant desired to rezone the subject property from Professional Office (CO1) to RM2, and change the Land Use Map designation from Commercial Office and Service to High Density Residential. Mr. Draper presented a site plan for 21 units, one more unit than would typically be allowed, and showed conceptual elevations. He stated allowed uses with the RM2 Zone would include: agriculture; school (public only); single-family dwelling; two-family dwelling; multiple-family dwelling; cemetery; and commercial uses in historic buildings. Mr. Draper said the applicant requested a reduction in minimum lot size from 4,000 square feet to 800 square feet and the net area with the 21 lots would be approximately 2,950 square feet per lot.

Mr. Draper shared the following staff concerns:

- Dedication of property for right-of-way was a standard condition for development with or without a Development Agreement.

- The number of single-family units proposed would exceed what was allowed in the RM2 Zone without the Development Agreement.
- The agreement may not have adequate consideration, which could render the agreement void.

Mr. Draper said the Planning Commission reviewed the matter and forwarded positive recommendations to the City Council for all three applications. He said the project would have a single access from 12300 South, and said the street was proposed to meet City width standards with no sidewalks. Mr. Draper said the Fire Marshal reviewed the plan and did not raise concerns. Responding to a question from Councilmember T. Lowery, Ms. Jastremsky said she suspected the nursery currently operating on the site predated the current zoning. She said the CO1 Zone was designed for office-type uses.

Councilmember Johnson expressed concern with the number of variances requested. Councilmember T. Lowery said she shared the concern. Mr. Draper pointed out proposed walking paths within the project. Councilmember Green asked about driveway lengths, and Mr. Draper said the driveways were proposed to be 20-feet in length. Councilmember Green expressed the opinion that the plan looked like a parking nightmare for guests.

Austin Richins with Alpine Homes, applicant, said Alpine Homes was trying to create entry-level homes that would be more attainable in Draper, with a development agreement to provide guidelines to move the project forward. He said the guest parking would be centrally located. Mr. Richins said he felt the proposal with the reduction in scale would create a single-family transition between existing multi-family and single-family communities. He said Alpine Homes had built similar products in other cities, and felt the project would be a good fit for the subject property.

Councilmember Green said generally speaking, when a land use decision was considered, the existing zoning was presumed correct. He asked what fact, geographic limitation, or situation dictated that the current zoning was not correct and should be changed. Mr. Richins said the current use did not match the current zone. Councilmember Green said his question was why the current zone was not correct for development. Mr. Richins said separation from existing commercial properties was the biggest driver. He said UDOT had not indicated willingness to grant access through the existing median on 12300

South. Mr. Richins suggested the proposed project would complete the residential portion of that part of the City.

Mayor Walker opened a public hearing, and closed the public hearing seeing no one come forward.

Councilmember Johnson expressed concern with the requested variance for garage and driveway length, and said such variances in the past had been for projects near public transit. She said it did not appear the subject property would be able to easily utilize public transit, and said she believed adequate parking was important.

Councilmember F. Lowry said the proposed sidewalk plan made sense to him. He expressed concern about the proposed density, and said there would not be sufficient parking for the proposed density. He said he was hesitant to zone away from a commercial zone. Councilmember T. Lowery said she questioned whether the proposed project was the appropriate use for the parcel. Councilmember Green said he did not see a reason to deviate from the existing entitlement.

**Councilmember T. Lowery moved to deny Ordinances #1728, #1729, and #1730. Councilmember Johnson seconded the motion.**

**A roll call vote was taken. The motion passed unanimously.**

**5.d Action Item: Resolution #26-35 approving an agreement with Ace Recycling and Disposal Inc. for residential solid waste and recyclable material collection services on public streets in Draper City**

Public Works Director/City Engineer Scott Cooley said the Council received a presentation concerning the proposed agreement with Ace Recycling and Disposal Inc. for residential solid waste and recyclable material collection services during the Study Session earlier in the evening. He said due to the sensitive nature of deciding the fate of an entire division of Public Works and the employees therein, the matter was presented to the Council on the same evening as a decision was requested.

Robert Markle gave a brief history of the Draper Solid Waste Division, with inception in 2010, and explained that due to increased costs the City was no longer able to provide the service without an increase in fees. Mr. Cooley showed a comparison of current pricing, increased City pricing to meet costs, and private contractor pricing (see Study Session discussion). He stated that the City would need to charge \$6.00 more than the private contractor for the base rate, and \$4.50 more than the private contractor for an additional can.

Mr. Cooley said an RFP was released, and a qualified third-party provider identified that would significantly reduce the necessary fee increase for the same collection services (Ace). He said Ace had agreed to maintain current routes and schedules.

Councilmember F. Lowry said the City had great employees that had provided the service, and expressed hope that Ace would consider them for employment to continue the Draper routes. Mr. Cooley said he had been impressed throughout the process with how much the amazing employees cared for Draper City and cared for each other. Councilmember T. Lowery said residents had shared with her that Draper's solid waste collection drivers were something special, and said she was sad that the costs no longer worked out in the City's favor for providing the service. Councilmember Johnson said she agreed.

Mayor Walker suggested an audit of waste containers. He commented that the cost of waste collection would continue to increase over time. Councilmember F. Lowry pointed out the City would be able to sell City equipment with proceeds going toward a new Public Works building.

**Councilmember Green moved to approve Resolution #26-35. Councilmember T. Lowery seconded the motion.**

**A roll call vote was taken. The motion passed unanimously.**

## RESOLUTION NO. 26-36

### A RESOLUTION REAPPOINTING JAMIE POGUE AS A MEMBER OF THE DRAPER CITY PARKS, TRAILS AND RECREATION COMMITTEE

**WHEREAS**, the City is authorized to establish subordinate bodies within the City as deemed appropriate by the City Council; and

**WHEREAS**, the City has created a Parks, Trails and Recreation Committee within the City for the purpose of providing a framework for the management of City parks, trails, and recreation assets; and

**WHEREAS**, the duties of this Committee are to recommend and monitor the establishment of facilities, programs, and policies to meet the recreational and aesthetic needs of the citizens and Draper City; and

**WHEREAS**, the term served by Jamie Pogue has expired and he has expressed a desire to continue to serve as a board member.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF DRAPER CITY, STATE OF UTAH, AS FOLLOWS:**

Re: Public Hearing: Providing Local Consent for a Limited-Service Restaurant License for Bear Tracks Holdings LLC dba Black Bear Diner

---

## Comments:

Bear Tracks Holdings LLC dba Black Bear Diner located at 12057 S. State St is seeking Local Consent for a Limited-Service Restaurant license. They have provided the following:

- Liquor liability insurance.
- Sales tax license.
- A background check conducted by the Draper City Police Department.

Bear Tracks Holdings LLC dba Black Bear Diner holds current commercial business license numbered CBL-7015-2023 and expiring September 30, 2026.

## **The findings for Local Consent approval are as follows:**

DCMC 6-4-040 requires that a limited-service restaurant be at least three hundred feet (300') away from any community location (schools, churches, public libraries, public playgrounds, and public parks) measured by the shortest pedestrian route taken from the nearest patron entrance of the restaurant to the property boundary of the community location.

Bear Tracks Holdings LLC dba Black Bear Diner has met this requirement.

DCMC 6-4-040 requires that a limited-service restaurant be at least two hundred feet (200') away from any community location (schools, churches, public libraries, public playgrounds, and public parks) measured in a straight line from the nearest patron entrance of the restaurant to the property boundary of the community location.

Bear Tracks Holdings LLC dba Black Bear Diner has met this requirement.

DCMC 6-4-050 places no restrictions on the number of limited-service restaurant licenses that can be granted by the City.

**Re: Adamo – Zoning Map Amendment Request**

Application No.: 2026-0097-MA

Applicant: Michael and Tori Adamo

Project Location: 265 E. 13275 S

Current Zoning: RA1 (Residential Agricultural, 40,000 ft<sup>2</sup> min. lot size)

Acreage: 1.08 Acres (Approximately 47,044 ft<sup>2</sup>)

Request: Request for approval of a Zoning Map Amendment from RA1 to RA2 (Residential Agricultural, 20,000 ft<sup>2</sup> min. lot size).

**BACKGROUND AND SUMMARY**

This application is a request for approval of a Zoning Map Amendment from RA1 to RA2 for approximately 1.08 acres located on the north side of 13275 S. at approximately 265 E. 13275 S. (Exhibits C and D). The applicant is requesting that a Zoning Map Amendment be approved so that the applicant can subdivide the properties.

The subject property that fronts onto 13275 S. has a single-family home that was constructed in 1940 and was added onto in 2005. A shed was constructed in approximately 2000 and a detached garage was constructed in the northwest corner of the property in approximately 2006. A second detached garage and a covered patio were constructed in 2007.

According to Draper City Municipal Code (DCMC) Section 9-8-020(B)(1) the purpose of both the RA1 and RA2 zones is to *“foster low density development with little impact on its surroundings and municipal services; to generally preserve the character of the City’s semi-*

*rural areas; and to promote and preserve conditions favorable to large-lot family life, including the keeping of limited numbers of animals and fowl. The predominant use in these zones is intended to be detached single-family dwellings, protected from encroachment by commercial and industrial uses."*

#### Criteria for Approval

A Map Amendment is a matter committed to the legislative discretion of the City Council and is not controlled by any one standard. However, in making a recommendation to the City Council, the Planning Commission should consider the following factors in Section 9-5-060(E)(1) of the DCMC:

##### *1. Map Amendments:*

- a. Whether the proposed amendment is consistent with goals, objectives and policies of the city's general plan;*
- b. Whether the proposed amendment is harmonious with the overall character of existing development in the vicinity of the subject property;*
- c. Whether the proposed amendment is consistent with the standards of any applicable overlay zone;*
- d. The extent to which the proposed amendment may adversely affect adjacent property; and*
- e. The adequacy of facilities and services intended to serve the subject property, including, but not limited to, roadways, parks and recreation facilities, police and fire protection, schools, stormwater drainage systems, water supplies, and wastewater and refuse collection.*

Staff notes that the zoning designation of RA2 is compatible with the subject property's current mapped land use designation of Residential Low/Medium Density (Exhibit E). The uses allowed in the RA1 and RA2 zones are substantially the same with the exception of the *Agricultural Business* and *Animal Specialties* uses being allowed conditional uses in the RA1 zone and are not permitted in the RA2 zone. The use of animals and fowl for recreation and family food production would become a conditional use under the RA2 zone and is listed as permitted use in the current RA1 zone. Staff also notes that properties with the RA2 designation are adjacent to the north, east, and south sides of the subject property. The RA2 zoning designation is also the predominate zoning type located within 300 feet of the subject property (Exhibit F).

**EXHIBIT G**  
**APPLICANT'S RESPONSE – ZONING MAP AMENDMENT**

**Zoning Map Amendment Narrative 265 East 13275 South, Draper, UT 84020 Parcels:  
28-31-376-007 and 28-31-376-053 Requested Amendment: RA1 to RA2**

---

**1. What is the requested zoning designation?**

The applicants request a Zoning Map Amendment for both parcels identified above from RA1 (Residential Agricultural, 40,000 square foot minimum) to RA2 (Residential Agricultural, 20,000 square foot minimum). The combined parcels total approximately 1.08 acres and are owned in fee simple by Michael Richard Adamo and Tori Lynn Adamo.

---

**2. Please explain the reason for the request and the justification for approval.**

The applicants seek to rezone both parcels from RA1 to RA2 to bring the property into alignment with the zoning designation that has already been applied to directly adjacent and historically connected properties in the immediate area. The subject parcels share a common boundary and deed reference with the property at 275 East 13275 South, which was rezoned from RA1 to RA2 by Draper City Ordinance No. 1576. That property was part of the same original tract and is immediately contiguous with the subject parcels.

The requested rezone does not propose any immediate subdivision, development, or change in use. The property currently contains a single-family residence and accessory structures and will continue to be used as a residential property. The rezone simply updates the regulatory designation to match what has already been approved for adjacent land of identical character, history, and general plan designation.

At approximately 1.08 acres total, the combined parcels are well-suited for RA2 zoning, which carries a 20,000 square foot minimum lot size. The property's size, configuration, and location are fully consistent with the RA2 zone standards.

---

**3. How is the requested zoning designation harmonious with the overall character of existing development in the vicinity of the subject property? Explain.**

The requested RA2 designation is directly harmonious with existing development in the immediate vicinity for the following reasons:

The property at 275 East 13275 South — immediately adjacent to the subject parcels and sharing a common deed boundary — was rezoned from RA1 to RA2 by Draper City Ordinance No. 1576. That property is part of the same original agricultural tract, is of similar size at approximately 0.92 acres, and is located on the same street. The Planning Commission

approved that rezone on a 5-0 vote with a staff recommendation of approval, finding it consistent with surrounding development and the General Plan.

The subject parcels are of comparable size, character, and historical use to the McAllister parcel that was already rezoned. Approving this request simply extends consistent RA2 zoning across properties that share identical characteristics, history, and neighborhood context. Leaving the subject parcels zoned RA1 while the immediately adjacent property is zoned RA2 creates an inconsistency in the zoning map that this request would correct.

The broader neighborhood along 300 East in this area consists of single-family residential properties on large lots with a semirural character — exactly the development pattern that RA2 is designed to preserve and accommodate.

---

**4. Are facilities and services, such as roadways and utilities, sufficient to serve the property under the proposed zoning? Explain.**

Yes. All facilities and services are already in place and fully adequate to serve the property under RA2 zoning.

The property is an existing developed residential parcel with an established single-family residence. It is currently served by the following:

- **Road access:** The property has legal vehicular and pedestrian access via 300 East and an existing 50-foot right-of-way easement running east to the West boundary of 300 East Street, as recorded in the title documents.
- **Water:** Drinking water is provided by WaterPro to the subject parcel.
- **Sewer:** The property is located within the boundaries of Draper City and Salt Lake County Sewer Improvement District No. 1, with a sewer easement recorded December 12, 1973.
- **Gas:** A Mountain Fuel Supply Company easement is recorded across the property, confirming existing gas infrastructure.
- **Fire and police:** The property is within Draper City limits and currently served by City fire and police services.

No new infrastructure is required or anticipated as a result of this rezone. The Engineering and Public Works Division reached the same conclusion in its review of the adjacent McAllister rezone application under identical infrastructure conditions.

---

**5. Is the proposed zoning designation consistent with the goals, objectives, and policies of the City's General Plan? Explain.**

Yes. The proposed RA2 designation is fully consistent with the Draper City General Plan.

The subject property carries a General Plan Land Use designation of Residential Medium Density. The RA2 zone is the zoning designation that implements and is aligned with the Residential Medium Density land use designation on the General Plan map. This was confirmed explicitly in the staff report for the adjacent McAllister rezone at 275 East 13275 South, which stated that the proposed RA2 zone is in alignment with the Residential Medium Density Land Use designation and is consistent with other properties in the area.

The RA1 designation currently applied to the subject parcels is more restrictive than what the General Plan designates for this area. The requested rezone to RA2 brings the zoning map into conformance with the General Plan — which is precisely the kind of amendment the zoning map amendment process is designed to accomplish.

Additionally, the purpose of the RA1 and RA2 zones as stated in the Draper City Municipal Code is to foster low density development, preserve the semirural character of the city, and promote conditions favorable to large lot family life. The requested RA2 designation fully advances these goals while allowing the property to be used in a manner consistent with what the General Plan already envisions for this location.

## Comments:

This application is a request for approval of a Land Use Map Amendment and a Zoning Map Amendment for approximately 0.31 acres located on the north side of 13800 South, at 273 E. 13800 S. The subject property is currently zoned RA1 (Residential, Agricultural). The applicant is requesting that the Land Use Map and Zoning Map Amendments be approved to allow for the development of the site as a construction sales and service yard.

The Planning Commission at their June 25, 2026 meeting forwarded a positive recommendation to the City Council for both applications on a unanimous 3-0 votes.

## Land Use Map

**Re: Solid Construction – Land Use Map and Zoning Map Amendment Requests**

Application No.: 2026-0016-MA and 2026-0044-MA

Applicant: Morgan Lovato representing JLF Ventures, LLC

Project Location: Approximately 273 E. 13800 S.

Current Zoning: RA1 (Residential Agricultural, 40,000 ft<sup>2</sup> min. lot size) Zone

Acreage: Approximately 0.31 Acres (Approximately 13,504 ft<sup>2</sup>)

Request: Request for approval of a Land Use Map Amendment from the Office/Service land use designation to the Regional Commercial land use designation and from the RA1 to the CR (Regional Commercial) zone regarding future potential development of the property as a construction sales and service yard.

### **BACKGROUND AND SUMMARY**

This application is a request for approval of a Land Use Map Amendment and a Zoning Map Amendment for approximately 0.31 acres located on the north side of 13800 South, at approximately 273 E. 13800 S. (Exhibit C & D). The subject property is currently zoned RA1. The applicant is requesting that the Land Use Map and Zoning Map Amendments be approved to allow for the development of the site as a construction sales and service yard.

The subject property includes a garage that was constructed in approximately 1988 and an unpermitted addition to that garage constructed in approximately 2021. No records were located that would suggest that a single-family dwelling was ever constructed on the property. The LeBaron Company, LLC purchased the property in 2019 and Solid Construction Group, LLC began using the property as a construction service yard in

approximately 2020 in violation of the current RA1 zoning. The property was transferred to the current owner JLF Ventures, LLC in December of 2021. Frank LeBaron is the manager of both corporations and a principal member of Solid Construction Group, LLC. If approved the zone change would allow for the establishment of the desired use as a construction sales and service yard through the conditional use permit process.

According to Draper City Municipal Code (DCMC) Section 9-8-020 the purpose of the RA1 zone is to *“foster low density development with little impact on its surroundings and municipal services; to generally preserve the character of the city's semirural areas; and to promote and preserve conditions favorable to large lot family life, including the keeping of limited numbers of animals and fowl. The predominant use in these zones is intended to be detached single-family dwellings, protected from encroachment by commercial and industrial uses.”*

The purpose of the CR zone as listed in DCMC Section 9-8-020 is to, *“provide areas where a combination of destination oriented business, retail commercial, entertainment, and related uses may be established, maintained and protected to serve both residents and nonresidents of the city. Typical uses in this zone include large scale, master planned commercial centers with outlying commercial pads, big box stores, and offices.”*

The applicant's responses and addition documentation submitted regarding their request for review and approval of the Land Use Map Amendment and the Zoning Map Amendment requests are provided in Exhibit G of this report. The applicant initially attempted to apply for a zone change to the CBP (Business Park) zone, but the property did not meet the 10-acre minimum area for establishment of the CBP zone. The applicant later amended the request to the CR zone and submitted the application for the Land Use Map change, after the approximately 17 acres of land abutting on the north were zoned to CR. The revised proposal meets the 10-acre minimum area for the CR zone.

*Criteria For Approval.*

The Land Use Map amendment request falls under DCMC Section 9-2-020(F) because the Land Use Map is part of Draper City's General Plan. That section lists the following criteria for a General Plan amendment as:

*Plan Amendment: All plan amendments shall be in accordance with Utah Code Annotated 10-9a-404, as amended and, unless requested by the city's legislative body, shall follow the procedures as outlined in Draper City Municipal Code 9-5-060(D). That section is noted as follows:*

- D. Procedure: Zoning text and map amendments shall be considered and processed as provided in this subsection:*
- 1. A complete application shall be submitted to the office of the zoning administrator in a form established by the administrator along with any fee established by the city's schedule of fees. The application shall include at least the following information:*
    - a. The name, address and telephone number of the applicant and the applicant's agent, if any.*
    - b. The name and address of every person or company the applicant represents.*
    - c. The requested amendment and reasons supporting the request.*
    - d. If the proposed amendment requires a change in the zoning map, the application shall include:*
      - (1) An accurate property map showing present and proposed zoning classifications;*
      - (2) All abutting properties showing present zoning classifications; and*
      - (3) An accurate legal description and an approximate common address of the area proposed to be rezoned.*
    - e. If the proposed amendment requires a change in the text of this title, the application shall include chapter and section references and a draft of the proposed text.*
  - 2. After the application is determined to be complete, the zoning administrator shall prepare a staff report evaluating the application.*
  - 3. The planning commission shall schedule and hold a public hearing on the application as provided in sections 9-5-040 and 9-5-045 of this chapter. Following the public meeting, the planning commission shall recommend approval, approval with modifications, or denial of the proposed amendment and shall submit its recommendation to the city council for review and decision.*
  - 4. The city council shall schedule and hold a public hearing on the application as provided in sections 9-5-040 and 9-5-045 of this*

*chapter. Following the public hearing, the city council may approve, approve with modifications, or deny the proposed amendment.*

A Map Amendment is a matter committed to the legislative discretion of the City Council and is not controlled by any one standard. However, in making a recommendation to the City Council, the Planning Commission should consider the following factors in Section 9-5-060(E) of the DCMC:

*1. Map Amendments:*

- a. Whether the proposed amendment is consistent with goals, objectives and policies of the city's general plan;*
- b. Whether the proposed amendment is harmonious with the overall character of existing development in the vicinity of the subject property;*
- c. Whether the proposed amendment is consistent with the standards of any applicable overlay zone;*
- d. The extent to which the proposed amendment may adversely affect adjacent property; and*
- e. The adequacy of facilities and services intended to serve the subject property, including, but not limited to, roadways, parks and recreation facilities, police and fire protection, schools, stormwater drainage systems, water supplies, and wastewater and refuse collection.*

## EXHIBIT A DEPARTMENT REVIEWS

REVIEWS ARE NOT MEANT TO BE AN ALL-INCLUSIVE LIST OF POSSIBLE COMMENTS OR CONDITIONS.

### Planning Division Review.

1. No additional Comments

### Engineering and Public Works Divisions Review.

1. We have reviewed the subject zone map amendment application, proposing approximately 0.31 acres to be zoned from Residential/Agricultural one acre (RA1) to Regional Commercial (CR) in accordance with the provisions of Section 9-5-060(E)(1)(e) of the Draper City Municipal Code (DCMC). We speak primarily to the adequacy of facilities and services intended to serve the subject property. In making an amendment, the City Council should consider the following factors. Accordingly, the following comments are recommended for your consideration:
2. The adequacy of facilities and services intended to serve the subject property, including but not limited to roadways, parks and recreation facilities, police and fire protection, schools, storm water drainage systems, water supplies, and waste water and refuse collection;
3. Other than noted below, we are not aware of any inadequacies of the facilities intended to serve this property.
  - A. The change in zone from residential/agricultural (RA1) to the CR commercial zone, as stated, would change the general use of the zone and the nature of the traffic impacts. The proposed change is dependent on the potential uses of the commercial site. From the existing use, compared to the potential uses, this expands the demands on the existing infrastructure, where a commercial zone has differing traffic patterns based on use and intensity. The fronting street to the subject site is 13800 South, classified as an major collector street. This classification consists of the significant traffic volume in the city. Based on the capacity of the fronting public street, 12300 South, the change from residential zoning to a commercial zone does represent a significant increase in density. Mitigation measures would be analyzed with a proposed use. Typically, a use where 100 peak hour trips are generated triggers the need to have a traffic impact study (TIS) completed to analyze

mitigation requirements. The size of the subject parcel and the potential number of trips generated from a parcel of this size does not automatically trigger a TIS. There are public frontage improvements fronting the public street and maintaining those will be a requirement of any site development.

- B. Connectivity with the subject parcel to public rights-of-way is to 13800 South. There is existing access from the subject parcel to 13800 South. However, a change in use and density would require the access meet the city's access requirements. Access onto the fronting street would have to be evaluated and follow the cross-access and shared access requirements due to the site not meeting current access spacing requirements. Based on the size and location of the subject parcel, would be required to be evaluated at the time of a site plan application and potentially limit any development. Accesses are required to meet Draper City standards as outlined in our Master Transportation Plan and city code. Any development will need to be evaluated for access location due to the required spacing along 13800 South. Access is evaluated at the time of a site plan or subdivision application.
  - C. There are no existing storm drainage facilities fronting the subject parcel, but are located in the general area. Any future site drainage will be required to be addressed with any subdivision or site plan application and shall comply with the provisions of the development requirements within the Draper City Municipal Code.
  - D. Sanitary sewer facilities will be provided by Jordan Basin Improvement District. Any subdivision or site plan application will require a commitment to serve from the sewer district that facilities are adequate to provide service for the proposed uses.
  - E. Drinking water is provided by WaterPro to the subject parcel. Any subdivision or site plan application will require review and evaluation by WaterPro to ensure adequate supply, transmission and source for the proposed use. Any subdivision or site plan application will require a commitment to serve from WaterPro that facilities are adequate to provide service for the proposed uses.
4. Accordingly, we will provide comments relative to the potential construction activities when the appropriate application is received.

**EXHIBIT G**  
**APPLICANTS RESPONSES**

## **Request for Zoning Map Amendment**

**Property:** 273 E 13800 S, Draper, Utah

**Existing Land Use:** Office/Service

**Proposed Land Use:** Regional Commercial

### **1. What is the requested land use designation?**

The applicant is requesting a Land Use Map Amendment to Regional Commercial for the property located at 273 E 13800 S, Draper, Utah. This amendment is requested in conjunction with a Zoning Map Amendment to rezone the property from RA1 (Residential Agricultural) to CR (Commercial Regional).

---

### **2. Please explain the reason for the request and the justification for approval.**

The purpose of the requested Land Use Map Amendment is to align the property's land use designation with the intended and existing use of the site—Construction Sales and Service—and to ensure consistency with surrounding properties that have recently been amended to Regional Commercial and rezoned to CR.

The existing Office/Service land use designation does not fully align with the CR zoning district, and the prior CBP rezoning request was not viable due to minimum acreage requirements and permitted use limitations. The Regional Commercial land use designation more accurately reflects the development pattern occurring in this corridor and supports commercial activity of a broader scale.

Approval of the requested amendment will:

- Provide consistency between land use policy and zoning implementation,
  - Align the subject property with adjacent CR-zoned properties to the north,
  - Allow the existing Construction Sales and Service use to operate in conformance with City code as a Conditional Use, and
  - Support orderly commercial growth along the 13800 South corridor.
-

**3. How is the requested land use designation harmonious with the overall character of existing development in the vicinity of the subject property?**

The requested Regional Commercial designation is harmonious with the evolving character of the surrounding area. Properties immediately north of the subject site were recently amended to Regional Commercial and rezoned to CR, reflecting the City's planned transition of this corridor toward more intensive commercial uses.

The area has been shifting away from agricultural and low-density residential patterns toward commercial and employment-based development. Applying the Regional Commercial designation to the subject property promotes continuity of land use along the corridor and avoids creating an isolated or inconsistent zoning pattern.

Additionally, the CR zone provides development standards, buffering requirements, and conditional use review processes that ensure compatibility with adjacent properties while supporting quality commercial development.

---

**5. Is the proposed zoning designation consistent with the goals, objectives, and policies of the City's General Plan? Explain.**

Yes. The proposed Regional Commercial land use designation is consistent with the goals and policies of the Draper City General Plan. The General Plan anticipates commercial growth in appropriate corridors where infrastructure and roadway capacity can support higher-intensity uses.

Amending the land use designation to Regional Commercial:

- Supports economic vitality and commercial service expansion,
- Reinforces planned commercial nodes along major transportation corridors,
- Promotes logical and contiguous zoning patterns,
- Ensures regulatory alignment between the General Plan and the City's zoning map, and
- Provides a structured process for reviewing Construction Sales and Service as a Conditional Use within the CR zone.

The requested amendment advances the City's long-term planning objectives by facilitating appropriate commercial development in an area already transitioning toward Regional Commercial use.

## Request for Zoning Map Amendment

**Property:** 273 E 13800 S, Draper, Utah

**Existing Zoning:** RA1 – Residential Agricultural

**Proposed Zoning:** CBP – Business / Manufacturing Park

### 1. What is the requested zoning designation?

The applicant is requesting a Zoning Map Amendment to rezone the subject property from **RA1 (Residential Agricultural)** to **CBP (Business / Manufacturing Park)**.

---

### 2. Please explain the reason for the request and the justification for approval.

The purpose of the requested rezoning is to align the zoning designation of the property with its existing **Office/Service** designation on the Draper City Land Use Map and to allow for development that is consistent with current City planning policies. The existing RA1 zoning no longer reflects the intended land use pattern for this area and limits the ability to develop the property in a manner consistent with surrounding development.

The CBP zoning district is the most appropriate zone to implement the Office/Service land use designation while allowing flexibility for modern employment-oriented development. The applicant intends to develop the property primarily with **office and service uses**, with only **limited, accessory warehouse space** as permitted by the CBP zone. No land use amendment is being requested as part of this application.

Approval of the requested rezoning will provide regulatory consistency, support orderly growth, and allow the property to be developed in a manner that is compatible with its context and the City's long-term planning objectives.

---

### 3. How is the requested zoning designation harmonious with the overall character of existing development in the vicinity of the subject property?

The requested CBP zoning is harmonious with the overall character of the surrounding area, which has been transitioning toward **office, service, and employment-oriented uses**. Several nearby properties have already been rezoned or developed with similar non-residential uses, reflecting the City's planned shift away from agricultural or low-density residential zoning in this corridor.

The CBP zone provides standards that encourage high-quality development, buffering, and site design compatible with adjacent properties. By maintaining an office/service focus, the proposed zoning will complement existing development patterns and avoid introducing incompatible or intensive industrial uses.

---

**4. Are facilities and services, such as roadways and utilities, sufficient to serve the property under the proposed zoning? Explain.**

Yes. The property is adequately served by existing **roadway access, utilities, and public services** necessary to support development under the proposed CBP zoning designation. The surrounding infrastructure has been planned and constructed to accommodate commercial and employment-related uses consistent with the Office/Service land use designation.

Any future development on the property will be required to comply with Draper City standards for traffic, utilities, drainage, and public services, ensuring that infrastructure capacity is sufficient and impacts are appropriately addressed at the time of site plan review.

---

**5. Is the proposed zoning designation consistent with the goals, objectives, and policies of the City's General Plan? Explain.**

Yes. The proposed CBP zoning designation is consistent with the goals, objectives, and policies of the Draper City General Plan. The property's existing **Office/Service** land use designation anticipates employment-based development that supports economic vitality, job creation, and efficient use of land.

Rezoning the property to CBP implements the General Plan by:

- Supporting planned employment and office uses,
- Encouraging development patterns consistent with surrounding properties, and
- Providing flexibility for high-quality, low-impact commercial development.

The requested zoning amendment advances the City's long-term vision for this area and ensures regulatory alignment between land use policy and zoning implementation.

## ORDINANCE NO. 1721

### AN ORDINANCE OF DRAPER CITY AMENDING THE TEXT OF TITLES 6 AND 9 OF THE DRAPER CITY MUNICIPAL CODE RELATED TO SHORT-TERM RENTALS.

**WHEREAS**, Utah State law grants to Draper City the authority to regulate uses of property by enacting land use regulations, among other methods; and

**WHEREAS**, it is necessary from time to time to amend certain terms of the Draper City Municipal Code to address new and evolving uses that were not contemplated at the time the Code was originally enacted; and

**WHEREAS**, Title 6, Chapter 14 of the Draper City Municipal Code has been established to provide business regulations for multiple-family and rental dwelling units; and

**WHEREAS**, Title 9, the Land Use and Development Code of the Draper City Municipal Code has been established to provide regulations concerning general developments within the City boundaries; and

**WHEREAS**, the City Council of Draper City finds good cause to amend the terms and provisions of the Draper City Municipal Code regarding short-term rentals; and

**WHEREAS**, pursuant to Utah Code Section 10-3-702.1, the City Council has considered the impact this ordinance may have on family health, stability, and formation; and

**WHEREAS**, notice has been issued according to the requirements of the Utah Code and Draper City Municipal Code for public hearings before the Planning Commission and City Council to receive public input regarding the revision of the revision of portions of the Draper City Municipal Code; and

**WHEREAS**, the Planning Commission and City Council have each held a public hearing to receive public input regarding the revision of portions of the Draper City Municipal Code.

**NOW, THEREFORE**, BE IT ORDAINED BY THE CITY COUNCIL OF DRAPER CITY, STATE OF UTAH, AS FOLLOWS:

**Section 1. Findings.** The City Council of Draper City has made the following findings regarding the proposed text amendments to Titles 6 and 9 of the Draper City Municipal Code: 1. The proposed amendment is consistent with goals, objectives and policies of the City's General Plan; 2. The proposed amendment is appropriate given the context of the request and there is sufficient justification for a modification to the development codes; 3. The proposed amendment will not create a conflict with any other section or part of the development codes or the General Plan; 4. The potential effects of the proposed amendment

have been evaluated and are determined not to be detrimental to public health, safety, or welfare and represents an overall community benefit; 5. The proposed text amendment implements best current, professional practices of urban planning, design, and engineering.

## EXHIBIT A

### TITLE 6

### BUSINESS REGULATIONS

...

### CHAPTER 14

### MULTIPLE-FAMILY AND RENTAL DWELLING UNITS

#### 6-14-010: DEFINITIONS:

For purposes of this chapter, the following words shall have the following meanings:

HOST: A property owner, or the owner's authorized agent, who offers a residential unit or portion of a residential unit for rent, loan, lease, or hire as a short-term rental.

LONG-TERM RENTAL: A rental dwelling unit that the owner, or the owner's authorized agent, offers for occupancy for thirty (30) or more consecutive days.

MULTIPLE-FAMILY DWELLING UNIT: Any buildings or apartment buildings so arranged, designed, built, rented, loaned, let or hired out to be used or occupied as the home, residence or dwelling unit of three (3) or more families living independently of each other. This definition includes triplexes even if the owner lives in one of the units. ~~Note: The building code considers anything other than single-family detached residences as multi-family dwelling units.~~

OWNER: The owner in fee simple of real property as shown in the records of the ~~Salt Lake~~ County recorder's office, including the plural as well as the singular, and may mean either a natural person, firm, association, partnership, trust, corporation, company, or other entity authorized by the state of Utah, or any combination of the foregoing.

RENTAL DWELLING UNIT: Any individual dwelling unit that is rented, loaned, let or hired out to be used or occupied as a home or residence.

SHORT-TERM RENTAL: A residential unit, or any portion of a residential unit, that the host offers for occupancy for a minimum of three (3) consecutive nights and a maximum of less than thirty (30) consecutive days.

#### 6-14-020: LICENSE REQUIRED:

Every owner of a multiple-family dwelling unit, ~~or of~~ four (4) or more ~~rental dwelling units~~ long-term rentals, and every host of a short-term rental located within the ~~city~~ City shall obtain and maintain a business license from the ~~city~~ City in accordance with the application procedures of this title. Every owner of less than four (4) ~~rental dwelling units~~ long-term rentals within the city shall be exempt from the licensing requirements of this chapter.

#### 6-14-030: FEES:

Every owner of multiple-family dwelling unit(s), or licensed rental dwelling units ~~required to be licensed under this chapter, and every host of a short-term rental~~ shall pay the appropriate fees for such license as set forth in the ~~city's~~ City's consolidated fee schedule and in accordance with the provisions of this title. ~~If there is more than one owner, including purchases under contract, each owner shall be jointly and severally liable to pay the business license fee. The fee shall be paid at the time of application for a new or renewal license. The city may, in its sole discretion, enter into a payment plan agreement with the owner alleging the license to pay the fees required hereunder in two (2), three (3) or four (4) equal installment payments made at regular intervals during the term of the license. Failure to make timely payments required pursuant to a payment plan may result in the suspension or revocation of the license and imposition of penalty fees as set forth by the city, or as otherwise provided in the payment plan agreement.~~

#### 6-14-040: PERMIT REQUIRED:

Each host must obtain a short-term rental permit, as provided in Title 9, Chapter 43 of this code, prior to issuance of any business license for the short-term rental.

#### 6-14-050: MUNICIPAL TRANSIENT ROOM TAXES:

Each host of a short-term rental shall pay to the State the municipal transient room taxes in accordance with Chapter 6-13 of this title.

#### 6-14-060: VIOLATIONS:

All multiple-family dwelling units, licensed rental dwelling units, and short-term rentals must meet the terms and conditions of this title and all applicable provisions of Title 9 of this code. Any violations of such provisions shall be deemed a violation of any business license issued hereunder.

...

#### 9-3-040: DEFINITIONS:

As used in this title, the words and phrases defined in this section shall have the following meanings unless the context clearly indicates otherwise:

...

DWELLING, RENTAL: A dwelling that is used or designated for use as a residence by one or more persons; and

- A. Available to be rented, loaned, leased, or hired out for a period of ~~one month~~ thirty (30) consecutive days or longer; or
- B. Arranged designed, or built to be rented, loaned, leased, or hired out for a period of one month or longer.

...

HOST: A property owner, or the owner's authorized agent, who offers a residential unit or portion of a residential unit for rent, loan, lease, or hire as a short-term rental.

...

SHORT-TERM RENTAL: A residential unit, or any portion of a residential unit, that a host offers for occupancy for a minimum of three (3) consecutive nights and a maximum of less than thirty (30) consecutive days.

...

#### 9-5-215: SHORT-TERM RENTAL PERMITS:

- A. Purpose: This section sets forth procedures for issuing, renewing, and revoking a short-term rental permit under the provisions of Chapter 43 of this title.
- B. Authority: The Zoning Administrator is authorized to review and approve applications for a short-term rental permit.
- C. Initiation: The host may request approval of a short-term rental permit.
- D. Procedure
  - 1. A complete application shall be submitted to the office of the Zoning Administrator in a form established by the zoning administrator along with any fee established by the city's consolidated fee schedule. The application shall include at least the following information:
    - a. The name, address and telephone number of the owner of record and the owner of record's agent, if any.
      - (1) The name and telephone number of the host who will be available to provide an urgent response to complaints and issues.
    - b. Scaled site plans illustrating:
      - (1) Property boundaries;
      - (2) Layout of existing buildings and setbacks from property lines;
      - (3) Layout and dimensions of parking spaces and driveways; and
      - (4) A tabulation table showing the number bedrooms and other sleeping areas available for rent, the maximum occupancy that can be accommodated, and the number of parking spaces.
    - c. Floor plans for each floor of the buildings on the property, identifying the total area to be used for the short-term rental.

the use of each room, the square footage of bedrooms and sleeping areas, and the location of smoke and carbon monoxide alarms, and fire extinguishers.

- d. Other information as needed or requested by the Zoning Administrator to demonstrate that the use conforms to applicable provisions of this title.
2. A signed affidavit sworn by the owner before a notary public that certifies to the City that the subject property has no existing private covenants, conditions, or restrictions prohibiting short-term rentals.
3. After the application is determined to be complete, the Zoning Administrator shall review the application and approve, approve with conditions, or deny the application pursuant to the standards set forth in subsection 9-5-215(E). As part of the review process the Zoning Administrator may forward a copy of the application and any related materials to other agencies. Any conditions of approval shall be limited to conditions needed to conform to the approval standards.
4. After making a decision, the Zoning Administrator shall give the applicant written notice of the decision. If approved, the Zoning Administrator shall provide the notice to owners of immediately surrounding properties, including abutting properties and those located across adjacent rights-of-way, and the police and fire departments. The notice will contain the address of the short-term rental, the name and telephone number of the host for urgent response to complaints and issues, and the maximum occupancy.
5. An annual renewal of each short-term rental permit issued under the applicable provisions of Chapter 43 of this title shall be required.
  - a. The application for the annual renewal shall consist of a signed and notarized affidavit from the applicant attesting to the following:
    - (1) The short-term rental remains in compliance with applicable ordinances and all conditions under which it was approved;
    - (2) That continued use the short-term rental will comply with all applicable ordinances and the conditions of the initial short-term rental permit.
  - b. When a short-term rental permit is renewed, the Zoning Administrator shall issue a certificate of renewal inclusive of the next annual date on which the certificate and short-term rental permit shall expire if not renewed.

6. Short-term rental permits may not be transferred to a new owner of the property.
  7. A record of all short-term rental permits shall be maintained in the office of the Zoning Administrator.
- E. Approval Standards: Each short-term rental must:
1. Be a permitted use in the applicable zone;
  2. Not be located within an Internal Accessory Dwelling Unit (I-ADU);
  3. Comply with development standards of the applicable zone and Chapter 43 of this title;
  4. Comply with regulations of general applicability and regulations for the specific use as set forth in this title;
  5. Comply with any other applicable requirements of this code and Utah Code; and
  6. Not have a significant adverse impact on the appearance, tranquility and standard of living in the surrounding residential units.
- F. Appeal of Decision: The applicant or an adversely affected party may appeal the Zoning Administrator's decision to approve or deny a short-term rental permit in accordance with the provisions of section 9-5-180 of this chapter.
- G. Effect of Approval: Approval of a short-term rental permit shall authorize the host to establish a short-term rental on the property, or to continue use of a short-term rental in compliance with the requirements of Chapter 43 of this title, and subject to any conditions of approval.
- H. Amendments: No element of an approved short-term rental permit shall be changed or modified without first obtaining approval of an amended short-term rental permit by the Zoning Administrator.
- I. Violations
1. It shall be a violation for any person to operate a short-term rental without first obtaining a short-term rental permit. Failure to obtain a short-term rental permit shall constitute a violation for which the City may issue a citation for a class C misdemeanor and impose penalties in accordance with the consolidated fee schedule.
  2. A short-term rental permit, or renewal of a permit, may be denied or revoked as provided in Section 9-7-060 of this title. In addition to the grounds set forth in Section 9-7-060 of this title, any of the following shall be grounds for revocation:
    - a. The property owner or host gave materially false or misleading information in obtaining the permit;

- b. [The host is not operating the short-term rental as described in the permit;](#)
  - c. [The host has failed to comply with the conditions of approval or any City, state, or federal law governing the conduct of the use;](#)
  - d. [The host has refused to allow required inspections of the short-term rental;](#)
  - e. [The host is ninety \(90\) or more days delinquent in paying the municipal transient room taxes related to the short-term rental to the State;](#)
  - f. [The short-term rental has had calls resulting in a total of two \(2\) written citations or charges within the past twelve-month period; or](#)
  - g. [The operation of the short-term rental has been found to be a nuisance or a public nuisance by a court of competent jurisdiction in any civil or criminal proceeding.](#)
- J. [Expiration: A short-term rental permit shall expire one \(1\) year from the date of issue, but can be renewed under the provisions of this section.](#)

[CHAPTER 43](#)

[SHORT-TERM RENTALS](#)

[9-43-010: PURPOSE](#)

[The purpose of this chapter is to establish use and development regulations for short-term rentals in residential units. These regulations seek to allow for short-term rentals while also protecting the peace, safety and general welfare of existing neighborhoods.](#)

[9-43-020: SCOPE](#)

[The requirements of this chapter shall apply to all short-term rentals within the City.](#)

- A. Short-term rentals shall be a permitted use in all zoning districts that allow residential uses after obtaining a short-term rental permit and a business license.
1. A short-term rental shall not include any tent, trailer, camper, recreational vehicle, or in a structure that does not have an occupancy permit.
  2. A short-term rental permit may be issued for a Detached Accessory Dwelling Unit (D-ADU) if the owner possesses a valid ADU permit.
  3. A short-term rental shall not be permitted on any property with an Internal Accessory Dwelling Unit (I-ADU).
  4. A short-term rental shall not be allowed in any residential unit that has a current residential lease or rental contract of thirty (30) or more consecutive days.
- B. The following are exempt from the provisions of this Chapter:
1. A dwelling unit with a residential lease or rental contract of thirty (30) or more consecutive days.
  2. RV parks, manufactured and mobile home parks, bed and breakfasts inns, hotels, and motels or motor lodges.
- C. Short-term rentals shall not be used for commercial purposes.

#### 9-43-030: GENERAL REGULATIONS

- A. Occupancy
1. Only one (1) short-term rental is allowed per residential unit. For the purposes of this section, a D-ADU together with the single family dwelling unit it is accessory to, shall count as a single residential unit.
  2. The short-term rental shall only be rented for a minimum duration of three (3) consecutive nights and a maximum duration of less than thirty (30) consecutive days.
  3. The short-term rental shall only be rented to one (1) renter at any given time.
    - a. The renter must be at least twenty-one (21) years old and occupy the unit during the stay.
    - b. The renter shall provide the host with the number of guests that will occupy the short-term rental during the rental period.
    - c. The host shall not divide and rent out other portions of the residential unit to multiple renters at the same time.

4. The host shall set the maximum occupancy of guests in the short-term rental and demonstrate sufficient parking has been provided based on the following:
  - a. Areas in the residential unit designated for sleeping purposes shall follow the requirements of a bedroom for the purposes of this chapter, and for calculating required parking.
  - b. Every bedroom shall contain at least 70 square feet of floor area as required by the current building codes adopted by the City.
  - c. Occupancy shall be two (2) persons per bedroom. However, where more than two (2) persons are proposed to occupy a bedroom, the required floor area shall be increased at the rate of 50 square feet for each person in excess of two (2).
  - d. The number of guests shall not exceed the maximum occupancy set for the short-term rental on the permit.

B. Parking:

1. Parking for the short-term rental shall be provided off-street and must meet the requirements of Chapter 9-25 of this title. The required parking will be calculated based on the total area designated for the short-term rental. Required parking resulting in a fractional number shall be rounded up to the next whole number.
2. If only a portion of the residential unit is to be used for the short-term rental, required parking will be in addition to the minimum parking required for the residential unit. Parking for the short-term rental shall not impede access to the required parking for the residential unit.
3. A garage may count towards the required parking if the guests are provided access by the host.

C. Urgent Response:

1. To ensure prompt response to complaints and issues while a short-term rental is being rented, the host must:
  - a. Be available by telephone 24 hours per day during an active rental.
  - b. Be able to physically respond, or if unavailable, designate a responsible party with decision-making authority to physically respond to the short-term rental within 30 minutes of any legitimate complaint or issue.
    1. Upon notification that the guests or occupants of the short-term rental have violated applicable laws, the host or responsible party shall use their most diligent best efforts

to prevent a recurrence of such conduct by those persons and all future guests.

2. Upon notification that the guest or occupants of the short-term rental have failed to comply with applicable laws on two (2) or more occasions during occupancy of the short-term rental, the host or responsible party shall promptly evict those persons.
- c. Provide information on current occupants to police, fire or other emergency personnel, if requested.
- d. Provide an updated telephone number to the City as such information changes.

D. Posting:

1. The following information must be posted inside the short-term rental:
  - a. A copy of the short-term rental permit and business license.
  - b. The name and phone number of the host for urgent response.
  - c. A list of all rules applicable to short-term rentals.
  - d. A copy of the Draper City Short-Term Rental Good Neighbor Guidelines.
2. A sign must be posted on the exterior of the short term rental near the main entrance that includes the name and phone number of the host for urgent response.
  - a. The sign shall not exceed eight (8) inches by eleven (11) inches in dimension.
  - b. The sign shall contain no advertising for the use.

E. Noise: The host shall ensure that all renters are aware of and adhere to Title 7, Chapter 6, Noise Control, of this code.

F. Health and Safety:

1. Fire Extinguishers: One 2-A:10-B:C minimum rated fire extinguisher is required in the short-term rental. It must be mounted in a readily visible and accessible location, or appropriately signed identifying its location. The fire extinguisher is required to be serviced or replaced every year.
2. Smoke Alarms: Smoke alarms are required to be installed in all the following locations: inside every sleeping area, in the general vicinity outside every sleeping area, and on every floor. The smoke alarms must be interconnected so the actuation of one smoke alarm sets off all smoke alarms within the short-term rental. Smoke alarms must be installed and

replaced in accordance with manufacturer's instructions. Primary power for smoke alarms must be supplied from the building power and equipped with a battery backup unless it was not required at the time the residential unit was constructed. In such cases, battery operated smoke alarms are allowed.

3. Carbon Monoxide Alarms: Carbon monoxide alarms are required in the following locations when the unit has at least one fuel-fired appliance: in the general vicinity outside every sleeping area, inside sleeping areas that have fuel-fired equipment within the sleeping area, and on every floor. Carbon monoxide alarms must be installed and replaced in accordance with manufacturer's instructions. Primary power for carbon monoxide alarms must be supplied from the building power and equipped with a battery backup.
  4. Fire Sprinkler System: If the short-term rental is equipped with an automatic fire sprinkler system, it must be inspected routinely (annually) by a qualified person and be maintained in operable condition.
  5. Electrical: Electrical panels must have adequate clearance around them. Non-surge protected extension cords and multi-plug adapters can be used for temporary wiring only.
  6. Premises Identification: A permanent address must be installed in a location that is visible from the street, and a unit number by the front door if applicable.
- G. Maintenance: The host shall adhere to all City ordinances relating to the of maintenance of the short-term rental property.
- H. Listing: The host shall include the business license and short-term rental permit numbers in any online listing advertisements for the short-term rental.

#### 9-43-040: INSPECTION:

After a short-term rental permit has been approved, the City may make periodic inspections as authorized in Section 9-7-080 of this title to ensure compliance with the provisions of this title and all other applicable laws.

**Re: City Initiated Short-Term Rentals – Text Amendment Request**

Application No.: 2026-0090-TA

Applicant: Draper City

Project Location: City Wide

Current Zoning: City Wide

Acreage: City Wide

Request: Request for approval of Text Amendments to Titles 6 and 9 of the Draper City Municipal Code (DCMC) in order to require short-term rentals be licensed and permitted and to add associated standards.

**BACKGROUND AND SUMMARY**

This application is a request for approval of Text Amendments for the purpose of amending portions of DCMC Titles 6 and 9 to require short-term rentals be licensed and permitted and to add associated standards.

This proposal is in response to a request of the City Council to City Staff that an amendment to the text of the DCMC be brought forward to regulate short-term rentals. Short-term rentals allow a property owner to rent all or a portion of their residential unit to the public for a length of less than thirty (30) consecutive days. Study sessions were held with the City Council on March 18, 2025, February 17, 2026, and May 19, 2026. The proposed text amendments have incorporated feedback received during those sessions.

## ANALYSIS

Currently, the DCMC only has one standard related to short-term rentals. DCMC Section 9-31-030(H) prohibits an internal accessory dwelling unit (I-ADU) from being rented or leased for less than thirty (30) consecutive days. The proposed text amendment would add short-term rentals as an allowed use in any zone that allows residential units, and require that they obtain a short-term rental permit and a business license.

The modifications being proposed to the DCMC are listed and reviewed by section in the report below. The legislative copy of the changes can be found in Exhibit B of this report. Additions to the text are indicated in blue, deletions in red, and unchanged text in black.

### Text Amendments.

*DCMC Section 6-14-010: Definitions:* This section lists the definitions that are used throughout Chapter 14. The proposed text adds definitions for *host*, *long-term rental*, and *short-term rental* and the definitions for *multiple-family dwelling unit* and *owner* have been slightly modified.

*DCMC Section 6-14-020: License Required:* This next section lists uses required to get a business license. The proposed text adds short-term rentals to the uses that will require a business license.

*DCMC Section 6-14-030: Fees:* This section indicates that a fee is required for a business license. The proposed text indicates that the host of a short-term rental will be required to pay a fee for the business license. Language related to how payments can be made has been removed.

*DCMC Section 6-14-040: Permit Required:* This section was added to indicate that a short-term rental permit must be obtained prior to issuance of the business license.

*DCMC Section 6-14-050: Municipal Transient Room Taxes:* This section was added to require the host of the short-term rental to pay the municipal transient room tax to the State.

*DCMC Section 6-14-060: Violations:* This section was added to indicate that all long-term rentals that require a license, and all short-term rentals are in violation if they do not comply with Title 9.

*DCMC Section 9-3-040: Definitions:* This section lists definitions that are used throughout Title 9, Land Use and Development Regulations, including the definition of uses. The proposed text adds definitions for *host* and *short-term rental*.

*DCMC Section 9-5-215: Short-Term Rental Permits:* This section has been added to indicate the procedures for the Zoning Administrator to issue, renew, or revoke a short-term rental permit.

- Applications. The owner, or an owner's authorized agent, as a host can apply for a short-term rental permit. The application would require contact information for the host for urgent response to complaints, a site plan, and a floor plan. An affidavit from the owner would also be required to ensure the property has no restrictions prohibiting short-term rentals.
- Notice. If approved, notice will be provided to abutting property owners and the police and fire departments.
- Renewal. Annual renewal of the short-term rental permit will be required.
- Violations. The short-term rental permit, or renewal of a short-term rental permit, may be denied or revoked by the Zoning Administrator based upon several criteria. Appeals to the determination can be made pursuant to DCMC Section 9-5-180.

*DCMC Section 9-9-080: Uses and Development Standards Tables:* Table 9-9-1 in this section lists the uses allowed in the agricultural zones. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43. This is similar to how accessory dwellings are shown in the table.

*DCMC Section 9-10-090: Uses and Development Standards Tables:* Table 9-10-1 in this section lists the uses allowed in the residential zones. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43. This is similar to how accessory dwellings and home occupations are shown in the table.

*DCMC Section 9-11-110: Uses and Development Standards Tables:* Table 9-11-1 in this section lists the uses allowed in the commercial zones. The proposed text adds short-term rental to the list of uses in the O-R, TC, and MARF zones, which allow residential uses, and specifies that they shall follow Chapter 43. This is similar to how home occupations are shown in the table.

*DCMC Section 9-14-050: Use Regulations:* Table 9-14-1 in this section lists the uses allowed in the Transit Station District (TSD) zone. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43. This is similar to how home occupations are shown in the table.

*DCMC Section 9-17A-020: Permitted Uses:* This section lists the permitted uses in the Fox Gate Farms Residential Special District. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-17B-020: Permitted Uses:* This section lists the permitted uses in the Corner Canyon Vista Residential Special District. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-17C-020: Permitted Uses:* This section lists the permitted uses in the South Fork Estates Residential Special District. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-17D-020: Permitted Uses:* This section lists the permitted uses in the Valle di Villa/Valle di Villa East Residential Special District. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-17E-020: Permitted Uses:* This section lists the permitted uses in the Bellevue Residential Special District. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-18E-020: Permitted Uses:* This section lists the permitted uses in the Day Dairy Commercial Special District, which allows residential uses. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-18H-020: Permitted Uses:* This section lists the permitted uses in the Draper Pointe Mixed Use Commercial Special District, which allows residential uses. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-18K-020: Permitted Uses:* This section lists the permitted uses in the Highline Commercial Special District, which allows residential uses. The proposed text adds short-term rental to the list of uses and specifies that they shall follow Chapter 43.

*DCMC Section 9-25-060: Number and Type of Parking Spaces:* This section describes how tandem parking spaces can be counted. The proposed text add short-term rentals to the list of uses that can count tandem parking spaces as two spaces, similar to single-family, two-family, and multi-family dwellings.

*DCMC Section 9-25-100: Tables and Figures:* Table 9-25-1 in this section lists the parking standards for different land uses. The proposed text adds short-term rentals and requires two (2) spaces for a short-term rental, plus 0.5 additional space for each bedroom exceeding two (2) bedrooms.

*DCMC Chapter 43: Short-Term Rentals:* This chapter has been added to provide development standards for short-term rentals.

*DCMC Section 9-43-010: Purpose:* This section has been added to provide the purpose for Chapter 43 in allowing short-term rentals while protecting the peace, safety and general welfare of existing neighborhoods.

*DCMC Section 9-43-020: Scope:* This section has been added to allow short-term rentals in all zoning districts that allow residential uses. It excludes tents, trailers, campers, recreational vehicles, structures that do not have an occupancy permit, and I-ADUs from being used as short-term rentals. It does not allow a residential unit which already has a long-term rental (30 or more consecutive days) from also being used as a short-term rental. Finally, it prohibits the short-term rental from being used for commercial events. During the study sessions, the City Council requested the prohibition of parties, however, the City Attorney determined that this restriction would present legal challenges.

*DCMC Section 9-43-030: General Regulations:* This section has been added to indicate the general regulations for a short-term rental.

- Occupancy. Only one short-term rental is allowed per residential unit. The short term rental shall be rented for a minimum duration of three (3) consecutive nights and a maximum duration of less than thirty (30) consecutive days. The short-term rental can only be rented to one (1) renter at a time. The host shall set the occupancy limit of the short-term rental based on parking requirements and bedroom square footage. During the study sessions, the City Council requested that visitors be prohibited, however, the City Attorney determined that this restriction would present legal challenges.
- Parking. Off-street parking is required and will be calculated based on the total area designated for the short-term rental.
- Urgent Response. In order to ensure prompt response to complaints or police or fire issues, the host is required to be available by telephone while a short-term rental is being rented. If needed, the host, or a designated party with decision-making authority must be able to physically respond to the short-term rental within thirty (30) minutes.
- Posting. A copy of the short-term rental permit and business license must be posted in the short-term rental as well as the contact information for the host, a list of rules, and a copy of the Good Neighbor Short-Term Rental guidelines.
- Signage. No advertising signs visible from the exterior are allowed.
- Noise. The host shall ensure that all renters are aware of and adhere to Chapter 7-6, Noise Control, of City code. During the study sessions, the City Council requested that outdoor quiet hours be established between 10:00 p.m. and 7:00 a.m., however, the City Attorney determined that this restriction would present legal challenges.
- Health and Safety. A fire extinguisher, smoke alarms, and carbon monoxide alarms will be required. If equipped with an automatic fire sprinkler system, the system must be inspected annually.

- Maintenance. The host must adhere to all City ordinances for the maintenance of the short-term rental property.
- Listing. The host must include the business license and short-term rental permit numbers in any online listings for the short-term rental.

*DCMC Section 9-43-040: Inspection:* This section was added to allow the City to conduct inspections as needed to ensure compliance.

### Criteria For Approval.

A Text Amendment is a matter committed to the legislative discretion of the City Council and is not controlled by any one standard. However, in making a recommendation to the City Council, the Planning Commission should consider the following factors in DCMC Section 9-5-060(E)(2):

#### *2. Text Amendments:*

- Whether the proposed amendment is consistent with goals, objectives and policies of the city's general plan;*
- Whether a proposed amendment furthers the specific purpose statements of the zoning ordinance;*
- Whether the proposed amendment is appropriate given the context of the request and there is sufficient justification for a modification to the zoning ordinance;*
- The proposed amendment will not create a conflict with any other section or part of this title or the general plan;*
- Whether the potential effects of the proposed amendment have been evaluated and determined not to be detrimental to public health, safety, or welfare and represents an overall community benefit; and*
- The extent to which a proposed text amendment implements best current, professional practices of urban planning, design, and engineering practices*

## TITLE 6

### BUSINESS REGULATIONS

...

#### CHAPTER 14

#### MULTIPLE-FAMILY AND RENTAL DWELLING UNITS

##### 6-14-010: DEFINITIONS:

For purposes of this chapter, the following words shall have the following meanings:

HOST: A property owner, or the owner's authorized agent, who offers a residential unit or portion of a residential unit for rent, loan, lease, or hire as a short-term rental.

LONG-TERM RENTAL: A rental dwelling unit that the owner, or the owner's authorized agent, offers for occupancy for thirty (30) or more consecutive days.

MULTIPLE-FAMILY DWELLING UNIT: Any buildings or apartment buildings so arranged, designed, built, rented, loaned, let or hired out to be used or occupied as the home, residence or dwelling unit of three (3) or more families living independently of each other. This definition includes triplexes even if the owner lives in one of the units. ~~Note: The building code considers anything other than single-family detached residences as multi-family dwelling units.~~

OWNER: The owner in fee simple of real property as shown in the records of the ~~Salt Lake County~~ recorder's office, including the plural as well as the singular, and may mean either a natural person, firm, association, partnership, trust, corporation, company, or other entity authorized by the state of Utah, or any combination of the foregoing.

RENTAL DWELLING UNIT: Any individual dwelling unit that is rented, loaned, let or hired out to be used or occupied as a home or residence.

SHORT-TERM RENTAL: A residential unit, or any portion of a residential unit, that the host offers for occupancy for a minimum of three (3) consecutive nights and a maximum of less than thirty (30) consecutive days.

##### 6-14-020: LICENSE REQUIRED:

Every owner of a multiple-family dwelling unit, ~~or of~~ four (4) or more ~~rental dwelling units~~ long-term rentals, and every host of a short-term rental located within the ~~city~~ City shall obtain and maintain a business license from the ~~city~~ City in accordance with the application procedures of this title. Every owner of less than four (4) ~~rental dwelling units~~ long-term rentals within the city shall be exempt from the licensing requirements of this chapter.

##### 6-14-030: FEES:

Every owner of multiple-family dwelling unit(s), or licensed rental dwelling units ~~required to be licensed under this chapter, and every host of a short-term rental~~ shall pay the appropriate fees for such license as set forth in the ~~city's~~ City's consolidated fee schedule and in accordance with the provisions of this title. ~~If there is more than one owner, including purchases under contract, each owner shall be jointly and severally liable to pay the business license fee. The fee shall be paid at the time of application for a new or renewal license. The city may, in its sole discretion, enter into a payment plan agreement with the owner alleging the license to pay the fees required hereunder in two (2), three (3) or four (4) equal installment payments made at regular intervals during the term of the license. Failure to make timely payments required pursuant to a payment plan may result in the suspension or revocation of the license and imposition of penalty fees as set forth by the city, or as otherwise provided in the payment plan agreement.~~

6-14-040: PERMIT REQUIRED:

Each host must obtain a short-term rental permit, as provided in Title 9, Chapter 43 of this code, prior to issuance of any business license for the short-term rental.

6-14-050: MUNICIPAL TRANSIENT ROOM TAXES:

Each host of a short-term rental shall pay to the State the municipal transient room taxes in accordance with Chapter 6-13 of this title.

6-14-060: VIOLATIONS:

All multiple-family dwelling units, licensed rental dwelling units, and short-term rentals must meet the terms and conditions of this title and all applicable provisions of Title 9 of this code. Any violations of such provisions shall be deemed a violation of any business license issued hereunder.

...

9-3-040: DEFINITIONS:

As used in this title, the words and phrases defined in this section shall have the following meanings unless the context clearly indicates otherwise:

...

DWELLING, RENTAL: A dwelling that is used or designated for use as a residence by one or more persons; and

A. Available to be rented, loaned, leased, or hired out for a period of ~~one month~~ thirty (30) consecutive days or longer; or

B. Arranged designed, or built to be rented, loaned, leased, or hired out for a period of one month or longer.

HOST: A property owner, or the owner's authorized agent, who offers a residential unit or portion of a residential unit for rent, loan, lease, or hire as a short-term rental.

...

SHORT-TERM RENTAL: A residential unit, or any portion of a residential unit, that a host offers for occupancy for a minimum of three (3) consecutive nights and a maximum of less than thirty (30) consecutive days.

...

#### 9-5-215: SHORT-TERM RENTAL PERMITS:

- A. Purpose: This section sets forth procedures for issuing, renewing, and revoking a short-term rental permit under the provisions of Chapter 43 of this title.
- B. Authority: The Zoning Administrator is authorized to review and approve applications for a short-term rental permit.
- C. Initiation: The host may request approval of a short-term rental permit.
- D. Procedure
  - 1. A complete application shall be submitted to the office of the Zoning Administrator in a form established by the zoning administrator along with any fee established by the city's consolidated fee schedule. The application shall include at least the following information:
    - a. The name, address and telephone number of the owner of record and the owner of record's agent, if any.
      - (1) The name and telephone number of the host who will be available to provide an urgent response to complaints and issues.
    - b. Scaled site plans illustrating:
      - (1) Property boundaries;
      - (2) Layout of existing buildings and setbacks from property lines;
      - (3) Layout and dimensions of parking spaces and driveways; and
      - (4) A tabulation table showing the number bedrooms and other sleeping areas available for rent, the maximum occupancy that can be accommodated, and the number of parking spaces.
    - c. Floor plans for each floor of the buildings on the property, identifying the total area to be used for the short-term rental.

the use of each room, the square footage of bedrooms and sleeping areas, and the location of smoke and carbon monoxide alarms, and fire extinguishers.

- d. Other information as needed or requested by the Zoning Administrator to demonstrate that the use conforms to applicable provisions of this title.
2. A signed affidavit sworn by the owner before a notary public that certifies to the City that the subject property has no existing private covenants, conditions, or restrictions prohibiting short-term rentals.
3. After the application is determined to be complete, the Zoning Administrator shall review the application and approve, approve with conditions, or deny the application pursuant to the standards set forth in subsection 9-5-215(E). As part of the review process the Zoning Administrator may forward a copy of the application and any related materials to other agencies. Any conditions of approval shall be limited to conditions needed to conform to the approval standards.
4. After making a decision, the Zoning Administrator shall give the applicant written notice of the decision. If approved, the Zoning Administrator shall provide the notice to abutting property owners and the police and fire departments. The notice will contain the address of the short-term rental, the name and telephone number of the host for urgent response to complaints and issues, and the maximum occupancy.
5. An annual renewal of each short-term rental permit issued under the applicable provisions of Chapter 43 of this title shall be required.
  - a. The application for the annual renewal shall consist of a signed and notarized affidavit from the applicant attesting to the following:
    - (1) The short-term rental remains in compliance with applicable ordinances and all conditions under which it was approved;
    - (2) That continued use the short-term rental will comply with all applicable ordinances and the conditions of the initial short-term rental permit.
  - b. When a short-term rental permit is renewed, the Zoning Administrator shall issue a certificate of renewal inclusive of the next annual date on which the certificate and short-term rental permit shall expire if not renewed.
6. Short-term rental permits may not be transferred to a new owner of the property.

## [CHAPTER 43](#)

### [SHORT-TERM RENTALS](#)

#### [9-43-010: PURPOSE](#)

[The purpose of this chapter is to establish use and development regulations for short-term rentals in residential units. These regulations seek to allow for short-term rentals while also protecting the peace, safety and general welfare of existing neighborhoods.](#)

#### [9-43-020: SCOPE](#)

[The requirements of this chapter shall apply to all short-term rentals within the City.](#)

A. [Short-term rentals shall be a permitted use in all zoning districts that allow residential uses after obtaining a short-term rental permit and a business license.](#)

- [1. A short-term rental shall not include any tent, trailer, camper, recreational vehicle, or in a structure that does not have an occupancy permit.](#)
- [2. A short-term rental permit may be issued for a Detached Accessory Dwelling Unit \(D-ADU\) if the owner possesses a valid ADU permit.](#)
- [3. A short-term rental shall not be permitted on any property with an Internal Accessory Dwelling Unit \(I-ADU\).](#)
- [4. A short-term rental shall not be allowed in any residential unit that has a current residential lease or rental contract of thirty \(30\) or more consecutive days.](#)

B. [The following are exempt from the provisions of this Chapter:](#)

1. A dwelling unit with a residential lease or rental contract of thirty (30) or more consecutive days.
2. RV parks, manufactured and mobile home parks, bed and breakfasts inns, hotels, and motels or motor lodges.

C. Short-term rentals shall not be used for commercial purposes or events.

#### 9-43-030: GENERAL REGULATIONS

##### A. Occupancy

1. Only one (1) short-term rental is allowed per residential unit. For the purposes of this section, a D-ADU together with the single family dwelling unit it is accessory to, shall count as a single residential unit.
2. The short-term rental shall only be rented for a minimum duration of three (3) consecutive nights and a maximum duration of less than thirty (30) consecutive days.
3. The short-term rental shall only be rented to one (1) renter at any given time.
  - a. The renter shall provide the host with the number of guests that will occupy the short-term rental during the rental period.
  - b. The host shall not divide and rent out other portions of the residential unit to multiple renters at the same time.
4. The host shall set the maximum occupancy of guests in the short-term rental and demonstrate sufficient parking has been provided based on the following:
  - a. Areas in the residential unit designated for sleeping purposes shall follow the requirements of a bedroom for the purposes of this chapter, and for calculating required parking.
  - b. Every bedroom shall contain at least 70 square feet of floor area as required by the current building codes adopted by the City.
  - c. Occupancy shall be two (2) persons per bedroom. However, where more than two (2) persons are proposed to occupy a bedroom, the required floor area shall be increased at the rate of 50 square feet for each person in excess of two (2).
  - d. The number of guests shall not exceed the maximum occupancy set for the short-term rental on the permit.

##### B. Parking:

1. Parking for the short-term rental shall be provided off-street and must meet the requirements of Chapter 9-25 of this title. The required parking

will be calculated based on the total area designated for the short-term rental. Required parking resulting in a fractional number shall be rounded up to the next whole number.

2. If only a portion of the residential unit is to be used for the short-term rental, required parking will be in addition to the minimum parking required for the residential unit. Parking for the short-term rental shall not impede access to the required parking for the residential unit.
3. A garage may count towards the required parking if the guests are provided access by the host.

C. Urgent Response:

1. To ensure prompt response to complaints and issues while a short-term rental is being rented, the host must:
  - a. Be available by telephone 24 hours per day during an active rental.
  - b. Be able to physically respond, or if unavailable, designate a responsible party with decision-making authority to physically respond to the short-term rental within 30 minutes of any legitimate complaint or issue.
  - c. Provide information on current occupants to police, fire or other emergency personnel, if requested.
  - d. Provide an updated telephone number to the City as such information changes.

D. Posting: The following information must be posted inside the short-term rental:

1. A copy of the short-term rental permit and business license.
2. The name and phone number of the host for urgent response.
3. A list of all rules applicable to short-term rentals.
4. A copy of the Good Neighbor Short-Term Rental guidelines.

E. Signage: A short-term rental shall not have any signs visible from the exterior of the premises that advertise the use.

F. Noise: The host shall ensure that all renters are aware of and adhere to Title 7, Chapter 6, Noise Control, of this code.

G. Health and Safety:

1. Fire Extinguishers: One 2-A:10-B:C minimum rated fire extinguisher is required in the short-term rental. It must be mounted in a readily visible and accessible location, or appropriately signed identifying its location. The fire extinguisher is required to be serviced or replaced every year.

2. Smoke Alarms: Smoke alarms are required to be installed in all the following locations: inside every sleeping area, in the general vicinity outside every sleeping area, and on every floor. The smoke alarms must be interconnected so the actuation of one smoke alarm sets off all smoke alarms within the short-term rental. Smoke alarms must be installed and replaced in accordance with manufacturer's instructions. Primary power for smoke alarms must be supplied from the building power and equipped with a battery backup unless it was not required at the time the residential unit was constructed. In such cases, battery operated smoke alarms are allowed.
  3. Carbon Monoxide Alarms: Carbon monoxide alarms are required in the following locations when the unit has at least one fuel-fired appliance: in the general vicinity outside every sleeping area, inside sleeping areas that have fuel-fired equipment within the sleeping area, and on every floor. Carbon monoxide alarms must be installed and replaced in accordance with manufacturer's instructions. Primary power for carbon monoxide alarms must be supplied from the building power and equipped with a battery backup.
  4. Fire Sprinkler System: If the short-term rental is equipped with an automatic fire sprinkler system, it must be inspected routinely (annually) by a qualified person and be maintained in operable condition.
  5. Electrical: Electrical panels must have adequate clearance around them. Non-surge protected extension cords and multi-plug adapters can be used for temporary wiring only.
  6. Premises Identification: A permanent address must be installed in a location that is visible from the street, and a unit number by the front door if applicable.
- H. Maintenance: The host shall adhere to all City ordinances relating to the of maintenance of the short-term rental property.
- I. Listing: The host shall include the business license and short-term rental permit numbers in any online listing advertisements for the short-term rental.

9-43-040: INSPECTION:

After a short-term rental permit has been approved, the City may make periodic inspections as authorized in Section 9-7-080 of this title to ensure compliance with the provisions of this title and all other applicable laws.

## Comments:

Draper City has adopted text amendments to the Draper City Municipal Code (DCMC) regarding short-term rentals. DCMC Section 9-43-030(D)(1)(d) requires the host to post the City's Short-Term Rental Good Neighbor Guidelines in the short-term rental. The City drafted the Short-Term Rental Good Neighbor Guidelines to help educate guests regarding expectations for property maintenance, noise control, parking, and respectful conduct during their stay in the City. The purpose of this resolution is to adopt the Draper City Good Neighbor Guidelines document.

### Short-Term Rental Good Neighbor Guidelines

*Welcome! We are glad you have chosen to visit our City.*

This home is located in a residential community, and we ask all guests to be friendly, courteous, and respectful of the neighbors and help maintain a peaceful environment.

#### 1. Emergencies & Host Contact

If at any time you have concerns about your stay in this home, please contact the host immediately. A contact number will be posted in the unit. For life-threatening emergencies, call 911. For reporting crimes that are not in progress, filing police reports, or speaking with a police officer regarding non-urgent matters, call Draper Police at (801) 840-4000.

#### 2. Fire Safety

A fire extinguisher is provided in this home for your use in an emergency. The home is also equipped with smoke alarms and carbon monoxide detectors for your safety. Please do not tamper with or disable these devices.

#### 3. Events

Commercial events are not permitted during your stay in this home.

#### 4. Noise

Please ensure that you and your guest do not make excessive noise which would disturb the neighbors, especially between 10:00 pm and 7:00 am. Please also be mindful of the noise you make when arriving and leaving if it occurs late at night or early in the morning.

#### 5. Parking

This home should have enough parking so that guests can park on the property at all times. Do not block driveways, mailboxes, sidewalks, or neighboring properties. Do not park or drive on lawns.

#### 6. Occupancy Limits

Do not exceed the maximum number of guests on your reservation for this home.

#### 7. Maintenance

Be sure to pick up after yourself and keep the neighborhood clean. Dispose of trash properly in designated bins.

#### 8. Pets (if allowed)

If you bring pets, please keep them under control at all times and promptly clean up after them. Draper City requires pets to be on leash when being walked.

*Thank you for being a good neighbor while you visit our City!*

## EXHIBIT A

### 3-5-030: PLANNING COMMISSION:

There is hereby created and established a Planning Commission of Draper City to recommend and monitor the planning and development of the city.

A. Composition and Appointment: The planning commission shall be comprised of six (6) regular members appointed by the mayor with the advice and consent of the city council.

B. Terms: Members shall be appointed to staggered four (4)-year terms but may be appointed to shorter terms when necessary to provide for staggered terms. Members may be reappointed for successive terms.

C. Alternates: In addition to the six (6) members of the planning commission, the mayor shall appoint alternates to the planning commission with the advice and consent of the city council. Alternates shall serve one-year terms or until appointed to fill a vacancy on the planning commission. Alternates may be reappointed for successive terms.

D. Removal: Planning commission members deliberating about a specific pending land use application in a planning commission meeting with municipal staff, an elected official, or the land use applicant is not cause for removing a planning commission member. The ~~mayor~~ city council may remove any member or alternate of the planning commission for any of the following reasons: ~~with the advice and consent of the city council.~~

1. Using public funds for a political purpose under as described by the Utah Political Activities of Public Entities Act;

2. Violating a provision of the Utah Municipal Officers' and Employees' Ethics Act; or

2. Acting with the intent to influence a land use decision or an appeal of a pending land use application in a manner that creates actual impermissible bias or an unacceptable risk of impermissible bias in the planning commission member's administrative or quasi-judicial duties.

E. Recusal: For purposes of this subsection a relative is any person related to a planning commissioner by blood or marriage in a degree closer than the fourth degree of consanguinity or affinity, determined by the civil law method and a divorce or separation between spouses shall not be deemed to terminate any such relationship. Planning commission members shall recuse themselves from deliberating or voting on land use application if:

1. The planning commissioner or planning commissioner's relative owns, either legally or equitably, at least 5% of the outstanding shares of a corporation or 5% interest in a business entity that has a land use application; or

2. The planning commissioner is employed by, serves as an officer or director for, or has a contractual relationship with the person or business that has a land use application.

E. Vacancy: A vacancy occurring on the planning commission by reason of death, resignation, removal or disqualification, shall be promptly filled by a replacement appointed by the mayor with the advice and consent of the city council for the unexpired term of the replaced member.

F. Per Diem: Regular and alternate members of the planning commission shall be paid per diem compensation for reasonable and necessary expenses for meetings actually attended, in an amount of one hundred dollars (\$100.00).

G. Powers: The planning commission shall be organized and exercise its powers and duties as follows:

1. The planning commission shall elect one of its members as chairperson to oversee all proceedings and activities. The chairperson shall vote only in the event of a tie or when needed to establish a quorum. The chairperson shall serve for a term of one year. The planning commission shall elect one of its members as vice-chairperson to act as chairperson in the absence of the chairperson or because of the chair's inability or refusal to act. The vice-chairperson, acting as the chairperson, shall have the power to vote on all matters.
2. The planning commission may adopt bylaws that govern the conduct of its meetings. Such bylaws shall be approved by the city council before taking effect.
3. The planning commission shall meet according to the schedule adopted each year by the city council, and/or such other times as deemed necessary by the chairperson or city council. All meetings shall be properly noticed and held in accordance with the Utah Open and Public Meetings Act of the Utah Code Annotated, as amended. Written minutes of all business meetings of the planning commission shall be prepared and filed in the office of the city recorder for review and access by the public in accordance with the Utah Government Records Access and Management Act. Public participation in meetings shall be limited to properly-noticed public hearings.
4. No official business shall be conducted by the planning commission unless a quorum of its members or alternate members is present. Alternates shall be allowed to vote on official business of the planning commission when not all regular members of the planning commission are present. At no time shall more than five regular members or alternates and one chairperson participate in any official business of the commission. Unless otherwise prescribed by law, the planning commission may not

take action or forward any recommendation to city council on an agenda item unless without three votes in favor of the action or recommendation.

5. Alternates may fill vacancies occurring on the Commission or may be appointed to the Commission as regular members' terms expire.

6. Alternates should attend planning retreats and educational meetings related to the obligations and duties of the planning commission as offered by the city, and attend joint meetings of the planning commission and city council.

7. Neither the planning commission nor its members have authority to represent, act, negotiate or speak on behalf of the city, or to commit city funds for any purpose unless expressly authorized by the city council, this code, or state or federal law.

H. Duties: It shall be the function of the planning commission to oversee the proper development of the city in accordance with pertinent city ordinances and provisions of Utah Municipal Land Use and Management Act as amended. The duties of the planning commission shall include:

1. Preparing and recommending a general plan and amendments thereto to the city council;

2. Recommending zoning ordinances and maps, and amendments to zoning ordinances and maps, to the city council;

3. Administering applicable provisions of Titles 9 and 17;

4. Recommending subdivision ordinances and regulations and amendments thereto to the city council;

5. Recommending approval or denial of subdivision applications;

6. Advising the city council on matters when requested;

7. Hearing or deciding any matter that the city council designates;

8. Preparing and recommending programs for public improvements and the financing thereof to the city council; and

9. Exercising any other powers delegated by the city council that are necessary to enable the planning commission to perform its function.

I. Examinations and Surveys: The planning commission and its authorized agents may enter upon any land at reasonable times to make examinations and surveys as necessary to enable it to perform its function to promote city planning and development.

J. Appeals:

1. Definition. For purposes of an appeal of a planning commission decision, "affected person" means:

- a. Any applicant before the planning commission; or
- b. Any person other than an applicant who:
  - (1) Owns real property adjoining the property that is the subject of a land use application or land use decision; or
  - (2) Will suffer a damage different in kind than, or an injury distinct from, that of the general community as a result of the land use decision.

2. Any affected person may appeal a planning commission decision by filing a written appeal to the appeals and variance officer stating the grounds for appeal within fourteen (14) days from the date of the decision or action.

K. Training: The planning commission shall receive training from time to time as required by state law. (Ord. 1493, 6-15-2021; amd. Ord. 1523, 1-11-2022; Ord. 1592, 11-7-2023; Ord. 1702, 2-17-2026)
