3. Recognition

Park City School District recognized Deer Valley Resort for its support of the 2026 graduation ceremony held at Snow Park Amphitheatre on June 5. Superintendent

Huntsman presented the group a picture of the 2026 graduation. [Recognition](#) 

Lexi Cunningham, Executive Director of the Utah Association of Superintendents, presented Superintendent Huntsman with a USSA one-year Challenge pin.

4. Discussion

4.1 Construction Update

JD Simmons, Sr. Project Manager, MOCA, gave an update on construction. The Treasure Mountain complex is moving forward; paving is complete, but not all striped. Landscaping has begun. Team rooms are being painted; the concession building is having final touches completed. Turf on the baseball field is complete; the infield will be done this week. They will move to the South soccer field on Monday. Within two weeks, we should see both fields near completion. There are a lot of things that have to be moved before the tennis courts can start. Tracking for the end of October, with the tennis courts into November.

#

#

Dozier Field is in great shape. Steal for the canopy is one site, so that should be constructed next week. Working on the coating on the track and bleachers are being set. This is also tracking for the end of October.

6. Public Comment 5:00 PM

6.1 Guidelines for Public Comment

The Board of Education wants to hear live input from community members at our meetings. In order to respect and preserve the time allotted to each presenter on the agenda, each speaker will be limited to three (3) minutes. Speakers representing a group will be limited to five (5) minutes.

The Board of Education expects that all public comments will be polite, respectful, and accurate. Please refrain from specifically identifying personnel. Personnel issues are not appropriate for public comments; therefore, such comments will not be allowed.

Phoebe Byers-Open space is important, and it is important to have green space for our children.

7. Monthly Reports

This time has been set aside for employee group reports.

7.1 Employee Group Reports/Student on the Board/Superintendent

#

Lila Owens-Student on the Board - Freshman first day was a success. This Friday the theme for the game is tropical; the first 100 people get a t-shirt. The Back to school assembly has been moved to September 9. More PTO volunteers are needed. Parking is an issue at the high school, and getting passes this year was crazy. Mr. Fine is considering some type of lottery next year. It is also crazy when all of the students are leaving at the end of the day.

PCEA Co-President Mary Morgan - Good Evening. For those who do not know me, my name is Mary Morgan stated that PCEA truly appreciates the collaborative relationships with the Board. They look forward to more positive work together in the coming year. It was great to see our District Office Personnel in the buildings on the first day of school. Visiting the schools in person shows all staff and students that you care and that you show up. The 2 teacher-directed days on Monday and Tuesday of last week were truly a gift and we appreciate all of you for supporting that. We also highly encourage and invite all of our Board members to come visit us in our schools anytime.

As we come into negotiations again this year on the Licensed Professional Agreement and salary compensation, there is one thing I would like you to

consider as we move forward. Oftentimes decisions are made at many levels by those who do not work that particular job. We see that happen every day by members of the legislature who make decisions on education without ever really stepping foot in a school or, better yet, working in one. So, I would encourage all of us sitting in this room to substitute teach at least a few days a year to truly understand the challenges in the schools that teachers and staff face daily. We would love to see you.

Superintendent Hunstman shared a brief overview of the beginning of the school year. The district welcomed approximately 25 new teachers this year.

AP Exam results were released in July. There has been a steady increase in results.

Enrollment numbers as of today: 4,177 PreK-12; we are down approximately 87 students from this same time last year.
