8) FOLLOW-UP ON PAST MINUTES

- Council Member Steve Secrest discussed speeding concerns on 1000 North with the sheriff.
- The sheriff's office will provide pricing for a radar speed-display sign. Based on their traffic studies, these signs have been effective at reducing speeding.
- Options for addressing the issue include:
- Installing a radar speed-display sign;
- Increasing patrol coverage; or
- Using both approaches.
- The sheriff will provide cost estimates for adding an officer on a part-time or full-time basis.
- The community is guaranteed an officer for 40 hours per week.
- Additional patrol coverage is funded by beer tax revenue. Because this revenue fluctuates, it cannot be relied upon to provide consistent police coverage.

9) MAYOR'S REPORT

- Reminded the Council of the joint meeting with the Water Board scheduled for August 10, at 7:00 p.m.
