SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases

On December 27, 2024, the District issued Special Assessment Bonds Series 2024 in the amount of \$8,155,000. The Bonds bear interest at 5.750% payable semi-annually on June 1 and December 1 and are subject to mandatory sinking fund redemption beginning December 1, 2030. The Bonds mature on December 1, 2053.

The Bonds are not a general obligation of the District, but are payable exclusively out of the funds described in the Indenture. The District shall not be liable for the payment of the Bonds, except from (i) moneys collected from the levy of Assessments against the properties benefited by the Public Improvements pursuant to the Assessment Ordinance, (ii) moneys collected by the District from the foreclosure of Assessed Properties, and (iii) other funds created under the Indenture as described herein (collectively, and as previously defined, the **"Assessment Revenues"**). Among other remedies, the District may initiate sale of the delinquent Assessed Property in the same manner as for delinquent property taxes or by judicial foreclosure.

The District has also provided additional security for the Bonds by funding a Reserve Account within the Reserve Fund for the Bonds. Proceeds of the Bonds have been deposited into the Reserve Account in the amount of the Debt Service Reserve Requirement. **"Debt Service Reserve Requirement"** means with respect to the Bonds, an amount initially equal to \$581,300.00. The Debt Service Reserve Requirement will be reduced as Assessments are paid or prepaid as described in the Indenture, but not to an amount less than 5.5% of the principal amount of the Bonds then Outstanding, after taking into account the redemption of Bonds related to prepayments.
