ANNOUNCEMENTS AND QUESTIONS

Advisory Board Comments

- Jeff Webster suggested helping out at local elementary schools to improve general reading levels in the students. It gives the children a better start in life. Kathy suggested having it in conjunction with the Pen Pal program.
- Kathy Houston asked about the Director's Roundtable. Cory said that the program is going well, and he has about 6–7 people coming each week. It gives the seniors a safe space to discuss issues and keep them in tune with reality.

Jeff Martin, Parks and Recreation Director, Comments

- Thanked everyone for letting him attend the Board meeting this month. He has enjoyed hearing the board's citizen comments during the City Council meetings. He knows that the City Council appreciates the voice of the seniors. Thank you for all that you do.
