Agenda item type:

Action Item

Recommended Action:

That the Committee approve R277-733, Adult Education Programs, Draft 1, on first reading and forward to the Board for approval on second and final reading.

Purpose of Memo:

Staff recommendation

Background:**Background**

R277-733 establishes requirements for the administration of adult education programs and incorporates the Utah Adult Education Policies and Procedures Guide by reference. The Guide is updated periodically to reflect changes in federal requirements, assessments, records retention, and other adult education program policies and procedures. Because R277-733 identifies the specific version of the Guide incorporated by reference, the rule must be amended when a revised version of the Guide is adopted.

Summary of Proposed Changes

The proposed amendments update R277-733 to incorporate the current version of the Utah Adult Education Policies and Procedures Guide by reference. The amendments also make a technical correction to an internal cross-reference.
