   Motion: Derrick Valerio
   2nd: Tad Warren
   Motion Carries: Meeting minutes approved for 5/15/2025

Presentation:

1. Enviro Care Maverick Spill Presentation: Mishko Cvetovic & Dallin Baird

Highlights:

- Founded in 2008 and operating in 5 states
- Services: Emergency Response, Industrial Mining, Transportation, Waste Management, and some Fuel Services
- Work with DOD, DoT,UDoT, Dept. of Enviro. Quality in UT and Nev.
- Average 250 responses/ year
- About an Hour and 22 minutes to respond to Utah County
- Have a response Plan agreement with many customers
- Response plan agreement helps with OSHA compliance
- Help with Mock drills so that Customer is aware of what needs to be done with clean up and aftermath
- Oil is 25 gallons minimum for a response plan to be in place
- Response plans can be for up to three years, but can be renewed at clients discretion. These plans lock in the rates
- Goal: Keep the situation from getting worse and get the Highway back open
