AMERICAN FORK CITY COUNCIL
AUGUST 25, 2026
MEETING AGENDA

Notice of Electronic Meeting
One or more City Council members may be physically absent from this meeting but may participate electronically.

Notice is hereby given that the American Fork City Council will hold a regular session on Tuesday, August 25, 2026, in City Hall, located at 31 North Church Street, commencing at 7:00 p.m. The agenda shall be as follows:

REGULAR SESSION

1. Pledge of Allegiance; Invocation by Council Member Taylor; roll call.
2. Twenty-minute public comment period - limited to two minutes per person.
3. City Administrator's Report
4. Council Reports
5. Mayor's Report

COMMON CONSENT AGENDA

(*Common Consent* is that class of Council action that requires no further discussion or which is routine in nature. All items on the Common Consent Agenda are adopted by a single motion unless removed from the Common Consent Agenda.)

1. Approval of the July 14, 2026, city council minutes.
2. Approval of the July 28, 2026, city council minutes.
3. Approval of the August 4, 2026, work session minutes.
4. Approval of the August 11, 2026, public hearing minutes.
5. Approval of a Reimbursement Agreement with Bridge Haven for Bridges at Fox Hollow Plat B.
6. Approval of a Reimbursement Agreement with Deborah and Maurice Navarro for 247 East 700 North.
7. Ratification of city payments (July 22, 2026, to August 18, 2026) and approval of purchase requests over $50,000.

ACTION ITEMS

1. Review and action on a resolution setting the 2026 Tax Rate for Fiscal Year Ending June 30, 2027.
2. Review and action on a resolution adopting the fiscal year ending June 30, 2027, city budgets.
3. Review and action on the CDBG Subrecipient Agreement for American Fork City Culinary Waterline Improvements - CDBG 11 King Street.
4. Review and action on a pioneering agreement with AFEW1 LLC for system improvements association with the Edgewater and the Yard subdivisions.
5. Review and action on approval to move forward with improvements at the American Fork City Cemetery.

6. Review and action on approval of the real estate exchange agreement with NBFF Property LLC, Harbor View Development LLC, Rammell Prospective LLC, Russgan LLC, NPF Investments LLC and Walking the Wire LLC. for Lake Shore Drive.
7. Review and action on a resolution approving the disposition of lost or mislaid property or seized property.
8. Review and action on a resolution appointing Mayor Frost to the Utah Lake Authority Governing Board.
9. Consideration and action on entering into a closed session to discuss (A) the sale, purchase, and/or lease of real property; (B) pending or reasonably imminent litigation; and (C) the professional character or competence of an individual(s) as described in Utah State Code 52-4-204 and 52-4-205.
10. Adjournment.

Dated this 21st day of August 2026.

/s/Terilyn Lurker
City Recorder

- In accordance with the Americans with Disabilities Act, the City of American Fork will make reasonable accommodations to participate in the meeting. Requests for assistance can be made by contacting the City Recorder at 801-763-3000 at least 48 hours in advance of the meeting.
- The order of agenda items may be changed to accommodate the needs of the City Council, staff, and the public.
- Persons addressing the Council during public comment may submit written materials to the City Recorder. When practicable, the Recorder shall distribute copies to the Council or provide them electronically after the meeting. Submission of written materials does not require the Council to review, discuss, or respond to the materials during the meeting. The presiding officer may impose reasonable, content-neutral limitations regarding the format, number of copies, or method of submission to ensure the orderly conduct of the meeting.

AGENDA ITEM Review and action for an approval of a Reimbursement Agreement with Bridge Haven for Bridges at Fox Hollow Plat B.

SUMMARY RECOMMENDATION Bridge Haven proposes a Reimbursement Agreement for the Bridges at Fox Hollow Plat B development for Parcels 12:061:0079 and 12:061:0259 which consists of approximately 31.209 acres.

BACKGROUND Bridge Haven has been working closely with the City's Public Works Department on a plan for the System Improvements at the required minimum size as required in City codes and standards.

A Reimbursement Agreement was drafted by the developer and reviewed by the City Engineering division. The agreement outlines the parameters for Culinary Water Line, Pressurized Line, Sidewalk/Trail, and Road System Improvements.

As part of the improvements constructed for the development, a portion of 5' wide sidewalk, curb, gutter, an ADA ramp, drive approach, north half of the 32' wide asphalt road, culinary and pressurized irrigation water lines were installed on City property for the benefit of the City in the Mary and Art Dye Park parking lot and 1120 North.

The System Improvement will be reimbursed with Culinary Water Line, Pressurized Irrigation, Sidewalk, Road, Curb and Gutter system improvement funds that add up to $33,383.85 as outlined in the agreement.

BUDGET IMPACT An amount not to exceed $33,383.85 for the following System Improvements: $13,861.50 for Road improvements; $2,613.60 for Curb and Gutter improvements; $6,972.50 for Pressurized Irrigation improvements; $6,574.50 for Culinary Water improvements; and $3,361.75 in Sidewalk improvements necessary to complete 1120 North improvements to the fully improved cross-section standard. Collectively, these improvements are referred to as to System Improvements.

SUGGESTED MOTION Move to approve the Reimbursement Agreement with Bridge Haven for System Improvements for an amount no greater than $33,383.85 for Bridges at Fox Hollow Plat B.

SUPPORTING DOCUMENTS

BatFH Plat B_REIMBURSEMENT AGREEMENT_2026.08.26 (PDF)

REIMBURSEMENT AGREEMENT

This Reimbursement Agreement ("*Agreement*") is entered into as of this 19th day of May, 2026, by and between Bridges at Fox Hollow Plat B ("*Developer*") with its principal offices located at 372 S Main Street, Ste A, Alpine, Utah 84004 and American Fork City, a municipal corporation and political subdivision of the State of Utah with its principal offices located at 51 East Main Street, American Fork, Utah 84003 ("*City*").

RECITALS

WHEREAS, Developer owns and/or will develop certain parcels of property located in American Fork, Utah County, Utah, specifically Parcels 12:061:0079 and 12:061:0259 which consists of approximately 31.209 acres and is further described in Exhibit A attached hereto (the "*Property*").

WHEREAS, the parties have learned that there are certain mutually beneficial, cooperative and cost-cutting ways their respective properties can assist in the development of the other;

WHEREAS, pursuant to Section 13.80.030 of the American Fork Code of Ordinances and in compliance with Section 11-36a-402 of the Utah Code Annotated, the parties desire to provide for certain "system improvements," as that term defined in Section 11-36a-102 of the Utah Code Annotated, in conjunction with the development of the Property by Developer;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and Developer hereby agree as follows:

AGREEMENT

1. Culinary Water Line. Developer is proposing to install culinary water lines through its project at the required minimum size as required by City codes and standards. The City seeks to have the pipe extended off-site as a 8 inch pipe to accommodate additional off-site uses. Each upsized pipe is a system improvement. The lengths of pipe, associated materials and costs are set forth, and agreed to as shown, in the attached Exhibit B.

2. Pressurized Irrigation Line. Developer is proposing to install pressurized irrigation lines through its project at the required minimum size as required in City codes and standards. The City seeks to have the pipe extended off-site as an 8 inch pipe to accommodate additional off-site uses. Each upsized pipe is a system improvement. The lengths of pipe, associated materials and costs are set forth, and agreed to as shown, in the attached Exhibit B.

Attachment: BatFH Plat B_REIMBURSEMENT AGREEMENT_2026.08.26 (Reimbursement Agreement with Bridge Haven for Bridges at Fox

3. Sidewalk/Trail. Developer is proposing to construct a sidewalk at the required minimum size as required in City codes and standards. The City seeks to have some or all of the sidewalk within the development installed with a 5 foot wide trail to accommodate additional off-site uses. Each upsized sidewalk is a system improvement. The additional work, associated materials and costs are set forth, and agreed to as shown, in the attached Exhibit B.

4. Road. Developer is proposing to construct asphalt roads necessary for its development. The City seeks to have 1120 North constructed to the fully improved cross-section, which is more than is necessary for the development, to accommodate additional off-site uses. Each upsized asphalt road is a system improvement. The construction of the road beyond that necessary for the development is reimbursable to the Developer. The additional square footage, associated materials and costs are set forth, and agreed to as shown, in the attached Exhibit B.

5. System Improvements Reimbursement. The public improvements described above are each a System Improvement and collectively the "System Improvements." The City agrees to reimburse Developer for the System Improvements in an amount equal to the actual costs of the System Improvements, not to exceed the amounts set forth in Exhibit B.

6. Time of Reimbursement. The City shall provide to Developer a single reimbursement payment within thirty days of completion of all system improvements for the Project. Completion shall mean completion of construction, inspection and acceptance by the City Council.

7. Choice of Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Utah.

8. Entire Agreement. This Agreement constitutes the entire agreement between the parties regarding the subject matter hereof and supersedes all prior understandings, written or oral, regarding the subject matter hereof.

9. Modification. This Agreement may only be modified or altered by a writing signed by both parties.

10. Attorney Fees. In the event either party seeks to enforce the terms hereof in a lawsuit or other proceeding, the prevailing party shall be entitled to an award of the costs incurred, including reasonable attorney fees.

11. Execution. This Agreement may be executed in multiple original counterparts, each of which shall be deemed to be an original and all of which, taken together, shall constitute one and the same Agreement.

12. Severability. The provisions of this Agreement shall be deemed to be severable, and if any provision of this Agreement is determined to be invalid or unenforceable by any court of competent jurisdiction, such invalidity or unenforceability shall not affect or limit the validity or unenforceability of the remaining provisions hereof.

Attachment: BatFH Plat B_REIMBURSEMENT AGREEMENT_2026.08.26 (Reimbursement Agreement with Bridge Haven for Bridges at Fox

13. Third-Party Beneficiary Interests. Nothing contained in this Agreement is intended to benefit any person or entity other than the parties to this Agreement and/or their respective successors and assigns; and no representation or warranty is intended for the benefit of, or to be relied upon by, any person or entity which is not a party to this Agreement and/or their respective successors and assigns.

14. Binding Effect. This Agreement shall inure to the benefit of, and be binding upon, the parties hereto and their respective heirs, representatives, officers, agents, employees, members, successors and assigns.

WHEREFORE, the parties have executed the foregoing to be effective on the date appearing above.

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Planning **Director Approval** *Patrick O'Brien*

AGENDA ITEM Review and action for an approval of a Reimbursement Agreement with Deborah and Maurice Navarro for 247 E 700 N, American Fork, Utah 84003.

SUMMARY RECOMMENDATION Deborah and Maurice Navarro propose a Reimbursement Agreement for the home located at 247 E 700 N, American Fork, Utah 84003 for Parcel 12:069:0132 which consists of approximately 1.678 acres.

BACKGROUND The Design Review Committee approved the Navarro Home Amended Site Plan at the March 23, 2026 regular meeting. The Navarro family has been working closely with the City's Public Works Department on a plan for the System Improvements at the required minimum size as required in City codes and standards and for upsizing the roadway and sidepath along 700 North.

A Reimbursement Agreement was drafted and reviewed by the City Engineering division and the Navarro family. The agreement outlines the parameters for Sidepath and Road System Improvements.

Minimum level of improvements that are the responsibility of the owner include their half of a 32’ wide asphalt road (16’ wide for a half width of road) at a thickness of 4” of asphalt and 6” of road base as well as a 5’ wide sidewalk. 700 North is a legacy arterial with a total asphalt width of 44’ (22’ wide for a half width of road) at a thickness of 6” of asphalt and 10” of road base as well as a 10’ wide sidepath with a 3’ wide stamped concrete park strip. Collectively, these required upsized improvements which are more than the minimum level of improvements are referred to as to System Improvements and reimbursed by the City.

The Sidepath System Improvement will be reimbursed with Park Impact Fees not to exceed $8,645.00 and the Road System Improvement will be reimbursed with Road Impact Fees not to exceed $29,440.00. The total cost for the System Improvements adds up to $38,085.00 as outlined in the agreement.

BUDGET IMPACT An amount not to exceed $38,085.00 for the upsizing of the public improvements along 700 North which will be applied as Parks and Road Impact Fee reimbursements.

SUGGESTED MOTION Move to approve the Reimbursement Agreement with Deborah and Maurice Navarro for System Improvements for an amount no greater than $38,085.00 for 247 E 700 N, American Fork, Utah 84003.

SUPPORTING DOCUMENTS

Navarro Letter of Understanding for Reimbursement Agreement (2) (PDF)

REIMBURSEMENT AGREEMENT

This Reimbursement Agreement ("*Agreement*") is entered into as of this 20th day of April, 2026, by and between Deborah and Maurice Navarro ("*Developer*") with its principal offices located at 247 E 700 N and American Fork City, a municipal corporation and political subdivision of the State of Utah with its principal offices located at 51 East Main Street, American Fork, Utah 84003 ("*City*").

RECITALS

WHEREAS, Developer owns and/or will develop certain parcels of property located in American Fork, Utah County, Utah, specifically Parcel 12:069:0132 which consists of approximately 1.678 acres and is further described in Exhibit A attached hereto (the "*Property*").

WHEREAS, the parties have learned that there are certain mutually beneficial, cooperative and cost-cutting ways their respective properties can assist in the development of the other;

WHEREAS, pursuant to Section 13.80.030 of the American Fork Code of Ordinances and in compliance with Section 11-36a-402 of the Utah Code Annotated, the parties desire to provide for certain "system improvements," as that term defined in Section 11-36a-102 of the Utah Code Annotated, in conjunction with the development of the Property by Developer;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and Developer hereby agree as follows:

AGREEMENT

1. Sidewalk/Trail. Developer is proposing to construct a sidewalk at the required minimum size as required in City codes and standards. The City seeks to have some or all of the sidewalk within the development upsized to a 10' wide x 4"/6" thick to accommodate additional off-site uses. A 3' wide x 4" thick stamped concrete improvement is proposed. Each upsized sidewalk is a system improvement. The additional work, associated materials and costs are set forth, and agreed to as shown, in the attached Exhibit B.

2. Road. Developer is proposing to construct asphalt roads necessary for its development. The City seeks to have some of the asphalt roads within Navarro Home constructed wider than is necessary for the development to accommodate additional off-site uses. Each upsized asphalt road is a system improvement. The construction of the road beyond that necessary for the development is reimbursable to the Developer. The additional square footage, associated materials and costs are set forth, and agreed to as shown, in the attached Exhibit B.

Attachment: Navarro Reimbursement Agreement Updated 2026-08-19 (Reimbursement Agreement with Deborah and Maurice Navarro for 247 E

3. System Improvements Reimbursement. The public improvements described above are each a System Improvement and collectively the "System Improvements." The City agrees to reimburse Developer for the System Improvements in an amount equal to the actual costs of the System Improvements, not to exceed the amounts set forth in Exhibit B.

4. Time of Reimbursement. The City shall provide to Developer a single reimbursement payment within thirty days of completion of all system improvements for the Project. Completion shall mean completion of construction, inspection and acceptance by the City Council.

5. Choice of Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Utah.

6. Entire Agreement. This Agreement constitutes the entire agreement between the parties regarding the subject matter hereof and supersedes all prior understandings, written or oral, regarding the subject matter hereof.

7. Modification. This Agreement may only be modified or altered by a writing signed by both parties.

8. Attorney Fees. In the event either party seeks to enforce the terms hereof in a lawsuit or other proceeding, the prevailing party shall be entitled to an award of the costs incurred, including reasonable attorney fees.

9. Execution. This Agreement may be executed in multiple original counterparts, each of which shall be deemed to be an original and all of which, taken together, shall constitute one and the same Agreement.

10. Severability. The provisions of this Agreement shall be deemed to be severable, and if any provision of this Agreement is determined to be invalid or unenforceable by any court of competent jurisdiction, such invalidity or unenforceability shall not affect or limit the validity or unenforceability of the remaining provisions hereof.

11. Third-Party Beneficiary Interests. Nothing contained in this Agreement is intended to benefit any person or entity other than the parties to this Agreement and/or their respective successors and assigns; and no representation or warranty is intended for the benefit of, or to be relied upon by, any person or entity which is not a party to this Agreement and/or their respective successors and assigns.

12. Binding Effect. This Agreement shall inure to the benefit of, and be binding upon, the parties hereto and their respective heirs, representatives, officers, agents, employees, members, successors and assigns.

WHEREFORE, the parties have executed the foregoing to be effective on the date appearing above.

16 April 2026

To Whom It May Concern,

I, Deborah Navarro, owner of the Navarro Residence located at 247 E 700 N, American Fork, Utah, acknowledge that reimbursement of the development bond for the Navarro Residence project (estimated at $38,085.00 by the City Project Engineer, Robert Burkhill) is subject to approval by the City Council.

I have elected to post the bond in the amount of $103,127.98, based on Mr. Burkhill's estimate, in order to proceed with construction of my home. By doing so, I understand and agree that I waive any right to hold the City of American Fork legally responsible for reimbursement if the City Council does not approve the estimated amount.

Signed,

Deborah Navarro

AUGUST 25, 2026

Department Finance **Director Approval** *Anna Montoya*

AGENDA ITEM Review and Action on a Resolution Setting the 2026 Tax Rate for Fiscal Year Ending June 30, 2027.

SUMMARY RECOMMENDATION
Staff recommends approval of the 2026 Property Tax Rate.

BACKGROUND
On May 12, 2026, the City Council received and reviewed the proposed Property Tax Impact Schedule and announced its intent to consider a property tax increase above the certified tax rate for Fiscal Year 2026-2027. The schedule included the estimated impact of the proposed tax increase and the purpose for which the additional revenue would be used.

On June 23, 2026, the City Council adopted the Fiscal Year 2026-2027 Interim Budget, which was based on the proposed property tax rate and anticipated property tax revenues pending completion of the Truth-in-Taxation process. This year, the proposed a property tax increase is $2.78 per month for an average residence or 8.7% per year, which requires a truth in taxation hearing. Council has discussed the increase in several budget work sessions and has communicated the increase to the public through the monthly newsletter, at the budget open house and on the city website. The proposed rate was included in the valuation notices to be mailed by Utah County on July 22, 2026.

A Truth-in-Taxation public hearing was be held August 11, 2026, at 7:00 p.m. to receive public comment regarding the proposed increase in property tax revenue.

The Property Tax Impact Schedule, attached as a separate document, includes the certified tax rate, the proposed tax rate, and the following information:

- The approximate dollar amount of additional ad valorem tax revenue that would be generated by the proposed tax rate increase.
- The approximate percentage increase in property tax revenue resulting from the proposed tax rate increase.
- The approximate increase in property taxes paid annually on an average residential property as a result of the proposed tax rate increase.
- The approximate increase in property taxes paid annually on an average commercial property as a result of the proposed tax rate increase.
- The purpose of the proposed property tax increase.

In accordance with Utah Code § 59-2-919, the Property Tax Impact Schedule is presented as a separate document from all other budget materials and remains available for public review throughout the Truth-in-Taxation process.

Since adopting the interim budget on June 23, 2026, the city was able to realize savings in the city's insurance premium of $100,000. The insurance savings occurred after adoption of the interim budget and allows the Council to reduce the proposed tax increase while maintaining the planned fire staffing. This reduction will result in an impact to a residential property tax bill in the amount of $2.40 monthly or 7.4% annually.

Staff further recommends reducing the tax increase by amending the economic development budget by $125,000. This reduction will result in an impact to a residential property tax bill in the amount of $1.87 monthly or 5.7% annually.

Budget Impact	Item	FY2027 Budget Impact	Net Change in Revenue (Increase)	TaxRate	Taxable Home Value	Annual Impact on Tax Bill	Annual Increase on Tax Bill	% Property Tax Increase	Monthly Impact	Option
Current Proposed			$660,000	0.001516	$502,000	$ 418	$ 33	8.7%	$ 2.78	A
Operational	Insurance Savings & Economic Development	$225,000	$435,000	0.001475	$502,000	$ 407	$ 22	5.7%	$ 1.87	B
Capital/ Reserves	Playground replacement & Vehicle Purchases	$435,000	$ -	0.001395	$502,000	$ 385	$ -	0.0%	$ -	C

Note: Delaying capital improvements or using reserves results is a one-time only adjustment(s) that leaves an operational deficit to be addressed in the next budget year.

BUDGET IMPACT

The Proposed Tax Rate would increase general fund revenue by $660,000 which would go towards partially staffing a new fire station.

SUGGESTED MOTION

Option A (Proposed)

I move to adopt a resolution determining the tax rate for the 2026 tax year and levying taxes upon all real and personal property within American Fork City, Utah, increasing the fiscal year 2026-2027 general fund property tax revenue by $660,000 or 8.7% and setting the tax rate at .001516.

Option B (Operational Amendment)

I move to adopt a resolution determining the tax rate for the 2026 tax year and levying taxes upon all real and personal property within American Fork City, Utah, increasing the fiscal year 2026-2027 general fund property tax revenue by $435,000 or 5.7% and setting the tax rate at .001475 and amending the Fiscal Year 2026-2027 budget to decrease operational expenditures as discussed in option B in order to increase fire department personnel expense by $225,000.

Option C (Capital Amendment-Use of Reserves)
I move to adopt the certified tax rate for the 2026 tax year and levying taxes upon all real and personal property within American Fork City, Utah, and setting the tax rate at .001395 and amending the Fiscal Year 2026-2027 budget to decrease operational expenditures as discussed in option B and capital expenses as discussed in option C in order to increase fire department personnel expense by $660,000.

RESOLUTION OF AMERICAN FORK CITY, UTAH,
APPROVING A PROPERTY TAX INCREASE ABOVE THE
CERTIFIED TAX RATE FOR FISCAL YEAR 2026-2027

WHEREAS, the City Council of American Fork City (the "City"), is authorized to levy a property tax rate that exceeds the City's certified tax rate upon satisfaction of applicable notice and public hearing requirements; and

WHEREAS, the Utah State Tax Commission has certified that the certified tax rate for the City for Fiscal year 2026-2027 is 0.001395; and

WHEREAS, the City Council has proposed a tax rate of .001516 for Fiscal Year 2026-2027, which exceeds the certified tax rate and constitutes a property tax increase; and

WHEREAS, notice of the proposed tax increase was advertised in the Daily Herald, a newspaper of general circulation, City bulletin boards, posted on the Utah Public Notice Website, the City's webpage and mailed notice was provided by the County Auditor to affected property owners, each within the time periods required by law; and

WHEREAS, the City Council held a duly noticed public hearing on the proposed tax increase on August 11, 2026 at 7:00 pm, at which the City Council provided all interested persons desiring to be heard a reasonable opportunity to present oral testimony, within reasonable time limits and without unreasonable restriction on the number of individuals permitted to comment, whether in person, by electronic means, or through written comments read into the record; and

WHEREAS, following the public hearing, the City Council has determined that it is necessary and in the best interest of the City to approve and levy a property tax rate above the certified tax rate for Fiscal Year 2026-2027;

NOW, THEREFORE, BE IT RESOLVED by the City Council of American Fork City, Utah, as follows:

1. The City finds that the City has satisfied all applicable notice and public hearing requirements as a condition of levying a property tax rate that exceeds the certified tax rate for Fiscal Year 2026-2027, including publication of notice, mailed notice to affected property owners, and the conduct of a public hearing on August 11, 2026, at which public comment was received and considered.

2. The City Council hereby approves and adopts a property tax rate of _____ for Fiscal Year 2026-2027. This rate exceeds the certified tax rate of 0.001395 and will result in an increase in the City's ad valorem property tax budgeted revenue of approximately $_____ or _____%, above the City's property tax budgeted revenue for the prior year, exclusive of new growth.

Attachment: Resolution - Adopted Tax Rate 2026 (2026 Tax Rate for Fiscal Year Ending June 30, 2027)

3. The City Recorder is hereby directed to certify this Resolution and the adopted tax rate to the Utah County Auditor and to the Utah State Tax Commission, together with any other documentation required to complete the Truth in Taxation process.

4. This Resolution shall take effect immediately upon adoption.

ADOPTED by the City Council of American Fork City, Utah, this 25th day of August 2026.

AMERICAN FORK CITY, UTAH

Attachment: Resolution - Adopted Tax Rate 2026 (2026 Tax Rate for Fiscal Year Ending June 30, 2027)

American Fork City, Utah
Property Tax Impact Schedule
Fiscal Year 2026-2027

American Fork City will consider an increase to its property tax rate from .001389 to .001514 (estimated) to generate an additional $660,000. The following information is intended to provide decision makers and the public with an explanation of how the City's operations would be affected if the proposed property tax increase is adopted.

American Fork City's Current Property Tax Rate	.001389
American Fork City's Current Property Tax Revenue	$7,335,305
Proposed Revenue with Tax Change	$7,995,305
New Property Tax Revenue to American Fork City	$660,000
Estimated Increase to American Fork City's Property Tax Revenue	9.0%
Estimated annual increase to a primary residence of $492,300	$34.00 or 9.0% increase
Estimated annual increase to a business valued at $492,300	$61.54 or 9.0% increase

Affected Department	Proposed Budget	Budget without Tax Change	Budget Change
Fire	$11,330,026	$10,670,026	$660,000

Impact of Tax Increase – The Fire department has requested staffing for a new fire station with 9 additional full-time personnel for a total cost of $1,415,000. The property tax increase will fund staffing for 4 of 9 fulltime firefighter/paramedics.

Should the proposed property tax increase not be passed, the new fire station will not have full shift coverage, leaving only 5 of the 9 positions filled resulting in gaps without staff at the new station.

Attachment: Property Tax Impact Schedule (2026 Tax Rate for Fiscal Year Ending June 30, 2027)

NOTICE OF PROPOSED TAX INCREASE
AMERICAN FORK CITY

The AMERICAN FORK CITY is proposing to increase its property tax revenue.

The AMERICAN FORK CITY tax on a $502,000 residence would increase from $394.27 to $427.68, which is $33.41 per year.

The AMERICAN FORK CITY tax on a $502,000 business would increase from $716.86 to $777.60, which is $60.74 per year.

If the proposed budget is approved, AMERICAN FORK CITY would receive an additional $660,000 in property tax revenue per year as a result of the tax increase. If the proposed budget is approved, AMERICAN FORK CITY would increase its property tax budgeted revenue by 8.48% above last year's property tax budgeted revenue excluding eligible new growth.

The AMERICAN FORK CITY invites all concerned citizens to a public hearing for the purpose of hearing comments regarding the proposed tax increase and to explain the reasons for the proposed tax increase. You have the option to attend or participate in the public hearing in person or virtually.

PUBLIC HEARING

Date/Time: 8/11/2026 7:00 P.M.

Location: City Hall
31 N Church St
American Fork

To obtain more information regarding the tax increase, citizens may contact the AMERICAN FORK CITY at 801-763-3000 or visit www.americanfork.gov Instructions for virtual participation in the public hearing will be available at www.americanfork.gov no later than 24 hours before the public hearing is scheduled to begin.

Attachment: Notice-of-proposed-tax-increase (2026 Tax Rate for Fiscal Year Ending June 30, 2027)

Tax Increase Instructions

The advertisement shall be published be published **for at least 14 days before** the day on which the taxing entity conducts the public hearing in the following locations:

1) Electronically in accordance with Section 45-1-101: on a website established by the collective efforts of Utah newspapers. **www.utahlegals.com**

2) On the Utah Public Notice Website under Section 63A-16-601 **www.utah.gov/pmn/**

3) As a Class A notice under Section 63G-30-102.

4) Publish the public notice on the entitiy's official website.

The advertisement shall state that the taxing entity will meet on a certain day, time, and place in the advertisement. The exact wording for the advertisement can be found in 59-2-919.

The scheduled hearing shall not be held less than **ten (10) days after** the mailing of the "Notice of Property Valuation and Tax Change" by the county auditor.

The scheduled meeting on the proposed tax increase may coincide with the hearing on the proposed budget.

The hearing shall begin at or after **6:00 PM**

The public hearing must be open to the public and held at a meeting with no other items on the agend other than discussion and action on the taxing entity's intent to levy a tax rate that exceeds the taxing entity's certified tax rate, budget,or a special districts fee implementation.

The public hearing needs to be available for individuals to attend or participate either in person or remotely through electronic means.

If another meeting is needed to finalize the tax increase, the details of the meeting (place, date, time) must be announced at the end of the public hearing.

Please see our website for more information.

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Finance **Director Approval** *Anna Montoya*

AGENDA ITEM Review and action on a resolution adopting the American Fork City budget for fiscal year ending June 30, 2027.

SUMMARY RECOMMENDATION
Staff recommends approval of the fiscal year ending June 30, 2027 budget.

BACKGROUND
American Fork city advertised and held a public hearing on June 9, 6 as required by the Uniform Fiscal Procedures Act for Utah Cities (Utah Code 10-6-114), to gather comments on the budget tentatively adopted in the May 12, 2026 meeting. Additionally, Utah Code 10-6-118 requires the city to adopt a final budget on or before June 30, 2026, or in the case of a property tax increase, before September 1, 2026. Due to the proposed tax increase, an interim budget was adopted June 9, 2027.

A Truth-in-Taxation public hearing was held on August 11, 2026, to receive public comment regarding the proposed property tax increase and Property Tax Impact Schedule. Following completion of the public hearing process, the City Council is being asked to consider adoption of the Fiscal Year 2026-2027 Annual Budget. The budget will establish the authorized revenues and expenditures for Fiscal Year 2026-2027.

BUDGET IMPACT
Adoption of the budget would allow for continued operations and meet statutory requirements.

SUGGESTED MOTION
Proposed Property Tax Increase
I move to approve a resolution adopting the American Fork City budget for the fiscal year beginning July 1, 2026, and ending June 30, 2027.

Revised Property Tax Rate
I move to approve a resolution adopting the American Fork City budget for the fiscal year beginning July 1, 2026, and ending June 30, 2027, with adjustments as reflected by the adopted property tax rate.

SUPPORTING DOCUMENTS

4. Resolution-Final Budget FY2027 8.25.26 (DOCX)
FY 2027 Interim Budget (PDF)

RESOLUTION NO. _____

A RESOLUTION ADOPTING A FINAL BUDGET FOR AMERICAN FORK CITY FOR FISCAL YEAR BEGINNING JULY 1, 2026 AND ENDING JUNE 30, 2027

WHEREAS, the American Fork City Budget Officer has filed a proposed budget and a separately available Property Tax Impact Schedule with the American Fork City Council for the fiscal year commencing July 1, 2026, and ending after the date on which the taxing entity adopts a final budget; and

WHEREAS, the City Council agendas for the May 12, 2026 regular meeting included a separate agenda item indicating that "an executive officer or budget officer of the City intends to state in this public meeting that the tentative budget includes a proposed tax rate increase"; and

WHEREAS, the City Council agendas for the May 12, 2026 regular meeting included a separate agenda item in which an executive officer or budget officer of the City made the statement that "the tentative budget includes a proposed tax rate increase; and

WHEREAS, A public hearing to consider the Interim Budget for adoption was held on June 9, 2026, at 7:00 p.m. in the American Fork City Council chambers located at 31 North Church Street, American Fork City, Utah.

WHEREAS, the City Council approved Resolution 2026-05-18R adopting a property tax impact schedule as defined in Utah Code Section 59-2-924"; and

WHEREAS, the City Council of American Fork City, Utah, approved Resolution 2026-06-26R on June 23, 2026 adopting an interim budget for American Fork City for the 2026-2027 fiscal year.

WHEREAS, The proposed budget was made available for public inspection and review as required by law; and

WHEREAS, Utah laws governing budget adoption and setting of tax rates and federal laws governing receipt and disbursement of federal funds have been or will be complied with; and

WHEREAS, it is the intent and desire of American Fork City to comply with all applicable state and local laws regarding the adoption of the budget; and

WHEREAS, the City Council of American Fork City, Utah, hereby determines that it is in the best interests of the citizens of American Fork City to adopt a final budget for American Fork City for the 2026-2027 fiscal year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of American Fork City, Utah, as follows:

Attachment: 4. Resolution-Final Budget FY2027 8.25.26 (Adoption of Final Budget for Fiscal Year 2026-2027)

1. A Truth in Taxation public hearing to consider the adoption of a tax rate exceeding the certified tax rate was held on August 11, 2026, at 7:00 p.m. in the American Fork City Council chambers located at 31 North Church Street, American Fork City, Utah.

2. The Property Tax Impact Schedule presented as part of the Tentative and Interim Budgets and also as a separate item available apart from any other budget documents, has been adopted. The Property Tax Impact Schedule was made available for public inspection during normal office hours until all required hearings have occurred and a final budget is adopted for the 2026-2027 fiscal year.

3. An amount of the taxing entity's general fund revenue that is no less than the amount of additional ad valorem tax revenue that would be generated by the taxing entity's proposed tax rate increase has been set aside in a restricted budget account. American Fork City has not expended or otherwise obligated the revenue that the taxing entity sets aside in a restricted budget account for the period beginning on July 1 and ending after the date on which the taxing entity, subject to the requirements of Section 59-2-919, adopts a budget.

4. The budget attached hereto (herein the "Final Budget") with all funds and accounts as presented, is hereby adopted pursuant to Section 10-6-101, et seq., Utah Code Annotated 1953, as amended effective July 1, 2026 and ending June 30, 2027.

5. The revenue estimates contained within the adopted budget are hereby approved as the anticipated funding sources for Fiscal Year 2027 operations and capital activities. Expenditures from the various City funds are hereby authorized in accordance with the appropriations established in the adopted budget and subject to all applicable provisions of state law and City policy.

6. This Resolution shall take effect immediately upon adoption.

PASSED AND SIGNED THIS 25 DAY OF AUGUST, 2026.

APPROVED:

Budget Award

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to American Fork City, Utah for its annual budget for the fiscal year beginning July 1, 2025.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

The award is valid for a period of one year. We believe our current budget continues to conform to program requirements, and we are submitting it to the GFOA to determine its eligibility for another year.

Strategic Goals

AMERICAN FORK: HUB OF UTAH COUNTY

Situated between two of Utah's largest metropolitan areas, American Fork City finds itself, quite literally, in the middle of everything. Affectionately dubbed "The Hub of Utah County," the city's convenient location allows for easy access to almost every amenity and activity. With a famous lake on one side and a world-class mountain range on the other, the city maintains its place as a center of recreation and a place of great natural beauty. With an impressive offering of recreational opportunities, restaurants, and other establishments, American Fork has something for everyone.

The city's sense of equilibrium goes beyond geography. American Fork has achieved an impressive balance between the past and the future that makes it unique among cities. While other cities advance rapidly toward unencumbered modernization, American Fork balances its progress with a healthy respect for its roots and a strong connection to its past. While honoring its heritage, however, the city is advancing into the modern era with economic development and the addition of cutting-edge infrastructure in the areas of transit and information technology. In American Fork, the past and future come together to create a perfect place to live, work, and play.

CITY VISION

American Fork represents a place of immense possibility, of freedom, and of unmatched convenience. As a central hub along the Wasatch Front, American Fork serves as an important center for economic, residential, and recreational activities. Below are the top three areas of focus in achieving our city vision:

1. A Sense of Home—For most people who put down roots, American Fork quickly feels like home. As a result, people tend to stay in American Fork, even across generations. Its proximity to amenities—including parks, a library, and a recreational program—make American Fork a great place to raise a young family, but it is also perfect for families of all ages and stages of life.

2. Quality of Life—As a medium sized city with a small-town feel, American Fork offers an exceptional quality of life. The city is very safe, economically sound, and offers endless recreational opportunities. With a close connection to nature and the availability of recreational activities, it is easy to live an active, healthy, and peaceful life. With something for everyone, the city enables residents to do the things they love.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Strategic Goals

3. Top-Tier Public Services—The city government supports and improves quality of life by supplying impressive public amenities and top-tier public services. Police and fire departments are valued members of the community and perform at a high level to keep the city safe and secure. Public parks, libraries, fitness center, and other amenities enrich the lives of residents.

STRATEGIC PLAN

The strategic plan builds upon the city's vision and represents a "living plan" for the City, which is used to guide policy decisions by City Council and administrative decisions by staff. As the City experiences unprecedented growth, the strategic plan begins with annual input from the community, wherein resident priorities are defined from survey results that highlight their top issues. The survey results are discussed during an annual budget workshop where a workplan is developed to set goals for the coming budget year. These principles guide the creation and preparation of this budget.

GROWTH PLANNING

This directive speaks to the need to promote sustainable growth and development, while maintaining and enhancing the quality of life in our city. American Fork will continue to see an influx of new residents due to the increased development in our community and region. American Fork values the benefits of well-maintained and modern transportation, water, sewer, storm drain, and recognizes the role that such plays in both economic development and community health and safety.

Initiatives

- Evaluate the city's economic development strategy to enhance the quality of life for residents and improve the local economy.
  - Attract new businesses in key commercial areas and promote retail growth south of interstate 15.
  - Develop a master plan for American Fork downtown revitalization. Identify essential elements of the plan and primary parcels key to the success for redevelopment.
- Develop facilities master plan that incorporates the city's facility and personnel growth needs over the next 30 years.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Strategic Goals

- Begin construction for a new public works facility which houses the water, sewer, storm drain, engineering, planning & zoning, building inspection, streets, water, utility billing, and parks divisions.
- Open and staff a new fire station 53 strategic to the city's population growth in the lakeview region of the city south of interstate 15. This third fire station at its temporary location is expected to be operational in October 2026.
- Relocate the public safety evidence building near the city's police substation at Station 52 and finish tenant improvements to expand the third floor of the existing policy facility.

ROAD IMPROVEMENT AND CONNECTIVITY

As American Fork's population grows, increased roadway capacity and maintenance is needed throughout the City's street network. By focusing on improvements to and expansion of roads, the city aims to optimize vehicular and pedestrian safety, enhance mobility, and preserve existing infrastructure.

Initiatives

- Maintenance - a crucial aspect of strategic road planning is ensuring the longevity and functionality of existing roads. Good roads cost less, and through proactive preservation the value of our infrastructure investment is maximized for today and in the future. This involves regular maintenance, repairs, and upgrades to prevent deterioration.
- Mobility - American Fork aims to optimize traffic flow, reduce congestion, and improve accessibility for all users, including pedestrians, cyclists, and public transportation riders. This includes strategically investing in new roads in key areas of growth to increase capacity and strategically expand and add roadway to increase traffic connectivity. Areas to expand roadway connectivity include 1500 South, 700 North, 620 South, 700 West, 200 South, and Lakeshore Drive.
- Communication - Effectively communicating the status of current roadway construction projects is crucial for commuter safety and public transparency. The city aims to continue to provide as much information on roadway projects as possible through a dedicated page on the city's website, social media and text alerts.

Budget Message

Mayor, City Council, and Citizens of American Fork City,

We are pleased to provide the American Fork City budget for fiscal year 2027 for your review. The 2027 fiscal year, which begins July 1, 2026, and ends June 30, 2027, represents the estimated annual revenues and expenses throughout each fund within the budget. This budget has been prepared using budgetary practices and techniques recommended by the Government Finance Officers Association (GFOA). As required by State law, the adopted budget is balanced, meaning general fund expenditures will not exceed general fund revenues.

This budget is the culmination of many hours of work which began with the budget workshop in February. The budget is presented based on priorities identified by the City Council and proposals presented by City staff. I commend our City Departments for their dedication to providing quality services for our residents and keeping within budget restraints. All requests were made with this focus in mind - to enhance services provided by the city.

Budget forecasts continue to be made conservatively for the City to respond to changing economic and growth conditions. A key objective is to maintain a high level of service for our residents, which requires the city to maintain and fairly compensate a professional workforce which acts to fulfil city needs while responding to inflationary realities. Revenue estimates in fiscal year 2027 have been scrupulously evaluated based on current economic conditions, with the high inflationary and interest rates, housing shortages, and low unemployment. Excluding bond proceeds received last year, citywide revenue estimates have remained flat compared to the prior budget year, while demand for services also continues to increase as the city grows and the cost of services rises. Staff strives to "tighten our belts" by reviewing each line-item expense in detail for necessity. In an effort to reduce expenses, the City has made concerted efforts to streamline processes, reduce costs, and find more effective means to provide necessary services.

In accordance with sound financial practices, the City has built beneficial reserves over several years in the capital projects fund. These reserves will be drawn down significantly during the 2027 budget year on key capital improvements for projects that have been carried forward from previous fiscal years. By using a portion of these capital reserves, American Fork residents will experience stability in rates rather than the dramatic volatility currently occurring in the market. A large portion of the reduced general fund balance is proposed to be used for fitness center maintenance and repairs in the amount of $4 million. This is a one-time capital outlay and will reduce the general fund balance from the maximum 35% allowed by state code to 25% of revenues.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Message

REVENUES

Utility fees are evaluated closely every budget year. Each fee collected is restricted and used for the utility purpose it is assessed. Culinary water rates are expected to increase by 12% to meet the capital needs as outlined in the infrastructure facilities plan. Pressurized irrigation water rates are expected to adjust in the next fiscal year due irrigation usage as captured by newly installed pressurized irrigation meters. Costs for state mandated storm drain compliance and maintenance of the storm drain system have compelled the need to increase the storm drain fee by $2.00 monthly. To offset this increase, a savings in the sewer fund allows for city sewer services fees to be reduced by $2.00 per month. Although sewer costs assessed by Timpanogos Special Services District are expected to increase by 15% on January 1, the city will absorb this increase without passing the increase on to city consumers. Currently, the costs of services for garbage and recycling collections are expected to rise due to increases in contracted services. However, the city has elected to absorb the increased costs by not passing on the extra cost to our utility customers for sanitation and recycling services. See pages 32-36 for more information on utility fees.

During the fiscal year 2022 budget year, a public hearing was held to determine a property tax rate increase, the first in over 14 years. After input from residents, smaller incremental increases were preferred in lieu of larger periodic increases. As such, the city council has preferred annual truth in taxation hearings to be held to evaluate the need for a property tax rate increase. After much deliberation, a property tax increase is proposed in the current 2026-2027 budget. This would be a 9% increase in general fund property tax revenue amounting to $660,000 per year in additional revenue. The revenue increase would be used solely for the purpose of partially staffing a new fire station in the lakeview region of the city. The location of the 3rd fire station will be temporary until a new permanent station is constructed in a future year. See more information regarding property taxes on page 30, a property tax impact statement on page 35, and information regarding public safety funding below.

BUDGET HIGHLIGHTS:

We continue to follow city budgeting policies and best practices that allow for flexibility in the future. As part of the planning and prioritization efforts for the fiscal year 2027 budget, a significant focus has been placed on upholding superior levels of service in public safety and improving infrastructure while preparing for significant growth. Please consider the following highlights:

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Message

Public Safety

Public safety continues to be a top priority for both the City Council and staff of American Fork City, with 62% of the general fund departmental budget dedicated to police and fire services. Currently, Fire Station 51 is the busiest fire station in Utah County that responds out of a single station. Construction on a second fire station with integrated police shooting range was completed in October 2023. With the new Fire Station 52 now operational, the city will be able to effectively service the northeast and northwest portions of the city providing adequate response times to this area of the city. Station 52 also serves 10,000 residents in the City of Cedar Hills.

As the city strives to provide the best possible service to meet increased call volume, a third fire station in the southwest portion of the city is expected to open in October 2026. To staff the new station, an additional 11.25 full-time equivalent (FTE) is proposed for the fire department. The increase in personnel costs for the fire department is $1.8 million for the 2027 budget year. The city is proposing a 9% increase in property tax which equates to $660,000 in increased revenue to partially fund the additional staff.

The police department has requested 2 part-time crossing guard/crossing guard coordinator. Total increased cost for police personnel is nearly $580,000 for the year, which also includes adjustments to pay range, merit and health insurance costs.

Infrastructure

City council has highlighted road maintenance and connectivity as a strategic goal. Consequently, several infrastructure capital projects are included within the framework of the fiscal year 2026-2027 budget. Many of these projects are directly attributed to current and future impacts of growth throughout the city.

The city funds a comprehensive pavement management and preservation plan through several funding sources including the Utah Department of Transportation allocation of Class C Road Funds, a $.25 cent sales tax dedicated to roads and transit, a local portion of county public transit tax, and a discretionary allocation of property tax. The city has adopted a holistic approach to road improvements, opting to repair or replace infrastructure under the roads as needed. During fiscal year 2027, the city added a new fund to provide better transparency of existing road operations and improvements expenditures. See General Fund-Roads budget on page 129 for more detail. New roads and widening or upsizing of roads will still be found in the road impact fee fund. Total road repair and improvements expected to begin or continue in fiscal year 2026-27 totals $15.7 million. Significant road improvements are highlighted as follows:

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Message

- 700 North Extension from 100 East to 200 East - $2,589,681
- Lakeshore Drive Phase 1 from the existing Lakeshore Drive terminating at 1500 South/100 West - $3,720,000
- Roundabout at 300 West and 200 South - $780,000 (carryover from fiscal year 2025-26)
- Improvements to 1100 South at 100 East intersection - $775,000
- 100 West Improvements from 100 North to 700 North - $1,150,000
- Road maintenace and improvements in the form of Overlay, Microsurface, Crack Seal, and Slurry - $3,985,000

The Patriot Station Community Reinvestment Area (CRA) project area was formed in 2022 is intended to facilitate transit-oriented development in the vicinity of the American Fork Front Runner Station. Part of the project area plan includes upgrading 200 South by widening the roadway cross sections, adding intersection signals, and upgrading utilities and related improvements. The CRA has secured bond financing for this project, with an budget of $33 million, with the first phase of the project completed from Frontage Road to 570 West. Construction will begin as right-of-way is acquired.

Other notable community services, facility, and infrastructure projects during the 2026-2027 fiscal year are as follows:

- Fitness center repairs and improvements - $4,000,000
- Lakeview Park construction - $4,000,000
- Art Dye Trail improvements - $1,565,000
- Policy facility tenant improvements (3rd floor expansion) - $1,500,000
- Waterline improvements - $7.2 million
- Boley Well improvements - $1.1 million
- Dixie Well construction - $7,120,000
- Sewer lining project - $1,500,000
- Storm drain and curb/gutter improvements - $2.6 million
- Public works facility construction $40 million

CHALLENGES AND OPPORTUNITIES

It is an exciting time to live and work in American Fork. The city is at a crossroads as we are experiencing unprecedented residential and commercial growth. The city is making well-informed, calculated and conservative decisions using a myriad of economic and pecuniary data as we look to the future. Fortunately, American Fork is an economic hub of Northern Utah County with a diversified community, low unemployment, and varied industry base.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Message

As we look to the future to eventual build-out, city staff strive to be strategic with the many needs that face our community. Timing and funding for critical projects are key to providing the capital needs for all departments to serve the citizens in the most efficient and effective way. Although department needs outweigh current resources to fund these projects, only the most critical projects were included in this budget. Select deferred requests will need to be addressed in upcoming budgets, reevaluated for potential reduced costs, and aligned with the strategic goals set by the Mayor and City Council.

We extend sincere appreciation to the city's elected officials, valued citizens, dedicated employees, administration, and other stakeholders participating in this important process. This document could not have been prepared without their committed service and input. We look forward to the continued collaboration with the Mayor and City Council, city staff, and American Fork residents.

Thank you for taking the time to participate in the 2026-2027 budget process. In particular, we appreciate all who attended the budget open house. The emphasis of the budget targets the priorities of our community and aims to address the impacts of recent economic difficulties. We welcome your questions, input, and ideas as we finalize the budget process. The Mayor and City Administrator are available to discuss any concerns or input you may have. Thank you for your continued trust and for allowing us to serve you and your family.

Sincerely,

David H. Bunker
City Administrator

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Community Profile

American Fork City, incorporated in 1853, covers a land area of approximately 10.38 square miles. The City lies in the northern portion of Utah County, between two of the state's largest population areas, Salt Lake City (approximately 28 miles north) and Provo City (approximately 12 miles south). The U.S. Census estimates American Fork's population to be 34,422.

SETTLEMENT

American Fork was settled in 1850 by Mormon pioneers and incorporated as Lake City in 1853. Settlers changed the name from Lake City to American Fork in 1860, due to the river that runs through the City and to avoid confusion with Salt Lake City. In the 1860's American Fork established a public school, making it the first community in the territory of Utah to offer free public education to its citizens.

During World War II the town's population expanded when the Columbia Steel plant was built. The City's annual summer celebration is still called "Steel Days" to honor the economic importance of the mill, which closed in 2001.

EDUCATIONAL OPPORTUNITIES

There are a number of higher education institutions located in the state. These include Brigham Young University, Utah Valley University, University of Utah, Utah State University, Weber State University, Southern Utah University, Snow College, Dixie State University, and Salt Lake Community College. Alpine School District is located within the City's boundaries, and the City takes great pride in the American Fork High School (AFHS). AFHS was ranked as one of the top-scoring 25 high schools in Utah and has many successful athletic teams. The American Fork High School marching band is one of the nation's top marching bands, having been invited to parades and celebrations across the nation, including the Rose Parade and former President George W. Bush's second inauguration parade.

MEDICAL INSTITUTIONS

The city built a hospital in 1937. A new facility was built in 1950, which was sold to Intermountain Healthcare in 1977, which in turn replaced that hospital with a new facility in 1981. The hospital recently underwent a significant expansion that included construction of an 84,000 square foot hospital addition and an 85,400 square foot multispecialty clinic. In addition to the hospital, American Fork has several medical clinics and physicians; American Fork has become a hub for medical providers for northern Utah county.

American Fork Hospital

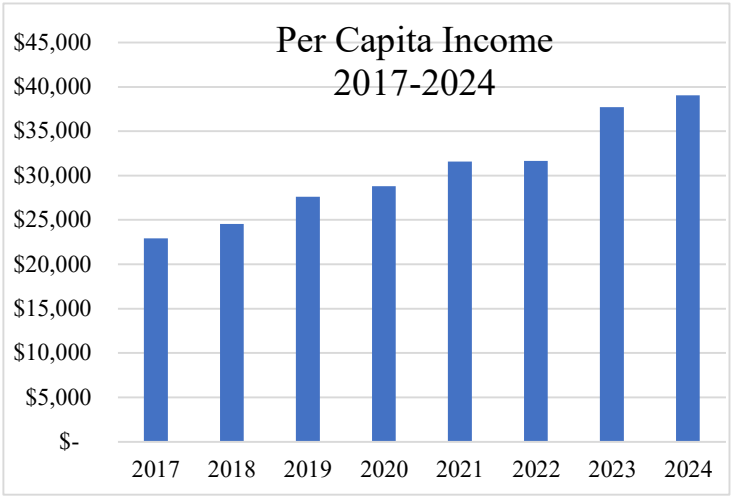
Community Profile

DEMOGRAPHIC PROFILE

Population 2010 26,263
Population 2025 (estimated) 48,536
Households 11,516
Persons per households 3.19
Median home value $496,700
Median household Income $98,878



ECONOMIC DEVELOPMENT

The city recognizes the need to develop the city's economic base to provide necessary services, such as roads, recreation, and public safety to its citizens.

The city has a mix of retail, light manufacturing, professional office, and commercial space. Located along Interstate 15, "The Meadows," a large shopping and entertainment center located in American Fork, provides a substantial tax base for the city and has become a destination hub in Utah County. The city is also home to a number of automotive dealerships and large retail stores.

The city has been able to successfully use its redevelopment agency to redevelop specific areas in the city. The city currently has two active project areas. The Egg Farm Economic Development Area (EDA) project area has attracted a number of major employers to the city and is the location of the North Pointe Business Park.

The city recently approved the Patriot Station Community Reinvestment Area (CRA) in the southwest portion of the City near the Front Runner station to facilitate growth in that area. The first tax increment was received in fiscal year 2024, which is used to finance the construction of the 200 South road widening and improvement project.

Calendar Year	Population (1)	Personal Income - Federal AGI (2)	Per Capita Personal Income (1)	Unemployment Rate (3)
2016	28,770	$637,571,970	$ 22,161	3.4%
2017	29,527	$676,286,408	$22,904	3.2%
2018	32,519	$798,373,969	$24,551	3.2%
2019	32,405	$915,243,875	$27,625	2.7%
2020	33,365	$961,380,082	$28,814	5.2%
2021	35,752	$1,066,191,765	$31,571	2.8%
2022	43,322	$1,212,957,609	$31,641	2.5%
2023	45,291	$1,347,919,534	$37,710	2.8%
2024	47,796	Not available	$39,056	3.3%
2025	48,536	Not available	Not available	3.9%

Budget and Financial Overview

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Process and Overview

American Fork River

American Fork City's budget process complies with the Utah Fiscal Procedures Act. The city seeks to maintain budgetary control by monitoring monthly revenues and expenditures and by holding each department responsible for costs incurred within budgeted limits. Financial information and reports are provided to the city Administrator, department directors, department leads, and other city staff to assist them in monitoring expenditures and keeping expenditures within approved limits. In addition, the City Council is provided a monthly budget versus actual report, and all transactions are uploaded to the state of Utah's transparency website monthly.

The fiscal year 2026-2027 budget was developed in compliance with state law and is approved by the City Council after a public hearing was held. The interim fiscal year 2026-2027 budget for each division, department, and fund includes actual expenditures for the prior year, the prior year's estimated financial information and amended budget, and the proposed budget for the coming fiscal year. The City Council shall approve the fiscal year 2026-2027 budget after thoroughly reviewing policy issues related to the budget and proposals to assist the city in achieving program objectives for the upcoming year. The budget process is intended to provide an opportunity for public participation and full disclosure to the residents of American Fork as to the intent of the City Council in funding the city's various programs and services.

BASIS OF BUDGETING

The city's proprietary funds (enterprise and internal service) are budgeted on a modified accrual basis but reported in the city's Annual Comprehensive Financial Report (ACFR) on a full accrual basis. The city's internal monthly reporting for these funds is done on a modified accrual basis, with year-end adjustments to present statements on a full accrual basis for the ACFR. The major year-end adjustments include capitalizing fixed assets purchased during the year, reversing principal debt payments, recording depreciation, and recording developer contributions.

Fund Type	Accounting Basis	Budgeting Basis
General Fund	Modified Accrual	Modified Accrual
Special Revenue Funds	Modified Accrual	Modified Accrual
Capital Projects Funds	Modified Accrual	Modified Accrual
Debt Service Funds	Modified Accrual	Modified Accrual
Proprietary Funds	Full Accrual	Modified Accrual

BUDGET AMENDMENTS

Budget amendments are made only with the approval of the City Council upon recommendation by the Finance Director and City Administrator. Financial controls are intended to be a resource for effective

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Process and Overview

financial management, rather than a barrier to achieving results that are consistent with the city's overall mission. At the same time, the city must comply with the Utah Fiscal Procedures Act and may not expend monies in excess of those authorized by the City Council. The City Council has authority to transfer budget appropriations between individual departments of any budgetary fund. The Finance Director has authority to transfer budget appropriations between line items within any department of any budgetary fund. Budgets may be amended throughout the fiscal year. The City Council may amend the budget after holding a public hearing, giving residents at least seven days' notice. A copy of the proposed budget amendment shall be made available to residents for their review ten days before the public hearing.

BUDGET TIMELINE

The following are the procedures and timeline followed by the city in the budget process:

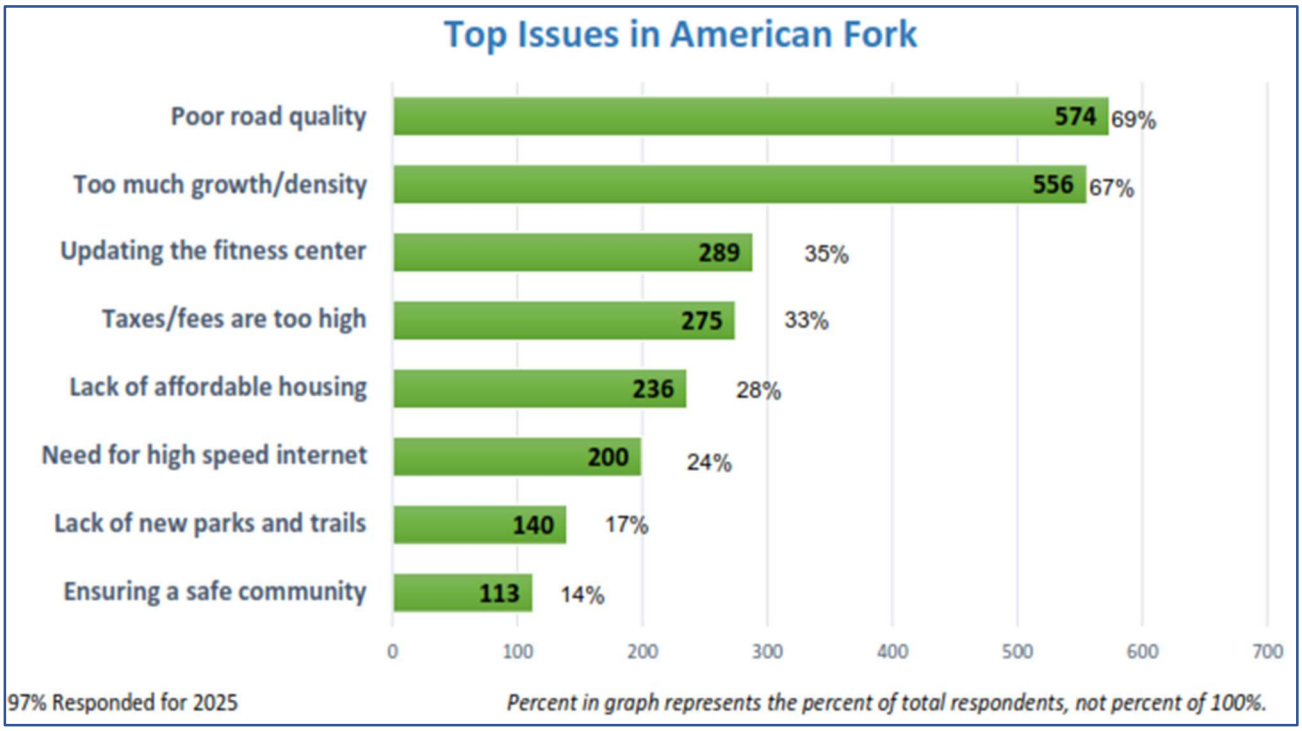
December	The city solicits a community survey to residents to gauge resident satisfaction and to enlist top priorities and issues residents are facing regarding city services.
December-January	Revenue projections for all funds are made after reviewing current budget year revenue collection trends, state of Utah revenue projections, and consultation with the Finance Director, City Administrator, and Department Heads.
January	Department Heads submit proposed budgets to the Finance Director.
February	A workshop is held with the Mayor, City Council, Department Heads, and other key staff to outline priorities, goals, and initiatives for the upcoming budget year.
March-April	Between the budget workshop and adoption of the tentative budget, staff presents several budget work sessions to the Mayor and City Council highlighting each fund within the budget. These meetings are open to the public to facilitate budget discussions and give the Council and public a chance to ask questions and provide feedback and input.
May	A budget open house is held for the public to answer any questions and solicit feedback regarding the upcoming year's budget. During this meeting, a budget in brief is published and reviewed. During the first City Council meeting in May, a tentative budget is presented to the Council. The budget document includes the proposed amounts to be spent for the operating needs of each department as well as capital needs for all fund types.
June	On or before June 30, a balanced budget is adopted for the fiscal year beginning July 1 after a public hearing is held to receive input from the residents of American Fork on all aspects of the proposed budget. The hearing is advertised as required by state law, and budget documents are available for inspection at least ten days prior to the public hearing. In addition, the City Council adopts the Certified Tax Rate by June 22nd to be used by the City for property tax (assuming no proposed property tax increase) or by September 1 if the City proposes a tax increase.
July-June	Throughout the fiscal year, budgetary control is maintained at the department level after the budget is approved by the City Council. The Finance Director has the authority to transfer budget appropriations between individual line items within any department of any budgetary fund. All other amendments must be approved by the City Council after a public hearing.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Process and Overview

COMMUNITY INPUT

The budget process begins each December with a customer satisfaction survey. Residents who responded to the survey listed improving and repairing roads, managing growth, and updating the fitness center and as the top three priorities.



The City Council takes the community input to develop the strategic goals for the coming budget year, which sets the tone and priorities for which all budget decisions are made.

BUDGET OVERVIEW

The comprehensive annual city budget is a combination of all the individual funds, which include general, enterprise, special revenue, and capital projects funds. The graphs below break down the budget by fund and expenditures type, respectively, by the percentage of the total budget. The individual funds generally serve a distinct purpose or will cover the costs of operation for specific departments. Excluding transfers, the total combined city budget for fiscal year 2027 is $210,585,383 for all funds.

Fund Type

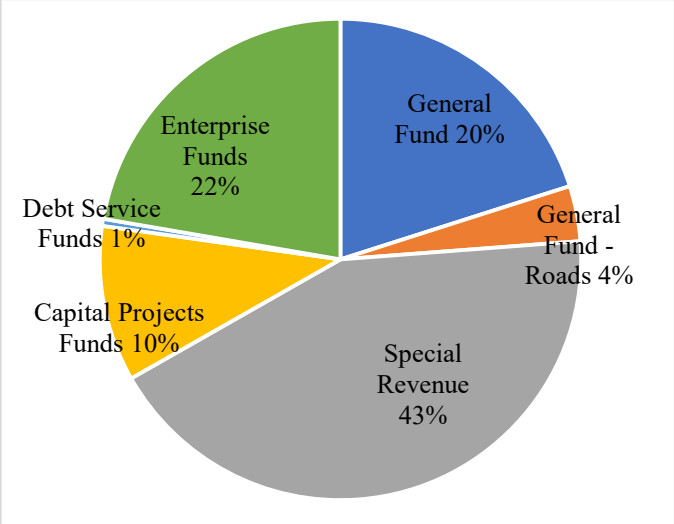
The Total Budget by Fund Type graph below shows the majority of the City's budget, $95,040,851 or 43%, is comprised of special revenue funds. These funds include the redevelopment funds, namely the Patriot Station CRA. This fund is to account for tax increment received for the transit-oriented project area and construction of 200 South road improvements. Other special revenue funds include the fitness center, PARC tax fund Roads Fund, and Municipal Building Authority, which accounts for bond proceeds to fund the public works facility improvements in the amount of $40 million.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

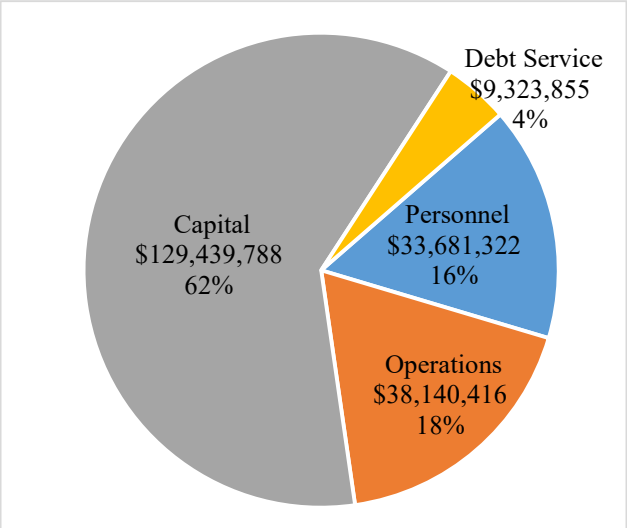
Budget Process and Overview

The Enterprise funds have 22% of the city-wide budget and include utility funds (water, sewer, storm drain and sanitation). These funds are supported by user fees. The City's general fund accounts for all resources that are not restricted to specific purposes. The General fund is 18% of the total budget and pays for services such as police, fire, engineering, administration, parks, and recreation.

Total Budget by Fund Type



Total Budget by Expenditure Type



Expenditure Type

The total budget by expenditure type graph above shows most expenditures are capital in nature with 62% of the budget dedicated to capital improvements. These capital projects include, but are not limited to, $51.8 million in road and public works improvements including improvements to 200 South, 700 North, Lakeshore Drive and 100 West. Other capital improvements include facility improvements in the amount of $44 million for the public works facility construction and repairs to the fitness center, $6.8 million in parks and trails improvements including the construction of Lakeview Park, and $21 million in utility infrastructure improvements. Of the total budget, 16% of expenditures are for personnel, which include police officers, firefighters, streets crew, park staff, administration, public works personnel and more.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Budget Process and Overview

BUDGET MODIFICATIONS

Changes occurred from the acceptance of the tentative budget on May 12, 2026 to the proposed interim budget presented at the June 9, 2026 city council meeting. The proposed citywide changes by expenditure type are as follows:

Expense Type	5/12/26 Tentative Budget	6/9/26 Interim Budget	Difference	Explanation
Personnel	$33,495,030	$33,681,319	$186,289	Citywide adjustment to personnel costs due to updated salary benchmarking and health care benefits and reevaluation of FTE positions.
Operations	39,341,739	38,140,416	(1,201,319)	Reclassifying internal streets operations for overlay, chip seal, slurry, and other road repair and improvements as a capital expense.
Capital	126,747,256	129,439,788	2,692,532	Reclassification of internal road repair and improvements from an operating item to a capital expense and increasing the allocation for annual road improvements.
Debt Service	9,323,855	9,323,855	-	
Transfers	6,477,400	6,472,523	(4,877)	
Total	$208,907,880	$210,585,383	$(1,672,628)	

Fund Type	5/12/26 Tentative Budget	6/9/26 Interim Budget	Difference	Explanation
General Fund	$44,429,442	$44,394,577	$(34,865)	Citywide adjustments to personnel and health care costs.
General Fund - Roads	6,489,730	8,167,624	1,677,894	Increased allocation for annual road improvements.
Special Revenue	95,090,179	95,040,851	(49,328)	Citywide adjustments to personnel and health care costs.
Capital Projects	23,136,681	23,136,681	-	
Debt Service	1,051,246	1,051,246	-	
Enterprise	49,187,999	49,266,926	78,927	Citywide adjustments to personnel and health care costs.
Total	$219,385,277	$210,585,383	$1,672,628	

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Fund Types and Financial Structure

The City's departments are organized groups with similar functions or programs to manage operations more efficiently. The City's financial structure is organized into various funds within departments used for accounting and reporting. This provides a framework for the budget that is easier to understand. Most of this document is organized by department to provide budgetary information. All funds of the City are appropriated through the budget process.

GOVERNMENTAL FUNDS

General Fund – Used to account for resources traditionally associated with a government which are not required legally or by sound financial management to be accounted for in another fund.

Special Revenue Funds

- General Fund Roads—this is a new fund beginning in fiscal year 2026-2027. This combines the streets operations previously reported in the general fund with the roads capital projects previously reported in the Roads CIP Fund. This aims to provide transparency by budgeting all roads operations, repair and improvements for existing roads in one combined fund. Improvements for any new roads will continue to be budgeted and reported in the Roads Impact Fee Fund. The General Fund Roads Fund will be budgeted and maintained separately as a secondary general fund for budgeting purposes, similar to a special revenue fund, but will be combined with the primary general fund for annual financial reporting purposes.
- Building Authority—Accounts for the construction of capital facilities within the City.
- Fitness Center Fund—Accounts for fees charged to users and expenditures dealing with the operation and maintenance of the City's Fitness Center.
- PARC Tax Fund—Accounts for revenues received by the City from sales tax and expenditures (mainly grants) relating to the City's Parks, Arts, Recreation, and Culture tax.
- Celebration Fund—Accounts for the activities of Steel Days, the City's annual celebration.
- Redevelopment Agency Fund—Accounts for the activities of the Redevelopment Agency (RDA). The Agency is established to further redevelopment of certain City areas. For budgeting purposes, the City's RDA funds are budgeted separately, but are consolidated for financial reporting purposes. Redevelopment funds include Eastside RDA, Business Park RDA, Egg Farm Economic Development Area (EDA) and Patriot Station Community Development Area (CRA).
- Downtown Redevelopment Fund—Used to enhance and promote the City's core downtown area.

Debt Service Fund—Accounts for the accumulation of resources and payment of bond principal and interest from governmental resources.

Capital Projects Fund—Accounts for the construction of capital projects of the City. Impact fees, grants, bond proceeds, transfers from other funds, and interest earnings are the principal sources of funding. The City, for budgeting purposes, separates the City's capital projects funds, but reports them as a single column in the financial statements.

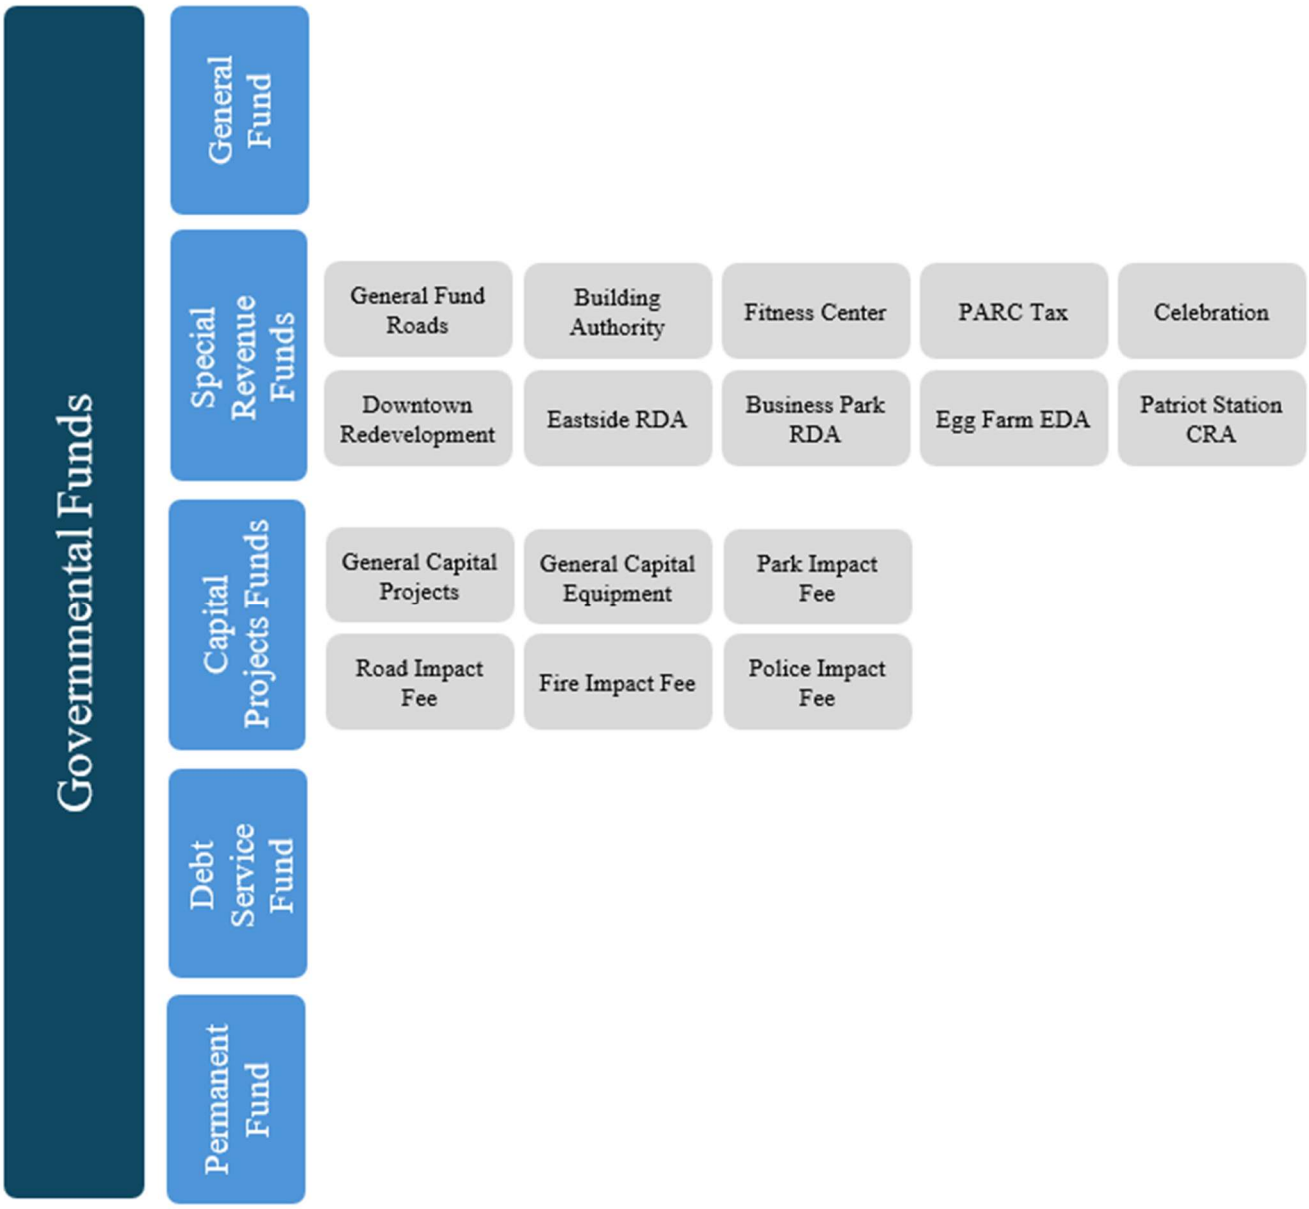
Permanent Fund

- Perpetual Care Fund—Accounts for funds received for the perpetual care of the City's cemetery.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Fund Types and Financial Structure

The following is a graphical representation of the funds subject to appropriation that make up the City's governmental financial structure:



PROPRIETARY FUNDS

Enterprise Funds

- Culinary Water and Secondary Water Fund—The culinary and secondary water funds account for the City's water operations. For financial reporting purposes, these funds are rolled together, but are budgeted separately.
- Sewer Fund—Accounts for construction and maintenance of the City's sewer system.
- Storm Drain Fund—Used to track revenue from a monthly fee paid by City residents and businesses for the construction and maintenance of the City's storm drain system.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

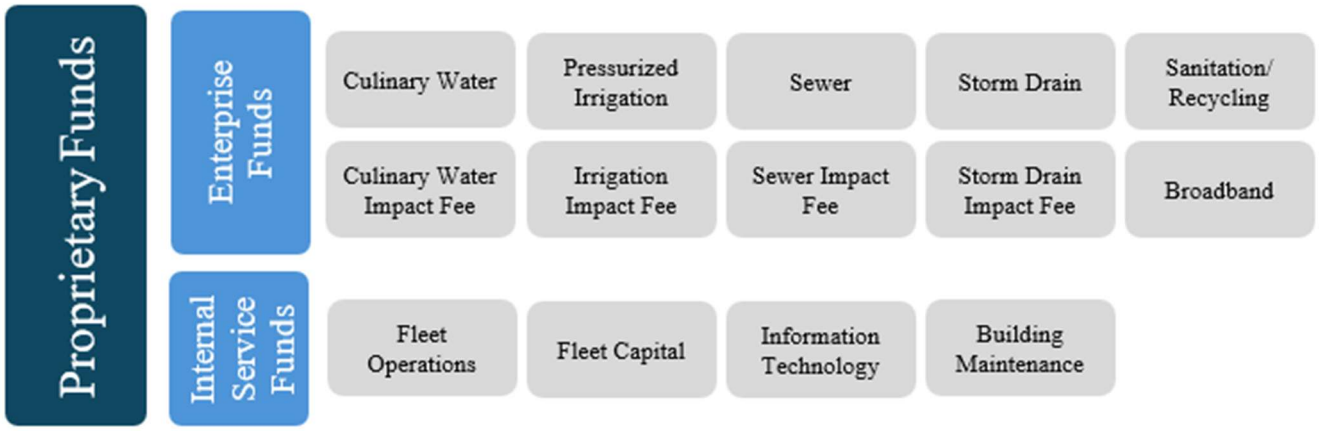
Fund Types and Financial Structure

- Sanitation and Recycling Fund—Accounts for the activities of the City's sanitation and recycling operations.

Internal Service Funds

- Building Maintenance Fund –The building maintenance fund was moved from a general fund division of Community Service during the 2025-2026 budget year. This fund captures all expenses related to the operation, maintenance and repair of city facilities.
- Fleet Funds—The fleet funds account for the acquisition and maintenance of the City's vehicle fleet. This fund is accounted for as an internal service fund.
- Information Technology Fund—Accounts for the acquisition and maintenance of the City's information technology. This fund is accounted for as an internal service fund.

The following is a graphical representation of the funds subject to appropriation that make up the City's financial structure:



Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Revenue Overview

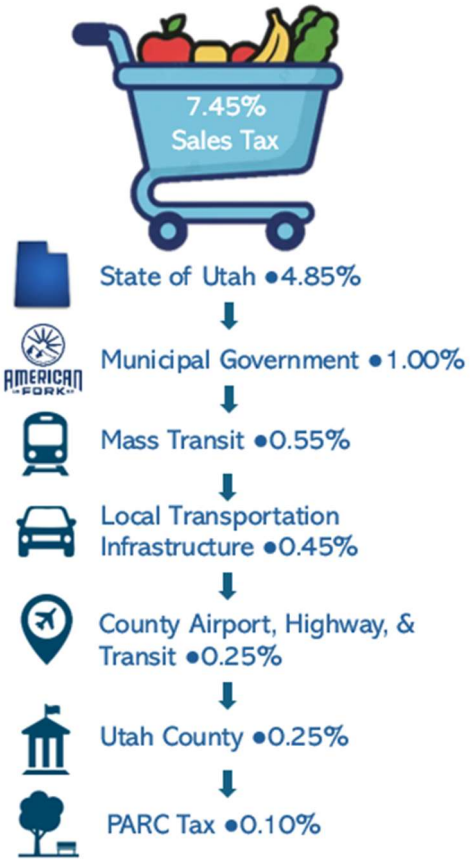
This section is offered to provide a more detailed analysis of the origin of how American Fork City receives the revenues needed to provide services to its residents. Government finances can be complex, since revenues originate from a variety of sources and often are restricted in use for specific purposes. The intent of this section is to present the City's financial structure in a straightforward and transparent manner. The city receives revenue from several types of activities for which all fees are adopted annually by the City Council. These include general activities, special revenue activities, and enterprise activities. Each of these revenue sources is described below.

GENERAL ACTIVITIES

General activities include those functions most typically associated with a municipal government. These include police, fire, streets, parks, recreation, and community development. While some services provided by these functions are associated with a fee for use, the vast majority are not. Rather, they are funded through various taxes collected by the City. The three largest sources of tax revenue are sales tax, property tax, and franchise tax.

Sales Tax

Sales tax is the largest single source of revenue for American Fork City. Sales tax accounts for 56.2% of total general fund tax revenue and 36.8% of total general fund revenue. The collection of sales taxes in the state of Utah is administered by the Utah State Tax Commission, and the distribution formula is determined by the Utah State legislature. Monthly sales tax is remitted to the city 60 days after point of sale.

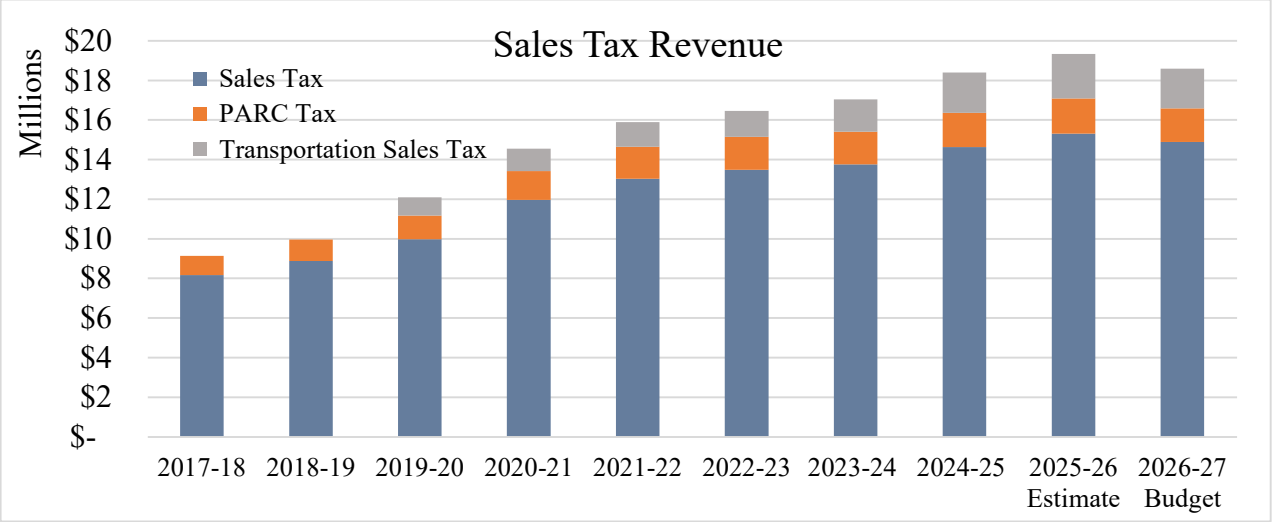


All taxable sales that take place in American Fork are taxed at a rate of 7.45%. One percent of the 7.45% is distributed to local taxing entities. According to the formula established by the State, one-half of this 1% is distributed directly to the local taxing entity in which the sale occurred. The other half is put into a statewide pool and distributed based on the population of all local taxing entities. Beginning in 2015, voter approved a 0.10% sales tax for community services Park, Arts, Recreation and Culture (PARC) program. The city also began receiving Transportation Sales Tax (quarter cent) distribution in September 2019 and a "5th 5th" (or 5th Quarter) transportation tax local option sales tax beginning in 2023. Both the PARC tax and transportation sales tax are restricted revenues.

Since 2018, the city has experienced significant sales tax revenue growth each year. Fiscal year 2027 sales tax revenues are forecasted to be $14.9 million, slightly lower than the prior year estimates.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

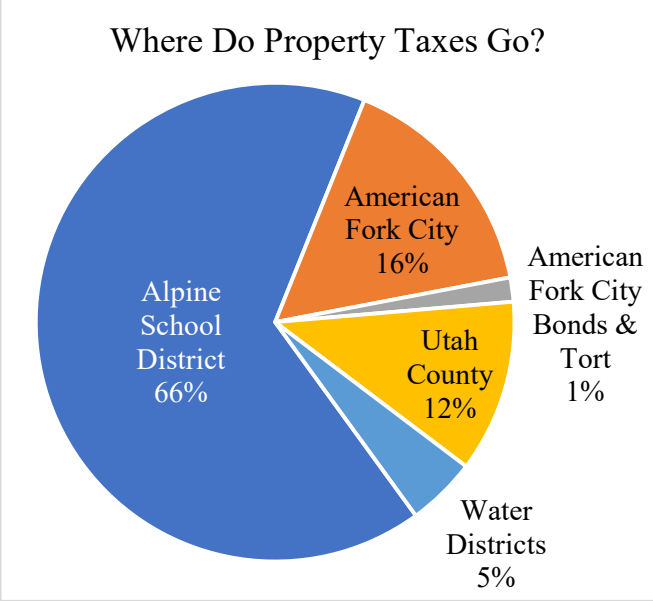
Revenue Overview



Property Tax

Property Tax is Ad Valorem Tax levied against the taxable value of property. The rate is applied to the most recent taxable assessed value. Taxable assessed value equals total assessed value less allowable exemptions.

Property tax is American Fork's third largest source of revenue in the general fund, accounting for approximately 20 percent of general fund revenue. Relevant factors in the preliminary property tax forecast include changes to the certified tax rate, property tax appreciation (or depreciation), and new growth.



In order to understand property tax in Utah, it is necessary to understand a section of Utah state law known as "truth in taxation." Each county in the state is responsible for administrating property taxes. Each June, Utah County submits to the city a certified tax rate, a rate that will generate the same amount of revenue as the previous year plus any new growth. The certified tax rate does not provide for additional tax revenue due to increased valuation of existing property. If the city chooses to adopt a tax rate higher than the certified tax rate, state law has specific requirements for public hearings from which the name "truth in taxation" is derived.

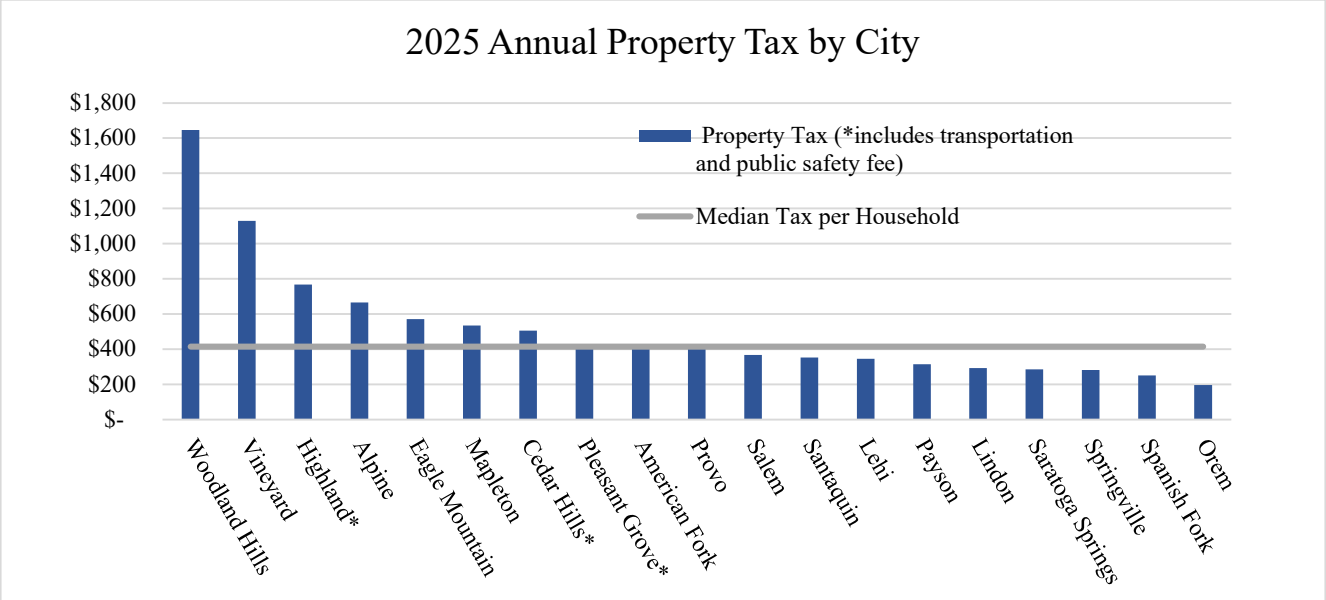
Property tax is assessed as only 55% of residential home value. During the Fiscal Year 2025-2026, the American Fork City general tax rate was .1389 per every $1,000 of assessed value. For the median home value of $492,300, the city would receive $376 per year. Only 16% of a total residential tax bill was received by American Fork City for general fund use. The remaining allocations went to Alpine School

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Revenue Overview

District, Utah County, Central Utah Water Conservation District, and North Utah County Water District. Due to population growth and increased call volume, the city is opening a new fire station with an estimated opening date of October 2026. Total costs to fully staff the station with nine full-time firefighter/paramedics is budgeted at $1.5 million annually. To partially fund the additional costs of staffing Station 53, a 9% property tax increase is proposed for $660,000 in additional revenue. This equates to $2.83 per month for home valued at $492,300. Without additional property tax revenue, the new station will not be fully staffed to meet the public safety needs of the city. See the tax impact statement section on page 35.

The following table shows a comparison of property tax paid on the median value of homes in each city in Utah County. This includes transportation utility fees and public safety fees assessed by neighboring cities for services that would otherwise be funded from property tax. Annual residential property tax in 2025 for American Fork is at median compared to other Utah County cities.



Franchise Tax

The City also collects franchise taxes from utilities which use the City's infrastructure right-of-way. The four utilities on which this fee is collected are: Natural Gas, Electricity, Cable TV, and Telephone. State law limits the amount of the franchise fee for natural gas and electricity to 6% and the amount charged for telephone usage to 3.5%, which is the amount charged by the City. Cable TV is assessed a franchise tax of 5%.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Revenue Overview

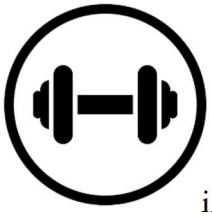
SPECIAL REVENUE ACTIVITIES

Certain revenues received by the City are collected and restricted for a specific purpose and are accounted for in a separate fund. These Special Revenue funds allow the City to closely monitor the revenue and expenditure activity of these specific activities.

Class C Road Allotment

The Class B and C road system funding program was established by the Utah legislature in 1937 as a means of providing assistance to cities and counties for the improvement of roads and streets throughout the state. This program is funded through 30% of the state highway user taxes and fees. Funds are distributed 50% based on population and 50% on weighted road miles. Revenues are estimated based on historical trends and guidance provided by UDOT (Utah Department of Transportation) and MAG (Mountainland Association of Governments). The city's public works division sends updated road miles to UDOT yearly.

Class C Road Funds are used in the General Roads Fund and are used to maintain, repair and improve our existing road infrastructure. Revenue has increased consistently over the last several fiscal years due to increased population and adding mileage to our road network. Budgeted Class C Road Allotment is $2 million in fiscal year 2026-2027, up from $1.8 million budgeted in the prior year.



Fitness Center Fees

The Fitness Center Fund accounts for the activities of the city's fitness center. Fitness center revenue is projected using a number of methodologies, including trend analysis, current fee schedule rates, class participation, and available programming space. All of the fitness center's revenue comes from user charges. The fitness center, however, is not self-sustaining. For fiscal year 2026-2027, approximately 35% of the center's budgeted operating expenditures are subsidized by a transfer from the general fund. The 35% subsidy has remained the average target for the last six years of operations.

Redevelopment Agency

The American Fork Redevelopment Agency was established to manage the City's urban renewal areas. American Fork currently has four active project areas: (1) East Side Redevelopment Area, North Business Park Redevelopment Area, Egg Farm Economic Development Area, and the Patriot Station Community Reinvestment Area. Revenues are generated by the incremental tax revenue produced within those areas. These revenues are then distributed according to individual development agreements and project area plans.

ENTERPRISE ACTIVITIES

The City maintains the following utilities: Culinary Water, Pressurized Irrigation, Sewer, and Storm Drain, and Sanitation Fund. Each of these services is funded through user fees. As enterprise funds, the user fees are intended to cover the entire cost of providing these services, including personnel, operating costs, debt service, and system infrastructure improvements. The City makes use of rate studies to forecast projected needs to ensure adequate funds will be available to provide reliable services. The city

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Revenue Overview

evaluates each utility rate every year. This annual evaluation involves the development of long-term capital and replacement plans, staffing plans and adherence to debt covenants.

Culinary Water and Pressurized Irrigation Rates

The Culinary Water Fund accounts for the culinary water distribution system of the city and the Pressurized Irrigation Fund accounts for the secondary irrigation distribution system of the city. Both the water and irrigation revenues are projected using several methodologies, including trend analysis, connection estimates (tied with new building permits), water rate studies, and weather forecasts. Approved rate increases are also factored into future estimates.

The city is seeing small year over year increases due to population growth, however, fluctuations from year to year depend on weather conditions and usage. Water users receive monthly utility billing statements from the city and meters are currently read quarterly. All collected funds are restricted to use within their respective funds.

A recent water rate fee study for both the culinary water and pressurized irrigation rates has been presented to City Council in several work sessions. A new rate structure is proposed to move towards an irrigation usage model. The usage model is due to the statewide mandate to meter all irrigation. These rates are anticipated to be effective next irrigation season in calendar year 2027.

Sewer And Storm Drain Rates

The Sewer Fund accounts for the sewage collection systems of the city for its residents. The Storm Drain Fund accounts for the maintenance, cleaning, inspection, and construction of storm drain infrastructure within the city. Rates are set in a separate fee schedule available on the city's website, at city offices, or in this budget document.

Sewer revenue is projected using several methodologies, including trend analysis, connection estimates (tied with new building permits), utility rate studies, and projected culinary water consumption. Approved rate increases are also factored into future estimates. Sewer users receive monthly utility billing statements from the city. Residents' usage charges are adjusted yearly based on culinary water usage.

The City underwent a rate study and approved a storm rate increase in December 2021 with a biannual increase of $2.00 through January 1, 2026. The change also specified a fee for multi-unit residential customers. All collected funds are restricted to use within the Sewer and Storm Drain funds, respectively. Sewer rates for Timpanogos Special Service District (TSSD) have increased annually on January 1 beginning in 2024 due to contract increases for sewer treatment. The TSSD rate is anticipated to increase by 15% during 2026-2027, however, the city is proposing to absorb the next increase, while also reducing the city sewer rates by $2.00 per month.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Revenue Overview

Sanitation And Recycling Rates

The Sanitation and Recycling Fund accounts for the revenue and expenditures of providing sanitation and recycling services to the residents of the city and internal city departments. The city contracts with an outside provider (currently Republic Services) for these functions. Rates are set in a separate fee schedule available on the city's website, at city offices, or in this budget document.

Sanitation and recycling fund revenue is projected using several methodologies, including trend analysis, new accounts, and rates charged by the city's outside providers. Predicted rate increases from external providers are also factored into future estimates. Contract service rates will go up again this budget year. However, the staff proposes to absorb the increased cost by not raising customer rates in fiscal year 2026-2027. Sanitation and recycling users receive monthly utility billing statements from the city. All collected funds are restricted to use within the Sanitation and Recycling fund.

Utility rates will be presented and adopted as part of the proposed comprehensive fee schedule. Below are the various utility rates expected budgeted for fiscal year 2026-2027.

Residential Rate (monthly)	Current Charges	Proposed Charges	Residential Increases	Absorbed by City
CUP Water	$6.50	$6.50		
Culinary Base[1]	16.49	18.47	$1.98	
Pressurized Irrigation Base	21.68	21.68		
Storm Drain[1,2]	10.50	12.50	$2.00	
Sewer – AF City	15.89	15.89	$(2.00)	
Sewer – TSSD[3]	36.40	41.86		$5.46
Garbage[3]	12.50	12.95		.45
Garbage – Xtra Can[3]	8.20	8.50		.30
Recycling[3]	7.35	7.60		.25
Total Monthly Base Utilities	**$135.51**	**$145.95**	**$1.98**	**$6.46**

Notes:

1) Increases to cover operational and capital cost increases. Based on completed fee study.
2) Rate increase implemented May 2026.
3) Contract increases that the city is absorbing and not passing along to residents

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Property Tax Impact Schedule

As of the 2026 General Session, the Utah Legislature passed HB 236 Truth in Taxation Amendments, requiring taxing entities (cities, school districts) to provide detailed property tax impact statements in public meetings when proposing tax rate increases. This law ensures residents receive clear notice and understand the extra revenue a tax hike will generate before it is finalized. The law aims to increase transparency by requiring earlier notifications and better public engagement by making available a "property tax impact schedule" as are required to reserve a portion of general fund revenue in a restricted general ledger account.

Proposed Property Tax Impact Schedule

American Fork City will consider an increase to its property tax rate from .001389 to .001514 (estimated) to generate an additional $660,000. The following information is intended to provide decision makers and the public with an explanation of how the City's operations would be affected if the proposed property tax increase is adopted.

American Fork City's Current Property Tax Rate	.001389
American Fork City's Current Property Tax Revenue	$7,335,305
Proposed Revenue with Tax Change	$7,995,305
New Property Tax Revenue to American Fork City	$660,000
Estimated Increase to American Fork City's Property Tax Revenue	9.0%
Estimated annual increase to a primary residence of $492,300	$34.00 or 9.0% increase
Estimated annual increase to a business valued at $492,300	$61.54 or 9.0% increase

Affected Department	Proposed Budget	Budget without Tax Change	Budget Change
Fire	$11,330,026	$10,670,026	$660,000
Impact of Tax Increase – The Fire department has requested staffing for a new fire station with 9 additional full-time personnel for a total cost of $1,415,000. The property tax increase will fund staffing for 4 of 9 fulltime firefighter/paramedics.			

Impact to Resident

Public safety is a priority for the city council, staff and community of American Fork. Due to increased call volume resulting from population growth, a new fire station is needed on the lakeside region of the city. In order to staff a new station, the fire department is requesting nine fulltime firefighter/paramedics. Total additional staffing costs, including benefits, for the requested nine firefighters is $1.4 million. The proposed tax increase will generate an estimated $660,000 in additional revenue, with remaining cost of $840,000 not being directly passed to the taxpayer. The 9% proposed increase will be to the city's portion of property tax only, not to the entire tax assessment, which also includes assessments from the school district, county and water districts. The 9% increase will equate to approximately $2.83 per month per household for a median home valuation of $492,300. This is only a 1.4% increase to a resident's total property taxes and a 1.6% increase to the city's total general fund revenue.

Should the proposed property tax increase not be passed, the new fire station will not have full shift coverage, leaving only 5 of the 9 positions filled resulting in gaps without staff at the new station.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

FUND BALANCE AND RESERVES

General Fund (Adopted June 22, 2021)

Purpose

This policy strives to ensure the city maintains adequate fund balances and reserves in the General Fund in order to:

- Provide sufficient cash flow and working capital for daily financial needs.
- Secure and maintain investment grade bond ratings.
- Offset significant economic downturns or revenue shortfalls.
- Provide funds for unforeseen expenditures related to emergencies.

Background

Fund Balance is the difference between assets and liabilities reported in governmental funds. It is used to measure the net financial resources available to finance future expenditures. The Governmental Accounting Standards Board specifies the classification of fund balance. The components include: 1) non-spendable, 2) restricted, 3) committed, 4) assigned, and 5) unassigned. A definition of these components can be found below. These classifications are currently only used in the Governmental Fund Types.

Municipalities may accumulate fund balances in any fund. However, Utah Code 10-6-116 states the General Fund balance amount must be within the following limits: 5% of total revenues must be maintained as a minimum fund balance, and the accumulation shall not exceed 35% of the total estimated revenue of the General Fund. The fund balance percentage will be calculated using the Utah State Auditors guidelines. The fund balance policy focuses on the assigned and unassigned components of fund balance.

Fund Balance Limits and Conditions for Use of Reserves

- The City will seek to achieve recommended maximum allowable fund balances in the General Fund by increasing fund balance to 35% of budgeted revenues. Fund balance shall be considered unassigned and will be increased in years when revenues exceed expenditures, or when the city has excess one-time revenues, until the maximum threshold is met.
- The City's unassigned fund balance will be maintained to provide the city with sufficient working capital and a margin of safety to address local and regional emergencies without borrowing.
- General Fund balance in excess of 35% should be used to a) fund one-time expenditures in the current year, b) transfer to a capital project fund to be used for capital expenditures, or c) prepay existing city debt.
- The use of General Fund Balance reserves shall be limited to unanticipated, non-recurring needs, or anticipated future obligations. Fund balances shall not be used for normal or recurring annual operating expenditures.
- The City Administrator is authorized to make recommendations to the City Council for use of General Fund Balance reserves. A majority vote of the City Council will be required to allocate reserves.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

- In the event of a pronounced fiscal emergency or other such global purpose as to protect the long-term fiscal security of the city, there may be a need to appropriate unassigned fund balance below the 35% policy level. In such circumstances, the city will:
    - Take measures necessary to prevent its use in the following fiscal year by increasing fees or taxes and/or decreasing expenditures.
    - Adopt a plan to restore the available fund balances to the policy level within 36 months from the date of the appropriation. If restoration cannot be accomplished within such time period without severe hardship to the city, then the City Council will establish a different but appropriate time period.
- The annual budgets for all city funds will be structurally balanced throughout the budget process. Recurring revenue will equal or exceed recurring expenditures in both the Proposed and Adopted Budgets. If a structural imbalance occurs, a plan will be developed and implemented to bring the budget back into balance.

DEBT MANAGEMENT

State statutes limit the amount of General Obligation debt the city may issue for general purposes to 4 percent of the fair market value of the taxable property within the city's general jurisdiction. An additional 8 percent of indebtedness may be issued for water or sewer projects when such utilities are owned or controlled by the city. The city's revenue debt levels are to be limited by debt service coverage ratios (e.g., annual net pledged revenues to annual debt service) or credit rating impacts (e.g., additional bonds should not lower ratings) contained in bond covenants.

The city will not issue debt obligations or use debt proceeds to finance current operations. The issuance of long-term debt should only be considered when current revenues cannot be used to finance the project, or are not sufficient, or in cases where it is more equitable to finance the project over its useful life. The payback period of the debt should never exceed the estimated useful life of the capital project. An analysis of the effect of the issuance on the city's debt ratio, as well as the impact on the city's ability to finance future projects, should be prepared prior to the issuance of debt. In addition, the identification of a revenue source to cover debt service payments will be required.

Tibble Fork Reservoir
American Fork Canyon

Principal and interest on all outstanding debt will be paid in full and in a timely manner. The payment of debt will be secured by the full faith, credit, and taxing power of the city in the case of General Obligation bonds, and the pledge of specified, limited revenues in the case of revenue bonds. Debt

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

service payments should be analyzed and structured to meet the city's financing objectives for each project. In general, bonds should be structured for level payments over the useful life of the issue unless anticipated revenues dictate otherwise, or if the useful life of the financial project(s) suggest a different maturity schedule.

American Fork Fitness Center

Refunding

Whenever feasible, short or long-term borrowing should be utilized to take advantage of opportunities to restructure or refund current debt when possible. In general:

1. The city will refund debt when it is in the best financial interest of the city to do so, and the Finance Director will have the responsibility of analyzing outstanding bond issues for refunding opportunities. The decision to refinance must be explicitly approved by the City Council, and all plans for refunding of debt must be in compliance with state laws and regulations.
2. The Finance Director will consider the following issues when analyzing possible refunding opportunities:
   - Onerous Restrictions—Debt may be refinanced to eliminate onerous or restrictive covenants contained in existing debt documents, or to take advantage of changing financial conditions or interest rates.
   - Restructuring for Economic Purposes—The city will refund debt when it is in the best financial interest of the city to do so. Such refunding may include restructuring to meet unanticipated revenue expectations, achieve cost savings, mitigate irregular debt service payments, or to release reserve funds. Current refunding opportunities may be considered by the Finance Director if the refunding generates positive present value savings, and the Finance Director must establish minimum present value savings and negative arbitrage thresholds for any financing. Currently, the Finance Director has set a minimum Net Present Value (NPV) savings threshold of 3 percent (net of any applicable negative arbitrage).
   - Term of Refunding Issues—The city will refund bonds within the term of the originally issued debt. However, the Finance Director may consider a maturity extension, when necessary, to achieve a desired outcome, provided such extension is legally permissible. The Finance Director may also consider shortening the term of the originally issued debt to realize greater savings. The remaining useful life of the financed facility and the concept of inter-generational equity should guide this decision.
   - Escrow Structuring—The city will refund bonds within the term of the originally issued debt. However, the Finance Director may consider maturity extension, when necessary, to achieve a desired outcome.

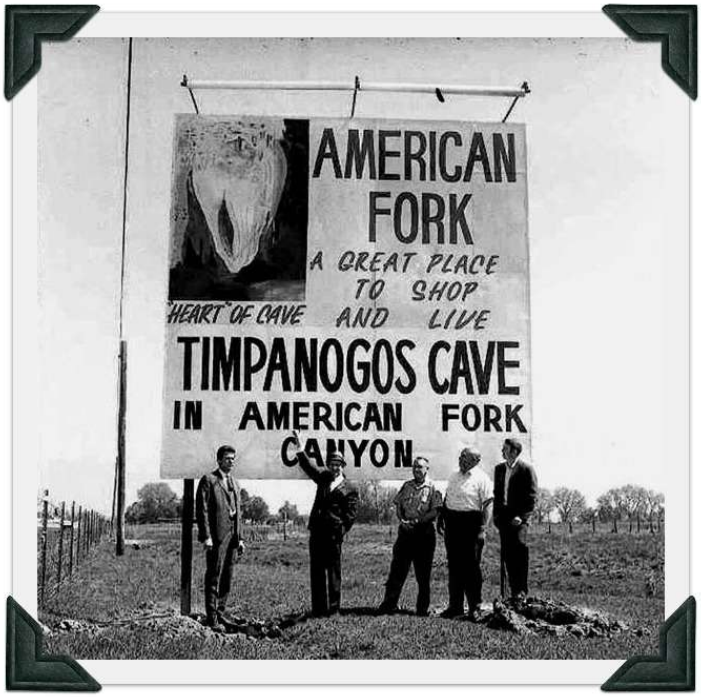
Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

Conduit Debt

Conduit debt will be limited on a transaction basis as approved by the city. Approval of conduit debt issuance will be based on the borrower's creditworthiness, the purpose of the borrowing issue, borrower's credit rating, size of proposed issuance, and other limitations as imposed by the city. Under no circumstances will the city pledge any city revenues, credit, assets, etc., towards conduit debt. Debt service on conduit debt will be solely the responsibility of the borrower. The city will charge the borrower a reasonable fee for any conduit issuance plus additional fees based on the work associated with the conduit issuance.

GRANTS



A grant is an award of financial assistance in the form of money or property by a funding source including the Federal Government, State Government, other local governments, non-profit agencies, and private businesses and citizens. The city will seek grant funding whenever possible and feasible. The city program, department, or division desiring to submit a grant application soliciting funds will prepare a request as outlined by the grantor's requirements. The department head or designee should sign the grant application as approval that funds are available and that they are supportive of the fiscal impacts to the department. The department applying for the grant should make every effort to project all initial and ongoing costs associated with the grant program, including but not limited to staff support, needed assistance for computer systems, office space, utilities, systems furniture, vehicles, office equipment, office supplies, computer software, and hardware/telephone charges.

Prior to submission, all grant applications with a monetary impact will be reviewed by the Finance Director to identify potential budgetary, cash flow, procurement, financial reporting, or compliance requirements. The Finance Director will obtain the City Administrator's approval and notify the city department that the application has been approved. Under no circumstances will a grant be accepted that will incur management reporting costs greater than the grant amount.

Awarded grants will be submitted to the Finance Department for inclusion in the city's budget. The grant award letter/acceptance agreement (notification received detailing the amount of the grant awarded, grant assurances and special conditions, and guidelines that must be followed to comply with the grant requirements) will be forwarded to the Finance Department, who will review the grant award for reporting requirements, special conditions, and deadlines related to administering the grant.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

City departments should notify the Finance Department if:
1. There is a subsequent alteration in the funding configuration.
2. There is a subsequent alteration in the City's financial obligations.
3. Grant funds will be carried forward into the next year.
4. There is notification that the grant will be terminated.

All grant expenses must comply with the terms set forth in the grant application, grant award letter, and city procurement policies (if not outlined in the grant award). Documentation for all expenditures must be retained by the department for audit purposes. The Finance Department, with the assistance of city departments, will maintain a list of all federal and state awards received and expended, along with the Catalog of Federal Domestic Assistance (CFDA) title and number, award number, award, year, name of federal agency, and name of pass-through agency (if applicable).

Departments are responsible for ensuring that all funds are expended or encumbered prior to the end of the grant period for funds to be used adequately and not lost in future award periods. Each department is responsible to apply for grant extensions, if necessary. Departments are also responsible for monitoring the financial status of their grants. Departments must also monitor grants for compliance with all applicable federal, state, and local regulations, and ensure that grant expenditures are in compliance with grant procurement policies and procedures. The requesting department is responsible for providing financial reports to grantors. If it is determined that the report preparation is to be handled by the Finance department, this must be indicated to the Finance Director during the initial grant application review.

AUDITING AND FINANCIAL REPORTING

Accounting Practices

The City's accounting and financial reporting systems will be maintained in accordance with Generally Accepted Accounting Principles (GAAP), standards of the Governmental Accounting Standards Board (GASB), and the Government Finance Officers Association (GFOA).

The government-wide, proprietary, and fiduciary fund financial statements (if using) will be prepared using the economic resources measurement focus and accrual basis of accounting. Governmental fund financial statements will be reported using the current financial resources measurement focus and modified accrual basis of accounting.

In general, the city is able to collect most of its receivables, the majority relating to taxes and utility

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

billing. The city will record an allowance for uncollectible accounts in the General Fund for ambulance billing and development fees billed, in the Enterprise Funds for utility billing, and the Broadband Fund for leased fiber lines.

For inventory, the city will use a "first in, first out" (FIFO) basis.

The Finance Director, under the direction of the City Administrator, will have the authority to make procedural decisions with respect to specific accounting treatments, such as interpretation of accounting principles, design of the general ledger and chart of accounts, and similar items. However, in certain special or unique situations, review by the City Council may be necessary. The City Council will be made known of any issue that:

1. Creates controversy among those responsible for audit oversight, or between said individuals and the external auditors.
2. Is or will be material to the financial statements.
3. Involves significant uncertainty or volatility that could materially affect an estimate.
4. Is or will be a matter of public interest or exposure.
5. Must be reported to an external body, and those responsible for audit oversight are unclear or undecided on its presentation.
6. Relates to the application of a standard in a way that is not consistent with general practice or in a way that is different from how it has been applied in previous years.
7. Relates to key controls over financial information that are being designed or redesigned or have failed or are otherwise being addressed by the city.

Financial Reporting

The Annual Comprehensive Annual Financial Report (ACFR) will include the General Fund, all special revenue, debt service, capital project, permanent, proprietary, fiduciary funds (if using), and component units, which the city is required to report under GAAP. The report will be made for general public as soon as possible.

It is the city's policy that all external financial reporting be in conformance with GAAP. As an additional independent confirmation of the quality of the City's financial reporting, the city will seek to obtain the Government Finance Officers Association (GFOA) Certificate of Achievement for Excellence in Financial Reporting. The city will upload revenue and expense transaction data to the Utah Public Finance website monthly. Employee compensation data will be uploaded to the Utah Public Finance website yearly, or as prescribed by state law and the Utah State Auditor's Office. As an additional independent confirmation of the quality of the city's budget document, the City will annually seek to obtain the GFOA Distinguished Budget Presentation Award. The budget will satisfy criteria as a

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

financial and programmatic policy document, a comprehensive financial plan, an operations guide for all organizational units, and a communication device. The Adopted Budget will be posted online and in compliance with State statutes. The city will follow all state statutes regarding financial reporting.

The Finance Director, under the direction of the City Administrator, will prepare financial reports for the Mayor and City Council in a format consistent with the annual adopted budget monthly. Such reports will enable the City Council to be constantly informed of the financial status of the city. The city Administrator and Department heads will also be issued monthly reports. Upon issuance of the financial reports, the previous month will be closed in the accounting system to prevent back-dated transactions that could materially change the issued reports.

The ACFR will be audited annually by a Certified Public Accounting firm. The annual audit encompasses areas of financial reporting, internal control, federal grants, and departmental audits.

Audit Oversight

As required by Utah State Code, an independent audit of the City's financial condition and procedures shall be obtained by means of a third-party independent certified audit firm. The Finance Director shall be the primary contact with the independent auditors and is in charge of arranging audit schedules and managing requirements of the annual audit.

The Finance Director will bring important issues identified during, or related to, the audit to the Mayor, City Council, and City Administrator, as necessary. The city will request proposals for audit services from qualified independent certified public accounting firms a minimum of every five (5) years through a Request for Proposal (RFP) process. In accordance with the Government Finance Officers Association (GFOA) best practice guidelines, the current auditors can be included in the RFP process. While price is an important part of the selection process, the principal factor in the selection of an independent auditor is the auditor's ability to perform a quality audit.

In addition, general oversight will be conducted by the Mayor, City Administrator, and Finance Director. At the Mayor's discretion, an audit committee was formed and duly appointed. The audit committee shall provide oversight of the financial reporting process, the audit process, the system of internal controls and general compliance with laws and regulations.

INTERNAL CONTROL

Overall Objective

The city's system of internal controls should be able to provide reasonable, but not absolute, assurance that the following objectives have been met:

1. Reliable reporting of financial transactions.
2. Effective and efficient city operations.
3. Compliance with applicable laws, regulations, contracts, and grant agreements.

Control Environment

The control environment is the foundation for all other components of internal control, providing

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

discipline and structure. Management establishes the "tone at the top" regarding the importance of internal control and expected standards of conduct and reinforces expectations at various levels. Control environment factors include the integrity, ethical values, and competence of the city's personnel; the way management assigns authority, responsibility, and organizes and develops its personnel; and the attention and direction provided by the Mayor and City Council.

The legislative body has adopted a personnel policies and procedures manual, prepared by the city Administrator, that details policies, expectations, and other employment-related topics. This manual is to be reviewed annually to determine needed revisions to comply with state and federal laws, as well as practices of the city. Each employee receives a copy of the personnel manual, which includes a policy on business ethics and conduct, and signs an acknowledgement of receipt. The city will hold a minimum of one training course a year where human resource topics are covered.

Management has developed job descriptions for each position and reviews employee compliance on a semi-annual basis (at a minimum) through performance evaluations. Each department head will review applicable job descriptions annually to ensure accuracy and completeness.

The City Administrator prepares an annual budget with input from department heads, using historical data from the three previous years. The City Administrator, with input from the department heads, will also prepare an annual capital budget. A proposed budget is presented to the Mayor and City Council during at least one budget workshop. The City Administrator, Finance Director, and department heads are present to explain their budgets. Finally, organizational charts reviewed periodically as job descriptions and positions are added or changed to determine if the reporting structure, authority, and responsibility documented is still accurate.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

RISK ASSESSMENT

City officials and management assess the risk of operations continually. The city has chosen to transfer the most common types of risk, such as property, casualty, liability, errors, omissions, worker's compensation, and surety bonds, through the purchase of insurance.

The city faces several financial risks in normal operations, including the following:

- Collections could be lost or misappropriated.
- Collections could be recorded improperly.
- Collections may not be deposited in the bank and recorded in a timely manner.
- Disbursements could be unauthorized.
- Disbursements could be made for personal items.
- Disbursements could be made for items never received.
- Bank balances may be inaccurate due to a failure to reconcile bank accounts.
- Capital assets or inventory items could be missing.
- Inventory is not available when needed.
- Grant funds could be spent for unallowable items.
- Grant rules may not be followed which could result in having to return funds.
- Reporting requirements are not met.

CONTROL ACTIVITIES

Control activities are objectives, policies, and implemented procedures designed to address significant areas identified in the Risk Assessment section.

Collections/ACH

The city has implemented a number of policies regarding collections and ACH:

1. All collections will be receipted in the appropriate fund and revenue code and recorded in the general ledger daily.
2. A pre-numbered receipt will be issued for each collection made. Walk-in customers must be offered a receipt.
3. The cash drawer and night drop box (if applicable) will be reconciled daily by two personnel. One of the personnel must be independent of the collections process.
4. No checks will be cashed from the cash drawer.
5. All funds will be deposited within three business days or state statute, whichever is shorter.
6. The cash drawer will be locked when unattended and placed in a designated area after hours.
7. At no time will cash be unattended.
8. Employees are prohibited from comingling City assets with personal assets.
9. Chart of accounts coding will be reviewed by the Finance Director monthly as part of the month-end closing procedure.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

10. Bank reconciliations will be performed monthly by the Finance Director or designee and completed no later than the 15th of the following month. If the reconciliation is performed by a person other than the Finance Director, the Finance Director will review and sign the bank reconciliation upon completion.
11. The Finance Director and City Treasurer will perform unscheduled cash counts to ensure no personal checks are in cash drawers and ensure the drawers are in balance.

Disbursements/Drafts

The city has several objectives related to the disbursement of city monies. These objectives include:

1. Ensuring each disbursement is for a valid city purpose and is necessary.
2. Disbursements occur in a timely manner.
3. Disbursements are accurately coded in the accounting system.
4. Disbursements are legally appropriated.

To achieve these objectives, the city follows several policies, including:

1. The city has adopted a purchasing policy that complies with state law.
2. Department heads (or designees) approve all department expenditures, excluding utilities. Department heads will be provided a copy of utility statements after payment.
3. Accounts Payable will prepare weekly check runs using backup documentation and present the runs to the Finance Director for review and approval. In addition, the City Treasurer and City Administrator will also approve the check runs.
4. All checks require two signatures—the City Administrator and Finance Director.
5. Each check register will be submitted for review by the City Council.

Safeguarding of Assets

To ensure city assets are properly valued and protected, a number of policies and procedures have been implemented, including the following:

1. All bank account statements (checking savings, investment, trust, etc.) are reconciled to the general ledger within 15 days of the date of the statement. Bank reconciling items will not be carried forward more than sixty (60) days.
2. All bank accounts are held in financial institutions under the city's name only and only authorized employees (two signatures required) are allowed to open new accounts. Under no circumstances should the Finance Director be a signer on any bank or investment account. The City Treasurer must be listed as a signer on all bank accounts.
3. All withdrawals, checks, liquidations, etc., from any bank account requires two signatures.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

4. Inventory records will contain enough information to readily identify corresponding capital assets. Capital assets are tagged or otherwise identified during a physical inventory. Inventories are to be performed biennially and staggered (in other words, half of the city's assets should be inventoried one year and the remaining assets the next). Disposal of inventory or fixed assets are done according to city policy.
5. Insurance policies are reviewed annually for accuracy of covered assets.
6. Surety bonds are reviewed and renewed on an annual basis in accordance with state law.
7. Additionally, proper safeguards are in place to prevent theft or loss of assets.

Compliance

To ensure the City is complies with state and federal laws, the following policies have been implemented regarding compliance:

1. The City maintains and follows the debt management policy prescribed earlier in this policy.
2. The Finance Director and City Administrator will consult with the city's financial advisor on all debt-related issues.
3. The City will maintain and follow the prescribed grant management policy outlined earlier.

Fox Hollow Golf Course

Information and Communication

City management has the responsibility to adequately communicate and provide financial information to both internal and external parties. It is important that employees know the objectives, policies, and procedures management has established and what the expectations are for internal controls. External stakeholders (citizens, developers, creditors) also seek information regarding objectives and reliable financial information. To accomplish this, the following policies and procedures have been implemented:

1. The city will maintain data in a computerized accounting system. Requests for financial information should be provided through a computer-generated report whenever possible to maintain the integrity of the data.
2. The city will comply with the Utah Government Records Access and Management Act (GRAMA), Utah Open and Public Meetings Act, and Utah Code relating to public transparency. All requests, with the exception of Police requests, will be forwarded to the City Recorder to ensure compliance with state law. Personally identifiable, confidential, or protected information will be redacted in accordance with state law.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

Monitoring

The internal control system of the city will change as technology, staff, objectives, and policies change. Management is charged with continually monitoring the internal control system to ensure it is operating as it was designed to do and ensure the following policies and procedures are being followed:

1. An annual risk assessment will be conducted to ensure that internal controls continue to work as designed over time.
2. Management evaluate, and if needed, change the design of the internal control system or implement corrective actions to improve the effectiveness of the existing system.
3. Members of management will periodically review the procedures outlined in this manual to ensure policies are being implemented and objectives are being met.

CAPITAL ASSET PROGRAM PLAN

The capital asset plan covers any facility, equipment purchase, or construction which results in a capitalized asset cost equal to or greater than $10,000 and a useful life (depreciable life) of five years or more. Also included are major maintenance projects of $10,000 or more that have a useful life of at least five years.

The City will operate and maintain its physical assets in a manner that protects the public investment and ensure achievement over their maximum useful life and will consider a Renewal and Maintenance Reserve account for each operating fund responsible for major capital assets. Each year a five-year Capital Improvement Plan (CIP) will be prepared. The plan will identify and set priorities for all major capital assets to be acquired or constructed by the city. The first year of the CIP will be included in the proposed budget.

An assessment of each city facility will be conducted at least every five years. The report should identify repairs needed in the coming five years to ensure the maximum useful life of the asset. This information will be the basis for capital improvement planning for existing facilities and in determining the adequacy of the Renewal and Maintenance Reserve account. The CIP will identify adequate funding to support repair and replacement of deteriorating capital assets and avoid a significant unfunded liability from deferred maintenance.

To the extent possible, improvement projects and major equipment purchases will be funded on a pay-as-you-go basis from existing or foreseeable revenue sources. Fund balances, in accordance with the city's Fund Balance policy, may be used for one-time expenditures such as capital equipment or financing of capital improvements.

Debt (including capital leases) may only be used to finance capital projects, including land acquisition, and not ongoing operations. Debt issued must be in accordance with the city's debt management policy. Acquisition or construction of new facilities should be done in accordance with adopted facility and/or

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

master plans. Prior to approving the acquisition or construction of a new asset, the City Council should be presented with an estimate of the full cost to operate and maintain the facility through its useful life and the plan for meeting those costs. No capital project should be funded unless operating impacts have been assessed and the necessary funds can be reasonably anticipated to be available when needed.

REVENUE POLICY

The city should strive to maintain a diversified mix of revenues in order to balance the sources of revenue amongst taxpayers and to provide ongoing stability and predictability. Sales tax is a major source of revenue for the General Fund, which is a direct function of business cycles and inflation, making it a volatile source of revenue.

1. Property taxes and other stable revenues provide a reliable base of revenues during periods of economic downturn.
2. The city's overall revenue structure should be designed to recapture for the city some of the financial benefits resulting from city economic and community development investments.
3. The city will strive to keep a total revenue mix that encourages growth and keeps the city economically competitive and a city of choice for people to live and do business.

Tax dollars should support essential city services that benefit and are available to everyone in the community (such as parks, police, and fire protection). User charges in lieu of general revenue sources should be implemented for identifiable services where the costs are related to the level of service.

Timpanogos Cave
American Fork Canyon

User charges and fees should be at a level that reflect service costs. Components of user charges should include operating and capital costs, as well as the direct and indirect costs of providing that service. Full cost charges should be imposed unless it is determined that policy, legal, or market factors require lower fees. The city, when setting fees and charges, should consider policy objectives, market rates, and charges levied by other public and private organizations for similar services. Non-resident fees should be set at market levels to minimize the tax burden on city residents.

User charges for Enterprise Fund services such as water, sewer, storm water, and solid waste collection should be set at rates sufficient to finance all direct and indirect operating, capital, reserve/working

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

capital, and debt service costs. Overhead expenses and general government services provided to the enterprise activities should be included as indirect costs. Rates will be set such that these enterprise funds are never in a cash deficit during the year. User fees should not exceed the full cost of providing the service. Internal service fees should be set to capture full costs, including direct and indirect expenses. Cost for services should be allocated to departments using a rate model.
Administrative fees should be assessed on all non-general fund supported capital projects. These fees allocate the proportionate share of general government services to those projects so that the general fund is not required to subsidize infrastructure or economic development projects.

All private money donated, contributed, or lent to the City are subject to grant solicitation and acceptance procedures, and should be deposited in the appropriate City fund and accounted for as public money through the City's budget process and accounting system. Finally, one-time revenue sources should only be used for one-time expenditures and not for ongoing expenditures.

EXPENDITURE POLICY

The City Council will approve the budget by fund at the category or program level. Expenditures anticipated to be in excess of these levels require approval of the City Council through a budget amendment.

The city will follow employee compensation policies consistent with the city's adopted Personnel Policies and Procedures manual. The city will follow the adopted purchasing policy for public procurements and improvements. All expenditures will be approved by a Department Head or designee. The City will make every effort to control expenditures and ensure city services and programs provided to its citizens and taxpayers are cost effective and efficient.

OPERATING BUDGET POLICY

The city will prepare an annual budget with the participation of all city departments. Budgetary procedures will conform to state and local regulations, including adoption of a balanced budget. A balanced budget is achieved when the amounts available from taxation and other sources, including amounts carried over from prior fiscal years, equals the total appropriations for expenditures and reserves. The city's budget will support City Council strategic goals and priorities, and the long-range needs of the city. Essential services will receive first priority for funding. The city will attempt to maintain current service levels for all essential services. The city will identify low priority services for reduction or elimination, if necessary, before essential services. The city will consider the establishment of user fees as an alternative to service reductions or elimination.

In all actions to balance the budget, the city will attempt to avoid layoffs of permanent

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Financial Policies

employees, if possible. Personnel reductions will be scheduled to come primarily from attrition. The city will avoid budgetary procedures that balance current expenditures at the expense of meeting future years' expenses, such as postponing necessary expenditures or accruing future years' revenues.

The budget will provide sufficient funding to cover annual debt retirement costs. The city will consider technological and capital investment programs which are cost effective and which will reduce operating costs as high funding priorities.

The city will manage each fund as an independent entity in accordance with applicable statutes and generally accepted accounting principles (GAAP). Direct and administrative costs will be allocated to each fund based upon the costs of providing those services.

The city will take immediate corrective action if, at any time during the fiscal year, financial monitoring indicates that an operating fund's anticipated expenditures will exceed its anticipated revenues. In order to ensure this, the city will maintain a budgetary control system and use a budget/encumbrance control system to ensure proper budgetary control.

Finally, the city will prepare a budget document which complies with the standards necessary to obtain the Award for Distinguished Budget Presentation from the Government Finance Officers Association (GFOA). The city will submit its budget for award consideration annually.

Long-Range Financial Plan

LONG-TERM FINANCIAL PLANNING

The city's long-term financial plan is to maintain long-term fiscal solvency of the city by providing revenue and expenditure projections based on the city's growth. By preparing five-year projections, the city can prepare for issues related to transportation, commercial development, and overall growth.

Methodology

American Fork City provides revenue and expenditure projections for each fund to assess the financial future of the City. The forecast includes an analysis that may include many economic and growth factors, including, but not limited to, inflation, census data, residential development activity, legal and regulatory changes, demographic changes to program costs, and health benefit and retirement costs. The city has experienced a rapid pattern of growth which is anticipated to slow down slightly within the 5-year outlook. After consideration of estimated population growth factors over the next five-year period, projection trends were calculated using a growth estimate of 3% through fiscal year 2030. To provide the most accurate projections, the city will adjust its projected figures according to changes in required services, population size, or other factors not yet anticipated.

General Fund Revenues	FY2026-27 Proposed	FY2027-28 Projected	FY2028-29 Projected	FY2029-30 Projected	FY2030-31 Projected
Taxes	$26,455,911	$27,249,589	$28,067,076	$28,909,089	$29,776,361

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Long-Range Financial Plan

As the largest and most complex fund, revenue and expenditure comparison charts are shown for the General Fund. The City did not include a revenue projection chart for capital projects funds as forecasting future needs necessitating capital projects is difficult due to the rapid growth of the city. A brief explanation of high-priority capital projects is also provided at the end of the five-year city plan section. Though these projections are not concrete, they provide a broad illustration of the city's financial future which allows city officials to anticipate and prepare for future growth and its accompanying costs. These projections are not foolproof and do not account for possible economic recessions which may occur. The following are five-year revenue and expenditure projection charts and graphs for the city's General Fund.

Growth Related Capital Projects

American Fork City has an estimated population growth of 50% in the last twelve years, with an anticipated buildout of 80,000 residents by the year 2041. As the city grows, the services that the city provides will increase in demand, necessitating additional staff and larger facilities. Namely, the city anticipates the construction of a third fire station in the south portion of the city and an expanded public facilities yard and engineering building. The city is also exploring the need for a larger community and fitness center and a downtown revitalization area to include a centralized civic center and community commons. Also identified as a strategic goal is road connectivity due to growth. The city is planning for and participating in several regional road expansion projects that will help to manage better traffic flow throughout the city. All these projects are included in the capital projects plan at the end of the budget and are addressed in the city's strategic plan to promote sustainable growth and development, while maintaining and enhancing the quality of life in our city.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Debt Overview

LEGAL DEBT MARGIN

State statutes limit the amount of general obligation debt the city may issue for general purposes to 4% of the fair market value of taxable property within the city's general jurisdiction. An additional 8% of indebtedness may be issued for water or sewer projects when such utilities are owned or controlled by the city. Below is the city's legal debt margin as of June 30, 2025 (expressed in thousands):

Computation of Legal Debt Margin – June 30, 2025	
Assessed Valuation	$5,582,404,204
Estimated Market Value	8,282,524,605
Debt Limit (12% of estimated actual value)	993,902,953
Less Outstanding General Obligation Bonds	25,955,000
Total Amount of Debt Applicable to Debt Limit	25,955,000
Legal Debt Margin	$967,947,953

A brief description of American Fork City's debt issues (as of June 30, 2027) is included below:

Lease Commitments

- During fiscal year 2020 the city entered into a capital lease agreement for the purchase of ladder truck, ambulance and brush truck for the fire department. The city financed the purchase over 96 months with a stated interest rate of 1.98 percent and annual payments of $289,746 through June 2027, and $88,468 through June 2028.
- During fiscal year 2026 the city entered into a capital lease agreement for the purchase of fire engine for the fire department. The city financed the purchase over 84 months with a stated interest rate of 4.47 percent and annual payments of $192,765 through January 2033.

Description	End Balance June 30, 2026	Additions FY 2027	Principal Due FY 2027	End Balance June 30, 2027

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Debt Overview

General Obligation Bonds:

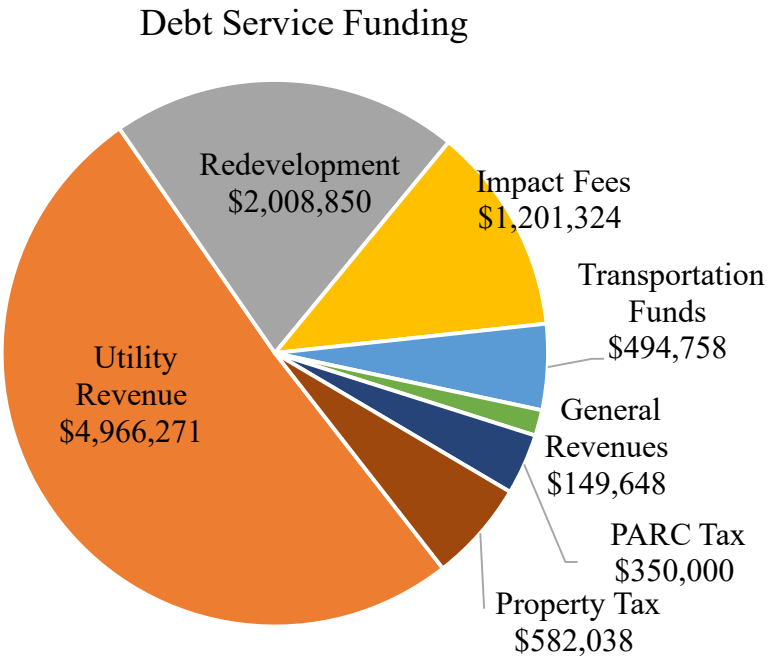
- 2015 General Obligation Refunding Bonds: $7,020,000 General Obligation Refunding Bonds due in annual principal and semi-annual interest payments through May 2035 – Interest is at a varying rate of 2.25% to 4.00%. Proceeds were used to advance refund the 2007 GO Bonds, which partially financed the City's pressurized irrigation system. 2015 General Obligation Refunding Bonds debt service for fiscal year 2026-2027 is $521,488 and is paid with utility user fees.
- 2016 General Obligation Refunding Bonds: $30,285,000 General Obligation Refunding Bonds due in annual principal and semi-annual interest payments through May 2035 – Interest is at a varying rate of 2.00% to 5.00%. Proceeds were used to advance refund the 2008 GO Bonds, which partially financed the City's pressurized irrigation system. 2016 General Obligation Refunding Bonds debt service for fiscal year 2026-2027 is $2,465,570 and is paid with utility user fees.
- 2020 General Obligation Bonds: $8,035,000 General Obligation Bonds due in annual principal and semi-annual interest payments through May 2038 – Interest is at an annual yield .95% to 2.35%. Proceeds are used to construct American Fork's second fire station. 2020 General Obligation Bonds debt service for fiscal year 2026-2027 is $582,038 and is paid with voter approved property tax.

Revenue Bonds:

- 2018 Sales Tax Revenue and Refunding Bonds: $4,000,000 Sales Tax Revenue and Refunding Bonds due in annual principal and semi-annual interest payments through May 2028 – Interest is at a rate of 3.04%. Proceeds were used expand Art Dye park and to refinance the 2012 Sales Tax Revenue Bonds. 2018 Sales Tax Revenue and Refunding Bonds debt service for fiscal year 2026-2027 is $467,208 and is paid with $350,000 in PARC tax grant with the remaining paid through impact fees.
- 2020 Water Revenue Bonds: $22,015,000 Water Revenue Bonds due in annual principal interest payments through December 2052 – Interest is at a rate of 1.00%. Proceeds are used for construction of improvements to the City's water infrastructure. 2020 Water Revenue Bonds debt service for fiscal year 2026-2027 is $796,670 and is paid with utility user fees.
- 2022 Subordinate Sales Tax and Increment Revenue Bonds: $30,000,000 due in annual principal and semi-annual interest payments through May 2047 – Interest is at a rate of 3.00 to 5.00%. Proceeds are used for 200 South road improvements. 2022 Subordinate Sales Tax and Increment Revenue Bonds debt service for fiscal year 2026-2027 is $2,008,850 and is paid with tax increment revenue.
- 2026 Lease Revenue Bonds: $40,000,000 due in annual principal and semi-annual interest payments through May 2056 – Interest is at a rate of 4.00 to 5.00%. Proceeds are used for the construction of a new public works facility. 2026 Lease Revenue Bonds debt service for fiscal year 2026-2027 is $2,473,791 and is paid with utility user fees with a portion allocated for the streets department paid using transportation funding.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Debt Overview



Debt Service:
As of June 30, 2025, the total general obligation bonded debt equals $535 per capita. Total Water Revenue Bonds debt represents approximately $1,582 per utility rate customer.

Bond Ratings:
American Fork City was rated by both Standard and Poors and Moody's with the following results

- August 18, 2022 - S&P Global Ratings assigned its 'AA+' with a stable outlook.
- December 17, 2025 – Moody's Investors Service has assigned a Aa1 issuer rating reflecting the city's "growing economy with healthy and improving economic metrics, maintenance of strong available fund balance and liquidity, and moderate long-term liabilities and fixed costs."

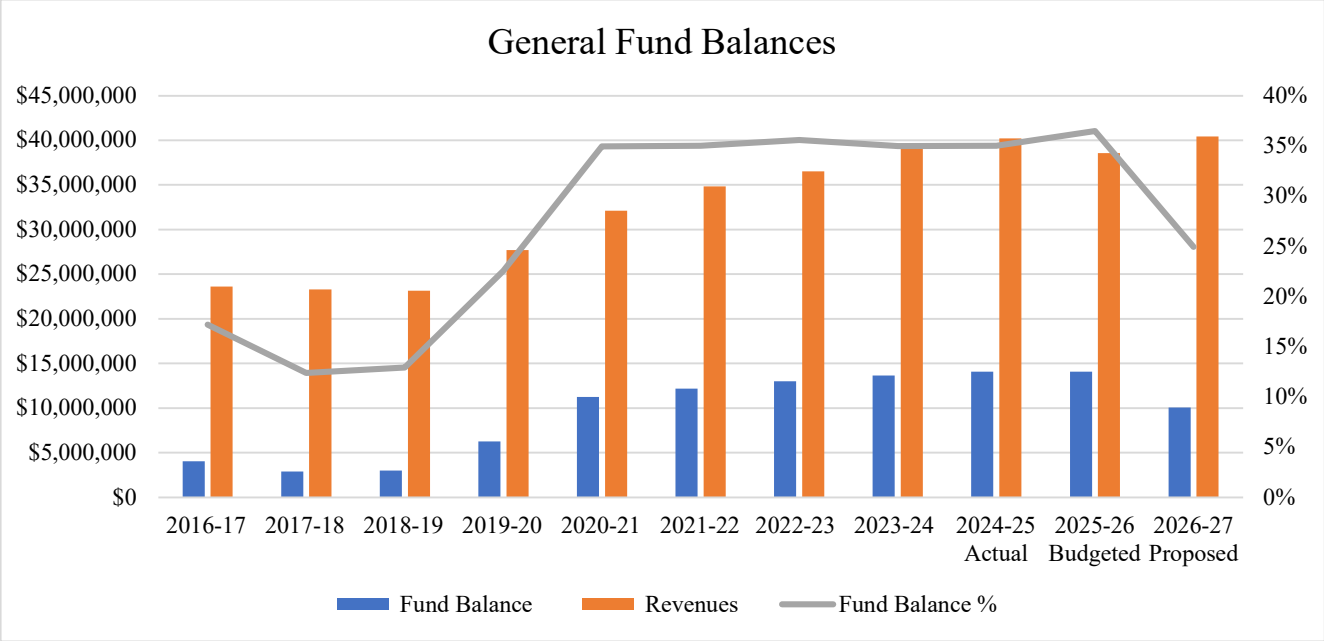
Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Fund Balance Overview

Fund balance is used to describe the net position of governmental funds calculated in accordance with generally accepted accounting principles (GAAP). For budget purposes, fund balance is net position of governmental funds and is intended to serve as a measure of the financial resources available in a governmental fund.

GENERAL FUND

Effective in May 2021, Utah Code § 10-6-116, requires that municipalities maintain a fund balance between five and thirty-five percent of the estimated general fund revenues for the fiscal year, up from a 25% maximum as allowed in prior years. The city has maintained the maximum allowable fund balance as defined by state code for the last six fiscal years. For fiscal year 2026-2027, however, the City has budgeted $4 million of General Fund reserves to be used towards one-time repair and improvement cost for the fitness center. This will decrease the fund balance to 25% of revenues for the first time since fiscal year 2019-2020. At the close of every audited fiscal year, any general fund net revenues will be kept in reserves until the maximum 35% is reached. After which, any additional reserves over 35% will be transferred to capital project funds.



The decrease in fund balance in fiscal years ending 2018 and 2019 were due to the reallocation of reserves for creation of separate funds for sanitation and capital projects/streets that were previously included as divisions in the general fund. The increase in fund balance beginning in fiscal year ending 2020 is due to conservative budgeting and record sales tax revenues. In an abundance of caution, the services in fiscal year 2020 and consequently 2020-2021 budget were scaled back by 18% in anticipation

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Fund Balance Overview

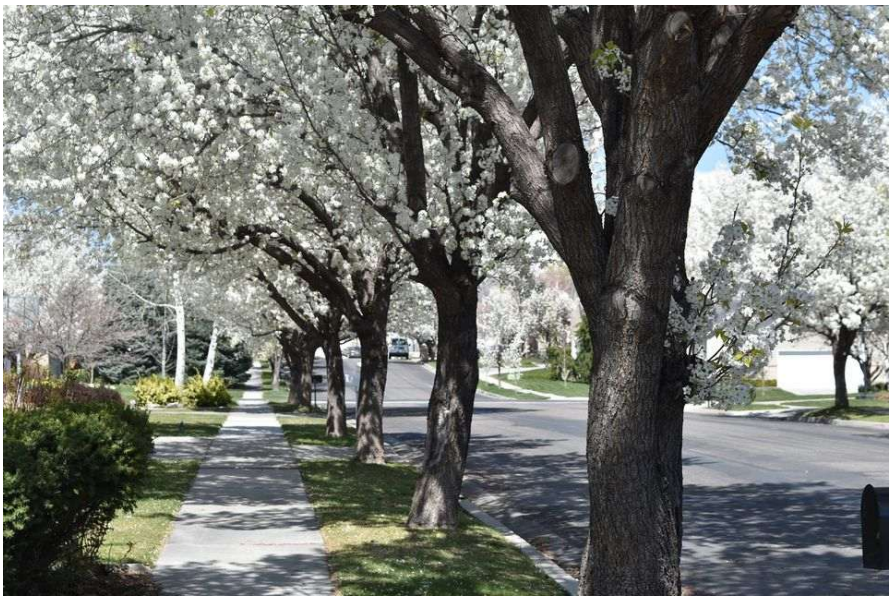
of an economic slowdown due to the Corona Virus pandemic. Although City facilities were closed for a period due to state and federal mandates, tax revenue remained strong, creating a net overall gain for fiscal years ending 2020 and 2021, thus increasing the amount set aside for future needs. The city has resumed pre-pandemic service levels and will not see the same percentage increase in reserves in the coming years.

SPECIAL REVENUE/DEBT SERVICE FUNDS

The state does not impose limits on the accumulation of fund balances for special revenue funds or debt service funds. Most of the special revenue and debt service fund balances will be depleted with the construction of capital projects in the Egg Farm EDA, Patriot Station CRA and the Municipal Building Authority Fund. The fund balance in the Egg Farm EDA Fund will be depleted by $3.7 million, due in part to improvements and widening of Sam White Lane. In the Patriot Station CRA, the construction and widening of 200 South will deplete the fund balance in that fund. The construction of the public works facility will deplete the bond proceeds and fund balance in the Municipal Building Authority fund.

CAPITAL PROJECTS FUNDS

The City will see several fund balance decreases in capital project funds. Many of the impact fee funds will see expenditures related to the road and public safety improvements, thus reducing fund balance by $12.5 million. Many capital projects are multi-year projects which will require the use of fund balance in the subsequent year or require multiple years to accumulate enough resources to perform a project. All projects expended in the impact fee funds are in the City's Impact Fee Facilities Plan (IFFP) or are impact fee eligible projects.



ENTERPRISE FUNDS

Overall fund balances in the enterprise funds will be decreased by $15.6 million, due mostly to the waterline improvement and well rehabilitation projects. These projects are multi-year projects and are possible through bond funding and the accumulation of reserves. The city has undergone rate studies to ensure that utility rates meet the needs of ongoing operational and future capital projects costs. Should rate increases not be adopted or be delayed, fund balance could deplete at a rate faster than previously anticipated.

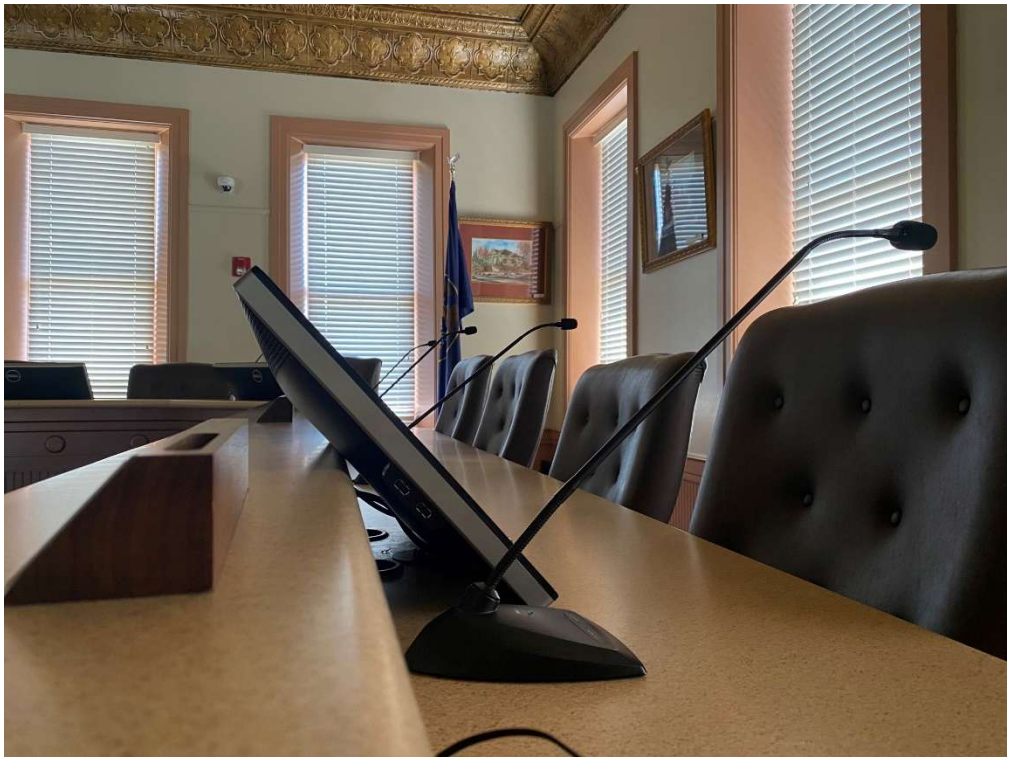
Mayor & City Council

DEPARTMENT MISSION

The mission of the mayor and city council is to enhance the health, safety, and welfare of each person within the community (both resident and visitor). This is accomplished by developing, reviewing, and implementing ordinances, resolutions, and policies.

DEPARTMENT SUMMARY

The Mayor and City Council are elected to office by the citizens of American Fork and serve four-year terms. The Mayor acts as the Chief Executive Officer of the City and is responsible for upholding and executing the laws and ordinances adopted by the City Council. The City Council is responsible for creating and modifying ordinances for the betterment of the community.



Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Executive

DEPARTMENT SUMMARY

The executive of the City is the Mayor who, in conjunction with the City Council, provides governance of the City. The Mayor is also responsible for the operations of the City and has appointed a City Administrator to manage operations.

DEPARTMENT BUDGET

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Legislative

DEPARTMENT SUMMARY

The legislative department is comprised of the elected City Council. The purpose of the City Council is to provide governance in conjunction with the Mayor of the City. Special projects in the fund include dues for the Utah League of Cities and Towns, Utah Lake Commission, and Mountainland Association of Governments.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Legal

DEPARTMENT SUMMARY

The Legal budget is established to process expenditures for legal and attorney purposes. All attorneys for the City currently act on a contract basis. The attorney services that are expensed out of this department include: Personnel attorneys, defense attorneys for criminal actions (when the accused cannot provide an attorney for themselves), conflict attorneys for criminal actions (when there is a conflict between the defense attorney and another individual), the City's criminal attorney, and the City's civil attorney. Other attorneys engaged by the City are used on an as-needed basis and are expended out of different funds. Specialized attorneys used include broadband attorneys and water right attorneys.

Administration

DEPARTMENT MISSION

The mission of the office of the city administrator is to provide general oversight and direction for all city services and operations and to provide management assistance to the mayor and city council.

DEPARTMENT SUMMARY

The administration department encompasses administrative, human resources, communications, risk management, financial, utility billing, business licensing, and recorder functions. The City Administrator administers the day-to-day functions of the city and makes executive-level decisions regarding operations.

Finance Division

The finance division is responsible for the financial operations of the City. This division provides budgeting, purchasing, accounting, payroll, utility billing, business license, treasury, and funding direction for the city. The treasurer maintains a system of cash management and is responsible for reporting the cash position to the Mayor and City Council.

PERFORMANCE MEASURES

Department/Division Objective: Properly monitor and report the City's finances.

Performance Measure	Actual FY 2023	Actual FY 2024	Actual FY 2025	Estimated FY 2026	Target FY 2027
Number of Active Utility Billing Accounts	10,736	12,043	12,668		
Utility Bills Created	134,369	153,678			
Total Cash Receipts Processed	147,325	158,443			
Accounts Payable Checks Issued	3,258	3,522			
ACH Payments Issued	905	890			
Payroll/Direct Deposit Issued	12,926	14,318	15,076		

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Administration

Records

The recording division is responsible for custody and maintenance of all records, minutes, ordinances, and resolutions of the city. This division also oversees annexations and elections.

PERFORMANCE MEASURES

Department/Division Objective: Accurately keep records in accordance with legal requirements and make them available to the public.

Performance Measure	Actual FY 2023	Actual FY 2024	Actual FY 2025	Estimated FY 2026	Target FY 2027
Number of Action Items	218	203	173	146	170

Community Services

DEPARTMENT MISSION

The mission of the Community Services department is to enrich the lives of American Fork's residents by providing high quality recreational and educational opportunities and to provide the citizens of American Fork an enjoyable, safe, clean, easily accessible, and well-maintained, parks, cemetery, and buildings.

DEPARTMENT GOALS

Community services will continue to take a Hungry, Humble and Smart approach to accomplishing our goals. We are always hungry to do our best at providing services to our residents, participants, fellow employees, etc. We are always looking for more efficient, innovative, and effective ways to do our work. We stay humble and recognize it is a privilege to work for and with American Fork residents. We strive to be smart in all that we do. We operate a fiscally responsible budget, we find ways to be more efficient with our resources, train our top-notch staff, take care of our equipment and supplies and always do our best.

DEPARTMENT SUMMARY

The Community Services department focuses on building and supporting the social infrastructure needed for a healthy, well-rounded community. This social infrastructure are those public spaces that allow people to gather, communicate, recreate, socialize, learn and bond in safe and enjoyable ways. The department primarily focuses on developing and maintaining parks, trails, a cemetery, and a library.

Community Services - Library

DIVISION MISSION

Engage the community by connecting people, information, and technology to create an environment that inspires learning and discovery.

DIVISION SUMMARY

American Fork Library's values: Hope, Community, Life-Long Learning, Respect. We seek to give our community members access, regardless of their circumstances. This means free use of our space, our collection (both digital and physical), our programs, and our one-on-one professional assistance. We serve American Fork residents as we provide reference and independent learning services; actively meet the needs of the community for timely, accurate information in their pursuit of job-related, personal interest, and education objectives; and encourage children to discover the excitement of learning and exploring a wide range of educational opportunities programs and services; and to emphasize high interest, popular materials in a variety of formats for persons of all ages.

The Bryan McKay Eddington Learning Center provides one-on-one reading, tutoring, and homework help to K-12 students throughout the community. The tutoring is provided as a public service from the City, as an ongoing part of the community's commitment to enhance basic literacy skills of all our citizens. The Learning Center helps students with homework in all subjects.

PERFORMANCE MEASURES

Department/Division Objective: Increase the number of online resources for our community and provide quarterly activities for families.

Community Services – Senior Citizens

DIVISION SUMMARY

The American Fork Senior Center provides daily activities and meals Monday through Friday. We are an active aging facility that brings the community together. Meal service is in person, inside the Senior Center, where you can stay and eat, enjoy the company of good friends, live entertainment and fun activities. Programs and activities at the Senior Center include movies, games, book clubs, health clinics, aerobics, art groups, fitness challenges, service projects and more.

PERFORMANCE MEASURES

Department/Division Objective: Bring the senior community together through engaging programs and activities.

Public Safety - Police

DEPARTMENT MISSION

To provide exceptional, community-engaged law enforcement and victim services to all people it encounters in accordance with the department's three core values of courage, unity, and respect.

DEPARTMENT SUMMARY

The American Fork Police Department is comprised of 56 full-time sworn law enforcement officers, 2 reserve law enforcement officers, 14 full- and part-time support staff members, and numerous volunteers and interns engaged in various aspects of police work. The police department also provides police services contracted to the City of Cedar Hills.

The department is a full-service police agency that includes, among many:

- Patrol operations
- General investigations detectives
- Special victims detectives (SVU)
- Special Enforcement Team (SET) detectives
- Utah County Major Crimes Task Force (MCTF) detectives
- K-9 team (comprised of two dual-certified police canines)
- Internet Crimes Against Children (ICAC)
- Victim advocacy
- Mental health and police social work
- Crime analytics
- Tactical team operations and response
- Police bicycle operations
- Police motorcycle operations
- Police drone operations
- N.O.V.A. program (seven elementary schools)
- School resource (SRO) detectives
    - American Fork High School
    - American Fork Junior High School
    - Polaris & Summit High Schools
- Community services and events
- School safety/security programs and operations

DEPARTMENT GOALS

Continued Community Engagement: The department will complete various community engagement events between July 2025 and June 2026. These community engagement events will include at a minimum:

- Night Out Against Crime event
- Shop with a Cop event
- Utah Special Olympics Torch Run (LETR) event
- Spring and fall citizen academies
- 1 youth summer camps

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Public Safety - Police

- 1 youth crime scene academy
- 8 total law enforcement classes offered at secondary schools
  - American Fork High School (two classes each semester)
  - American Fork Junior High School (one class each semester)
  - Summit & Polaris High Schools (one class each semester)
- N.O.V.A. programs implemented in all seven elementary schools

Core Training Program: In conjunction with legislative changes, the department will further refine its training model with an established mandatory minimum training curriculum for all sworn officers. This will result in our officers receiving at least 70 hours of training per year, with many officers receiving even more.

PERFORMANCE MEASURES

Department/Division Objective: To provide the best possible law enforcement services through effective, efficient, and proactive crime and traffic enforcement.

Performance Measure	Actual FY 2023	Actual FY 2024	Actual FY 2025	Estimated FY 2026	Target FY 2027
Total Calls for Service	28,155	27,457	30,588	30,500	30,500

Public Safety – Fire and Rescue

DEPARTMENT MISSION

The mission of the fire department is to create a safer everyday life, so you can live better. We back that up with our passionate people, premier performance, and an almost obsessive drive to innovate and improve as progressive partners-with both the citizens of American Fork, as well as other in the Fire and Rescue community.

DEPARTMENT SUMMARY

American Fork Fire & Rescue provides emergency medical services to American Fork City, Cedar Hills City, and parts of surrounding Utah County areas. The city is staffed 24/7 with full-time personnel, which are supplemented with paid-call staff when needed. 3- Fire Apparatus and 4 – Ambulances are staffed by both Paramedics and Advanced EMT's (Emergency Medical Technicians). Fire department members are cross trained as both EMT's and firefighters, which gives them the training they need to best serve the public in any kind of emergency.

The fire department is charged with fire suppression and prevention as their basic purpose. The goal of the fire department is to prevent the loss of life and property as it relates to fire incidents. The fire department is also responsible for enforcing the International Fire Code, conducting fire inspections, and promoting fire safety education within the communities they serve through a proactive approach to community risk reduction.

American Fork Fire & Rescue provides fire protection services (structural, wildland, Haz-mat, etc.) to American Fork City, Cedar Hills City, and supports the surrounding Utah County areas with an Insurance Service Office (ISO) rating of two (2).

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Public Safety – Fire and Rescue

The fire department has capabilities for extrication of entrapped victims, aerial capabilities up to 105 feet, and various other technical rescue specialties. The fire department has a highly respected reputation for its dedication to serving the community through activities such as fire safety open houses and several community risk reduction programs.

DEPARTMENT GOALS

- Continual evaluation of our fire and EMS response area to analyze the current deployment of emergency service resources in relation to demand and response times.
- Maintain ISO rating of 2. This involves a lot of resource tracking in hydrant testing, training hours, staffing levels, equipment, apparatus, dispatch capabilities, water system modeling, mutual aid agreements.
- Determine performance indicators to measure if the quality of department services is adequate. Review performance indicators frequently.
- Memorial Day Breakfast-Safety Open House and all PR events and programs such as Car Seat, CO/Smoke detector, and Bike Helmets.
- Start development of response model and staffing for adequate response when station 53 comes online and get new response model and response stacks with Dispatch.
- Continue good working relations with American Fork Hospital and health care facilities within American Fork City and Cedar Hills.
- Continue providing health checks to the community monthly at the recreation center.
- Provide the highest quality of Fire/EMS services and staff to the citizens of American Fork and Cedar Hills.
- Hire part-time transport ambulance personnel
- Develop plan for Fire Station 53. Determine Scope and Cost and timeline.
- Keep employees' morale up and healthy.
- Send 4 employees to paramedic school.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Public Safety – Fire and Rescue

- Conduct EOC training top exercise and implement the new EOC plan.
- Continue to work with Dispatch on getting the communication tower built for redundancy.
- Conduct fire inspections annually for all new business and existing.
- Retain all full-time members and bolster the part-time ranks for future full-time employees.
- Replace 2016 ambulance with a newly purchased ambulance.
- Design and build another 2 ambulances to replace 2016 and 2011 ambulances. Remount option is about 50% cost savings.
- Design and build another fire engine to replace the 1996 fire engine.
- Build fleet tracking system for maintenance repairs, out of service hours, and expenses for each emergency vehicle.

- Continue to build upon the mental health program for well-being of firefighters and family members.
- Work with Alpine School District to get repeaters and improve radio communications in the schools for emergency responses.
- Submit for the Safer Grant for full-time firefighter paramedics.
- Test and hire 9 part-time firefighter paramedics.
- Continue to replace mobile/portable radios to bring all radios into compliance with phase one of the P25 upgrade.
- Conduct a station and service model delivery study for deployment of emergency services south of I-15 to meet the growth and service demand.
- Maintain fiscal responsibility.
- Officer Development and Leadership development course for current company officers and future officers.
- Support and work with all other departments in the city.
- Support the vision of the city and keep progressing together as a team.
- Comply with the audit mandate from Medicare and Medicaid for resource tracking to keep current reimbursement levels the same or even increase for future ambulance revenue to help offset costs for the department and city.

Public Works – Administration

DEPARTMENT MISSION

The mission of the American Fork City Public Works department is to provide, in a courteous and professional manner, quality services that are essential to the lives of residents. Talented, qualified, and certified personnel work to ensure that the city has good, safe, and dependable water systems, wastewater systems, storm water systems, roadway systems, and building infrastructure.

DEPARTMENT SUMMARY

The Public Works department is vital to the lives of American Fork City residents. Our goal is to ensure that the City's water and wastewater operations and road network are safe and dependable, while using our expertise to seek improvements, as necessary. We also maintain City buildings and permit new homes and commercial buildings within the city. Our Engineering team is also helping to build a solid future with development reviews and capital projects to improve the city.

STAFFING NOTES

1) Reallocated to General Fund Streets Fund beginning fiscal year 2025-2026

BUDGET NOTES

Beginning in fiscal year 2025-2026, the streets department was reallocated to the new secondary general fund titled "General Fund-Roads" and combined with streets capital projects. This aims to provide transparency to view streets operations and improvements budgeted in one place. The General Funds-Roads Fund is tracked separately from the primary general fund for budgetary purposes, but will be consolidated the the primary fund for financial statement reporting purposes.

Development Services

DEPARTMENT MISSION

The mission of the development services department is to guide and direct the development of land to achieve a balance between the desires of the individual property owner, the welfare of the residents of American Fork City, and the needs of the community.

DEPARTMENT GOALS

1. Revise development review process – continue to update and adapt as opportunities come up to enhance the process for the public and for staff. This is a continuing process as new legislation impacts existing processes requiring updates to be implemented on an almost annual basis.
2. Update of Municipal Code – currently in process. This is being managed cooperatively between the City Attorney and Development Services. Should be completed by end of CY24.
3. Creation of single Point of Contact for Development Projects and to manage review process. This role has been adopted in the organizational chart and is currently staffed. The position has been positive, with significant feedback coming from the development community about the role and the impacts on the process and ease of attaining information and updates.
4. Update of General Plan – funding has been awarded. Staff has received $200,000 in funding for an update to the General Plan's Land Use and Transportation Elements. This will support a full rewrite of the General Plan.
5. Implementation of Online Development Portal – Currently working on implementation steps. All testing and trials have occurred. Pathways being established and online application protocols being put in place. Initial implementation will be for select types of applications will full rollout expected after live testing of selected processes.
6. Adoption of Station Area Plan – Moved to Phase II SAP – Included in General Plan funding received to finalize an SAP that can be approved, adopted and certified. Anticipated deadline is end of CY24.

DEPARTMENT SUMMARY

The Development Services Department consists of two separate divisions – Planning and Zoning, and Building Inspection. In addition, Development Services oversees Economic Development activities within the City. Development Services is responsible for the coordination and direction of all activities associated with the review and issuance of permits, plan review, inspections, and development orders through the implementation and enforcement of the American Fork City development code and ordinances. The Development Services Department oversees the site plan and subdivision review process to ensure that plans comply with current ordinance requirements.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Development Services – Planning

DIVISION SUMMARY

The duties of the Planning Department are generally divided into the following areas of responsibility:

- Provide prospective developers, City Council, Planning Commission, City staff, and the general public with accurate and timely information regarding the City's General Plan elements, development requirements and policies, and general information about the City.
- Serve as staff to the Planning Commission and City Council, providing materials and recommendations as necessary for them to make the judgements and decisions required by state law and City ordinance.
- Working in conjunction with the Planning Commission, "look out" for the future of the City. This involves planning for growth and redevelopment in ways that ensures American Fork remains a desirable place to live for residents of all income levels, while at the same time providing opportunities for business growth and retention.
- Propose amendments to City plans, ordinances, and standards as deemed necessary or as requested.
- Provide zoning clearance functions for business license applications.

PERFORMANCE MEASURES

Department/Division Objective: Efficiently & effectively serve the development needs of the city.

Performance Measure	Actual FY 2023	Actual FY 2024	Actual FY 2025	Estimated FY 2026	Target FY 2027

Development Services – Building Inspection

DIVISION SUMMARY

The Building Inspection division is responsible for maintaining the integrity of the buildings throughout the city through permitting and inspections during the construction process. The division is also responsible for calculating and collecting impact fees during the permitting process.

DEPARTMENT PRIORITIES & PERFORMANCE MEASURES

The Development Services Department is committed to continuously improving service delivery, transparency, and efficiency in all aspects of development review and permitting. Key performance priorities include:

1. **Timeliness of Review Processes** – Continue efforts to reduce review timelines for development applications through process improvements, internal coordination, and the implementation of the online development portal. Emphasis will be placed on meeting or exceeding established review deadlines.
2. **Customer Service & Communication** – Maintain a high level of customer service by ensuring clear, consistent, and timely communication with applicants, residents, and stakeholders. The Single Point of Contact model will continue to be refined to improve accessibility and responsiveness.
3. **Process Transparency & Accessibility** – Expand public access to development information through digital tools and clear application requirements. The online portal will serve as a central resource for application tracking, submission, and status updates.
4. **Regulatory Compliance & Consistency** – Ensure all development review and inspection processes are consistent with current State law and City ordinances, with ongoing updates as legislation changes.
5. **Interdepartmental Coordination** – Strengthen coordination between divisions and departments to ensure efficient and unified review of development projects.

PERFORMANCE MEASURES

Department/Division Objective: Provide timely building permits and inspections.

General Fund – Roads

FUND SUMMARY

The General Roads Fund is a new fund that combines the prior general fund streets division with the previous Roads Capital Fund. This fund is for the purpose of operations, maintenance and improvements of the city's existing road system. This fund is tracked separately for budgeting and general ledger purposes but will be consolidated with the primary General Fund for annual financial reporting purposes.

DIVISION SUMMARY

The Streets division operates within the Public Works Department and maintains the road system in the city, including sidewalks, snowplowing, traffic controls, and pavement management. The division also oversees maintenance of the street light system.

PERFORMANCE MEASURES

Department/Division Objective: Maintain the city's streets at the lowest reasonable cost to taxpayers and the highest level of quality and efficiency.

Performance Measure	Actual FY 2023	Actual FY 2024	Actual FY 2025	Estimated FY 2026	Target FY 2027
Cut and T-patched water leaks	89	79	-	75	75
Out of compliance street signs replaced	238	236	-	275	275
Miles of Snow and Ice Removal	7,541	2,151	150	2,500	2,500
Potholes replaced	2,200	900	-	1,000	1,000

Roadways treated with chip seal (square feet)	871,813	505,830	430,197	500,000	550,000
Roadways treated with high density mineral bond (square feet)	1,040,312	839,329	368,715	375,000	375,000
Roadways treated with asphalt overlay	n/a	n/a	106,893	120,000	120,000

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

General Fund-Roads

FUND SUMMARY

The General Roads Fund accounts for transportation funding to be used for the repair, maintenance, operations, and improvements of existing city roads. This fund does not account for projects accounted for with impact fees which are accounted for in separate impact fee funds. This is a new fund for fiscal year beginning 2025-2026. It is maintained as a secondary general fund, similar to special revenues funds, for budgetary purposes but is consolidated with the primary general fund for financial statement reporting.

Municipal Building Authority Fund

FUND SUMMARY

The Municipal Building Authority fund was created to account for the activities of the City's Municipal Building Authority. The Authority was created to provide continuity between City Council changes. This method allows for small institutions to participate in financing. The City does not currently have any bonds outstanding issued by the Building Authority.

Fitness Center

FUND SUMMARY

The American Fork Fitness Center has been in operation since 1993, serving hundreds of thousands of patrons since that time. With over 290,000 unique visits each year, the Center is a heavily used facility. The facility is complete with an indoor/outdoor competition type swimming pool, seasonal leisure pool, indoor track, 3 racquetball courts, cardio 7 weight rooms, group fitness areas, multi-purpose rooms, locker rooms, and a host of other amenities. A full range of programming available at the Center includes, but is not limited to: Lap swimming, land & water fitness classes, swim team, day care, preschool, cycling classes, senior fit classes, itty bitty sports, personal training, karate, gymnastics, Jr. Ninja Warrior, and many others. The mission statement of the Fitness Center is "*Something for Everyone, Family * Fitness * Fun*."

PERFORMANCE MEASURES

Department/Division Objective: Ensure that American Fork City residents and non-residents are taking advantage of the American Fork Fitness Center recreation classes and facility.

PARC Tax Fund

FUND SUMMARY

The PARC tax fund collects and expends funds received from the City's Parks, Arts, Recreation, and Culture (PARC) sales and use tax option. The state of Utah allows cities to impose a sales and use tax for the purpose of enhancing public financial support of publicly owned and operated recreational and zoological facilities, and botanical, cultural, and zoological organizations owned or operated by institutions or private nonprofit organizations. The one-tenth of one percent sales tax collected by businesses within American Fork is accounted for in this fund, along with grants awarded by the City Council upon recommendation by the PARC tax board.

Celebration Fund

FUND SUMMARY

The Celebration fund was initially created to track the revenues and expenditures associated with the City's annual American Fork Steel Days celebration. In fiscal year 2018, the City entered into a contract with the American Fork Chamber of Commerce to run the majority of Steel Days events. The City now has a limited number of responsibilities regarding the yearly event.

RDA-East Side Redevelopment Agency Fund

FUND SUMMARY

The East Side RDA fund (also known as the East Main RDA fund) was created to account for the revenues and expenditures for the East Main RDA project area created December 1992. The goal of the East Main RDA project area is to incentivize the commercial and industrial development of several blocks along Main Street in American Fork where conditions of blight were determined to be present. The fund will continue to receive "haircut" monies until 2025.

RDA-Business Park Redevelopment Fund

FUND SUMMARY

The Business Park RDA fund (also known as the North Valley RDA fund) was created to account for the revenues and expenditures of the North Valley RDA Project Area created September 1987. The goal of the North Valley RDA project area is to incentivize the commercial and industrial development along I-15 in American Fork. The fund will receive tax increment revenue through fiscal year 2019, and haircut monies through fiscal year 2026.

EDA-Egg Farm Economic Development Area

FUND SUMMARY

The Egg Farm EDA Fund was created to account for the revenues and expenditures of the Egg Farm EDA project area created in September 2000. The goal of the Egg Farm EDA project area is to incentivize the commercial and industrial development of a former chicken farm in American Fork City. The fund will receive tax increment revenue through fiscal year 2028, depending on when minimum tax increment levels are reached. It is important to note that 20 percent of tax increment received must go towards affordable housing projects in the state of Utah.

CRA-Patriot Station Community Reinvestment Area

FUND SUMMARY

The Patriot Station CRA Project Area Plan was drafted in October 2018 to define the method and means of transit oriented development (TOD) around the vicinity of the American Fork FrontRunner Station. Future development within the Project Area includes proposed high and medium density multi-family housing and the creation of space for offices and commercial businesses, including numerous infrastructure and improvements to capture the vision and density of the anticipated transit oriented development.

BUDGET NOTES

Beginning in fiscal year 2025-2026, the Roads Capital Projects Fund was reallocated to the new secondary general fund titled "General Fund-Roads" and combined with streets opertations formerly reported in the primary general fund. This aims to provide transparency to view streets operations and improvements budgeted in one place. The General Funds-Roads Fund is tracked separately from the primary general fund for budgetary purposes, but will be consolidated the the primary fund for financial statement reporting purposes.

Park Impact Fees Fund

FUND SUMMARY

The Park Impact Fee Fund accounts for fees assessed to property developers for new land or park space that must be acquired to maintain the established park land level of service as a result of growth due to new property development. Each impact fee type is separated into its own fund for greater tracking and accountability.

Road Impact Fees Fund

FUND SUMMARY

The Road Impact Fee Fund accounts for fees assessed to property developers to reimburse the city for the cost of developing new system capacity that allows new development to occur and allows for transportation level of service to be maintained. Each impact fee type is separated into its own fund for greater tracking and accountability.

Fire Impact Fees Fund

FUND SUMMARY

The Fire Impact Fee Fund accounts for impact fees charged to new development to recover all or a portion of the costs of providing fire services to new development. Impact fees collected provide funding for essential public safety infrastructure needed by the City to handle the increase in calls that new growth will generate.

Perpetual Care Trust Fund

FUND SUMMARY

The Perpetual Care Trust Fund is a permanent fund used to hold and manage funds for the purpose of maintenance and upkeep of the City's cemetery. Revenues come from sales of graves and interest earnings. Interest earned on idle funds is transferred to the general fund to offset upkeep of the cemetery.

Sanitation & Recycling

FUND SUMMARY

The Sanitation and Recycling fund is used to account for sanitation and recycling services provided to City residents. These services are provided by an outside contractor. However, the fund is charged for expenses re-lated to billing customers for services provided, and administrative support of the fund.

Broadband Fund

FUND DESCRIPTION

The Broadband department is responsible for maintaining the remaining broadband system owned by the city. The Broadband fund operated in a deficit for a number of years, with the General Fund now subsidizing operations. The original broadband system was comprised of a residential network system that covered a large portion of the city. Over the past few years, the city has sold off major portions of the broadband system, including the residential internet section. The city is currently undertaking a feasibility study to determine future opportunities with the existing broadband infrastructure. The city has contractual obligations under lease agreements to maintain the system.

Building Maintenance Fund

FUND DESCRIPTION

The Building Maintenance Fund is an internal services fund and **is** used for the purpose of funding repair and maintenance of municipal buildings. This fund operates on a cost reimbursement basis by charging departments for building maintenance related to each various department.

DIVISION SUMMARY

The Building Maintenance division operates under the Community Services Department and has responsibility for the maintenance and upkeep of the City's buildings.

PERFORMANCE MEASURES

Department/Division Objective: Provide quality maintenance, repair, and operations to City buildings with a commitment to ensuring safe and reliable facilities for visitors and employees of the city.

Performance Measure	Actual FY 2023	Actual FY 2024	Actual FY 2025	Estimated FY 2026	Target FY 2027

Fleet Operations & Maintenance Fund

FUND SUMMARY

The Fleet Operations and Maintenance fund accounts for maintenance and repair of the City's vehicles. The fund includes expenditures for vehicle maintenance, repair, and fuel. Revenue for the fund comes from charges to the departments that receive services from the fund.

Fleet Capital Fund

FUND SUMMARY

The Fleet Capital fund accounts for the purchase and disposal of City vehicles. The fund includes not only the purchase of vehicles, but any associated lease payments on fleet vehicles.

Information Technology Fund

FUND SUMMARY

The Information technology department oversees and is responsible for all technology-related aspects of the City. The City's information technology contractor works with all departments of the City to provide IT services including networking services, computer needs, peripheral devices, telephones, network security, servers, troubleshooting and support, and software support. The information technology department is outsourced, but is overseen by the Broadband (Information Technology) department.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Capital Investments

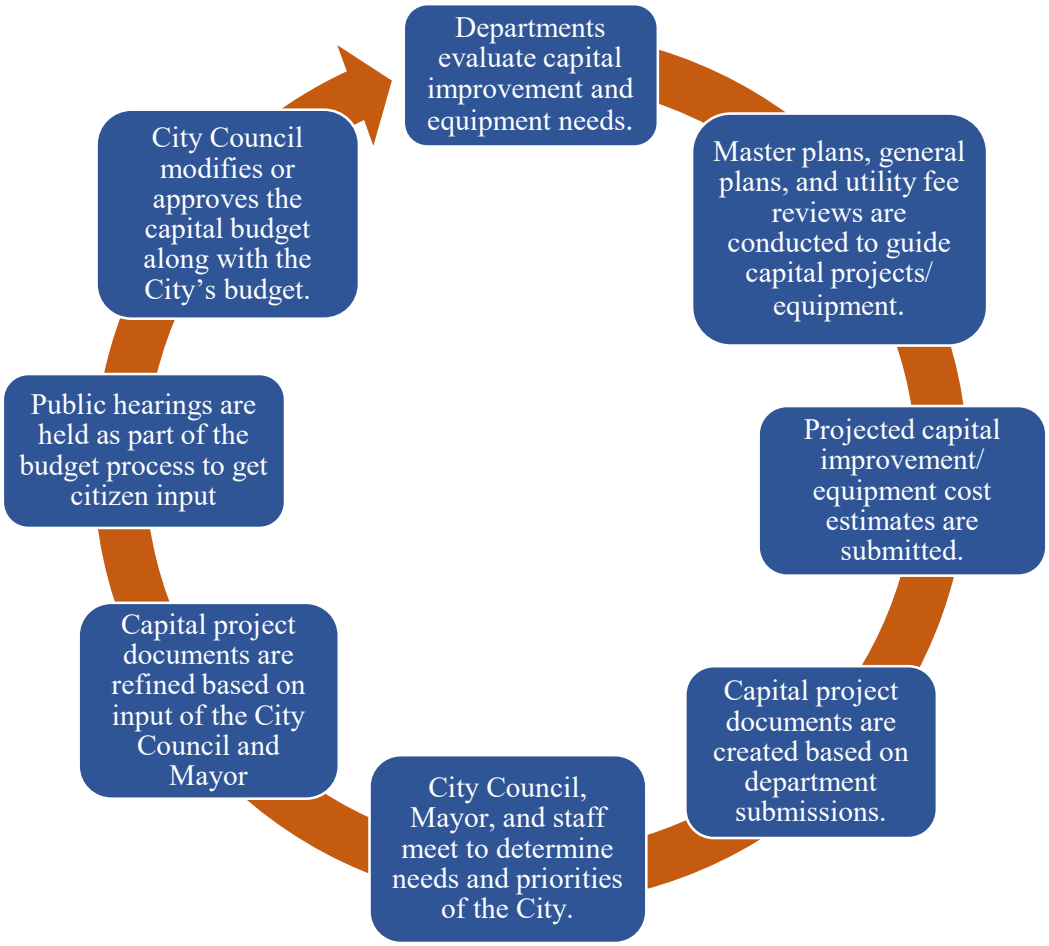
Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Capital Projects Overview

A capital project is a new construction, expansion, renovation, or replacement project for an existing facility or new facilities. It is a project that helps maintain or improve a city asset, often called infrastructure. The capital project section also includes major equipment purchases and leases. The capitalization threshold for City assets, both capital assets and equipment, is $5,000. As a general rule, the Capital Project funds include projects $50,000 or greater. However, the city has elected to include all equipment leases in capital equipment for greater accountability and tracking. In addition, multi-year projects under $50,000 may be included in the capital project funds to ensure funds are available in subsequent periods.

CAPITAL BUDGET PROCESS

The city views itself as primarily a service organization. As such, the city continually seeks a balance between maintaining operational needs and seeking remedies to cover expenses for needed infrastructure, aging fleet, and equipment. During the budget process, departments submit reasonable goals for capital requests that balance the need to purchase equipment or construct capital projects, while also being realistic about the city's ability to meet all requested capital needs with the available funding resources.



Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Capital Projects Overview

PLANS AND STUDIES

The following plans and studies guide the city in setting capital improvement/equipment budgets whether through funding options or through plans setting construction standard, sites, and projects. The city's plans and studies include:

Plan	Description
Transportation Element of the General Plan	Roadway element for automobile travel.
Bicycle and Pedestrian Element of the General Plan	Plan for all non-motorized transportation and public transit.
Main Street Vision	Vision study that is intended to be the foundation for city ordinances and policies to support the revitalization of the downtown area.
Water Systems Component of the General Plan	Master plan for culinary water and pressurized irrigation systems.
Sewer Systems Element of the General Plan	Master plan for sanitary sewer systems.
Storm Drain Element of the General Plan	Master plan for storm drain systems.
Parks, Trails, and Open Space Element of the General Plan	Defines the acceptable level of park and open space facilities in the city.
Land Use Element of the General Plan	Defines the city's plan for the acceptable land use patterns of the city and guides the city's zoning decisions.
Rate Studies	Analysis conducted to determine the correct user charges for City-provided services. This includes water, secondary irrigation, sewer, and storm drain.
Capital Facility Plans	Analysis outlining the capital facilities necessary to accommodate growth. This can be in the area of utilities, transportation, police, fire, or parks.
Impact Fee Studies	Analysis conducted to determine the amount of "impact" from new growth on existing or projected systems. Uses the Capital Facility Plan as a guide.
Regional Planning Documents	Planning documents provided by MAG (Mountainland Association of Governments) developed to provide a cohesive regional plan.

Priority capital projects and improvements are those that:

1. Have their own funding source.
2. Remedy safety issues.
3. Are necessary for the continuation of the city's core services.

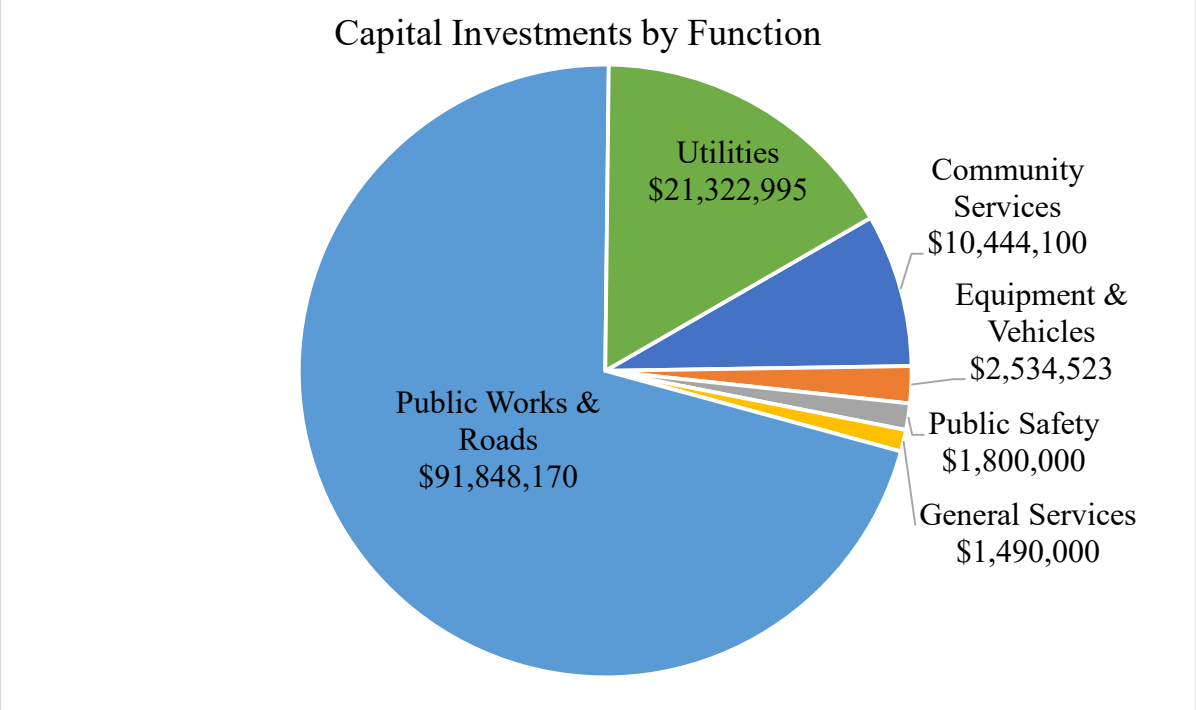
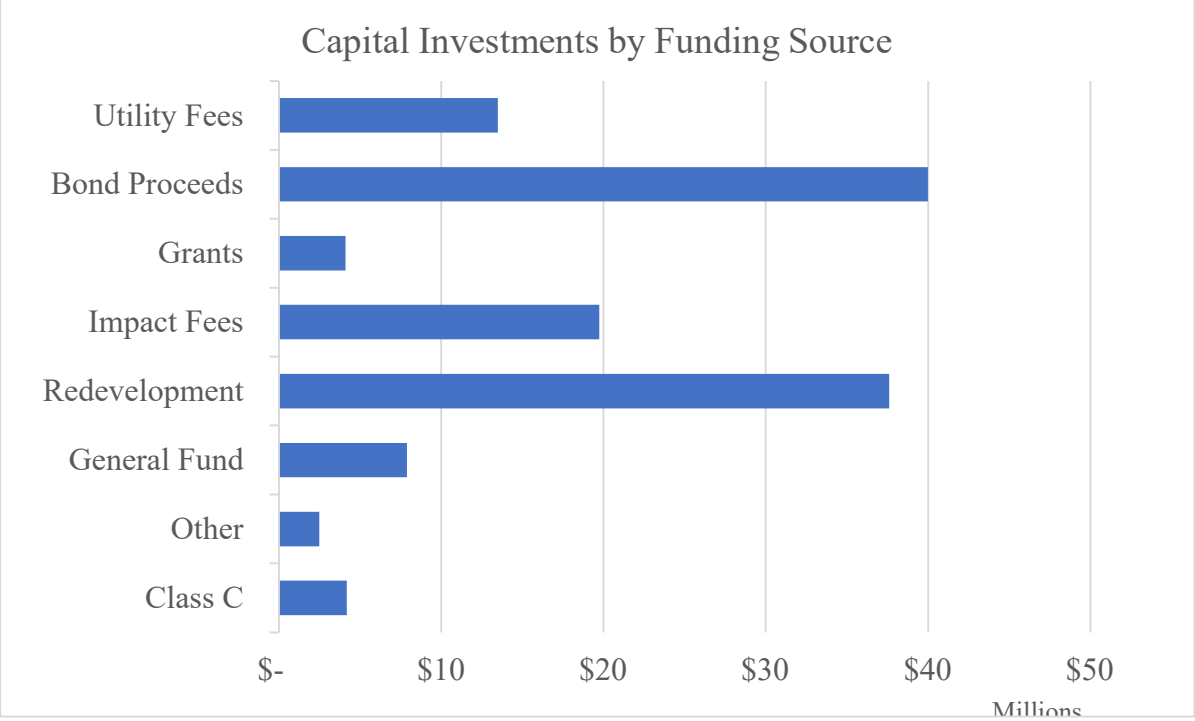
Capital Projects Overview

CAPITAL PROJECT FUNDING SOURCES AND USES

City-wide capital project funding is shown in the following table and graph:





Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Capital Projects Overview

FISCAL YEAR 2027 CAPITAL INVESTMENTS

Total capital projects and equipment proposed for fiscal year 2026-2027 total $126,905,265. Significant proposed projects are as follows:

- **200 South Road Rehabilitation - $33,086,768 –** This project will reconstruct the roadway between Mill Pond Road and I-15. Portions of 200 South by the Front Runner Station will also be widened to include two travel lanes in each direction. Phase 1 was completed in 2024 with a new roundabout at the intersection of 200 South and Frontage Road and road improvements to 570 West. Also included in the design is a multi-use trail extending from Mill Pond Road to I-15 and sidewalks along Frontage Road. Funding for this project has been secured through the Patriot Station Community Reinvestment Area.

- **Public Works Facility - $39,990,000 -** This project consists of the acquisition and construction of improvements to and expansion of the public works facility of the City. The Project will be constructed on the site of the existing public works facility and consists of an approximate 45,000 square foot administration building and approximately 36,000 square feet bay and equipment storage area. The site will be re-developed to include office space for City employees and public interface, equipment and material storage, workspace for repairs, and parking for the public and City employees. The expected completion date of the Project is the summer of 2028. The Building Authority issued the 2026 Lease Revenue Bonds to provide funding for this project.

- **Waterline Improvements - $7,072,217 –** Several sections of aging culinary water pipes will be replaced as part of larger a holistic infrastructure improvement plan. The majority of waterlines being replaced are located on 100 East between 700 North and 1120 North, 100 West between 100 North and 700 North, 200 West from 500 North to 990 North. These projects are funded with culinary water user fees.

- **Dixie Well - $7,120,000** - The new Dixie Well to be located on the southeast corner of 900 West and 620 South. Scope of the project includes locating source culinary water, drilling, and equipping the well with a pump and well house. This new well will provide culinary water to residents in the growing lakeside region of American Fork. This project is funded with culinary water impact fees.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Capital Projects Overview

- **Lakeview Park - $4,000,000** – The development and construction of this new park is located at 620 South and 600 West. Amenities may include walking trails, restroom, pavilions, playground, grass areas, pickleball courts, and a dog park and will serve residents living in higher density housing near the transit-oriented project area. This project is funded with park impact fees.

- **Fitness Center Improvements - $4,000,000 –** The fitness center, constructed in 1993, is in need of updates to this aging facility. Proposed improvements would include remodeling the restrooms for individual and ADA compliance changing rooms, aquatic repairs, and reworking spaces for weight rooms and gymnastics. The project is proposed to be funded with general fund reserves.

- **Annual Road Repair and Improvements - $3,985,000 –** Annual road maintenance and improvements allocation from Class C and Transportation Sales tax includes road improvements, chip seal, overlay, and sidewalk improvements through various parts of the city.

- **Lakeshore Drive Conneection- $3,720,000 –** Road connectivity was identified as a strategic goal for fiscal year 2027. The initial phase of the Lakeshore Drive project includes right of way acquisition and constructing 1.1 miles of 26 feet wide of asphalt into a three lane major collector road connecting the existing Lakeshore Drive to 1500 South. This project will be funded with road impact fee funds.

SIGNIFICANT CAPITAL PROJECT CHALLENGES

The City has identified several significant capital project issues that will affect the city in upcoming years:

- Insufficient funding for Road Repairs—Although the city has dedicated nearly $4 million in road repairs this year, continuing funding sources including transportation sales tax, Class C road funds, and discretionary property tax are deficient for the current needs. The city is leveraging funding for regional transportation plans as available to shorten the funding gap and will continue to strategically plan improvements to match the resources available making the best and most efficient use of funding.

- Funding for a Citywide Vehicle Replacement Program—Although the city has invested significant funding in fleet replacement in the last several years, fleet continues to rapidly age and requires increasing maintenance. In addition, mission critical services (such as Public Safety) rely on reliable vehicles. The city may use capital leases to update the city's fleet, however, future capital lease payments will be a future obligation to the city.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Capital Projects Overview

- City growth – The city is growing at a rapid pace with record numbers of permits issued in recent years. As the city faces build out, services are expanding, and staff are striving to keep up with demand while providing excellent quality services to its constituents. Staff is outgrowing city facilities in the fitness center, public safety, engineering/public works buildings, and park facilities and is strategically looking at expansion opportunities as part of the current budget's strategic goals.

Glossary

A

Accrual Basis of Accounting—A method of accounting in which revenues and expenditures are recognized at the time they are incurred, as opposed to when cash is received or spent.

ACFR—See Annual Comprehensive Annual Financial Report.

Actual–Used in the fund summaries and department and division summaries within the budget document, represents the actual costs results of operations.

Ad Valorem Tax—Taxes levied on both real and personal property according to the property's valuation and the tax rate. Also known as property tax.

Administrative Fees—Fees allocated to special revenue and proprietary funds to cover support costs incurred by general fund divisions.

Adopted—as used in the fund summaries and department and division summaries within the budget document, represents the budget as approved by the City Council.

Adopted Budget—The annual budget beginning July1 approved by the City Council that establishes the legal authority for the expenditure of funds in the fiscal year.

Allocation—The assignment of one or more items of cost or revenue to one or more segments of an organization according to benefits received, responsibilities, or other logical measures of use.

Annual Comprehensive Annual Financial Report (ACFR)—The audited annual report of the City's financial condition at the conclusion of the fiscal year.

Appropriation—Legal authorization granted by the City Council to make expenditures and incur obligations for specific purposes.

Assessed Valuation—A valuation set upon real estate or other property by the Utah County Assessor as a basis for levying property taxes.

Audit—A review performed by an independent certified public accountant to form an opinion regarding the legitimacy of transactions and internal controls.

B

Balanced Budget—A budget in which current revenues equal current expenditures. The state or local government may set the legal requirements for a balanced budget.

Basis of Budgeting—The city's budget is based on the modified accrual basis of accounting for its governmental and proprietary funds. (See modified accrual basis of accounting.)

Bond—A written promise to pay a specified sum of money, called the face value of principal, at a specified date or dates in the future, called maturity dates, together with periodic interest at a specified rate.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Glossary

Bond Proceeds—Funds received from the sale or issuance of bonds.

Bond Rating—A methodology used to measure the fiscal health of the city. Bonds rated AAA/Aaa are judged to be the best quality and carry the smallest degree of risk and, together with AA/Aa bonds, comprise high grade bonds. Ratings including "++" or "1" designate the strongest bonds in the rating category. Generally, highly rated bonds result in lower interest rates.

Bond Refinancing—The payoff and re-issuance of bonds to obtain better interest rates and/or bond conditions.

Bond Refunding—The redemption of a bond with proceeds received from issuing lower-cost debt obligations.

Budget—A financial plan consisting of an estimate of proposed expenditures and their purposes for a given period and the proposed means of financing them.

Budgetary Control—The control of management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of authorized appropriations and available revenues.

C

Call Date—Date on which a bond can be redeemed before maturity. Earliest date on which bonds can either be paid off or refinanced.

Capital Assets—Assets of significant value and having a useful life of several years.

Capital Carryovers—Any unspent appropriation for capital projects that are authorized by the City Council to be reappropriated in the following year.

Capital Equipment—Equipment with an expected life of more than one year, such as automobiles, computers, and furniture.

Capital Improvement Program—An annual, updated plan of capital expenditures for public facilities and infrastructure (buildings, streets, etc.), with estimated costs, sources of funding, and timing of work over a period of time.

Capital Outlay—Expenditures which result in the acquisition of capital assets.

Capital Project—Projects involving the purchase or construction of capital assets.

CDBG—See Community Development Block Grant.

Certified Tax Rate—The tax rate that would generate the same amount of revenue as the previous year plus any new growth.

CIP—See Capital Improvement Program.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Glossary

Charges for Services—A variety of fees charged by city agencies, generally categorized under parks, public safety, cemetery, public works, and public utilities.

Community Development Block Grant (CDBG)—The Housing and Community Development act of 1974 provides funds to cities and counties to develop urban communities and expand economic opportunities principally for low- and moderate-income persons.

Consolidated Budget—City budget that includes all funds—Governmental and proprietary.

Consumer Price Index (CPI)—A statistical description of price levels provided by the United States Department of Labor. The change in this index from year to year is used to measure the cost of living and economic inflation.

Contingency—An appropriation of funds to cover unforeseen expenditures which may occur during the budget year.

CPI—See Consumer Price Index.

D

Debt Service—The payment of principal, interest, and service charges (trustee fees) related to long-term debt.

Debt Service Fund—A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Deficit—An excess of expenditures or expenses over revenues.

Department—A major administrative division of the city that indicates overall management responsibility for an operation or group or related operations within a functional area.

Depreciation—Expiration in the service life of fixed assets, attributable to wear and tear, deterioration, action of the physical elements, inadequacy, and obsolescence.

Designated Fund Balance—The portion of a fund balance that has been set aside for a specific purpose by the City Council.

Division—A subsection within a department that provides specific services.

E

Encumbrances—Obligations or commitments in the form of purchase orders or contracts, the expenditure/expense of which has not yet occurred.

Enterprise Fund—A fund established to account for operations that are financed and operated in a manner similar to private business enterprises—the services are predominantly self-supported by user charges. Examples are water and sanitation.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Glossary

Expenditure—The actual spending of governmental funds set aside by appropriation.

Expense—The actual spending of proprietary funds set aside by an appropriation.

F

Fiscal Year—The twelve-month period of time to which a budget applies. American Fork City's fiscal year is July 1 through June 30.

Franchise Tax—A tax levied at the state level against businesses and partnerships chartered within the state. American Fork charges a 6% franchise tax for electrical and natural gas utilities.

FTE—See Full Time Equivalent.

Full-Time Equivalent—The hourly equivalent of a full-time employee. An FTE can be made up either one full-time employee or two or more part-time employees whose total hours equal 2,080 per year (2,766 for firefighters).

Fund—A fiscal or accounting entity with a self-balancing set of accounts established for the purpose of carrying out specific activities in accordance with clearly defined restrictions and/or limitations.

Fund Balance—The difference between a fund's assets and its liabilities.

Funding Source—Source of money pledged to pay principal and interest.

G

GAAP—See Generally Accepted Accounting Principles.

GASB—See Governmental Accounting Standards Board.

General Fund—The primary fund of the City used to account for all financial resources except those identified for special purposes or required to be accounted for in another fund.

General Obligation bonds—Bonds used for various purposes and repaid by the regular revenue raising powers of the City.

Generally Accepted Accounting Principles (GAAP)—Uniform minimum standards for financial accounting and reporting.

Governmental Accounting Standards Board (GASB)—The group that develops standardized reporting for governmental entities.

Governmental Funds—Account for most governmental functions. Governmental Funds include the General Fund, Special Revenue Funds, and Capital Project Funds.

Grant—Contributions, gifts, or assets from another government entity to be used or expended for a specific purpose, activity, or facility.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Glossary

H

Haircut Provision—Utah code related to redevelopment areas that allows portions of tax increment to be allocated and spent toward recreational purposes.

I

Impact Fees—Fees used to offset the additional burden on City infrastructure caused by new development within the City. The fees are collected and accounted for separately to be used for projects relating to the impact of the additional development.

Infrastructure—Facilities or assets on which the continuance and growth of a community depend, such as streets, waterlines, etc.

Interfund Transfers—Monies transferred from one fund to another to either finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

Intergovernmental Revenue—Money collected by one level of government and distributed to another level of government.

Internal Service Funds— Established to account for the financing, on a cost-reimbursement basis, of commodities or services provided by one program for the benefit of other programs within the city. The city maintains two Internal Service Funds to account for Fleet and Information Technology.

L

Long-Term Debt—Debt with a maturity of more than one year after the date of issuance.

Licenses and Permits— Fees imposed on construction-related activities and for the acquisition of other nonbusiness permits.

M

Maturity—The date on which the principal or stated values of investments or debt obligations are due and may be reclaimed.

Merit/Wage Compression Increase—Typically government employers recognize performance and increased experience with annual merit increases. Unlike most other government employers, however, American Fork has an open range rather than a step plan. In a step plan, the annual percentage is preset. In an open range it is not. During an economic downturn, employees may not receive merit wage increases, leading to issues with where employees are in their range relative to years of experience and other employees doing the same job function. Compression increases are sometimes needed to adjust individual employees within their range.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Glossary

Modified Accrual Basis of Accounting—A method of accounting in which revenues are recognized in the period in which they become available and measurable and expenditures are recognized at a time a liability is incurred.

Motor Vehicle Fee—Fee imposed on passenger cars, light trucks, sport utility vehicles, vans, motorcycles, and recreational vehicles and due at time of registration.

O

Operating Expenditures—The cost for materials and equipment required for a department to perform its functions.

Operating Revenues—Funds received by the City as income to pay for ongoing operations.

Ordinance—A formal legislative enactment by the City Council. It has the full force and effect of law within City boundaries unless preempted by a higher form of law. An ordinance has a higher legal standing than a resolution.

P

Performance Indicator—A performance indicator is a measurement designed by a reasoning process to determine whether or not a service objective has been met. It measures the effectiveness of achieving the objective or how well the objective has been accomplished.

Performance Measure—Data collected to determine how effective or efficient a program is in achieving its objectives.

Personnel Services—Include the salaries and wages paid to employees plus the City's contribution for fringe benefits such as retirement, social security, health, and workers' compensation insurance.

Property Tax—An ad valorem (according to value) tax based on the fair market value of real property (land and buildings) and personal property (business equipment). Fair market value is determined by Utah County as of January 1 of each year.

R

RDA—See Redevelopment Agency.

Redevelopment Agency—A separate entity established to revitalize blighted and economically depressed areas of a community and to promote economic growth.

Reserve—A portion of a fund balance which has been legally segregated for a specific use and is, therefore, not available for further appropriation or expenditure.

Resolution—A special order of the City Council that requires less legal formality and has a lower legal standing than an ordinance.

Attachment: FY 2027 Interim Budget (Adoption of Final Budget for Fiscal Year 2026-2027)

Glossary

Revenues—Sources of income such as taxes used to finance the operation of government.

Revenue Bonds—Payable from specified revenues such as sales tax or user fees.

S

Sales Tax—7.25% tax imposed on taxable sales on all final goods. American Fork receives part of the 6.85% sales tax charged in American Fork City.

Special Assessment—A tax on property owners who receive a benefit not received by all other taxpayers.

Special Revenue Fund—Fund used to account for specific revenue sources that are legally restricted to be spent for specified purposes. Examples are fitness center and redevelopment agencies.

T

Tax Base—The total taxable value of property within the local government's legal boundaries.

Tax Increment—Property tax that is collected as a result of increased valuation within an RDA area.

Tax Rate—The amount of tax levied for each $1000 of assessed valuation.

Taxable Value—The assessed value of property less exemptions.

Taxes—Compulsory charges levied by a government for the purpose of financing services for the common benefit of the people.

Tentative Budget—A preliminary budget created for review of Mayor and Council in the first meeting in May of each year. It is to be available for public inspection 10 days before the final adoption of the budget.

Transfers—Legally authorized intra-city transfers of appropriations from one City fund to another City fund. Revenues and expenditures are accounted for in both funds.

Truth in Taxation—Legal requirement for Utah cities to hold public hearings in the event the City chooses to adopt a tax rate higher than the certified tax rate.

U

User Fees—The payment of a fee for direct receipt of a public service by the party benefitting from the service.

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Public Works **Director Approval** *Sam Kelly*

AGENDA ITEM Review and action on the CDBG Subrecipient Agreement for American Fork City Culinary Waterline Improvements for the CDBG 11 King Street Project

SUMMARY RECOMMENDATION Staff recommends approval of the CDBG Subrecipient Agreement for American Fork City Culinary Waterline Improvements - CDBG 11 King Street.

BACKGROUND
American Fork City has been awarded a $420,000 Community Development Block Grant (CDBG) for the replacement of water lines on King Street between 100 North and 500 East. The grant requires a 50% local match, and the City has budgeted $448,850 to fulfill its matching obligation.

To access the grant funding, CDBG requires the City to execute a Subrecipient Agreement prior to the commencement of project work. The agreement has been approved and signed by the County Commissioners, and a copy of the County-approved agreement is included in the Council packet for review.

BUDGET IMPACT This project is included in the FY2026 budget.

SUGGESTED MOTION Mr. Mayor, I move to approve the CDBG Subrecipient Agreement for American Fork City Culinary Waterline Improvements - CDBG 11 as presented and authorize the City to sign the attached agreement.

Utah County, Utah

SUBRECIPIENT AGREEMENT BETWEEN
Utah County AND
American Fork City FOR
Community Development Block Grant (CDBG) Program

THIS AGREEMENT, effective upon the execution thereof, by and between Utah County, a body politic and subdivision of the State of Utah (herein called the "County" or the "Grantee") and American Fork City, a political subdivision of the state of Utah (herein called "Subrecipient").

WHEREAS, the U.S. Department of Housing and Urban Development ("HUD") has awarded Community Development Block Grant ("CDBG") funds to the Grantee for activities authorized under Title 1 of the Housing and Community Development Act of 1974, as amended, and described in the Grantee's Action Plan; and

WHEREAS, the Grantee wishes to engage the Subrecipient to assist the Grantee in utilizing such funds to carry out a part of the Grantee's Federal award by providing the services set forth in this Subrecipient Agreement (the "Agreement"); and

WHEREAS, the CDBG funds made available for use by the subrecipient under this Agreement constitute a subaward of the Grantee's Federal award, the use of which must be in accordance with requirements imposed by Federal statutes, regulations, and the terms and conditions of the Grantee's Federal award; and

WHEREAS, the Subrecipient has legal authority to enter into this agreement, and by signing this agreement, assures the Grantee that it will comply with all the requirements of the subaward described herein; and

NOW, THEREFORE, it is agreed between the parties hereto that;

I. GENERAL AWARD INFORMATION

A. Key Federal Terms

- **Federal Award Identification Number**: B-25-UC-49-0003
- **ALN # & Name**: 14.218 Community Development Block Grant (CDBG)
- **Federal Award Date**: April 17, 2025

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

B. Key Subaward Terms

- **Project Description**: American Fork King Street
- **Subrecipient's Unique Entity Identifier**: ZDZ6NJW2D9D3
- **Subaward Period of Performance**: July 1, 2026, to June 30, 2027
- **Total Amount of Federal Funds Obligated**: $420,000.00

II. SCOPE OF SERVICE

A. Eligible Use of Funds

The Subrecipient will be responsible for administering a Community Development Block Grant (CDBG) program as described below in a manner satisfactory to the Grantee and consistent with any standards required as a condition of providing these funds. Such program will include the following activities eligible under the program:

Program Delivery

Activity #1 This project will be to conduct replacement of iron and galvanized municipal water lines and their related components to maintain full function of the water system. The work will include (but is not limited to) replacement of water lines, service laterals, isolation valves, and fire hydrants, along with repair/replacement of drainage, roadway, and sidewalk deficiencies in the same area which will also help with ADA compliance. Additional work will include (but is not limited to) traffic control, surveying, excavation, relocation of power poles, and other necessary items to meet compliance, code, health, and safety for the workers on-site and the community using the facilities in the area. The work will take place along King Street in American Fork, UT in an LMI neighborhood.

Clientele Eligibility

Beneficiaries' income and residence verification must demonstrate that at least 51% are income and location eligible.

General Administration

The County will provide technical assistance to the Subrecipient as needed to ensure CDBG regulatory compliance. Applicable regulations include: 24 CFR 570.201 and 2 CFR 200.

Prohibited Activities

The Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

B. National Objectives

All activities funded with CDBG funds must meet one of the CDBG program's National Objectives. The Subrecipient warrants that the activities carried out under this Agreement will meet the following objectives.

- **CFR Eligibility Citation:** 570.201(e): Infrastructure/Public Facilities
- **CFR National Objective:** 570.208(a)(1): Low/Mod Area Benefit
- **IDIS Matrix Code:** 03J – Water/Sewer Improvements
- **IDIS National Objective:** Low-Moderate Area
- **IDIS Accomplishment Type:** 01 – People

C. Levels of Accomplishment – Goals and Performance Measures

The Subrecipient agrees to provide the following levels of program services. The Subrecipient shall make every effort to achieve the goals as listed below and shall report on the outcomes in accordance with Section III.

Activity	Total Units per Year	Type of Unit
Activity #1	19	People

D. Staffing

The Subrecipient shall designate an individual responsible for carrying out the contracted program, including coordination with County CDBG Administration Staff. The Subrecipient shall further designate one or more individuals authorized to sign payment requests under this Agreement. The names and signatures of these individuals shall be provided to the County and maintained in the Subrecipient's and County's program files.

The County shall designate an individual as County Contact to be responsible for administration of this Agreement. The name of such designated individual shall be provided to the Subrecipient.

Any changes in the Key Personnel assigned or their general responsibilities under this project are subject to the prior approval of the Grantee.

E. Special Conditions

None

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

III. PERFORMANCE MONITORING & REPORTING

A. Monitoring

The Grantee will monitor the performance of the Subrecipient against goals and performance standards as stated above. Substandard performance as determined by the Grantee will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Grantee, the Grantee may initiate suspension or termination of this Agreement in accordance with its terms.

B. Reporting

The Subrecipient shall submit regular MONTHLY reports to the Grantee on forms provided by or approved by the Grantee. Reports are due by the 15th of the month. A final report describing program achievements, a comparison to objectives and discussion of problems and solutions, shall be submitted within 30 days of the end of the Agreement. Reports shall cover the program period to date. The initial report will be due the month following execution of this agreement.

Required reports are:

- Statistical (showing income and racial demographics)
- Narrative (describing accomplishments/challenges)
- Reimbursement requests
- All applicable time and effort documentation for staff time billed and other supporting documentation related to reimbursement request

IV. EFFECTIVE DATE, PERIOD OF PERFORMANCE, PRE-AWARD COSTS AND TERM OF AGREEMENT

A. Effective Date of Agreement

The effective date of the grant agreement is the period of performance start date or the date that the agreement is executed, whichever is later.

B. Period of Performance

The period of performance for Subrecipient, meaning the time during which the Subrecipient may be eligible to incur new obligations to carry out activities under this agreement is the 1st day of July 2026 through the 30th day of June 2027.

C. Pre-Award Costs

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

The County authorizes the Subrecipient to incur costs for activities undertaken in accordance with this Agreement prior to the effective date of this Agreement, including pre-award costs incurred in compliance with 24 CFR section 570.200(h)(1).

By incurring pre-award costs, the Subrecipient acknowledges that no funds can be disbursed until the County and HUD have received a fully executed grant agreement and verified that the pre-award costs were incurred in accordance with the terms and conditions of the grant agreement. If no grant agreement is executed or the pre-award costs were incurred in violation of the grant agreement, the Subrecipient is wholly responsible to pay all debts incurred with no reimbursement from the County or HUD.

D. Term of Agreement

The term of this Agreement may be extended should additional time for auditing this project be required, in accordance with the law. In this event, this Agreement shall be deemed automatically extended until the audit is complete. The term of this Agreement and the provisions herein shall be extended to cover any additional time period during which the Subrecipient remains in control of CDBG funds or other CDBG assets, including program income.

The Subrecipient understands and agrees that there is no representation, implication, or understanding that the services provided by the Subrecipient under this Agreement will be purchased by the County under a new Agreement following expiration or termination of this Agreement and waives all rights or claims to notice respecting any failure to continue purchase of all or any such services from Subrecipient.

V. BUDGET

A. Budget Table

Funding Sources:

CDBG: $420,000

Local funds: $420,000

Expenses:

Construction: $420,000

Indirect Costs: As allowed under 2 CFR 200 guidelines.

In addition, the Grantee may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the Grantee. Any amendments to the budget must be approved in writing by both the Grantee and the Subrecipient.

B. Budget Revisions

The Subrecipient has the flexibility to spend ten (10) percent above or below budgeted line items without a budget adjustment as long as the total amount does not exceed the Agreement amount.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

Once the Line-Item Budget has been approved through the execution of this Agreement, there can be no more than four (4) requests for adjustments to budget line-item amounts during the Agreement period, including any final adjustments done at the end of the Agreement Term, including any final adjustments done at the end of project completion.

Budget adjustments (i.e. those adjustments which do not alter (1) the basic scope of services or other performance to be provided under this Agreement, or (2) the total amount of money allocated hereunder) may be made upon mutual agreement between the parties and shall only be valid when reduced in writing and approved and signed by the Subrecipient and the Grantee.

C. Unexpended Funds

Any unexpended or unobligated funds remaining as of the end of the Agreement Term shall be returned to the Grantee unless approval to extend the Agreement is authorized by the Grantee prior to the expiration of the Agreement in accordance with Section VIII: Amendment, Termination & Disputes.

VI. PROGRAM INCOME & INDIRECT COSTS

A. Program Income

For CDBG-funded projects, the Subrecipient shall comply with provisions of 24 CFR 570.500(a) and 570.504(c) regarding program income. Program income is defined by HUD as the gross income received by a subrecipient directly generated from the use of CDBG funds. Program income includes, but is not limited to, the following: 1) proceeds from the disposition by sale or long-term lease of real property purchased or improved with CDBG funds; 2) proceeds from the disposition of equipment purchased with CDBG funds; 3) gross income from the use or rental of real or personal property acquired by a Subrecipient with CDBG funds, less costs incidental to generation of income; 4) gross income from the use or rental of real or personal property acquired by a Subrecipient with CDBG funds, less costs incidental to generation of income; 5) payments of principal and interest on loans made using CDBG funds; 6) proceeds from the sale of loans made with CDBG funds; 7) proceeds from sale or obligations secured by loans made with CDBG funds; 8) interest earned on program income pending its disposition; and 9) funds collected through special assessments made against properties owned and occupied by households not of low- and moderate-income, where the assessments are used to recover all or part of the CDBG portion of a public improvement.

The Subrecipient shall record the receipt and expenditure of program income. The Subrecipient shall submit program income reports with invoices quarterly, no later than 15 days after each claim quarter for which program income is collected or held by the Subrecipient.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

Program income may only be used for activities described in Section II: Scope of Service. Any program income received by the Subrecipient prior to grant close-out shall be used before additional reimbursements are made for the same activity. Transfers of funds by the County to the Subrecipient shall be adjusted to meet this requirement if program income has been received.

Any program income on hand when the Agreement expires, or received after the Agreement's expiration, shall be paid to the County according to the Reversion of Assets Provisions described in 24 CFR 570.503(b)(8).

This activity is not expected to generate program income.

B. Indirect Costs

If indirect costs are charged, the Subrecipient will develop an indirect cost allocation plan for determining the appropriate Subrecipient's share of administrative costs and shall submit such plan to the Grantee for approval, in a form specified by the Grantee. Indirect costs must be done under a cost allocation plan prepared in accordance with 2 CFR Part 200, Subpart E.
A subrecipient without a federally approved indirect cost allocation plan may use the de minimis procedure, as provided in 2 CFR 200.

VII. PAYMENT

A. General Terms

It is expressly agreed and understood that the total amount to be paid by the Grantee under this Agreement shall not exceed $420,000.00.

Drawdowns for the payment of eligible expenses shall be made against the line-item budgets specified in Section V: Budget herein and in accordance with performance. Grantee will not pay expenses for general administration unless pre-identified in a specific line item.

Payments may be contingent upon certification of the Subrecipient's financial management system in accordance with the standards specified in 2 CFR 200.

The Grantee will pay the Subrecipient funds available under this Agreement based upon information submitted by the Subrecipient and consistent with any approved budget and Grantee policy concerning payments. With the exception of certain advances, payments will be made for eligible expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. Payments will be adjusted by the Grantee in accordance with advance fund and program income balances available in Subrecipient accounts. The Grantee reserves the right to liquidate funds available in the Subrecipient accounts. In addition, the Grantee reserves the right to liquidate funds available under this Agreement for costs incurred by the Grantee on behalf of the Subrecipient.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

The Grantee shall reimburse the Subrecipient its allowable costs for the services identified in this Agreement not to exceed the award Amount upon presentation of properly executed reimbursement forms as provided by and approved by the Grantee. Such reimbursement shall constitute full and complete payment by the Grantee under this Agreement. Allowable costs shall mean those necessary and proper costs identified in the Subrecipient's application and budget and approved by the Grantee unless any or all such costs are disallowed by the State of Utah or HUD.

Any reimbursement made under this Agreement must comply with the applicable requirements of 2 CFR 200. The Subrecipient may not request disbursement of funds under this Agreement until the funds have been paid to cover allowable costs.

B. Payment Terms

Reimbursement requests are due the 15th of the month and must be submitted by email, mail, or hand delivered to the County. **The first payment request/report is due the month following execution of agreement.** Payments shall be made upon receipt of completed reimbursement requests that include all relevant invoice documentation. All invoices shall be supported with signed and dated documentation such as bills, receipts, invoices, payroll records and time sheets. Reimbursement payments shall be made within 30 days of receipt of all documents. The County may require proof of payment such as copies of cancelled checks.

C. Improper Payments

In the event that the Grantee or HUD determines that any funds were expended by the Subrecipient for unauthorized or ineligible purposes or the expenditures constitute disallowed costs in any other way, the Grantee or HUD may order repayment of the same. The Subrecipient shall remit the disallowed amount to the Grantee within thirty (30) days of written notice of the disallowance.

- The Subrecipient agrees that funds determined by the Grantee to be surplus upon completion of the Agreement will be subject to cancellation by the Grantee.
- The Subrecipient agrees that upon expiration of this Agreement, the Subrecipient shall transfer to the Grantee any CDBG funds on hand at the time of the expiration and any accounts receivable attributable to the use of CDBG funds.
- The Grantee shall be relieved of any obligation for payments if funds allocated to the Grantee cease to be available for any cause other than misfeasance of the Grantee itself.
- The Grantee reserves the right to withhold payments pending timely delivery of program reports or documents as may be required under this Agreement.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

VIII. AMENDMENT, TERMINATION & DISPUTES

A. Amendment

The Grantee or Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization. Major changes, including the scope of work, performance measures or any increase or decrease in the amount of the Subrecipient's compensation shall be approved by the County Commission and signed by the County Administrator or Commission Chair on behalf of the County. Such amendments shall not invalidate this Agreement, nor relieve or release the Grantee or Subrecipient from its obligations under this Agreement.

The Grantee may, in its discretion, amend this Agreement to conform with Federal, State or local governmental guidelines, policies and available funding amounts, or for other reasons required by law. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantee and Subrecipient.

Minor changes to the scope of work, budget line items, timing, reporting, or performance measures may be approved by the County Administrator on behalf of the County.

B. Suspension or Termination

In accordance with 2 CFR 200.338, the Grantee may suspend or terminate this Agreement if the Subrecipient materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

- Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may become applicable at any time;
- Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement;
- Ineffective or improper use of funds provided under this Agreement; or
- Submission by the Subrecipient to the Grantee reports that are incorrect or incomplete in any material respect.

In accordance with 2 CFR 200.339, this Agreement may also be terminated for convenience by either the Grantee or Subrecipient, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the Grantee determines that the

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

remaining portion of the award will not accomplish the purpose for which the award was made, the Grantee may terminate the award in its entirety.

C. Disputes

Disagreements between the County and the Subrecipient concerning the meaning, requirements, or performance of this Agreement shall be subject to final determination in writing by the County or in accordance with the applicable procedures (if any) required by the State or Federal Government.

IX. NOTICES

Notices required by this Agreement shall be in writing and delivered via mail (postage prepaid), commercial courier, or personal delivery or sent by facsimile or other electronic means. Any notice delivered or sent in compliance with this paragraph shall be effective on the date of delivery or sending. All notices and other written communications under this Agreement shall be addressed to the individuals in the capacities indicated below, unless otherwise modified by subsequent written notice.

Communication and details concerning this Agreement shall be directed to the following representatives:

Grantee	Recipient
Utah County, CDD	American Fork City
Philip Keeve	JJ Hsu
51 S. University Ave., #117	275 E 200 N
Provo, UT 84601	American Fork, UT 84003

801-851-8356	801-763-3060

X. PROCUREMENT AND ASSETS

A. Procurement

The Subrecipient shall comply with current Grantee policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the Grantee upon termination of this Agreement.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

1. OMB Standards

   Unless specified otherwise within this agreement, the Subrecipient shall procure all materials, property, or services in accordance with the requirements of 2 CFR 200.303.

2. Travel

   The Subrecipient shall obtain written approval from the Grantee for any travel budgeted outside Utah County area with funds provided under this Agreement.

B. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 2 CFR 200 and 24 CFR 570.502, 570.503, and 570.504, as applicable, which include but are not limited to the following:

1. Cash and Receivables

   The Subrecipient shall transfer to the Grantee any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.

2. Real Property

   Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of $25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five years after expiration of this Agreement. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition or improvement of the property. Such payment shall constitute program income to the Grantee. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period, with approval of the county.

3. Equipment

   In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to the funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the CDBG program or (b) retained after compensating the Grantee [an

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment]. Typically purchase of equipment is disallowed with CDBG funds.

XI. UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES AND AUDIT REQUIREMENTS

A. Single Audit

The Subrecipient must be audited as required by 2 CFR part 200, subpart F when it is expected that the Subrecipient's Federal awards expended during the respective fiscal year equaled or exceeded the threshold set forth in 2 CFR part 200.501 Audit Requirements. The current threshold is $1,000,000 or more in Federal awards in a fiscal year to have a single or program-specific audit conducted for that fiscal year.

If required by 2 CFR Part 200, the Subrecipient shall arrange for annual, agency-wide audits conducted by an independent certified public accountant and carried out within six (6) months from the end of each Agreement Year. If the Subrecipient's fiscal year ends during the term of this Agreement, the audits may cover the Subrecipient's fiscal year provided the audit period includes at least six (6) months of this Agreement period.

A copy of the audit with and accompanying management letter shall be submitted annually to the County within two (2) weeks of the date of the audit report. The audit shall include, at a minimum, assurances that: 1) financial statements present fairly the financial position of the Subrecipient; 2) costs charged the Grantee are appropriate; and 3) the Subrecipient is complying with conditions of the Agreement.

B. Inspections and Monitoring Audit

The Subrecipient shall permit the Grantee and auditors to have access to the Subrecipient's records and financial statements as necessary for the Grantee to meet the requirements of 2 CFR part 200.

The Subrecipient must submit to monitoring of its activities by the Grantee as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of this agreement. This monitoring review must include: (1) reviewing financial and performance reports required by the Grantee; (2) following up and ensuring that the Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the Subrecipient from the Grantee detected through audits, on-site reviews, and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to the Subrecipient from the Grantee as required by 2 CFR §200.521.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

C. Corrective Actions

The Grantee may issue management decisions and may consider taking enforcement actions if noncompliance is detected during audits. The Grantee may require the Subrecipient to take timely and appropriate action on all deficiencies pertaining to the Federal award provided to the subrecipient from the pass-through entity detected through audits, on-site reviews, and other means. In response to audit deficiencies or other findings of noncompliance with this agreement, Grantee may impose additional conditions on the use of the CDBG funds to ensure future compliance, or provide training and technical assistance as needed, to correct noncompliance.

D. Subrecipient Subcontractor Audits

The Subrecipient is responsible for either including subcontractors within its own annual audit or assuring that separate independent audits are conducted and submitted to the Grantee for each subcontractor.

E. Cost Principles

Costs incurred, whether charged on a direct or an indirect basis, must be in conformance with 2 CFR part 200, subpart E. All items of cost listed in 2 CFR part 200, subpart E, that require prior Federal agency approval are allowable without prior approval of HUD to the extent they comply with the general policies and principles stated in 2 CFR part 200, subpart E and are otherwise eligible under this agreement, except for the following:

- Depreciation methods for fixed assets shall not be changed without the approval of the Federal agency.
- Fines penalties, damages, and other settlements are unallowable costs to the CDBG program.
- Costs of housing (e.g., depreciation, maintenance, utilities, furnishings, rent), housing allowances and personal living expenses (goods or services for personal use) regardless of whether reported as taxable income to the employees (2 CFR 200.445);
- Organization costs (2 CFR 200.455); and
- Pre-Award Costs, as limited by this agreement.

F. Financial Management

The Subrecipient agrees to comply with 2 CFR Part 200, subpart D, which covers Standards for Financial and Program Management, and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

XII. RECORD KEEPING, DOCUMENTATION AND RETENTION

A. Records to be Maintained

The Subrecipient shall maintain all records required by the Federal regulations specified in 24 CFR 570.506, that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

- Records providing a full description of each activity undertaken;
- Records demonstrating that each activity undertaken meets one of the National Objectives of the CDBG program;
- Records required to determine the eligibility of activities;
- Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
- Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
- Financial records as required by 24 CFR 570.502, and 2 CFR 200.334, whichever is most restrictive; and
- Other records necessary to document compliance with Subpart K of 24 CFR Part 570.

B. Documentation of Costs and Other Financial Reporting

All costs shall be supported by properly executed payrolls, time records, invoices, vouchers or other official documentation, as evidence of the nature and propriety of the charges. All accounting documents pertaining in whole or in part to this Agreement shall be clearly identified and readily accessible, and upon reasonable notice, the County and HUD shall have the right to audit the records of the Subrecipient as they relate to the Agreement and the activities and services described herein.

The Subrecipient shall also:

- Maintain an effective system of internal fiscal control and accountability for all CDBG funds and property acquired or improved with CDBG funds and make sure the same are used solely for authorized purposes.
- Keep a continuing record of all disbursements by date, check number, amount, vendor, description of items purchased and line item from which the money was expended, as reflected in the Subrecipient's accounting records.
- Maintain payroll, financial, and expense reimbursement records for a period of four (4) years after final payment and all other pending matters are closed under this Agreement.
- Permit inspection and audit of its records with respect to all matters authorized by this Agreement by representatives of the Grantee or HUD at any time during normal business hours and as often as necessary.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

- Inform the Grantee concerning any funds allocated to the Subrecipient that the Subrecipient anticipates will not be expended during the term of this Agreement and permit the reassignment of the same by the Grantee to other Subrecipients.
- Repay the Grantee any funds in its possession at the time of the termination of this Agreement that may be due to the Grantee or HUD.
- Maintain complete records concerning the receipt and use of all program income. Program income shall be reported on a quarterly basis of forms provided by the Grantee.

C. Retention

The Subrecipient shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of four (4) years. The retention period begins on the date of the submission of the Grantee's annual performance and evaluation report to HUD in which the activities assisted under the Agreement are reported on for the final time. Notwithstanding the above, if there is litigation, claims, audits, negotiations for other actions that involve any of the records cited and that have started before the expiration of the four-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the four-year period, whichever occurs later.

1. Client Data

Subject to the requirements of Utah Public Records Law all client information, including lists of persons receiving services obtained by the Subrecipient in the performance Agreement, shall be considered confidential and not divulged for any purpose not directly connected with the administration of the Agreement or monitoring and evaluation by the County.

The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not limited to, client name, address, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to Grantee monitors or their designees for review upon request. Nothing, however, prohibits the disclosure of information summaries, statistical, or other forms, which do not identify particular individuals.

2. Disclosure

The Subrecipient understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the Grantee's or Subrecipient's responsibilities with respect to services provided under this Agreement, is prohibited unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

XIII. CLOSE-OUTS

Upon termination of this Agreement, in whole or in part for any reason including completion of the project, the parties will take at least the following actions:

- Upon written request by the Subrecipient, the Grantee shall make or arrange for payments to the Subrecipient of allowable reimbursable costs not covered by previous payments;
- Disposition of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee);
- The Subrecipient shall submit within thirty (30) days after the date of expiration of this Agreement, all financial performance and other reports required by this Agreement, and in addition will cooperate in a program audit by the Grantee or its designee;
- Determination of the custodianship of records;
- Close out of funds will not occur unless all requirements of 24 CFR 92.507 are met and all outstanding issues with the Subrecipient have been resolved to the satisfaction of the Grantee.

The Subrecipient's obligation to the Grantee shall not end until all close-out requirements are completed. Notwithstanding the foregoing, the terms of the Agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

XIV. OTHER REQUIREMENTS TO COMPLY WITH FEDERAL STATUTES, REGULATIONS AND THE TERMS AND CONDITIONS OF THE FEDERAL AWARD

A. General Compliance

The Subrecipient agrees to comply with the requirements of Title 24 of the Code of Federal Regulations (CFR), Part 570 (the U.S. Housing and Urban Development regulations concerning Community Development Block Grants (CDBG)) including subpart K of these regulations, except that (1) the Subrecipient does not assume the recipient's environmental responsibilities described in 24 CFR 570.604 and (2) the Subrecipient does not assume the recipient's responsibility for initiating the review process under the provisions of 24 CFR Part 52. The Subrecipient also agrees to comply with all other applicable Federal, state and local laws, regulations, and policies governing the funds provided under this Agreement. The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather that supplant funds otherwise available.

The Subrecipient shall comply with all applicable Federal laws, regulations, and requirements and all provisions of this Agreement, which include compliance with the provisions of the HCD Act and

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

all rules, regulations, guidelines, and circulars promulgated by the various Federal departments, agencies, administrations, and commissions relating to the CDBG Program.

B. Drug-Free Workplace

The Subrecipient shall comply with drug-free workplace requirements in Subpart B of part 2429, which adopts the governmentwide implementation (2 CFR part 182) of sections 5152-5158 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701-707).

C. Independent Contractor

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an independent contractor with respect to the services to be performed under this Agreement. The Grantee shall be exempt from direct payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Subrecipient is an independent contractor.

D. Federal Funding Accountability and Transparency Act (FFATA)

The Subrecipient shall comply with the requirements of 2 CFR part 25 Universal Identifier and System for Award Management (SAM). The grantee must have an active registration in SAM in accordance with 2 CFR part 25, appendix A, and must have a Data Universal Numbering System (DUNS) number. The grantee must also comply with provisions of the Federal Funding Accountability and Transparency Act, which includes requirements on executive compensation, and 2 CFR part 170 Reporting Subaward and Executive Compensation Information.

E. Copyright

If this Agreement results in any copyrightable material or inventions, the Grantee and/or grantor agency reserves the right to royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use, the work or materials for governmental purposes.

F. Non-substitution for Local Funding

For CDBG-funded projects, the Subrecipient will not utilize grant funds to reduce substantially the amount of local financial support for community development activities below the level of such support prior to the availability of funds under this Agreement.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

G. Grantee Recognition

The Subrecipient shall ensure recognition of the role of the Grantee in providing services through this Agreement. All activities, facilities and items utilized pursuant to this Agreement shall be prominently labeled as to funding source. In addition, the Subrecipient will include a reference to this support provided herein in all publications made possible with funds made available under this Agreement.

XV. INSURANCE AND HOLD HARMLESS REQUIREMENTS

A. Insurance and Bonding

For the duration of this Agreement, Subrecipient shall procure and maintain insurance against claims for personal injury, bodily injury or property damage which may arise from or in connection with the work hereunder by the Subrecipient, his agents, representatives and employees. Evidence of insurance acceptable to the County must be provided by the Subrecipient to the County before Subrecipient will be authorized to work. The Subrecipient shall comply with the bonding and insurance requirements of 2 CFR 200.304, Bonds. The Subrecipient will also follow the procedures of its control system. A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify HUD. All bonds will be in a format acceptable to the Grantee and be provided by a company authorized to do business in Utah.

Minimum Scope of Insurance:

1. Workers' Compensation and Employer's Liability: Coverage of no less than $500,000, as required by state law, or provide certification of exempt status.

2. Commercial General Liability: Coverage of at least as broad as an ISO form CG0001. Limits no less than $3,000,000 per occurrence for bodily injury and personal injury. Limits no less than $50,000 for property damage liability.

3. Automobile Liability: Coverage covering any auto, at least as broad as ISO form CA0001. Limits no less than $1,000,000 for bodily injury and personal injury. Limits no less than $50,000 for property damage liability.

4. Endorsements: Each policy required by this Agreement shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits, except after thirty (30) days prior to written notice by certified mail, return receipt requested, has been given to the County.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

The general liability and automobile liability policies are to include endorsements containing the following provisions:

- By separate endorsement, the policy shall name Utah County, its officers, directors, agents, volunteers, and employees as an additional insured, for liability arising out of activities performed by or on behalf of the Subrecipient; products are completed operations of the Subrecipient; premises owned, occupied or used by the Subrecipient; and automobiles owned, leased, hired or borrowed by the Subrecipient. The coverage shall contain no special limitations on the scope of protection afforded to the County, its officers, officials, agents, volunteers or employees. The Subrecipient shall provide additional coverage based on any outstanding claim(s) made against policy limits to ensure that minimum insurance limits required by the County are maintained.

- For any claims related to this project the Subrecipient's insurance coverage shall be primary and non-contributory as respects to the County, its officers, directors, agents, volunteers and employees. Any insurance or self-insurance maintained by the County, its officers, officials, agents, volunteers, and employees shall be excess of Subrecipient's insurance and shall not contribute with it.

- Any failure to comply with reporting or other provisions of the Subrecipient's insurance policies including breaches of warranties shall not affect the coverage provided to the County, its officers, officials, agents, volunteers, and employees.

- The Subrecipient's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of insurer's liability.

5. Acceptability of Insurers: Insurance that is placed with insurers having a current A.M. Best rating of no less than B+ (VII) will be considered acceptable without the approval of the County. All other insurers are subject to the approval of the County.

6. Verification of Coverage: Subrecipient shall furnish the County with certificates and original endorsements affecting the coverage herein required. Certified copies of policies must be furnished upon the request of the County. Endorsements must be signed by a person authorized by the insurer to bind coverage on its behalf. The form of endorsement is subject to the County's approval.

The Subrecipient will not be relieved of any liability, claims, demands, or other obligations assumed by its failure to procure or maintain insurance, or its failure to procure or maintain insurance in sufficient amounts, durations, or types.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

Failure on the part of the Subrecipient to procure or maintain policies providing the required coverages, conditions and minimum limits will constitute a material breach of this Agreement, upon which the Grantee may immediately terminate this Agreement.

B. Workers' Compensation

The Subrecipient shall provide Workers' Compensation Insurance coverage for all of its employees involved in the performance of this Agreement. Workers Compensation insurance must comply with ORS 656.017, requiring Contractor and all subcontractors to provide workers' compensation coverage for all subject workers, or provide certification of exempt status. Employers' Liability Insurance with coverage limits of not less than $500,000 must be included.

C. Hold Harmless

To the maximum extent permitted by law, the Subrecipient shall hold harmless, defend and indemnify the Grantee and its appointed and elected officers and employees from and against any and all liability, loss, costs, damage and expense, including costs and attorney fees in defense thereof because of any and all claims, actions, lawsuits, damages, charges and judgments whatsoever that arise out of the Subrecipient's performance or nonperformance of the services or subject matter called for in this Agreement.

XVI. RELOCATION, REAL PROPERTY ACQUISTION AND ONE-FOR-ONE HOUSING REPLACEMENT

The Subrecipient agrees to comply with (a) the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and implementing regulation at 49 CFR Part 24 and 24 CFR 570.606(b); (b) the requirements of 24 CFR 570.606(c) governing the Residential Anti-displacement and Relocation Assistance Plan under section 104(d) of the HCD Act; and (c) the requirements in 24 CFR 570.606(d) governing optional relocation policies. The Subrecipient shall provide relocation assistance to displaced persons as defined by 24 CFR 570.606(b)(2) that are displaced as a direct result of acquisition, rehabilitation, demolition or conversion for a CDBG-assisted project. The Subrecipient also agrees to comply with applicable Grantee ordinances, resolutions and policies concerning the displacement of persons from their residences.

Displacement of persons (including families, individuals, businesses, non-profit organizations and farms) as a result of activities assisted with CDBG funds is generally discouraged.

XVII. NONDISCRIMINATION

A. 24 CFR Part 6

The Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCDA are still applicable, which stipulates that no person in the United States shall on the grounds of race, color, national origin or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part pursuant to agreement.

Additionally, the Subrecipient shall not, on the grounds of race, color, sex/gender, sexual orientation, familial status, religion, national origin, creed, ancestry, marital status, age or disability or handicap:

- Deny a qualified individual any facilities, financial aid, services or other benefits provided under this Agreement;
- Provide any facilities, financial aid, services or other benefits which are different, or are provided in a different manner, from those provided to others under this Agreement;
- Subject an individual to segregated or separate treatment in any facility, or in any matter if process related to receipt of any service or benefit under this Agreement;
- Restrict an individual's access to or enjoyment of any advantage or privilege enjoyed by others in connection with any service or benefit under this Agreement;
- Treat anyone differently from others in determining if they satisfy any admission, enrollment, eligibility, membership or other requirement or condition which the individual must meet to be provided a service or a benefit under this Agreement;
- Deny anyone an opportunity to participate in any program or activity as an employee which is different from that afforded others under this Agreement.

If assignment and/or subcontracting has been authorized in writing, said assignment or subcontract shall include appropriate safeguards against discrimination in client services binding upon each contractor or subcontractor. The Subrecipient shall take such actions as may be required to ensure full compliance with the provisions, including sanction for noncompliance.

B. Title VI of the Civil Rights Act of 1964 (24 CFR Part 1)

1. General Compliance

The Subrecipient shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P. L. 88-352), as amended. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this agreement. The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. The Subrecipient shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

CFR part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 CFR part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

2. Assurances and Real Property Covenants

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the Subrecipient assures that the program or activities described in this Agreement will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part.

If the Federal financial assistance under this agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the Subrecipient's assurance herein shall obligate the Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives the Grantee and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG funds and provided to the Subrecipient Under this Agreement, the instrument effecting any disposition by the Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements shall extend to any facility located wholly or in part in such space.

C. Architectural Barriers Act and the Americans with Disabilities Act

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

The Subrecipient shall ensure that its activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act through the completion of Exhibit C.

The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 CFR 40.2 or the definition of "building" as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

D. Affirmative Action

1. Approved Plan

The Subrecipient agrees that it shall be committed to carry out pursuant to the Grantee's specifications an Affirmative Action Program in keeping with the principles as provided in President's Executive Order 11246 of September 24, 1966. The Grantee shall provide Affirmative Action guidelines to the Subrecipient to assist in the formulation of such program. The Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.

2. Women- and Minority- Owned Businesses (W/MBE)

The Subrecipient will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this Agreement. As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

Americans, and American Indians. The Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

3. Notifications

The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the Subrecipient's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

4. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

The Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

5. Subcontract Provisions

The Subrecipient will include the provisions of Paragraphs X.A, Civil Rights, and B, Affirmative Action, in every subcontract or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own subrecipients or subcontractors.

XVIII. Employment Restrictions

A. Labor Standards

The Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. The Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the Grantee for review upon request.

The Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of $2,000.00 for construction, renovation or repair work financed in whole or in part with assistance provided under this contract, shall comply with Federal requirements pertaining

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Subrecipient of its obligation, if any, to require payment of the higher wage. The Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations and provisions meeting the requirements of this paragraph.

B. "Section 3" Clause

1. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and its implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be in condition of the Federal financial assistance provided under this Agreement and binding upon the Grantee, the Subrecipient and any of the Subrecipient's subrecipients and subcontractors, their successors and assign, to those sanctions specified by the Agreement through which Federal assistance is provided. The Subrecipient certifies and agrees that no contractual or other limitation exists that would prevent compliance with these requirements.

The Subrecipient further agrees to comply with these "Section 3" requirements and to include the following language in all subcontracts executed under this Agreement:

> "The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located."

The Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the Redmond metropolitan area in which the CDBG-funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income in which the CDBG-funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area of the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

The Subrecipient certifies and agrees that no contractual or other limitation exists that would prevent compliance with these requirements.

2. Notifications

The Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

3. Subcontracts

The Subrecipient will include this Section 3 clause in every subcontract and will take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the grantor agency. The Subrecipient will not subcontract with any entity where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

XIX. ASSIGNABILITY & SUBCONTRACTS

A. Assignability

The Subrecipient shall not assign or transfer any interest in this Agreement without the prior written consent of the Grantee thereto; provided, however, that claims for money due or to become due to the Subrecipient from the Grantee under this Agreement may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer shall be furnished promptly to the Grantee.

B. Subcontracts

1. Approvals

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

No other subcontracts will be allowed in the performance of this Agreement without the written consent of the Grantee prior to the execution of such contract.

2. Monitoring

The Subrecipient will monitor all subcontracted services on a regular basis to assure compliance with this Agreement. Results of monitoring efforts shall be summarized in written reports and supported with documented evidence of follow-up actions taken to correct areas of noncompliance.

3. Content

The Subrecipient shall cause all of the provisions of this Agreement in its entirety to be included in and made a part of any subcontract executed in the performance of this agreement.

4. Selection Process

The Subrecipient shall undertake to ensure that all subcontracts entered in the performance of this Agreement shall be awarded on a fair and open competition basis in accordance with applicable procurement requirements. Executed copies of all subcontracts shall be forwarded to the Grantee along with documentation concerning the selection process.

5. Debarred, Suspended or Ineligible Contractors, Subrecipient or Officers

The Subrecipient agrees to comply with the applicable provisions of 2 CFR 200.213 and 24 CFR 570.609 regarding the Debarred, Suspended or Ineligible Contractors or Subrecipients. The Subrecipient shall not use CDBG funds to directly or indirectly employ, award contracts to, or otherwise engage the services of, or fund any contractor or subrecipient during any period of debarment, suspension, or placement in ineligibility status. The Subrecipient shall not have officers or board members that are debarred, suspended or ineligible to work on projects using federal funds.

XX. CONDUCT

A. Hatch Act

The Subrecipient agrees that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent engaged in the conduct of political activities in violation of Chapter 15 of Title V of the U.S.C.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

B. Conflict of Interest

The Subrecipient agrees to abide by the provisions of 2 CFR 200.112 and 24 CFR 570.611, which include (but are not limited to) the following:

- The Subrecipient shall maintain a written code or standards of conduct that shall govern the performance of its officers, employees or agents engaged in the award and administration of contracts supported by Federal funds.

- No employee, officer or agent of the Subrecipient shall participate in the selection, or in the award, or administration of, a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

- No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-assisted activity, or with respect to the proceeds from the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Subrecipient, or any designated public agency.

C. Lobbying

The Subrecipient agrees that no Federal funds have been paid or will be paid for any lobbying expenses. Subrecipient also agrees to report any lobbying expenses paid with sources other than Federal funds and to require any subcontractors to do the same. Subrecipient further certifies this through Exhibit B.

D. Religious Activities

The Subrecipient agrees that funds provided under this Agreement will not be utilized for inherently religious activities prohibited by 24 CFR 570.200(j), such as worship, religious instruction, or proselytization.

XXI. ENVIRONMENTAL CONDITIONS

A. Air and Water

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

The Subrecipient agrees to comply with the following requirements insofar as they apply to the performance of this Agreement:

- Clean Air Act, 42 U.S.C., 7401, *et seq.*;
- Federal Water Pollution Control Act, as amended, 33 U.S.C., 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder;
- Environmental Protection Agency (EPA) regulations pursuant to 40 CFR Part 50, as amended.

B. Flood Disaster Protection

In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001), the Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

C. Lead-Based Paint

The Subrecipient agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

D. Historic Preservation

The Subrecipient agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470) and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of this Agreement.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, state, or local historic property list.

XXII. SEVERABILITY

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby and all other parts of this Agreement shall nevertheless be in full force and effect.

XXIII. SECTION HEADINGS & SUBHEADINGS

The section headings and subheadings contained in this Agreement are included for convenience only and shall not limit or otherwise affect the terms of this Agreement.

XXIV. WAIVER

The Grantee's failure to act with respect to a breach by the Subrecipient does not waive its right to act with respect to subsequent or similar breaches. The failure of the Grantee to exercise or enforce any right or provision shall not constitute a waiver of such right or provision.

XXV. AGREEMENT DOCUMENTS IN ORDER OF PRECEDENCE

This Agreement consists of the following documents which are listed in descending order of precedence:

- This Agreement less all exhibits;
- Exhibit A – Subrecipient Designated Staff Signature Form
- Exhibit B – Certification Regarding Lobbying
- Exhibit C – Scope of Work Worksheet

All Exhibits are attached and incorporated herein by reference.

XXVI. ENTIRE AGREEMENT

This agreement constitutes the entire agreement between the Grantee and the Subrecipient for the use of funds received under this Agreement and it supersedes all prior of contemporaneous communications and proposals, whether electronic, oral, or written between the Grantee and the Subrecipient with respect to this Agreement.

Exhibit B

SUBRECIPIENT CERTIFICATION REGARDING LOBBYING

Subrecipient: American Fork City

Activity: King Street Water Line Replacement

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Attachment: 2026.08.11 county UC Agreement 2026-577 (CDBG Subrecipient Agreement for American Fork Culinary Waterline Improvements -

2. National Objectives

All activities funded with CDGB funds must meet one of the CDBG program's National Objectives: benefit low- and moderate-income persons; aid in the prevention or elimination of slums or blight; or meet community development needs having a particular urgency, as defined in 24 CFR 570.208.*

National Objective	LMA
Eligible Activity	Water/Sewer Improvements
Matrix Code	03J
Goal Outcome Indicators	Persons Served

3. Staffing

Provide list of staff and time commitments to be allocated to each activity in the statement of work.

Key Staff Name/Title	**Activity**	**Time Commitment**

Any changes in the key personnel assigned or their general responsibilities under this project are subject to the prior approval of the Grantee.

4. Performance Monitoring

The Grantee will monitor the performance of the Subrecipient against goals and performance standards as stated above. Substandard performance as determined by the Grantee will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the Grantee, contract suspension or termination procedures will be initiated.

Statement of Work	This project will be to conduct replacement of iron and galvanized municipal water lines and their related components to maintain full function of the water system. The work will include (but is not limited to) replacement of water lines, service laterals, isolation valves, and fire hydrants, along with repair/replacement of drainage, roadway, and sidewalk deficiencies in the same area which will also help with ADA compliance. Additional work will include (but is not limited to) traffic control, surveying,

	excavation, relocation of power poles, and other necessary items to meet compliance, code, health, and safety for the workers on-site and the community using the facilities in the area. The work will take place along King Street in American Fork, UT in an LMI neighborhood. Eligible UTCO residents will be served through this grant funding.
Reporting and records	Reporting will include numbers served, income levels, location eligibility, and demographic information. All reimbursements from this grant require subrecipient to provide information above, along with time and effort documentation outlining actual time spent on eligible activities. Records must be maintained for four years following the end of the year the grant closes out, and activity accomplishments are reported in annual CAPER to HUD for the final time.
Program Income	This activity will not generate program income
Closeout	Close out will occur once all final documentation is received, final reimbursement is received by subrecipient, and the activity is closed out in the HUD reporting system (IDIS).

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Recorder **Director Approval** *Terilyn Lurker*

AGENDA ITEM Review and action on approval of a pioneering agreement with AFEW1, LLC, for system improvements along the Edgewater North and the Yard subdivisions.

SUMMARY RECOMMENDATION
AFEW1, LLC has proposed a Pioneering Agreement for system improvements along 200 South of the Edgewater North development.

BACKGROUND
The developer of the Edgewater North project has been working with engineering on the offsite roadway improvements for the development. The attached pioneering agreement outlines the parameters for the construction costs of those improvements. This came before the city council in a previous council meeting and changes were made to the agreement based on that discussion.

BUDGET IMPACT
No budget impact as all costs will be allocated to the property owners.

SUGGESTED MOTION
Move to approve the Pioneering Agreement with AFEW1 LLC for system improvements along the Edgewater North and the Yard projects.

SUPPORTING DOCUMENTS

AFEW1 LLC - Pioneering Agreement with Exhibits(PDF)

PIONEERING AGREEMENT

This Pioneering Agreement (hereinafter referred to as "Agreement") is entered into as of this _____ day of _____, 2026, by and between AFEW1, LLC, a Utah Limited Liability Company with its principal offices located at 5255 W 11000 N #125 Highland, Utah 84003 (hereinafter referred to as "Developer") and American Fork City, a municipal corporation and political subdivision of the State of Utah with its principal offices located at 51 East Main Street, American Fork, Utah 84003 (hereinafter referred to as the "City").

RECITALS

WHEREAS, Developer owned and/or developed certain parcels of property located in American Fork, Utah County, Utah, specifically 13:041:0093 consisting of 15.15 acres and further described in Exhibit A attached hereto (hereinafter referred to as the "Property");

WHEREAS, Developer has obtained approvals from the City to develop the Property into a Residential Development commonly known as Edgewater North and/or The Yard Subdivisions. However, development of the Property is subject to the installation of offsite Roadway Infrastructure improvements (the "Project Improvements") identified on Exhibit B attached hereto.

WHEREAS, the Project Improvements will provide direct benefit to other developers and owners of surrounding properties (the "Benefited Properties") when they develop their properties. The Benefited Properties are identified by tax parcel number and owner in Exhibit C attached hereto.

WHEREAS, Developer desires to be reimbursed for a proportionate share of the costs associated with the design, construction and installation of the Project Improvements as the Benefitted Properties connect and/or utilize the improvements;

WHEREAS, City is willing to administer reimbursement payments from the owners of the Benefitted Properties in accordance with the terms and provisions of this Agreement; and

WHEREAS, this Agreement is entered into to ensure the orderly development of real property within City limits, while maintaining and enhancing property values.

NOW THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto contract, covenant, and agree as follows:

AGREEMENT

1. Necessity of Improvements. Developer expressly acknowledges that the Project Improvements are necessary for development of Edgewater North and/or The Yard Subdivisions and are lawful conditions precedent for the approval and development of Edgewater North and/or The Yard Subdivisions.

   Developer further acknowledges and agrees that portions of the Project Improvements provide system-wide, corridor, oversized, and/or public benefit improvements beyond those solely attributable to the direct frontage obligations of any individual lot or

Attachment: AFEW1 LLC - Pioneering Agreement with Exhibits (Pioneering Agreement - Edgewater North development)

subdivision, and therefore provide direct and indirect benefit to the Benefited Properties identified in Exhibit C.

The parties further acknowledge that the sequence of subdivision approvals, plat recordings, replatting activity, or subsequent parcel configuration changes shall not impair or invalidate the City's determination regarding the necessity, public benefit, allocation, or reimbursement eligibility of the Project Improvements identified in this Agreement.

2. Developer's Obligation. Developer shall install the Project Improvements at Developer's cost and expense including all costs and expenses associated with engineering, planning, surveying, design, materials, labor, easements, property, construction costs, and bonding relating to the Project Improvements, in accordance with the construction plans approved by the City for the development of Edgewater North and/or The Yard Subdivisions and/or required by City ordinances and regulations (the "Pioneering Costs"). Pioneering Costs shall bear no interest from the date hereof to date of payment.

3. Approval, Inspection, and Acceptance. Developer and its assigns shall install the Project Improvements and post applicable bonds and improvement completion assurances in accordance with City ordinances to guarantee the installation of the Project Improvements according to City ordinances, regulations, and standards. The Project Improvements shall be approved by the City and inspections shall be conducted by the City to ensure that the Project Improvements are constructed per City standards. Upon completion, Developer shall deliver to City a set of as-built plans of the Project Improvements (in both paper and electronic format) with the verified actual amount of the Pioneering Costs of the Project Improvements. Upon successful completion of the Project Improvements and acceptance in writing by the City, Developer shall also provide an Improvement Warranty in accordance with City ordinances to ensure that the Project Improvements remain in good condition and free from defects for a period of one (1) year. Upon successful completion, approval by the City, and posting of an Improvement Warranty by Developer, the City shall accept, own, operate, and maintain the Project Improvements. Developer shall dedicate to the City ownership of all facilities, easements, and property necessary to properly operate and maintain the Project Improvements and shall not retain any ownership interest therein, unless City ordinances, agreements, or regulations provide otherwise.

4. Collection of Pioneering Costs. Subject to the terms and duration of this Agreement, each owner of a Benefitted Property identified in Exhibit C shall pay to the City the portion of the Pioneering Costs allocated to that Benefitted Property upon the occurrence of a triggering event described below.
A. Development or Major Improvement. Payment shall be required when a Benefitted Property:
    1. receives subdivision, site plan, or other development approval that requires the construction, connection, availability, or use of one or more of the Project Improvements identified in Exhibit B; or
    2. is the subject of a building permit that requires full lot improvements

Attachment: AFEW1 LLC - Pioneering Agreement with Exhibits (Pioneering Agreement - Edgewater North development)

under Section 17.5.126(B) of the American Fork City Code or constitutes a major expansion under Section 17.5.126(C).

Upon the occurrence of a triggering event under this subsection, the owner shall pay the amounts shown in Exhibit C for each Project Improvement that the City determines is required to serve, provide access to, or otherwise accommodate the proposed development or improvement.

B. Connection to an Individual Utility Improvement. If an existing Benefitted Property does not otherwise satisfy the criteria in subsection A but connects to or commences use of a culinary water, sanitary sewer, pressurized irrigation, or other utility improvement included within the Project Improvements, whether voluntarily or as required by the American Fork City Code, the owner shall pay the amount allocated to that Benefitted Property in Exhibit C for the particular utility improvement to which the property connects or from which it receives service. Such connection shall not, by itself, require payment of amounts allocated to other Project Improvements that the property is not then required to construct, connect to, have available for service, or use.

C. Ordinary Improvements to Existing Developed Property. A building permit for an improvement to an existing permitted structure on a Benefitted Property shall not, standing alone, trigger payment of Pioneering Costs if the improvement does not constitute a major expansion under Section 17.5.126(C), does not require full lot improvements under Section 17.5.126, and does not involve a connection to or commencement of service from a Project Improvement.

D. General and Shared Pioneering Costs. Costs identified in Exhibit C that are not attributed to a single Project Improvement, including design engineering, as-built drawings and surveying, and SWPPP-related costs, shall be collected proportionately at the time any portion of the Benefitted Property's pioneering obligation is triggered / only when the Benefitted Property becomes obligated to pay its full allocation under subsection A, as determined by the allocation methodology approved by the City and reflected in Exhibit C.

E. Timing and Administration. Any amount due under this Paragraph shall be paid before the City grants the development or subdivision approval, issues the building permit, or authorizes the utility connection giving rise to the obligation. The amount due shall be based upon the allocations contained in Exhibit C, as adjusted only as expressly permitted by this Agreement. Nothing in this Paragraph relieves a property owner from any independent obligation imposed by the American Fork City Code to construct public improvements or connect to a City utility.

In no event shall the City be liable for failure to collect any Pioneering Costs; provided, however, that the City shall use its best efforts to administer and collect amounts due under this Agreement.

5. Distribution of Pioneering Costs Received. The funds collected shall be paid by the City

Attachment: AFEW1 LLC - Pioneering Agreement with Exhibits (Pioneering Agreement - Edgewater North development)

to the Developer within 60 days of collection, unless the payment is made under protest by the owner of the Benefitted Property or the payment is the subject of a lawsuit (filed or threatened), complaint, advisory opinion, or appeal. In such a case, the City will retain the funds until such time as the matter is resolved. When the matter is resolved, the City shall disburse the funds to Developer within 60 days. Nothing in this Agreement shall preclude Developer from arranging for up-front financial contributions for the Project Improvements from the owners of the Benefitted Properties.

6. Duration of Pioneering Costs for all improvements. If a development application is made 10 years from the date of Edgewater North A approval (5th May, 2020) there shall be no required payment of Pioneering Costs related to the offsite public improvements identified on Exhibit B as a pre-condition of development approval or issuance of a building permit.

7. Full Compensation. The Developer hereby agrees it shall not be entitled to any reimbursement, compensation, incentive, or other payment from the City related to the Project Improvements. Nothing in this Agreement, however, shall preclude Developer from obtaining reimbursements or impact fee credits for "system improvements" or oversized public improvements requested or required by the City in relation to the Project. If the City requires Developer to upsize or extend any of the Project Improvements, the parties may negotiate a separate reimbursement agreement to be submitted to City Council for approval. Such upsizing costs, however, are not part of this Agreement.

8. Choice of law. This Agreement shall be interpreted and enforced under the laws of the State of Utah. Venue for any legal action brought on this Agreement shall lie with the Fourth Judicial District Court for Utah County, Utah.

9. Authority. Each individual executing this Agreement hereby represents and warrants that he or she has been duly authorized to sign this Agreement in the capacity and for the entities identified.

10. Recitals and Exhibits Incorporated. Each recital set forth above, and each exhibit attached to and referred to in this Agreement, is hereby incorporated by reference.

11. Counterparts and Severability. In the event that any provision of this Agreement shall be held invalid and unenforceable, such provision shall be severable from, and such invalidity and unenforceability shall not be construed to have any effect on, the remaining provisions of this Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

12. Entire Agreement. This Agreement constitutes and comprises the entire understanding of the parties hereto, and supersedes any previous written or oral communication or representation related to the subject matter hereof

Attachment: AFEW1 LLC - Pioneering Agreement with Exhibits (Pioneering Agreement - Edgewater North development)

13. Amendment. This Agreement may only be amended by written instrument signed by both parties hereto.

14. The parties acknowledge that disputes or litigation may exist or arise concerning ownership interests, parcel boundaries, plat interpretation, or development sequencing associated with portions of the Property or Benefited Properties. Unless a court of competent jurisdiction enters a final order invalidating the applicable subdivision approvals or the City's authority to require the Project Improvements, such disputes shall not impair the enforceability of this Agreement or the City's administration and collection of Pioneering Costs hereunder.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Recorder **Director Approval** *Terilyn Lurker*

AGENDA ITEM Review and action on approval to move forward with improvements at the American Fork Cemetery.

SUMMARY RECOMMENDATION Staff recommends approval.

BACKGROUND As follow to information presented in work session on August 4, 2026, the Cemetery staff is proposing to expand the capacity of the cemetery by installing cremation niches and an ossuary, in addition to improving the grounds to allow for an additional 800 traditional burial spots. This will adjust our current projections on selling out of burial lots from 6.99 years to 14.51 years. It will increase burial capacity from 41.23 years to 45.77 years.

BUDGET IMPACT The improvement costs will be $360,100. The potential revenue collected over future years, based upon current fees will be $2,476.000.

SUGGESTED MOTION I move to approve moving forward with the improvements at the American Fork Cemetery as proposed, creating 800 traditional burial spaces, 320 cremation niche spaces, and 400 ossuary cremation spaces. In addition, I move to approve the purchase requisition in the amount of $220,000 to Rocky Mountain Monument and Vault.

Proposed Improvements:

-800 New traditional burial spots
-320 New cremation niche spaces in Memorial Garden area
-400 New ossuary cremation spaces

-Proposing all future cremations must be in niches or on top of existing burials- No new traditional burial lots will be utilized for cremations, thus preserving traditional burial space.

Assumptions in projections:
-Decreased annual lot sales by (30) to account for projected cremations
-Figures do not include those choosing to do double deep burials-not currently required
-Calculations are all resident rate utilization. Non-resident rate will increase revenues
-At current rate, this phase of niche expansion will last (10) years

Why This Matters for American Fork Cemetery

320 cremation niches + expanded grass for 800+ traditional burials — a balanced response to a real, ongoing shift

1

Demand is real and rising

Utah's cremation rate is increasing and will follow national trends. This is a structural, decades-long shift — not a temporary trend.

2

Land efficiency

Niches use a fraction of the footprint of a full burial plot, letting the city serve far more families within the cemetery's existing acreage.

3

Cost & flexibility for families

Cremation typically costs less than traditional burial and lets families schedule memorials on their own timeline. (Consider Caskets, Headstones, etc.)

4

Both needs still exist

With roughly 7 in 10 Utah families still choosing traditional burial, pairing niches with new grass space serves the full community rather than picking one option over the other. Propose requiring utilization of cremation niche to preserve land for traditional burials.

Attachment: 08.25.26. 2026 Rocky Mountain Monument PR (Cemetery Improvements)

As we have researched options for the proposed cremation niche wall and ossuary, we have also looked into the contractors and manufacturers used by other municipalities in Utah. Based on that research, we are recommending that the City proceed with Rocky Mountain Monument and Vault as a single-source contractor.

Our recommendation is not based on convenience or a preference for a local company. A cremation niche wall and ossuary are permanent pieces of cemetery infrastructure that the City will own, operate, maintain, and potentially expand for decades. Because of this, we believe the contractor's location, construction quality, ability to provide replacement materials, responsiveness to problems, and ability to support future expansion are equally as important as the initial purchase price.

As part of our research, we contacted several Utah municipalities that have already completed similar projects. Their experiences were consistent with these concerns:

- **Lehi City** obtained three bids for its project, two of which were from out-of-state companies. Rocky Mountain Monument and Vault's proposal was $26,500, while a competing quote from Kyber a company based in Ontario, Canada, was $27,740 plus $3,450 for installation. Lehi ultimately selected Rocky Mountain Monument and Vault. In addition to price, a significant factor in their decision was having a local contractor that could provide assistance, replacement materials, and support if problems developed in the future.
- **Bountiful City** considered other companies and visited cemeteries containing their products. Their concerns included the durability and quality of some of the alternatives, including prefabricated products manufactured and shipped from China. After reviewing those installations, Bountiful selected Rocky Mountain Monument and Vault.
- **Salem City** visited surrounding cemeteries to evaluate existing cremation niche installations rather than relying solely on proposals. Based on what they observed, they determined that Rocky Mountain Monument and Vault provided the best combination of appearance and construction quality.
- **Murray City** has experience with both Rocky Mountain Monument and Vault and another manufacturer. Cemetery personnel indicated they were less satisfied with the larger niche installation supplied by the other company, which is located in Minnesota.
- **Centerville City** also researched different niche construction methods before selecting Rocky Mountain Monument and Vault. They noted Rocky Mountain Monument and Vault's experience constructing numerous niche walls for Utah cemeteries and specifically identified their newer construction method using an all-aluminum frame with a granite exterior. Centerville considered this method an improvement over other reinforced-concrete construction methods they evaluated.

Another important consideration is the limited number of practical suppliers for this type of specialized cemetery construction. Based on our research, moving away from Rocky Mountain Monument and Vault would largely require the City to work with contractors or manufacturers located outside Utah, and potentially with products manufactured outside the United States. While those companies may be

Attachment: 08.25.26. Cemetery Justification-Niche (Cemetery Improvements)

capable of supplying a niche system, doing so introduces additional concerns regarding shipping, mobilization, replacement components, warranty work, on-site service, and future expansion.

These concerns become particularly important in years after the original installation. If a granite panel is damaged, a niche component needs replacement, an installation issue develops, or the City wants to expand the facility with additional matching niches, having an established contractor located within the state provides a significant operational advantage. Resolving the same issue through an out-of-state contractor or overseas manufacturer could involve additional cost, extended lead times, and difficulty obtaining on-site assistance.

The feedback we received from other municipalities was also consistent on cost. The cities we contacted indicated that pricing among the available options was generally comparable and that the potential savings from selecting another supplier did not outweigh the advantages of having a locally available contractor capable of servicing and expanding the installation.

For these reasons, we believe Rocky Mountain Monument and Vault represents the only practical single-source contractor that meets the City's complete needs for this project. Their local presence, established history with Utah municipal cemeteries, construction quality, ability to provide future replacement materials and expansion, and accessibility for service substantially reduce the City's long-term risk.

This recommendation is intended to look beyond the initial construction cost and consider the full service life of an asset that will remain part of the cemetery for generations. Based on the experiences of other Utah municipalities and the alternatives we have researched, we believe proceeding with Rocky Mountain Monument and Vault as a single-source contractor is in the City's best long-term interest.

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Planning **Director Approval** *Patrick O'Brien*

AGENDA ITEM Review and action on approval of the real estate exchange agreement with NBFF Property LLC, Harbor View Development LLC, Rammell Prospective LLC, Russgan LLC, NPF Investments LLC and Walking the Wire LLC. for Lake Shore Drive.

SUMMARY RECOMMENDATION
Staff recommends approval of the real estate exchange agreement.

BACKGROUND
The agreement was originally approved by the City Council on March 25, 2025, contingent upon the final approval and recording of the Harbor Road Plat E and Julie Clark Annexations. Staff is requesting approval to remove this condition so the agreement can proceed to recording while the Harbor Road Plat E 2 and Julie Clark 2 Annexations are being finalized. The Frandsen family has been contacted and has approved the agreement moving forward.

As part of the annexation of the Harbor Road Plat D Annexation approved at a regular session of City Council on May 13, 2014, the existing right-of-way for Lake Shore Drive was dedicated to American Fork City. The property owners (multiple entities from the Frandsen family) have worked with the City and with the developer of the property to the west to shift the existing alignment of Lake Shore Drive further south. This agreement provides the provisions wherein this land exchange will occur.

BUDGET IMPACT
N/A

SUGGESTED MOTION
Move to approve the real estate exchange agreement with NBFF Property LLC, Harbor View Development LLC, Rammell Prospective LLC, Russgan LLC, NPF Investments LLC and Walking the Wire LLC for Lake Shore Drive.

SUPPORTING DOCUMENTS

Final Frandsen Real Estate Exchange Agreement - (2025.02.26) Signed by Owners (PDF)

REAL ESTATE EXCHANGE AGREEMENT

This Real Estate Exchange Agreement ("Agreement") is entered into by and between AMERICAN FORK CITY, a political subdivision of Utah (the "City"), and NBFF PROPERTY LLC, HARBOR VIEW DEVELOPMENT LLC, RAMMELL PROSPECTIVE LLC, RUSSGAN LLC, NPF INVESTMENTS LLC, and WALKING THE WIRE LLC ("Owners"). City and Owners are collectively referred to as the Parties.

RECITALS

WHEREAS, Owners owns two parcels of property located in the vicinity of S 100 West, American Fork City, Utah, which were annexed into the City on or about April 23, 2015, further identified as Parcel Numbers 13:064:0058 and 13:064:0059 with the Utah County Recorder's Office (the "Parcels");

WHEREAS, as part of the annexation of the Parcels, Owners dedicated to the City a portion of land, further identified as Parcel Number 13:064:0057 ("Premises A") for the future construction of Lake Shore Drive;

WHEREAS, the City, after consultation with Owners and the neighboring parcel owners, desires to alter the alignment of Lake Shore Drive;

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

TERMS

1. New Alignment – Premises B. Owners agrees to dedicate to the City the necessary right-of-way for the new alignment of Lake Shore Drive, as shown on Exhibit A, attached hereto ("Premises B"). Dedication shall be completed by way of the Special Warranty Deed, attached hereto as Exhibit A. The City agrees to accept said dedication.

2. Original Alignment Property – Premises A. The City agrees to dedicate to Owners, within 30 days of recording of the Special Warranty Deed with the Utah County Recorder, the portion of Premises A previously dedicated to the City for the purpose of Lake Shore Drive, which are no longer necessary for installation of public improvements. The portions of Premises A necessary for the expansion of S 100 West and W 1500 South shall remain the property of the City. Conveyance of the applicable portions of Premises A to Owners shall occur by way of quit claim deed, attached hereto as Exhibit B.

3. Consideration. Consideration for the dedication of Premises B to the City is the conveyance of the portions of Premises A, as identified above, to Owners. No financial compensation shall be exchanged as part of this Agreement.

4. Title Insurance. If title insurance is desired by either Party, the recipient of the land exchange shall pay for the title insurance on the newly acquired property.

Attachment: Final Frandsen Real Estate Exchange Agreement - (2025.02.26) Signed by Owners (Frandsen Family Real Estate Exchange

5. Representations. The City makes no warranties or representations other than it has fee title to Premises A and will convey good and marketable title. Owners makes no warranties or representations other than it has fee title to Premises B and will convey good and marketable title.

6. Waiver. Failure of any party at any time to require performance of any provision of this Agreement shall not limit such party's right thereafter to enforce such provision, nor shall any waiver of any breach of any provision of this Agreement constituted a waiver of any succeeding breach or a waiver of such provision itself.

7. Complete Agreement. This Agreement, together with its addenda, any attached exhibits, constitutes the entire Agreement between the parties related to the exchange of property and supersedes and replaces any and all prior negotiations, representations, warranties, understandings or agreements between the parties related to the exchange of Premises A and Premises B for the realignment of Lake Shore Drive. This Agreement cannot be modified except by written agreement of the parties.

8. Assignment, Successors. Subject to the provisions hereof, this Agreement shall bind and inure to the benefit of the parties hereto, their heirs, personal representatives, successors and permitted assigns. No assignment of this Agreement shall be permitted except with the written consent of the other party, which consent shall not be withheld unreasonably. The warranties, representations and terms of this Agreement shall survive execution and recordation of the respective deeds and shall be incorporated into the deed by reference.

9. Attorney Fees and Costs. In the event of litigation to enforce this Agreement, the prevailing party shall be entitled to costs and reasonable attorney fees.

10. Governing Law. This Agreement shall be interpreted and enforced in accordance with the laws of the State of Utah. Any litigation related to this agreement shall be filed in Utah County, State of Utah.

11. Counterparts. This Agreement and any addenda and counteroffers may be executed in counterparts.

12. Severability. The unenforceability or invalidity of any one or more provisions hereof shall not render any other provisions herein contained unenforceable or invalid and each term, covenant and condition hereof shall be enforced to the fullest extent permitted by law.

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Recorder **Director Approval** *Terilyn Lurker*

AGENDA ITEM Review and action on a resolution approving the disposition of lost or mislaid property or seized property.

SUMMARY RECOMMENDATION
Staff would recommend approval of the resolution.

BACKGROUND
The American Fork Police Department has possession of personal property that has been seized, lost or mislaid. The Police Department has given the required notice, claim, and holding period requirements as outlined in Utah Code have been met. The list of personal property is attached to the resolution.

BUDGET IMPACT
N/A

SUGGESTED MOTION
Move to adopt the resolution authorizing the disposition of lost or mislaid property or seized property.

SUPPORTING DOCUMENTS

08.25.26 - Abandoned and Mislaid property (DOC)

RESOLUTION NO. _____

A RESOLUTION PROVIDING FOR THE DISPOSITION OF LOST OR MISLAID PROPERTY OR SEIZED PROPERTY

WHEREAS, the American Fork Police Department has possession of certain personal property that has been seized pursuant to Utah Code § 77-11a-401 *et seq.* or has been lost or mislaid as defined in Utah Code § 77-11d-101(2) (collectively the "Personal Property"); and

WHEREAS, all applicable requirements for disposal of seized property found in Utah Code § 77-11a- 401 *et seq. - Disposal of Seized Property and Contraband* and Utah Code § 77-11d-101 *et seq.- Lost or Mislaid Property* have been met, and a list of the Personal Property is attached hereto as Exhibit A; and

WHEREAS, the American Fork Police Department has indicated that all notice, claim and holding period requirements found in Utah Code § 77-11a-401 *et seq.* and Utah Code § 77-11d-101 *et seq.* have been complied with; and

WHEREAS, the City Council of American Fork has found that the Personal Property included on Exhibit A should be disposed of in accordance with Utah Code § 77-11a-403 and Utah Code § 77-11d-105, with the proceeds of the Personal Property applied to the specific public interest use as designated and approved by the City Council.

NOW THEREFORE, BE IT RESOLVED by the City Council of American Fork, Utah as follows:

1. **Personal Property – Exhibit A.**

(a) The City Council approves the application of the Personal Property included in Exhibit A, or proceeds derived therefrom, to specific public interest use designated and approved by the City Council which is the provision and enhancement of law enforcement services for residents of the City. Such use is found to promote the public interest in accordance with applicable law.

(b) Except as provided for in subsection 1(c) below, the City shall either apply the Personal Property directly to the designated public interest use or sell the Personal Property at public auction and apply the proceeds of the sale to the public interests as provided for herein.

(c) Any confiscated or unclaimed firearms included in Exhibit A shall be disposed of strictly in accordance with Utah Code § 77-11a-403, which requires that such firearms be:

(i) sold to a federally licensed firearms dealer with proceeds applied to an approved public interest use;

(ii) destroyed if unfit for sale or associated with a notorious crime; or

(iii) transferred to the Bureau of Forensic Services or another public forensic laboratory with legislative approval.

Attachment: 08.25.26 - Abandoned and Mislaid property (Surplus resolution - Abandoned, Mislaid, Seized property)

2. **Authority to Act**. City staff is authorized to carry out the disposal of property in accordance with the provisions of this Resolution, Utah Code, and American Fork City ordinances.

3. **Effective Date**. This Resolution shall become effective immediately upon its passage.

PASSED by the American Fork City Council this ___ day of _____ 2026.

Bradley J. Frost, Mayor

REQUEST FOR COUNCIL ACTION
CITY OF AMERICAN FORK
AUGUST 25, 2026

Department Recorder **Director Approval** *Terilyn Lurker*

AGENDA ITEM Review and action on a resolution approving the appointment of Mayor Frost to the Utah Lake Authority Governing Board.

SUMMARY RECOMMENDATION
It is recommended the city council approve the appointment of Mayor Frost to the Utah Lake Authority.

BACKGROUND
On August 13, 2026, American Fork City was nominated and voted in as a member of the Utah Lake Authority Governing Board. The city now needs to select a representative to represent American Fork.

BUDGET IMPACT
NA

SUGGESTED MOTION
Move to adopt the resolution approving the appointment of Mayor Frost to the Utah Lake Authority Governing Board.

SUPPORTING DOCUMENTS

Appointment to Utah Lake Commission (DOCX)

RESOLUTION NO. _____

A RESOLUTION MAKING ASSIGNMENTS TO MAYOR AND/OR MEMBERS OF THE CITY COUNCIL OF THE CITY OF AMERICAN FORK, UTAH, TO THE UTAH LAKE AUTHORITY GOVERNING BOARD.

WHEREAS, Section 11-65-101 of the Utah Code creates the Utah Lake Authority.

WHERAS, Section 11-65-301 of the Utah Code requires the formation of a governing board which shall manage and conduct the business and affairs of the lake authority and shall determine all questions of lake authority policy.

WHEREAS Section 11-65-302 of the Utah Code details the number and representation of the 15 Utah Lake governing board appointments.

WHEREAS American Fork City is included in the list of Utah Lake Authority member organizations in Section 11-65-302 of the Utah Code

WHEREAS, the Mayor to the City of American Fork, Utah, desires to make assignments to members of the City Council, staff, and residents to certain boards, committees, and entities; and

WHEREAS, The City Council of the City of American Fork has determined that it would be in the best interest of the community to have councilmember, staff, and resident participation on certain boards, committees, and entities;

NOW THEREFORE, the City Council of the City of American Fork, Utah, resolves and consents the approval of the Mayor's assignment of Mayor Bradley Frost to serve on the Utah Lake Authority governing board in accordance with the details provided in Section 11-65 of the Utah Code.

PASSED AND APPROVED this 25th day of August 2026.
