Terms and Conditions

This Bid Proposal, which includes these Terms and Conditions, supersedes and replaces any and all prior or contemporaneous understandings, promises, negotiations, communications, representations, or warranties that may have been provided to Buyer, express or implied, written or oral; provided that the express terms set forth above shall prevail to the extent inconsistent with these Terms and Conditions. The Company's provision of the Services does not constitute acceptance of any of Buyer's terms and conditions set forth in a separate document and such terms and conditions do not serve to modify or amend the terms of this Bid Proposal.

BUYER OBLIGATIONS. Buyer will cooperate with the Company in all matters related to the Services and respond promptly to any Company request to provide direction, information, approvals, authorizations, or decisions that are reasonably necessary for the Company to provide the Services, and the Company shall have no liability with respect to any such direction, information, approvals, authorizations, or decisions made or provided by Buyer or its apparent representatives, regardless of any written or oral advice or representation made by the Company or its representatives with respect to the subject matter thereof. In addition to the foregoing, to the extent the Company's performance hereunder is prevented or delayed by any act or omission by Buyer or its representatives, the Company will not be liable for any costs, charges, or losses sustained or incurred by Buyer, directly or indirectly, in connection with such prevention or delay.

PROJECT PLANS/SPECIFICATIONS. To the extent the project for which the Services are rendered is described in any plans and/or specifications, Buyer represents and warrants that Buyer has provided all such plans and/or specifications to the Company. Buyer acknowledges that any change to such plans and/or specifications (or the provision of plans/specifications not otherwise contemplated hereby) may result in an adjustment to the contract price set forth herein and Buyer agrees to promptly execute all change orders prepared by the Company reflecting such changes and/or price adjustments as a condition of the Company's continued provision of the Services. Notwithstanding anything to the contrary, Buyer acknowledges and agrees that the Company is not an engineering firm and is not responsible for engineering-related liabilities and that Buyer is responsible to acquiring qualified third-party engineering services in connection with the Services.

OPTION TO SUBCONTRACT. Company may, without Buyer's consent, utilize agents or subcontractors in connection with the performance of the work.

CHANGES. Except as otherwise set forth herein, any modification to the Services as described herein that increase the contract price or other costs must be approved by the Company in writing (which approval will not be unreasonably withheld) and such increased price and/or costs shall be invoiced to Buyer. Any change that may result in the reduction of Services, and any corresponding reduction to the contract price, will be negotiated in good faith by the parties; provided that Buyer will be responsible to pay for all materials acquired by the Company in connection with the Services.

DELAYS. The Company shall not be responsible for any delays in the performance of the Services or damage to materials due to labor disputes, weather (additional charges will apply for cold weather paving after October 15th), shortages in material, equipment or labor, acts of God or any other cause beyond the Company's reasonable control. In the event of any such delay, and to the extent reasonably possible, the Company shall complete the Services at the next available opportunity. In the event the Company elects not to perform any further Services as a result of such delay, Buyer shall pay the Company for that portion of the Services rendered prior to the occurrence of such delay, and the Company shall otherwise be fully relieved of all of its duties and responsibilities hereunder without liability to Buyer. Without limiting the foregoing, (a) if the Company is unable to begin performance of the Services on the scheduled date due to the action or inaction of Buyer or its representatives, the entire contract amount set forth herein shall be immediately due and payable, and (b) delays otherwise caused by Buyer or its representatives, directly or indirectly, shall result in all amounts accrued hereunder as of the date thereof to be immediately due and payable.

UTILITIES. Buyer is solely responsible for locating, disconnecting, and capping off all utilities prior to the Company's provision of the Services. The Company is not responsible for damage to any utilities.

Buyer's sole remedy in connection with the foregoing limited warranty shall be limited to either the repair or replacement of the defect or nonconformity or, by agreement of the parties, a credit to Buyer's account with respect thereto; provided that (a) such limited warranty shall not apply if (i) the defect or nonconformity resulted, directly or indirectly, from the actions or inactions of Buyer or any third party, (ii) proper testing is not completed on subgrade/roadbase placed by a third party, (iii) asphalt placing is done before April 15 or after October 15 of each year (or asphalt maintenance is done before May 1 or after October 1), (iv) seal coat delamination results from previous underlayment or puddling, (v) related to drainage on any overlays or (vi) spalling is caused from salting concrete surface, (vii) new concrete is driven on in less than 7 days from placement; and (b) the Company shall be allotted a reasonable amount of time to evaluate and complete any such repair or replacement. The foregoing limited warranty shall also not apply to drainage if a minimum slope of 2% is not attainable based on existing site conditions. THE FOREGOING LIMITED WARRANTY REPRESENTS THE COMPLETE WARRANTY OFFERED BY THE COMPANY, EXCEPT AS SET FORTH ABOVE, THE COMPANY MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE GOODS AND SERVICES OFFERED BY THE COMPANY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, WHETHER EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, OR OTHERWISE.

The concrete limited warranty excludes cracking. 2. This limited warranty does not cover any peeling or scaling that results from use of chemicals or deicers. 3. The concrete limited warranty excludes any variations of color in the finished surface. The concrete limited warranty excludes cracking, raising, shifting or settling caused by sub surface ground conditions including underground root growth or any other subsurface issue. **Warranty Limitation.** The liability of Eckles Paving under this warranty will be limited to the repair or replacement of the defective area only. **PROPER CARE AND USE OF CONCRETE SURFACES:** It is important to care for the surface properly to ensure its longevity. The Company will not be responsible, and will not assume any liability, for compliance with the Americans with Disabilities Act, as amended, unless this Bid Proposal reflects, and Buyer provides, an engineered plan that provides for a compliant layout. Except as otherwise set forth above, striping and sloping will match existing striping and sloping.

WATER. Buyer is responsible to provide an adequate water source at the premises. If a sufficient water source is not provided, Buyer shall be responsible for the cost of a fire hydrant meter and water used in connection therewith.

NONSOLICITATION. During the period commencing on the date hereof and ending one year following the completion of the Services, Buyer shall not, without the Company's prior written consent, directly or indirectly, (i) solicit or encourage any person to leave the employment or other service of the Company, or (ii) hire, on behalf of Buyer or any other person or entity, any person who has left the employment of the Company within the one year period following the completion of the Services. In the event of a breach of this provision, and recognizing that compensatory monetary damages resulting from such breach would be difficult to prove, Buyer will be liable to the Company for liquidated damages in an amount equal to such employee or service provider's compensation from the Company during the 12-month period ending on the termination of such employee's employment with or service provider's services to the Company.

PUBLICITY. The Company shall have the right to use Buyer's name and the Services in connection with any referral to potential customers or as examples of the Company's work product.
