MEETING AGENDA

1. Welcome & Introductions

2:00 PM

- a. Committee Roll Call & Other Introductions

2. Public Comments

~ 2:05 PM

This is an opportunity for comments from the general public regarding any item on the agenda or any other matters related to the Jordan River Commission and the Technical Advisory Committee. Individual comments are limited to 2 minutes, and all comments are limited to 10 minutes total. Comments can also be emailed to info@JordanRiverCommission.gov (include subject line “TAC Meeting Comments”).

Notes:

3. Presentations & Discussion – Community Development

~ 2:10 PM

- a. Commission Website Review and Input : Rachel Lyn, Communications & Outreach Manager, and Jenn Blum, a website development consultant with Minduct, will review progress on the Commission website update and solicit feedback from the Committee
- b. Homeless Campus and Related Homeless Services Discussion : This will be a discussion of the proposed Homeless Resources & Services Campus proposed for a location at approximately 2500 North 2200 West in Salt Lake City, near the Jordan River, and how local governments across the region can participate in and support solutions around housing and supportive social services for those experiencing homelessness when they exit the campus, and mitigate impacts of the new campus and existing homeless resource centers. It will also allow discussion of strategy for the Commission, which is a regional cooperation agency, to provide support for ongoing development and operation of the campus to help ensure its long-term success. The Committee may be joined by state leaders working on the campus and other related homeless services.
- c. Community Development General Discussion : This will be a general discussion of Community Development topics to identify possible meeting presentations and discussions, and areas or issues of focus for the coming year
- d. Jordan River Parkway Design Guidelines Updates (as time permits) : Søren Simonsen, Executive Director, and Ren Griffeth, Administrative, Grant & Research Specialist, will review progress by the Public Safety Working Group for the Jordan River Parkway Design Guidelines Document

Notes:
