AGENDUM ITEM #3 – Public Comment

- Danielle Hawley - Students attend Lomond View. Concerned about budget constraints, salaries of administration and CRA agreements.

AGENDUM ITEM #4 – Discussion/Action Item

A. Approval of SRO (School Resource Officer) Interlocal Agreement

Public Information and Safety Officer Lane Findlay updated the Board on contract negotiations with our law enforcement partners and noted that a tentative agreement has been made. There will be a formal presentation at the August Board Meeting. It was expressed that we want SROs in our schools and face the challenge to fund 100% of the salary and benefits for each officer over nine months. We will work on a five-year contract and phase in amounts of 5% each year. Currently, we pay a 70/30 split per officer and will increase that to 100% over 5 years. Also, we currently have one parttime SRO at Snowcrest Jr. High, so part of the agreement will include increasing this position to full-time. We will then have 16 full time SROs in all of our schools. The average cost will be based on each individual entity and their cost per officer.

B. Approval of 2026-2027 Employee Agreements and Proposed COLA and Benefit Package

Human Resource Directors Nicole Meibos and Lauri Adams updated the Board on the employee negotiations and thanked all of the groups. It was noted the Insurance Committee meets monthly with our insurance broker. Weber School District has a total of 5,551 employees; ESP (Educational Support Professional) 3,517 and 2,034 certified employees. Benefit eligible employees; 2,748 including retirees. Information was shared on medical insurance utilization; Medical increase of 14%, pharmacy increase 15%, total claims up 15%.

The District went out for bid on medical insurance after the initial renewal rate from Select Health was at an increase of 16.30%. Four providers responded:

- EMI Health - 13.49%-13.99%
- U of U Health – 17.72%
- PEHP – 11.13%
- Select Health – 11.70%

The District determined to stay with Select Health at a negotiated rate increase of 9.23%. Deductibles will remain the same at \$3,500/\$7,500. Out of pocket maximum proposed change to \$4500/\$9,000. Premiums were then reviewed.

Dental insurance is a voluntary employee paid benefit. Two years ago, the District went out for bid and currently have Delta Dental/Ameritas, but have received negative feedback from employees regarding service issues and dentists frequently dropping the network. The District went out for bid again and transitioned to Delta Dental with three different plan types offered. Premiums are increasing by 30.5%.

Vision insurance is a voluntary employee plan with two different plans offered with no change in premium rates guaranteed until August 31, 2028.

Other district benefits include Health Saving Account for employees enrolled in the medical plan and will continue to receive the District yearly contribution for family, employee +1 and single. Health Reimbursement Account (HRA) for Education Support Professionals enrolled in the medical plan will continue to receive a yearly contribution. The District will continue to contribute .8% of gross salary to 401K monthly for Utah Retirement System Tier 2

employees. District paid benefits include: retirement, medical insurance, long-term disability, short term disability, term life insurance, and employee assistance program. An example breakdown of an educator salary (Lane 1, Step 7) was then shared noting that all the benefits add about 37.85% to a salary.

Director Nicole Meibos explained the new salary schedules and noted as per Utah Code 53F-2-405, the Utah Legislature requires to provide annual funding for the educator salary adjustments (ESA) to attract and retain highly skilled educators. This specific version outlines the rules governing the State's \$10,661.00 educator bonus program. The WSD Certified Educator Base Salary Schedule, Educator Salary Schedule and Licensed Salary Schedule was explained. Professional Agreement Language Changes highlighted displaced full-time ESP's and teachers, paid time off (exchanged a sick leave day for an additional PTO day for both WEA and WESP groups), Memorandum of Understanding #4 (Staffing Processes for Educators). Business Administrator Brock Mitchell presented the proposed compensation package and the new revenue calculations based on WPU values. Overall health insurance increase is \$3,416,493, any COLA impacts retirement, insurance funding does not. An example was shared to show how the COLA (.065%) and ESA (3.0%) adjustments are reflected on the Educator Salary Schedules. A step/lane comparison with other districts around the same size as Weber School District was then shared.

It is recommended the Board approve the proposed professional agreements and benefits packages for all employee groups.

Motion: Kelly Larson

Seconded: Wyle Williams

That the Approval of 2026-2027 Employee Agreements and Proposed COLA and Benefit Package be approved. Voting was unanimous in favor of the motion.

C. Budget Presentation

Business Administrator Brock Mitchell shared with the Board the budget presentation. Balancing the ledger to protect the classroom; the District is facing a structural budget imbalance as ongoing expenses have outpaced ongoing revenues. The focus will be on how the District arrived at the current financial position, major factors contributing to the decline in the General Fund balance, and cost-saving actions to align expenses with revenues. Transitioning to a sustainable operating model that aligns with current enrollment and rebuilds fund balances for long-term financial stability, with no need for a truth in taxation.

Audited financials - review of 2024/2025 school year fiscal results. A restatement of past accounting treatments, not a loss of current operational funds, fraud, or budgetary shortfall caused by current operation. Accounting Director Ben Hokanson looked into old processes, caught the gap, and fixed it.

- One-time \$4.2 million URS payment that overlapped the fiscal year (summer 2024)
- Remaining \$3.4 million is a legacy issue related to accrued salary and benefits.

It was then explained to the Board factors identified that have put us in this financial position and how we intend to build a healthier financial foundation.

EXTERNAL FINANCIAL FACTORS

Forces influencing our district finances beyond local control:

- Statewide declining enrollment
- State & Federal funding shifts
- Vendor & non-comp price inflation
- Legislative mandates

External Financial Pressures:

- Health insurance premiums
- District utilities expenditures
- Vendor & non-comp price inflation examples
 - School bus costs up 62% in last 10 years
 - Home health services 7% yearly increase
 - Chromebook costs increase 106% last 3 years
 - PowerSchool annual cost increase 7% per year
 - RFP/Contract management services 38% increase
 - Fuel expenses up over \$100,000 per month last few months
 - Trash services
 - SRO contracts – annual increases of 12.73%
- Legislative mandates, reductions, and impacts
 - Educator salary adjustment

- Full day kindergarten
- Educator background check
- School fees amendments
- Postpartum recovery leave
- Multiple other bills that require some district funding
- Elimination of DTL Program
- Professional staff – moved below the line (does not grow with WPU)
- Elimination of library book resources
- Elimination of school nurse funding
- Change to Beverly Taylor Sorenson funding
- Elimination of Early Literacy Program
- Elimination of Early Intervention
- Elimination of EL Software Grants
- Dual Immersion
- Supplementation of Special Education/Transportation
- School safety amendments

KEY FINANCIAL EVENTS (2022-2024)

Structural Shifts in Revenue & Expenditures

2022-2023

- SR Inc/Ex Inc: Educator Professional Time Added: New state-funded initiative for teacher planning and collaboration.
- SR Inc: PEERSA Funding Added: Added as SR, had to be used as Capital (skewed amount)
- LR Inc: Truth in Taxation for 7.5% COLA
- SR Dec: Loss of Board and Voted due to Local Revenue Increase (\$16M to \$5M)

2023-2024

- SR Inc/Ex Inc: Full Day Kindergarten implementation
- SR Inc/Ex Inc: ESA value doubled
- SR Dec/Ex Same: Program eliminations/cuts: Early Intervention, Library Resources, Early Literacy and EL Software grants discontinued
- LR Dec/SR Inc: Truth in Taxation: Voted Levy swap to Capital for Lease Revenue, restore SR, Lose \$12M General Fund flexibility
- Ex Inc: Non-teaching staff for new schools (\$6M)

**SR: State Revenue

LR: Local Revenue

Ex: Expense**

THE PLAN MOVING FORWARD FOR GENERAL FUND RECOVERY:

1. Reduce Expenses
 - Target areas where we have exceeded staffing ratios
 - Assess all non-comp expenditures
 - Create a balanced approach to long-term fund balance recovery
2. Increase General Fund Revenue
 - Rebalance local levies by shifting capacity from the Capital Levy to the Board and Voted Levies
 - Redirect substantial local revenue into the General Fund
 - Utilize unearned revenues

Key Rationale

- Capital Fund balance is currently healthy; funds cannot be used for general operating expenses
- General Fund dollars provide greater flexibility and may be used for Capital needs if necessary

General Fund Expenditure Reduction Measure:

- 3 District Level Admin Positions
- 3 School Level Admin Positions
- 2 Reduced Role Admin Positions
- 7 District Level Support Positions Eliminated
- 60+ Absorbed Educators
- Reduced Summer Days
- Reduced Teacher Buyouts
- Freeze Steps/Lanes (1 Year)
- Adjust PT Custodial Formula
- Eliminate One-Time Money for Ongoing Programs
- 5 Year SRO Contract
- Reduce M & O Budgets by $\geq 5\%$ (\$1M)
- Reclassify CapEx to Capital Fund (\$1.5M)
 - Chromebooks, Copiers, Engineering, etc.
- Switch from ClassWallet to Amazon (\$50K)
- Limit Employee Travel/Restructure (\$100K)
- Credit Card Transaction Fees (\$330K)
- Review all District/School expenditures

General Fund Revenue Increase Measures (Outside of Truth in Taxation):

- Utilize Unearned Revenues in TSSA, At Risk, Concurrent Enrollment, Advanced Placement, and CTE (\$3M Revenue Increase)

- Increase Free and Reduced Lunch Application (At Risk Funding Increase)
- Significant use of Capital Levy to increase amount in the General Fund

Objective: Shift capacity to General Fund to increase flexibility of use of funds, taking advantage of the healthy capital fund balance.

Additional Measures:

- Refunding of GO Bonds (\$3.18M Gross Savings/\$1.66M NPV Savings)
 - Additional \$40K savings for early payoff
- MGT Forecasting Study – Inform decisions on staffing and schools in future
- Unearned Revenue from PEERSA (\$3.2M Capital) – Raise Capital Revenue
- Sell land near Roy Junior (\$3M Capital) – Raise Capital Revenue
- Monthly Finance Committee meetings to review ongoing financial state
