Tier II Advisory Board Practice Proposal:

Formula for Unallocated or Reduced Tier II Budget Funding

Overview

To streamline the allocation of any unallocated Tier II Budget funds after Tier II subcommittee and All-Day Review meetings or if a need arises to reduce funding after those meetings, a formula will be utilized. The formula will be based on application scoring. The formula and its resulting amounts will be prepared by staff and will be presented to the Tier II Advisory Board in order to aid them in making their final recommendation amounts.

Draft Motion Language

The Tier II Advisory Board motions to utilize a formula, or similar procedure and criteria, to allocate any remaining funds or navigate a funding reduction, after Tier II subcommittee and/or All-Day Review meetings.
