5. New Business

- A. Transition Life Skills Academy and Entrada to Bella Vista building for the 2027-28 school year (Third Reading, Possible Action) – Dr. Tom Sherwood, Director High School Principals

Since the last reading, information was sent out to students, parents and staff about the transition. Faculty from LSA and Entrada have visited the site, discussed logistics and how to organize the space to accommodate both programs.

Diamond Ridge HS is currently at capacity and LSA needs a new location because their current building is under contract for purchase with Sandy City. LSA and Entrada both serve students that are seeking a post graduate diploma, and it would allow for cross over services. LSA provides real life experience opportunities, such as holding a job, taking transportation and retail shopping. The Bella Vista location is adjacent to a UTA stop, which would help accommodate transportation needs. This location would also draw students from other districts that do not offer adult education services.

MOTION: Andrew Edtl moved to approve the Transition of Life Skills Academy and Entrada to Bella Vista building for the 2027-28 school year. Amanda Oaks seconded the motion. The motion passed unanimously.
