PROPOSED CONSTITUTIONAL AMENDMENTS

Constitutional Amendment A.

Shall the Utah Constitution be amended to change how proposed constitutional amendments are published, requiring publication for 60 days immediately before the general election in a manner established by state law instead of in newspapers?

If voters approve Constitutional Amendment A, state statute would change to require the Lieutenant Governor to publish the full text of all proposed constitutional amendments and other ballot questions from the Legislature, on the Utah Public Notice Website and on the Lieutenant Governor's website for 60 days immediately before the general election.

Constitutional Amendment B.

Shall the Utah Constitution be amended to require that citizen-proposed laws that increase taxes compared to existing law be approved by at least 60% of voters, instead of a simple majority?

OFFICE OF THE LIEUTENANT GOVERNOR

DEIDRE M. HENDERSON

2026 - 2027 MASTER BALLOT POSITION LIST

In accordance with Utah Code § 20A-6-110, Utah Lieutenant Governor Deidre M. B. Written procedures for election officials to use the Master Ballot Position List.

In accordance with Utah Code § 20A-6-110, election officers shall use the Master Ballot Position List for 2026-2027 to determine the order in which to list candidates on the ballot for any election held during those years. To determine the order in which to list candidates on the ballot, the election officer shall apply the randomized alphabet as so:

- The candidates' legal surnames as listed on the declaration of candidacy.
- If two or more candidates have legal surnames that begin with the same letter, the list shall be applied to each subsequent letter in the candidates' legal surnames as listed on the declaration of candidacy.
- If two or more candidates list identical surnames on the declaration of candidacy, the list shall be applied to the candidates' legal given (first) names as listed on the declaration of candidacy or, if a candidate filed a name affidavit under Utah Code § 20A-6-109, as listed on the name affidavit.

C. Written procedures for the Lieutenant Governor in conducting the randomization in a fair manner and record of the random selection process used.

The Office of the Lieutenant Governor will conduct the randomization process by drawing wooden letter tiles from an opaque bag and following these procedures:

1. A wooden tile with each letter of the alphabet printed is to be placed in an opaque bag.
2. Three individuals are to be selected to draw tiles out of the bag.
3. The order the individuals draw tiles out of the bag is selected at random by rolling a die. The person rolling the highest number on the die picks first, the second highest roller picks second, and the lowest roller picks third.
4. Ties are broken by rolling the die until one of the individuals in the tie rolls a number that is higher than the other person they are tied with.
5. Letters are pulled out of the opaque bag until all tiles are removed.
6. The order the tiles were picked from the bag becomes the Master Ballot Position List. For example, the first tile pulled being the first letter on the list, the second tile pulled being the second on the list and so on.

The randomization was done on Monday April 6, 2026, at 4:00 p.m. in the rotunda of the Utah State Capitol. Notice of the meeting was published on the Public Notice Website and broadcast live on Zoom. A recording of the meeting can be found on the www.vote.utah.gov website.
