Welcome Charmayne Sandoval – TOB Part Time Notetaker & ADA Compliance Coordinator -

Mayor Ewing and Town Manager Nelson welcomed Charmayne Sandoval to her new role managing meeting minutes, records procedures, and training for ADA compliance. It was noted that while she will work remotely much of the time and may not attend every single meeting in person, she will coordinate closely with staff.

Public Comment Period:

Linda Sosa - spoke as a local resident regarding health leave. She suggested 10 days of health leave per year with a cap of 30 days, noting that allowing rollover helps staff build a personal health bank for unexpected major illnesses while preventing pressure to use up leave unnecessarily.

Unfinished Business

1. Discussion and Vote on Town of Bluff Employee Benefits

The council proceeded to debate and vote item-by-item on employee benefits to provide clear direction for staff to draft formal written policies and initiate health insurance enrollment.

Health Insurance

- Mayoral Proposal: Pay 100% of top HSA plan premium for full-time employees
- Alternative Proposed by CM Haws: Pay 80%

Discussion: The council discussed utilizing Utah Local Governments Trust / PEHP (Public Employees' Health Program) to tap into a small-town insurance pool. Town Manager Erin Nelson noted PEHP guidelines regarding eligibility and contributions. Debate centered on whether to cover 100% of a middle-tier HSA single-employee plan or an 80% split.

Ewing calls for a vote to approve offering 100% premium coverage of the top HSA plan for full-time employees (single coverage).

Voted in Favor: Haws, Davila, Hornsby, Wade & Ewing. None opposed. Motion passes unanimously

Vacation + Holidays

- Mayoral Proposal:
 - Same paid holidays as recognized by the State of Utah (currently 12)
 - Vacation accrued at 15 days annually in first year
 - Vacation accrues one additional day per year to a maximum of 25 total vacation days
 - Accrual cap of 1.5x annually accrued vacation days
- Alternative Proposed by Councilmember Haws:
 - 13 paid holidays
 - Vacation starts at 15 days per year
 - 5 years: 17 days per year
 - 10 years: 18 days per year
 - 15 years: 19 days per year
 - 20 years: 20 days per year
 - Cap paid vacation accrual for all years of service at 20 days per year

Discussion: Reviewed the mayoral proposal (12 state-recognized paid holidays, 15 vacation days accrued annually in the first year, increasing by 1 additional day per year up to a maximum of 25 days, with a 1.5x annual accrual cap) versus an alternative sliding-scale proposal by CM Haws.

Ewing calls for a vote to approve 25 days of PTO after 10 years and the 1.5x accrual vacation time proposal. Voted in Favor: Haws, Davila, Hornsby, Wade & Ewing. None Opposed. Motion passes unanimously

Health Leave

- Mayor Proposal:
 - 15 days of health leave annually
 - Days do not roll over
 - Tracked by anniversary date
- Alternative proposed by Councilmember Haws:
 - 10 days a year

Discussion: Compared the mayoral proposal (15 days annually, no rollover) with CM Haws' alternative proposal (10 days annually, rollover up to a 20-day cap, with an option for employees to receive a payout for up to 32 hours of unused sick leave at the end of the year).

Ewing calls for the vote to approve 10 days a year, max rollover of 20 days, and a 32-hour payout option for unused sick leave

Voted in Favor: Haws, Davila, Hornsby, Wade & Ewing. None opposed. Motion passes unanimously

Post-Partum Leave

- Mayoral Proposal:
 - Six Weeks of 100% Paid Leave

 - 3 weeks of paid leave for eligible employees (includes birthing mother)
 - Runs consecutive to postpartum recovery leave (for a total of 9 weeks of paid leave for birthing mother)
- Alternative Proposed by Councilmember Haws:
 - 3 weeks of paid leave for spouse of birthing mother (e.g. cannot be combined with postpartum leave)

Discussion: The council reviewed state policies regarding paid postpartum and parental leave. The mayor's proposal aligned with state rules allowing 6 weeks of 100% paid postpartum recovery leave for birthing mothers, plus 3 weeks of parental bonding leave (which can also be utilized by eligible spouses). Concerns were raised regarding the potential duration of absence for small-staff operations.

Ewing calls for a vote to adopt the same policy as state guidelines for postpartum (6 weeks of paid leave) and three weeks of parental three weeks of leave which includes the adoption policy. Voted in Favor: Hornsby, Wade, Ewing. Opposed: Davila, Haws. Motion passes three to two.

Bereavement

- Original Proposal
 - 5 Days of Paid Leave for Immediate Family
 - 3 Days of Paid Leave for
- Mayoral Proposal Adopted from Councilmember Haws:

- Option 2: Private 401K Plan
 - Option 2a: 3% Employer Contribution x 3% Employee Match
 - Options 2b: 3% Employer Contribution + Optional 3% Additional Employer Contribution with 3% Employee Match

Discussion: Time constraints prevented a full final vote on retirement options. The council introduced Option 1 (participation in the Utah Retirement Systems [URS] with a 13.19% employer contribution) versus Option 2 (a private 401[k] plan with matching contributions). The discussion will be carried over to the next session.

A secondary water update will be discussed with Patrick to see if a presentation to the council makes sense.
