Applicable Ordinances

- Title 104, Chapter 29 Ogden Valley Destination and Recreation Resort Zone (DRR-1)
- Title 104, Zones, Chapter 28 Ogden Valley Sensitive Lands Overlay Districts

Summary and Background

1/14/2015 – Zoning Development Agreement for Summit Group is recorded.

1/12/2019 – First Amendment to Zoning Development Agreement is recorded.

11/30/2022 – Second Amendment to Zoning Development Agreement is recorded.

Applicant is requesting approval of minor changes to The Ridge Area B Concept Plan to allow for relocation of a future lift, realignment of some roadway, adding some specificity of residential uses in this area, and shifting some density within this area.

The Land Use Authority can approve of minor and inconsequential changes to the concept area plan for this portion of the Powder Mountain Development (The Ridge Area – Area B), per the Second Amendment (**Exhibit B**) to the recorded development agreement for Summit Mountain Holding Group are slight and inconsequential.

The Second Amendment (**Exhibit B**) to the Zoning Development Agreement allows for approval of a more specific/detailed concept development plan to be approved administratively in conjunction with the development area (Area A –Mid Mountain). The Land Use Authority shall first determine if any proposed changes to this concept development plan are only slight and inconsequential (See Exhibit **A** for overlay of current proposed changes vs. existing approved concept plan). Per the Development agreement,

“County approvals for these concept development plans will initially be reviewed and considered by the Land Use Authority. Proposed changes that the Land Use Authority determines are slight and inconsequential, including the details of road locations, building areas, and product types, shall not require amendment of the ZDA, and the Land Use Authority is hereby designated as the approving authority for those changes. Any proposed changes that the Land Use Authority deems are not slight

and inconsequential shall be submitted by Developer in the form of a zoning development agreement application and shall be reviewed by the planning commission and the legislative body, following statutory process for legislative amendments to a development agreement.”

Analysis

General Plan: The proposal conforms to the Ogden Valley General Plan by encouraging development within the existing resort-related areas.

Additional design standards and requirements: This project is subject to a recorded Master Development Plan Document (recorded 1/14/2015).

Review Agencies: Weber County will continue to inquire as to plans related to a second access off the mountain, until at such time as the County deems a second access necessary. With accelerated development in this area, and potential development on the Cache County side of the mountain, Weber County may need to look more closely at the impacts on Powder Mountain Road.

Staff Recommendation – Minor Concept Area Plan Change

If the Planning Commission determines the proposed changes to be slight and inconsequential, staff would recommend approval of the proposed changes to the concept area plan for The Ridge (Area B), based on the findings below:

1. The proposed changes comply with the recorded development agreement and subsequent amendments, specifically, the 2nd Amendment to the Development Agreement.
2. The proposed changes and use comply with the Ogden Valley General Plan.

SECOND AMENDMENT TO WEBER COUNTY ZONING DEVELOPMENT AGREEMENT

E# 3265109 PG 1 OF 39
LEANN H KILTS, WEBER CTY. RECORDER
30-NOV-22 8:42 AM FEE \$.00 TN
REC FOR: WEBER COUNTY PLANNING

THIS SECOND AMENDMENT TO WEBER COUNTY ZONING DEVELOPMENT AGREEMENT (this "**Amendment**") is made to be effective as of date this Amendment is approved by the Weber County Commission and is made by and between Summit Mountain Holding Group, L.L.C., a Utah limited liability company, ("**Developer**") and Weber County, a body politic in the State of Utah ("**County**") with reference to the following:

RECITALS:

A. Developer and County are parties to that certain Weber county Zoning Development Agreement (the "**ZDA**") dated as of January 13, 2015. A true and correct copy of the ZDA is attached and incorporated into this Amendment as Exhibit A. Any undefined capitalized terms used in this Amendment shall have the same meanings ascribed to such terms in the ZDA.

B. Developer's predecessor-in-interest and the County entered into that certain Weber County Zoning and Development Agreement by and between the County and Western America Holding, LLC a Utah limited liability company recorded in the Office of the Recorder for the County as Entry # 2607988 on November 29, 2012 (the "**Original ZDA**"). The Original ZDA was amended by that certain First Amendment to the Powder Mountain Zoning and Development Agreement made by and between Developer and the County dated as of September 10, 2013 (the "**First Amendment to the Original ZDA**") pursuant to which Developer assumed obligations under the Original ZDA.

C. The ZDA and the Original ZDA, as amended, were further amended by that certain First Amendment to ZDA recorded as of July 12, 2019. A true and correct copy of the First Amendment to ZDA is also attached and incorporated into this Amendment as Exhibit A. The Original ZDA and the ZDA as previously amended as described above are referred to in this Amendment as the Existing ZDA.

D. Developer and the County desire to amend Sections 1.4, 3.2, 4.1, and 4.2 of the Existing ZDA to allow the Land Use Authority to approve changes to some of the conceptual Master Plan exhibits without a public hearing or presentation to the legislative body. Such changes would be considered by the Land Use Authority to be slight and inconsequential or for clarifying purposes, and would not be considered amendments to the ZDA.

NOW, THEREFORE, in consideration of the above recitals, the mutual covenants set forth below, and other good and valuable consideration, the receipt and adequacy of which are acknowledged, Developer and the County agree as follows:

AGREEMENT:

1. Recitals. The above recitals are an integral part of the agreement and understanding of Developer and County and are incorporated into this Amendment by this reference.

2. Effect of Slight and Inconsequential Changes to Master Plan.

2.1 Section 1.4 of the Existing ZDA shall be amended by adding the following sentence to the end of section 1.4:

“Notwithstanding the foregoing, slight and inconsequential changes made to the Master Plan pursuant to Section 3.2 are contemplated as part of this Agreement and shall not be considered amendments or modifications to the Agreement.”

2.2 Section 4.1 of the Existing ZDA shall be amended by replacing the first sentence with the following:

“Subject to Section 3.2, Developer shall develop the subject property based upon representations made in the Rezone Application and the approved Master Plan (Exhibit B).”

2.2 Section 4.2 of the Existing ZDA shall be amended by replacing the second sentence with the following:

“Subject to Section 3.2, Development inconsistent with the Master Plan will not be approved.”

3. Concept Development Plan. Section 3.2 of the Existing ZDA shall be deleted in its entirety and replaced with the following:

“Weber County shall retain the right to approve or deny more specific/detailed concept development plans for Areas A through F. The concept development plans shall be approved prior to or in conjunction with the first application for site plan or subdivision approval within each development Area.

Notwithstanding the foregoing, the Developer and County acknowledge that the “Master Plan” and “Illustrative Plan” maps in the Master Plan document for Areas A through F (i) are conceptual in nature and may be further refined by the parties, and (ii) that specifics regarding locations of roads, building area and product types (e.g. multi-family, mixed-use, single family, corporate retreats, etc.) may be moved within the Areas generally depicted as A through F. Unit density for each Area (A through F) is fixed and may not be transferred between Areas. Concept development plans for each Area are expected to evolve and be presented in phases in the context of a more detailed master plan for each Area. County approvals for these concept development plans will initially be reviewed and considered by the Land Use Authority. Proposed changes that the Land Use Authority determines are slight and inconsequential, including the details of road locations, building areas, and product types, shall not require amendment of the ZDA, and the Land Use Authority is hereby designated as the approving authority for those changes. Any proposed changes that the Land Use Authority deems are not slight and inconsequential shall be submitted by Developer in the form of a zoning development agreement application and shall be reviewed by the planning commission and the legislative body, following the statutory process for legislative amendments to a development agreement.”

4. Effect of Second Amendment. Except as expressly modified by this Amendment, all the terms and conditions of the ZDA shall remain in full force and effect. In the event of a conflict between the terms of the ZDA and this Amendment, this Amendment shall control.

5. Counterparts. This Amendment may be executed in multiple counterparts, each of which shall constitute an original and all of which taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties having been duly authorized, have executed this Amendment to be effective as of the date this Amendment is approved by the Weber County Commission.

Approved by the undersigned parties this 1st day of November 2022.

- Title 104, Zones, Chapter 28 Ogden Valley Sensitive Lands Overlay Districts

Summary and Background

1/14/2015 – Zoning Development Agreement for Summit Group is recorded.

1/12/2019 – First Amendment to Zoning Development Agreement is recorded.

11/30/2022 – Second Amendment to Zoning Development Agreement is recorded.

Applicant is requesting approval of minor changes to Earl’s Village Area C Concept Plan to allow for removal of mixed uses in this area, allow for an additional future lift, realign some roadways that allow for some connectivity.

The Land Use Authority can approve of minor and inconsequential changes to the concept area plan for this portion of the Powder Mountain Development (Earl’s Village Area – Area C), per the Second Amendment (**Exhibit B**) to the recorded development agreement for Summit Mountain Holding Group are slight and inconsequential.

The Second Amendment (**Exhibit B**) to the Zoning Development Agreement allows for approval of a more specific/detailed concept development plan to be approved administratively in conjunction with the development area (Area A –Mid Mountain). The Land Use Authority shall first determine if any proposed changes to this concept development plan are only slight and inconsequential (See Exhibit **A** for overlay of current proposed changes vs. existing approved concept plan). Per the Development agreement,

“County approvals for these concept development plans will initially be reviewed and considered by the Land Use Authority. Proposed changes that the Land Use Authority determines are slight and inconsequential, including the details of road locations, building areas, and product types, shall not require amendment of the ZDA, and the Land Use Authority is hereby designated as the approving authority for those changes. Any proposed changes that the Land Use Authority deems are not slight and inconsequential shall be submitted by Developer in the form of a zoning development agreement

application and shall be reviewed by the planning commission and the legislative body, following statutory process for legislative amendments to a development agreement.”

Analysis

General Plan: The proposal conforms to the Ogden Valley General Plan by encouraging development within the existing resort-related areas.

Additional design standards and requirements: This project is subject to a recorded Master Development Plan Document (recorded 1/14/2015).

Review Agencies: Weber County will continue to inquire as to plans related to a second access off the mountain, until at such time as the County deems a second access necessary. With accelerated development in this area, and potential development on the Cache County side of the mountain, Weber County may need to look more closely at the impacts on Powder Mountain Road.

Staff Recommendation – Minor Concept Area Plan Change

If the Planning Commission determines the proposed changes to be slight and inconsequential, staff would recommend approval of the proposed changes to the concept area plan for Earl’s Village (Area C), based on the findings below:

1. The proposed changes comply with the recorded development agreement and subsequent amendments, specifically, the 2nd Amendment to the Development Agreement.
2. The proposed changes and use comply with the Ogden Valley General Plan.

REC FOR: WEBER COUNTY PLANNING

THIS SECOND AMENDMENT TO WEBER COUNTY ZONING DEVELOPMENT AGREEMENT (this "**Amendment**") is made to be effective as of date this Amendment is approved by the Weber County Commission and is made by and between Summit Mountain Holding Group, L.L.C., a Utah limited liability company, ("**Developer**") and Weber County, a body politic in the State of Utah ("**County**") with reference to the following:

RECITALS:

A. Developer and County are parties to that certain Weber county Zoning Development Agreement (the "**ZDA**") dated as of January 13, 2015. A true and correct copy of the ZDA is attached and incorporated into this Amendment as Exhibit A. Any undefined capitalized terms used in this Amendment shall have the same meanings ascribed to such terms in the ZDA.

B. Developer's predecessor-in-interest and the County entered into that certain Weber County Zoning and Development Agreement by and between the County and Western America Holding, LLC a Utah limited liability company recorded in the Office of the Recorder for the County as Entry # 2607988 on November 29, 2012 (the "**Original ZDA**"). The Original ZDA was amended by that certain First Amendment to the Powder Mountain Zoning and Development Agreement made by and between Developer and the County dated as of September 10, 2013 (the "**First Amendment to the Original ZDA**") pursuant to which Developer assumed obligations under the Original ZDA.

C. The ZDA and the Original ZDA, as amended, were further amended by that certain First Amendment to ZDA recorded as of July 12, 2019. A true and correct copy of the First Amendment to ZDA is also attached and incorporated into this Amendment as Exhibit A. The Original ZDA and the ZDA as previously amended as described above are referred to in this Amendment as the Existing ZDA.

D. Developer and the County desire to amend Sections 1.4, 3.2, 4.1, and 4.2 of the Existing ZDA to allow the Land Use Authority to approve changes to some of the conceptual Master Plan exhibits without a public hearing or presentation to the legislative body. Such changes would be considered by the Land Use Authority to be slight and inconsequential or for clarifying purposes, and would not be considered amendments to the ZDA.

NOW, THEREFORE, in consideration of the above recitals, the mutual covenants set forth below, and other good and valuable consideration, the receipt and adequacy of which are acknowledged, Developer and the County agree as follows:

AGREEMENT:

1. Recitals. The above recitals are an integral part of the agreement and understanding of Developer and County and are incorporated into this Amendment by this reference.

2. Effect of Slight and Inconsequential Changes to Master Plan.

2.1 Section 1.4 of the Existing ZDA shall be amended by adding the following sentence to the end of section 1.4:

“Notwithstanding the foregoing, slight and inconsequential changes made to the Master Plan pursuant to Section 3.2 are contemplated as part of this Agreement and shall not be considered amendments or modifications to the Agreement.”

2.2 Section 4.1 of the Existing ZDA shall be amended by replacing the first sentence with the following:

“Subject to Section 3.2, Developer shall develop the subject property based upon representations made in the Rezone Application and the approved Master Plan (Exhibit B).”

2.2 Section 4.2 of the Existing ZDA shall be amended by replacing the second sentence with the following:

“Subject to Section 3.2, Development inconsistent with the Master Plan will not be approved.”

3. Concept Development Plan. Section 3.2 of the Existing ZDA shall be deleted in its entirety and replaced with the following:

“Weber County shall retain the right to approve or deny more specific/detailed concept development plans for Areas A through F. The concept development plans shall be approved prior to or in conjunction with the first application for site plan or subdivision approval within each development Area.

Notwithstanding the foregoing, the Developer and County acknowledge that the “Master Plan” and “Illustrative Plan” maps in the Master Plan document for Areas A through F (i) are conceptual in nature and may be further refined by the parties, and (ii) that specifics regarding locations of roads, building area and product types (e.g. multi-family, mixed-use, single family, corporate retreats, etc.) may be moved within the Areas generally depicted as A through F. Unit density for each Area (A through F) is fixed and may not be transferred between Areas. Concept development plans for each Area are expected to evolve and be presented in phases in the context of a more detailed master plan for each Area. County approvals for these concept development plans will initially be reviewed and considered by the Land Use Authority. Proposed changes that the Land Use Authority determines are slight and inconsequential, including the details of road locations, building areas, and product types, shall not require amendment of the ZDA, and the Land Use Authority is hereby designated as the approving authority for those changes. Any proposed changes that the Land Use Authority deems are not slight and inconsequential shall be submitted by Developer in the form of a zoning development agreement application and shall be reviewed by the planning commission and the legislative body, following the statutory process for legislative amendments to a development agreement.”

4. Effect of Second Amendment. Except as expressly modified by this Amendment, all the terms and conditions of the ZDA shall remain in full force and effect. In the event of a conflict between the terms of the ZDA and this Amendment, this Amendment shall control.

5. Counterparts. This Amendment may be executed in multiple counterparts, each of which shall constitute an original and all of which taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties having been duly authorized, have executed this Amendment to be effective as of the date this Amendment is approved by the Weber County Commission.

Approved by the undersigned parties this 1st day of November 2022.
