HELP US IDENTIFY YOUR CENTERS

CENTERS WORKSHOP

August 26, 2026,
10 AM - 12 PM

@ Festival Hall Conference Center,
96 N Main St, Cedar City, UT 84720

**Centers are the places where
community happens.**

Every community has centers—they simply look different from region to region. This workshop is about identifying the places that matter most in your region.

They are locally significant places that support community life, economic activity, and regional identity.
