V. Board member's informational comments on pertinent items not on the agenda: Kassidy shared some feedback from the community regarding our children's services. First, several working parents who cannot make our daytime sessions have requested an evening story hour. This will need to be discussed with Tawnya before going forward.

Second, there is interest in having toys available in the children's room. Before we can do this, Tina will need to look into developing and adopting a sanitary policy for the toys to ensure we can keep them clean and safe.

VI. Public comments: no public comments were made.

VII. Unfinished Business

VIII. New Business:

- a. Promoting the Library and Library Board:** The Board is planning to introduce everyone to the public by posting biographies of each board member, and potentially the library staff, on the Library's Facebook page.

The plan is to post one biography each month. To help facilitate this, each board member will need to send a short biography and a picture of themselves to Tina so that she can prepare and schedule these introductions.

IX. Agenda items for the next meeting: Evening Story Hours, City Council and Toys in the Children's Room.

X. Adjournment: The meeting was adjourned by a motion from Kassidy Hansen.
