COMMUNITY COMMENTS

Rachel Lyn representing the Jordan River Commission, presented an overview of the new "Love Your Watershed" curriculum, a watershed education initiative developed in collaboration with educators from Utah Valley University (UVU) and Alpine School District teachers. The hands-on program is designed to help students better understand their local ecosystems by exploring how their neighborhoods connect to surrounding waterways and learning practical skills such as water quality testing. The curriculum aligns with Utah State Science Standards and is being introduced to school districts throughout the region. Ms. Lyn shared that the Jordan River Commission is partnering with district science teams to support implementation through teacher workshops, lesson plans, instructional resources, and professional training, all provided at no cost to participating districts. She also expressed a desire to engage district leadership and Board members throughout the implementation process and requested their assistance in sharing information and promoting the program across the district.

He added that the proposed calendar follows the Board's typical meeting schedule.

Ada Wilson questioned if state requirements mandate following the same closure process for an online school as for a traditional brick-and-mortar school.

President King added that the process is required under Utah State Code.

Vice President Bateman made the motion for the Board to begin the notification, public input, and review process required by Utah Code 53G-4-402 for the possible closure of Alpine Online, and it was seconded by Joylin Lincoln.

SEXUAL HARASSMENT

Statement of Policy

Alpine School District is committed to providing a workplace and educational environment that are free from sexual harassment and retaliation. To affirm the District's commitment to equity in all aspects of the educational program, the District has developed these internal policies and procedures that provide a prompt and equitable process for those involved in an allegation of sexual harassment or retaliation. These policies and procedures are in compliance with the Education Amendments of 1972 (Title IX), [20 U.S.C.](#), and are further detailed in [34 CFR 106](#). Students and employees who feel they have been subject to sexual harassment are encouraged to [file a complaint](#) in accordance with the [process](#) outlined in this policy.

1. TITLE IX COORDINATOR

- 1.1. The Alpine School District Title IX Coordinators are designated for protection against sexual harassment and are authorized to coordinate the District's efforts to comply with the requirements of Title IX.
- 1.2. Any person may report sex discrimination (including sexual harassment) to the Title IX Coordinator at any time in person, by using the contact information listed on this [link](#), by mail or email or by any other means that results in a Title IX Coordinator receiving the report.

2. Definitions

- 2.1. "Actual Knowledge" refers to notice/awareness of sexual harassment or allegations of sexual harassment reported to any employee of the District, which triggers the District's obligation to respond **promptly and effectively**.
 - 2.1.1. **Educators as mandatory reporters should err on the side of reporting (UCA [80-2-602](#))**

- 2.2. "Complainant" refers to an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- 2.3. "Deliberate-indifference" A recipient is deliberately indifferent only if their response to sexual harassment is clearly unreasonable in light of the known circumstances.
- 2.4. "Education program or activity" means all locations, events, or circumstances over which the District exercises substantial control over both a respondent and the context in which sexual harassment occurs.
- 2.5. "False Complaint" refers to intentionally false, malicious, or ~~bad faith~~ ~~frivolous~~ complaints of sexual harassment and could result in corrective or disciplinary action taken against the complainant.
- 2.6. "Formal Complaint" refers to a document filed **in writing** by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the District investigate the allegation of sexual harassment. A formal complaint may be filed **in writing** with the Title IX Coordinator in person, by mail, by email, or through this [online form](#) located on all school and District websites.
- 2.7. **"Party" refers to the complainant or respondent. "Parties" is both the complainant and respondent jointly.**
- 2.8. **"Preponderance of the Evidence"** refers to whether it is more likely than not that the Respondent violated the Policy as alleged.
- 2.9. "Quid Pro Quo" refers to when a person conditions the provision of an aid, benefit, or service on the complainant's participation in unwelcome sexual conduct.
- 2.10. "Rape" refers to the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person without consent of the victim.
 - 2.10.1. includes sodomy, or sexual assault with an object.
- 2.11. "Respondent" refers to an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

- 2.12. "Retaliation" refers to threats, intimidation, coercion, taunting, spreading rumors, unauthorized disclosure of the details of an investigation, ostracism, assault, destruction of property, discrimination, or other negative/harassing conduct toward any person who has filed a complaint, or has testified, assisted, or participated in any manner in an investigation or proceeding related to the allegation. Interfering with any right or privilege secured by Title IX and its implementing regulations under this section is also retaliation.
- 2.13. "Sexual Harassment" refers to conduct on the basis of sex that satisfies one or more of the following:
- 2.13.1. A District employee or student conditioning the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct (quid pro quo);
 - 2.13.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity (hostile environment);
 - 2.13.2.1. "Severe" - This identifier addresses whether the described occurrence or conduct was extreme from the perspective of a reasonable person in the complainant's position
 - 2.13.2.2. "Pervasive" - This identifier indicates that a single instance of an offensive comment or joke typically does not meet the Title IX standard for sexual harassment requiring investigation. However, there may be instances where a single unwelcome act may meet that standard. Factors to consider include, but are not limited to, the existence of a pattern of sexual harassment, the number and age of people involved, and the occurrence of widespread dissemination of offensive material.
 - 2.13.2.3. "Objectively Offensive" - This identifier addresses whether the described occurrence or conduct was offensive from the perspective of a reasonable person in the complainant's position. Notably, the perspective for offensiveness is based on the reasonableness from the complainant's perspective, and the intent of the respondent is irrelevant in the analysis.

- 2.13.2.4. "Effectively Denies Equal Access" - This does not require that a complainant be entirely or physically excluded from educational or employment opportunities, but rather that the sexual harassment has so undermined and detracted from the complainant's educational environment, that he or she is effectively denied equal access.
- 2.13.3. Any instance of sexual assault, dating violence, domestic violence, or stalking, as each defined in [34 CFR Part 106](#) and in this policy:
 - 2.13.3.1. "Sexual assault" is the unwelcome touching of a person's private body parts for the purpose of sexual gratification without the consent of the victim, including instances where the victim is incapable of giving consent **and/or an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation(pg. 58-62).**
 - 2.13.3.2. "Dating violence" is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the complainant, which may be determined by (1) the length of the relationship, (2) the type of relationship, and (3) the frequency of interaction between the persons involved in the relationship;
 - 2.13.3.3. "Domestic violence" is violence committed by a current or former spouse or intimate partner of the complainant, by a person with whom the complainant shares a child in common, by a person who is cohabitating with or has cohabitated with the complainant as a spouse or intimate partner, by a person similarly situated to a spouse of the complainant under Utah law, or by any other person acting against a complainant who is protected from that person's acts under Utah law;
 - 2.13.3.4. "Stalking" is engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

- 2.14. "Sexual Misconduct" refers to conduct which would not constitute sexual harassment as defined above if proved, but which is sexual in nature and which is prohibited by District or school conduct standards.
- 2.15. "Supportive Measure" refers to any non-disciplinary, non-punitive individualized service offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening either party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

Procedures

1. COMPLAINT PROCESS

- 1.1. Individuals who believe they have been subjected to sexual harassment should immediately notify a staff member, teacher, administrator, or the Title IX Coordinator and may file a formal complaint. For cases involving students only, the school administrator will work with the Title IX Coordinator to determine if the complaint rises to the level of a Title IX complaint. For a situation involving an employee the district administrator will work with the Title IX Coordinator to determine if the complaint rises to the level of a Title IX complaint. If it is determined that the conduct alleged could constitute sexual harassment if proved, then the administrator will hand over the investigation to the Title IX Coordinator. If the complaint does not implicate Title IX because the conduct alleged would not constitute sexual harassment if proved, then the administrator may follow the student discipline [policy 5180](#) or employee conduct [policies](#) in determining appropriate consequences, supports, etc.

- 1.2. A recipient with actual knowledge of sexual harassment must respond promptly in a manner that is not deliberately indifferent.
- 1.3. When a formal complaint is filed, administrators may be part of the investigative team, and must document any interviews or other information gathered from the investigation. The Title IX Coordinator will lead the grievance [process](#). After the investigation and findings are completed, the Title IX Coordinator will be responsible for implementation of any and all remedies, including follow up with the complainant and respondent.
- 1.4. A report or notice of alleged sexual harassment may be filed by someone other than a complainant, in which case the response, procedures, and supportive measures will be followed as outlined below. However, a Title IX investigation is completed only upon receipt of a formal complaint by a complainant or, if a minor, the complainant's parent/guardian, or by the Title IX Coordinator on behalf of the complainant.
- 1.5. A formal complaint must be in writing and must be delivered to the Title IX Coordinator. It may be delivered in person, via mail or by email, and should, but is not required to, include the elements described below.
 - 1.5.1. Name, home address, email address, and telephone number of the complainant;
 - 1.5.2. Date(s) of incident(s) leading to the complaint;
 - 1.5.3. Name(s) of respondent(s);
 - 1.5.4. Location of conduct or incident;
 - 1.5.5. Description of the conduct or incident(s) leading to the complaint;
 - 1.5.6. Description of the harm caused by the incident; and
 - 1.5.7. Description of the remedy sought.
 - 1.5.8. The complainant's physical or digital signature, or other indication that the complainant is the person filing the formal complaint. A parent/guardian may sign and file a formal complaint on behalf of a minor complainant.

2. EMPLOYEE RESPONSIBILITY TO REPORT

- 2.1. An employee with actual knowledge of sexual harassment or allegation of sexual harassment shall, as soon as is reasonably possible, notify their immediate supervisor or the Title IX Coordinator.

3. GENERAL PROVISIONS

- 3.1. Complainants and respondents are treated equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following appropriate procedures before imposing any disciplinary sanction or taking any other action that is not supportive measures against the respondent.
- 3.2. The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the District and not on the parties.
- 3.3. Legal evidentiary privileges will be respected, and the District will not require, allow, rely on, seek disclosure of, or otherwise use information protected by a legally recognized privilege unless the person holding the privilege has waived it.
- 3.4. Evidence regarding the complainant's sexual predisposition or prior sexual behavior is not relevant unless the evidence is being offered either to show that someone other than the respondent committed the alleged conduct or to show consent concerning specific instances of the complainant's prior sexual behavior with respect to the respondent. **The fact of prior consensual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude determination that sex-based harassment occurred.**
- 3.5. The Title IX Coordinator, investigation team, decision-makers, or any person designated to facilitate an informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complaint or respondent.

- 3.6. A respondent is presumed not responsible for alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- 3.7. The range of disciplinary sanctions and remedies following a determination of responsibility include:
 - 3.7.1. Sanctions:
 - 3.7.1.1. Short-term removal from school
 - 3.7.1.2. Long-term removal from school
 - 3.7.1.3. Measures which are supportive of the complainant but which impose a burden on the respondent and which may be punitive in nature
 - 3.7.1.4. Any sanction which might be imposed under employee or student discipline policies, including but not limited to temporary or permanent restriction of a student's participation in extracurricular activities, leave of absence, administrative leave, with or without pay.
 - 3.7.2. The range of supportive measures, include but are not limited to:
 - 3.7.2.1. Counseling,
 - 3.7.2.2. Extensions of deadlines or other course-related adjustments,
 - 3.7.2.3. Modifications of work or class schedules,
 - 3.7.2.4. Use of school safety plan procedures,
 - 3.7.2.5. Mutual restrictions on contact between parties,
 - 3.7.2.6. Changes in work or education setting locations,
 - 3.7.2.7. Increased security and monitoring of certain areas of the school.
- 3.8. The standard of evidence for all complaints of sexual harassment through this process is a preponderance of the evidence.

- 3.9. Both the complainant and the respondent shall have the right to appeal the decision-maker's decision or the District's dismissal of a formal complaint and allegations, in accordance with section 10.0.
- 3.10. The complainant and the respondent will be informed that the parties may have an adult advisor of their choice throughout the grievance process.
- 3.11. Where multiple allegations of sexual harassment arise out of the same facts or circumstances, the Title IX Coordinator may consolidate formal complaints made against more than one respondent, or made by more than one complainant against one or more respondents, or made by one party against another party.
- 3.12. The time frames established for this process are intended to provide a reasonably prompt resolution of complaints. However, the District may, for good cause and with written notice to the complainant and respondent, temporarily delay the process or extend a deadline for a limited time. Good causes may include (but is not limited to) considerations such as the absence of a party or a party's advisor, concurrent law enforcement activity, or the need for language assistance or accommodation of disabilities.

4. INITIAL RESPONSE

- 4.1. Should a principal/supervisor become aware of an allegation of, or conduct that could constitute sexual harassment if proved, the principal/supervisor should notify the Title IX Coordinator.
 - 4.1.1. If after some limited, initial inquiry, the Title IX Coordinator and school or district administrator determine the conduct is Sexual Misconduct because it would not constitute sexual harassment if proved, protocols for investigating and discipline will proceed according to District policy and procedure [5180 Discipline](#) or employee policy and procedure [7300](#).
- 4.2. The Title IX Coordinator, will promptly contact the complainant to discuss the availability of supportive measures (with or without the filing of a formal complaint), consider the complainant's wishes with respect to

supportive measures, explain to the complainant the process for filing and investigating a formal complaint, and advise the complainant that they may have an adult advisor of their choice throughout the investigation of a formal complaint.

- 4.3. If the complainant files a [Formal Complaint](#) or the Title IX Coordinator files a Formal Complaint on behalf of the complainant, the formal investigation process set forth in section 7.0 shall be followed and the Title IX Coordinator may offer the option of an informal resolution at this time.

5. SUPPORTIVE MEASURES

- 5.1. Supportive measures will be offered to the complainant and the respondent when the District learns of allegations of Sexual Harassment.
 - 5.1.1. These supportive measures will be provided regardless of whether or not a formal complaint is filed, and they are available throughout the grievance process.
- 5.2. They shall not be punitive or disciplinary.
- 5.3. They will be individualized depending on the circumstances of the complainant and/or the respondent.
- 5.4. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus safety plan, mutual restrictions on contact between the parties, supervised transitions, changes in work locations, increased security and monitoring of certain areas of the campus, and other similar measures.
- 5.5. The District must maintain as confidential any supportive measures provided to the complainant and respondent, except to the extent that maintaining such confidentiality would impair the ability of the District to provide the supportive measures.
- 5.6. The Title IX Coordinator is responsible for coordinating and documenting the effective implementation of supportive measures.
- 5.7. Emergency Removal

- 5.7.1. The Title IX Coordinator, in consultation with the school principal and supervisor, may conduct an emergency removal of a respondent from the District's education program or activity. To remove a respondent on an emergency basis, the District must undertake an individualized safety and risk analysis meeting and determine that an immediate threat to the physical health or safety of a student, employee or other individual arising from the allegations of sexual harassment justifies the removal. The respondent must be given notice and an opportunity to challenge the decision immediately following the removal. An emergency removal may not constitute or be documented as disciplinary action.
- 5.7.2. In cases when an emergency removal involves a student with a disability who is receiving services under an IEP or Section 504 plan, a meeting can serve as the student's manifestation determination review and will be conducted in accordance with the requirements of the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act (Section 504). The meeting will be scheduled and held within ten (10) school days of the decision to implement the emergency removal. If it is determined that an emergency removal is necessary for more than ten (10) school days, that would constitute a change in placement and would be addressed in accordance with the requirements of the IDEA and Section 504.
- 5.8. If a complainant or respondent is an elementary or secondary student with a disability, the Title IX Coordinator must consult with one or more members, as appropriate, of the student's individualized Education Program (IEP) team.
- 5.9. Suspension of Employee Respondent
 - 5.9.1. A non-student employee respondent may be placed on administrative leave during the investigation and complaint resolution process consistent with District policies and procedures relating to employee discipline.

- 5.9.2. Cases involving a disabled employee receiving services under a Section 504 plan or accommodations under the Americans with Disabilities Act (ADA) will be conducted in accordance with the respective 504 and ADA rules and regulations.

6. INFORMAL RESOLUTION PROCESS

- 6.1. Informal resolution without a full investigation and adjudication may be appropriate in cases of sexual harassment according to the following requirements:
 - 6.1.1. Informal resolution can never be offered to resolve complaints alleging that an employee sexually harassed a student;
 - 6.1.2. Resolution facilitators must be free from conflicts of interest or bias and be trained to serve impartially and must receive training on the definition of sexual harassment under this policy, the scope of the District's education programs and activities, how to conduct an investigation and grievance process including appeals and informal resolution processes, how to issue a written determination, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias;
 - 6.1.3. Informal resolution processes must have reasonably prompt time frame not to exceed thirty (30) business days;
 - 6.1.4. The initial written notice of allegations sent to both parties must include information about the informal resolution processes made available and the consequences of participation in the process (including what records will be maintained or could be shared); and
 - 6.1.5. Parties retain their right to a formal resolution process, and can withdraw from the voluntary informal resolution and resume a formal process at any time prior to agreeing to a resolution.
- 6.2. Both parties must submit, voluntarily and without compulsion, written confirmation of their desire to resolve the matter through informal resolution processes.

- 6.3. Informal resolution may not be offered without a formal complaint being filed.
- 6.4. In an informal resolution, the Resolution Facilitator negotiates with the parties to fine outcomes that are acceptable to both parties. These may include:
 - 6.4.1. Disciplinary action;
 - 6.4.2. Specific supportive measures; and/or
 - 6.4.3. Other remedies as requested and agreed upon by the parties.
- 6.5. The result of an informal resolution concludes the formal complaint process and is documented in the SIS for the students involved.

7. FORMAL INVESTIGATION

- 7.1. The procedures outlined in this section are detailed and constitute the requirements of Title IX. A good faith effort will be made in all cases. Investigators must be flexible and adapt to the circumstances of each complaint.
- 7.2. Assignment of investigation team
 - 7.2.1. The Title IX Coordinator shall notify the applicable Supervisor of secondary or elementary education, the Directors of Human Resources, or any other applicable administrator when opening an investigation and creating an investigation team.
 - 7.2.2. The investigation team may include the Title IX Coordinator, but will at least consist of two (2) administrators (who may be from outside the school) trained in Title IX policies and procedures, and, in instances involving an employee, a district administrator of Human Resources. All members of the investigative team shall be free of any real or perceived conflicts of interest. If any of the team has a real or perceived conflict of interest, they will not participate in the investigation.
- 7.3. Upon receipt of a formal complaint, the Title IX Coordinator determines whether the complaint must or may be dismissed. A dismissal may occur at any point in the investigation.

- 7.3.1. The Title IX Coordinator must dismiss the complaint if any of the following conditions apply:
 - 7.3.1.1. The conduct alleged would not constitute sexual harassment as defined in this policy or under Title IX, even if proved;
 - 7.3.1.2. The conduct alleged did not occur in a District program or activity; or
 - 7.3.1.3. The conduct alleged did not occur against a person in the United States.
- 7.3.2. The Title IX Coordinator may dismiss the complaint or any of the allegations therein if any of the following conditions apply:
 - 7.3.2.1. A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
 - 7.3.2.2. The respondent is no longer enrolled in or employed by the District; or
 - 7.3.2.3. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the allegations contained in the formal complaint.
- 7.3.3. Dismissal does not preclude action under another District policy. The District has the flexibility to provide supportive measures in response to allegations of conduct, and to investigate such conduct, that does not involve sexual harassment but is otherwise prohibited under District policy, including bullying, discrimination, and "sexual misconduct" as defined above.
- 7.3.4. If a complaint is dismissed, the Title IX Coordinator shall promptly notify both parties in writing of a dismissal decision and the reasons for the decision and shall give both parties equal right to appeal a dismissal decision.
- 7.4. The investigation team should begin each investigation by documenting the alleged conduct and creating an investigation file.

7.5. The investigation team shall refer the matter to law enforcement authorities or the Utah State Division of Child and Family Services, where appropriate or required by law. The investigation team must continue to conduct the investigation even if the matter has been referred to another agency. The investigation team should coordinate with the other agency and may adjust timelines and procedures accordingly.

7.6. Notice of Allegations

7.6.1. Upon receipt of a formal complaint, the Title IX Coordinator shall provide the following written notices to the parties. If, in the course of the investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator must provide notice of the additional allegations to both parties.

7.6.1.1. Notice of the District's complaint and investigation process, including any informal resolution process available;

7.6.1.2. Notice prohibiting retaliation, including a warning that anyone found to have engaged in retaliation will be subject to disciplinary action and a requirement that complainants, respondents, and witnesses report any retaliatory conduct;

7.6.1.3. Notice of the allegations of sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the following, if known:

7.6.1.3.1. The identities of the parties involved in the incident;

7.6.1.3.2. the conduct allegedly constituting sexual harassment under this policy or Title IX; and

- 7.6.1.5. A statement that the parties may have an adult advisor of their choice, who may be, but is not required to be, an attorney, and that the parties may inspect and review evidence as described below (see section 8.8 below); and
 - 7.6.1.6. A statement that District policy prohibits knowingly making false statements or knowingly submitting false information during the investigation and that a party found to have done so is subject to disciplinary action which may include, but not be limited to, termination for employees or school suspension or expulsion for students.
- 7.7. Access to a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in their capacity in connection with the party's treatment can only be obtained by the District through the party's voluntary, written consent (if the party is a minor, consent must be from the parent).

8. INVESTIGATION PROCESS

- 8.1. The investigation team shall provide written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings to a party whose participation is invited or expected, with sufficient time for the party to prepare to participate.
- 8.2. The investigation team shall provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. A recipient must not restrict the ability of either party to discuss the allegations or gather associated evidence.
- 8.3. Each of the following persons shall be interviewed by the investigation team, and a record made of the interview.
 - 8.3.1. Interview with a complainant. The complainant may be accompanied by an adult representative of their choice, including legal counsel. The complainant may present evidence supporting the complaint.

- 8.4. The investigation team gathers and reviews supplemental evidence.
 - 8.4.1. Any relevant security camera footage or other evidence maintained on the District computer network or computers or devices.

- 8.5. The investigation team will notify the complainant and/or respondent of the need for any follow-up interview.
- 8.6. The investigation team shall gather and preserve all evidence, including video footage from surveillance cameras, photos, physical evidence, documents, correspondence, and any relevant electronic information such as text messages, videos, and social media postings.
- 8.7. Typically the investigation phase can be expected to last approximately twenty (20) business days.
- 8.8. Upon completion of interviewing and gathering evidence, the team will provide both parties an equal opportunity to inspect and review any evidence obtained as a part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the investigative team does not intend to rely, in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.
- 8.9. The Investigation team then creates an investigative report that fairly summarizes relevant evidence and, at least ten (10) calendar days prior to a determination regarding responsibility, sends it to each party and the party's advisor, if any, in an electronic format or hard copy, for their review and written response.

9. DECISION-MAKING

9.1. Decision-Makers

9.1.1. Decision-makers shall be appointed by the Title IX Coordinator subject to the following qualifications.

9.1.2. Decision-makers cannot be part of the investigation team.

9.1.3. The decision-makers may not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

9.2. 9.3.2. The decision-makers objectively evaluate all relevant evidence gathered and presented during the investigation, as found in the investigation report, along with the answers to any questions and follow-up questions to parties and witnesses as a response to the investigative report. The decision-makers evaluate the evidence, judging credibility based on factors of plausibility and consistency in party and witness statements, and then reach a decision regarding responsibility.

9.3.3. The decision-makers may consult with District Legal Counsel regarding legal questions, but otherwise must make the decision based on the evidence presented.

- 9.3.4. The decision-makers shall base the decision on the preponderance of the evidence standard. The District shall apply the same standard to all formal complaints of sexual harassment, whether the complaint involves a student or employee.
- 9.3.5. The Written Decision must include:
 - 9.3.5.1. Identification of the allegations potentially constituting sexual harassment as defined in this policy;

harassment.

or challenging the decision-makers determination. Upon reviewing both parties' statements, the reviewer will issue a reasoned written decision describing the result of the appeal and rationale. The reviewer's decision will be final and binding on the parties and will be made within twenty (20) business days of the appeal.

- 10.1.6.1. The reviewer of the appeal may not be involved as a decision-maker in reaching the determination of the responsibility or dismissal, and may not be an investigator, or the Title IX Coordinator.

11. CONFIDENTIALITY

- 11.1. It is District policy to respect, as far as possible, the privacy and anonymity of all parties and witnesses to complaints brought under this policy. However, because an individual's right to confidentiality must be balanced with the District's obligations to cooperate with law enforcement, government agencies, or legal proceedings, or to investigate and take necessary action to resolve a complaint, including by allowing each party the chance to provide information to the investigation team, information about the complaint may be disclosed in appropriate circumstances, and for other good reasons that apply to the particular situation.
- 11.2. Where a complaint involves allegations of child abuse, the complaint shall be immediately reported to appropriate law enforcement authorities or the Utah State Division of Child and Family Services. Electronic Communication Devices

Statement of Policy

The Alpine School District Board of Education acknowledges the value of electronic communication devices as learning tools, and recognizes that electronic communication devices such as cell phones, tablets, and smartwatches are commonly used by parents and their children to communicate with each other. While electronic communication devices can assist in crisis response, provide essential medical functionalities, and facilitate certain 504 or IEP accommodations, these same devices have the potential to disrupt the orderly operation of the school and increase student anxiety while distracting students from learning. In accordance with UCA [53G-7-227](#), the Board hereby enacts this policy implementing the restrictions outlined herein in order to govern the possession and use of electronic communication devices.

1. DEFINITIONS

- 1.1. “AI glasses” means wearable eyewear, whether prescription or non-prescription, that:
 - 1.1.1. incorporates one or more sensors, including cameras or microphones;
 - 1.1.2. uses artificial intelligence, machine learning algorithms, or neural networks to process, analyze, or interpret data captured by the sensors in real-time or near real-time;
 - 1.1.3. provides information, overlays, translations, identification, or other augmented content to the wearer through visual displays, audio output, or haptic feedback; and
 - 1.1.4. may transmit, store, or share data to external devices, networks, or cloud-based services (UCA 53G-7-227).
 - 1.1.5. “AI glasses” does not mean:
 - 1.1.5.1. prescription eyeglasses or sunglasses without electronic components;
 - 1.1.5.2. wearable devices used solely for reading glasses or vision correction without data collection or processing capabilities;
 - 1.1.5.3. protective eyewear that contains only passive sensors without artificial intelligence processing capabilities; or
 - 1.1.5.4. virtual reality headsets designed primarily for immersive gaming or entertainment that are not suitable for continuous wear in public settings (UCA 53G-7-227).

- 1.2. “Classroom hours” means time during which a student receives scheduled, teacher-supervised instruction that occurs in a physical or virtual classroom setting during regular school operating hours as part of an approved educational curriculum. The term “classroom hours” does not include:
 - 1.2.1. lunch periods;
 - 1.2.2. recess;
 - 1.2.3. transit time between classes;
 - 1.2.4. study halls (unless directly supervised by a teacher);
 - 1.2.5. after-school activities (unless part of an approved extended learning program); or
 - 1.2.6. independent study time occurring outside scheduled instruction.
- 1.3. “Electronic communication device” means a non-school-issued electronic device, including but not limited to a cell phone, tablet, smartwatch, earbuds, or other portable device, that can be used for entertainment or communication, regardless of whether or not such device is connected to a network. Fitness trackers which receive notifications but are incapable of responding to notifications are not electronic communication devices.
 - 1.3.1. School-issued electronic devices, including Chromebooks and other devices such as laptop computers, tablets, or e-readers that are “checked-out” or loaned to students, are not “electronic communication devices” for the purpose of this policy.
 - 1.3.2. Because AI glasses are prohibited, AI glasses are not considered “electronic communication devices.”
- 1.4. “Permitted use” means the use of an electronic communication device for the following purposes:
 - 1.4.1. to respond to an imminent threat to the health or safety of an individual;
 - 1.4.2. to respond to a school-wide emergency;

- 1.4.3. to use the [SafeUT Crisis Line](#);

2. PROHIBITED AND PERMITTED USES

2.1. Student use of AI glasses is prohibited under all circumstances. This restriction applies even when AI glasses are powered off or recording features are deactivated. If an accommodation request involves AI glasses, schools and staff must address the student's underlying needs through alternative solutions that do not involve authorizing AI glasses.

2.2. In accordance with state law, students are prohibited from using electronic communication devices during classroom hours, except for a permitted use, based on the following principles:

- 2.2.1. Students responding to an imminent threat to the health or safety of an individual should immediately notify a school employee of the threat.
- 2.2.2. School employees should permit a student's use of an electronic communication device only to the extent explicitly required by the student's IEP or Section 504 accommodation plan. IEP and 504 teams are encouraged to thoughtfully consider whether alternative accommodations, other than access to electronic communication devices, may more effectively address the student's needs.
- 2.2.3. Students may use electronic communication devices to address a medical necessity (such as the monitoring of blood sugar levels or responding to seizure activity) when supported by medical documentation provided by the student or their parent/guardian to the school.

2.3. Regardless of whether a student's use of an electronic communication device might otherwise constitute a permitted use, no student may activate

or use an electronic communication device in the locations or in connection with the sensitive student matters described in Section 6.5 of this Policy.

- 2.4. Student use of electronic communication devices which goes beyond a permitted use is prohibited by law and this policy and may subject the student to discipline (for example, a student may be disciplined for using their electronic communication device to access social media, even if the device was initially accessed by the student to address a documented medical necessity).
- 2.5. School employees may verify and confirm authorized uses in ways which are consistent with general student expectations of privacy.

3. LEVELS OF RESTRICTION BASED ON GRADE LEVEL

3.1. Framework for Elementary Schools:

- 3.1.1. Electronic communication devices, except as otherwise described in this policy, shall remain in each student's backpack from bell to bell and shall not be seen or heard. Fitness trackers shall be set so that notifications are not received.

4. CONSEQUENCES FOR STUDENT VIOLATIONS

- 4.1. Schools may determine their own consequences for student violations, which should be established in collaboration with their School Community Council (SCC), and must be (i) included in their school handbook and (ii) annually communicated to parents. In the absence of school consequences, the following will apply:
- 4.2. Teachers may remind students at the beginning of class to silence and put away electronic communication devices at the beginning of class, and to warn students of the consequences for violations of this policy as needed.
- 4.3. Student violations of this policy will result in disciplinary action, including:
 - 4.3.1. First Offense: The student will place their electronic communication device in a closed container as determined by the school. The student will keep the closed container throughout the remainder of the school day for elementary level and class period for the secondary level.

- 4.3.6. The school and district accept no responsibility for the loss of or damage to any device including theft.

5. SCHOOL RULES

- 5.1. The Board further permits a school to establish more restrictive guidelines to enforce reasonable rules relating to electronic communication devices in public schools including discipline and enforcement, so long as they are included in the school's handbook and posted on their website with annual communication to students and parents and do not violate UCA [53G-7-227](#). Rules established at each school may include, among other things:
 - 5.1.1.1. Imposing a bell-to-bell restriction on student use of electronic communication devices;
 - 5.1.1.2. Extending the existing restrictions on student use of electronic communication devices (for example, by prohibiting use during lunch or passing periods);
 - 5.1.1.3. Establishing acceptable places for students to maintain electronic communication devices during classroom hours

(for example, requiring students to check electronic communication devices into school-provided receptacles);

5.1.1.4. Outlining different procedures for allowing use of electronic communication devices in the event of an imminent threat to the health or safety of an individual, a school-wide emergency, a medical necessity, or as necessary to use the [SafeUT Crisis Line](#) or to access an IEP or 504 accommodation;

5.1.1.5. Establishing different consequences for student violations; and

5.1.1.6. Establishing procedures for the confiscation and return of electronic communication devices which are used in violation of this policy.

5.1.2. For the avoidance of doubt, school-specific rules or guidelines may not prohibit a student from using an electronic communication device for the purposes listed in Section 2.1, but may establish parameters for such approved uses (for example, by establishing how electronic communication devices will be allowed in the event of a school-wide emergency or determining a process for students to access their electronic communication devices to use the [SafeUT Crisis Line](#)).

5.2. The school principal and leadership team are encouraged to involve teachers, staff, parents, students, and community members in establishing the guidelines and recommending revisions as needed ([R277-495-3](#)(3)).

5.3. Parents and students shall receive annual notice of any school-based rules or policies that modify the use of electronic communication devices established by this district policy.

- 5.5. The notice of rules shall include a statement that the school and district accept no responsibility for the loss of or damage to any device including theft.

6. GUIDELINES FOR SCHOOL RULES

- 6.1. When creating school-based policies, the school should reference in their policy or guidelines the requirements found within Utah Administrative Rule [R277-495-4](#) for electronic device use.
- 6.2. The principal of the school is hereby given the authority to make determinations as to additional locations and situations where possession or use of electronic communication devices and cameras are prohibited.
- 6.3. Exceptions to this policy may be granted **by school administration for students who are participating in off-campus learning opportunities, and as a school administration works with parents to accommodations for** students with a physical or mental disability, family emergency or medical necessity that would require access to an electronic communication device.
- 6.4. Administrators, classroom teachers, and coaches may prohibit the possession or use of such devices at specific times and in specific circumstances not otherwise explicitly addressed in this policy.
- 6.5. Electronic communication devices, **including any device which is capable of creating recordings, such as** ~~and~~ **cameras or audio recording equipment,** may not be activated or utilized in school situations where a reasonable expectation of personal privacy exists. These locations **and situations** include but are not limited to:
- 6.5.1.** locker rooms, shower rooms, **change areas,** restrooms and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes;
 - 6.5.2.** **any area where another student is receiving medical care, counseling, mental health support, crisis intervention, or a threat assessment;**

- 6.5.3. any room or setting in which a student is receiving specialized instruction or related services under an IEP or Section 504 Plan;
 - 6.5.4. physical altercations or conflicts between students;
 - 6.5.5. disciplinary meetings or administrative proceedings involving another student; and

- 6.6. At no time at school or in connection with a school activity may an electronic communication device be used by any student in a manner that violates [Policy No. 5181 | Bullying Prevention](#) or that might reasonably create in the mind of another person who is associated with the school an impression of being threatened, humiliated, harassed, embarrassed or intimidated.
- 6.7. At no time can pornography be disseminated or accessed through electronic communication devices.
- 6.8. The use of an electronic communication device to threaten, intimidate or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft or academic dishonesty, will result in suspension as referenced in [Policy No. 5180 | Discipline](#). Authority: [R277-495](#) (Authority, Purpose and Oversight) and; [R277-495-4](#) (LEA Electronic Device Policy Requirements)

7. COMMUNICATION WITH STUDENTS

- 7.1. Because not all students have access to a school-issued electronic device or personal electronic communication device, when a school is using electronic means to send communications to students, the school should also take care to ensure that students have non-electronic notification of and access to:
- 7.1.1. school activities and events, including:

- 7.1.1.1. schedule changes;
 - 7.1.1.2. extracurricular activities; and
 - 7.1.1.3. sporting events; and

(iii) Earnest Money Deposit(s) Released to Seller. If the REPC is cancelled as provided in Section 8.3(b)(ii), Buyer agrees that all of Buyer's Earnest Money Deposit, or Deposits, if applicable (see Section 8.4 below), shall be released to Seller without the requirement of further written authorization from Buyer. Seller agrees to accept, as Seller's exclusive remedy, the Earnest Money Deposit, or Deposits, if applicable, as liquidated damages. Buyer and Seller agree that liquidated damages would be difficult and impractical to calculate, and the Earnest Money Deposit, or Deposits, if applicable, is a fair and reasonable estimate of Seller's damages in the event Buyer fails to obtain the Loan.

8.4 ADDITIONAL EARNEST MONEY DEPOSIT. If the REPC has not been previously canceled by Buyer as provided in Sections 8.1, 8.2 or 8.3, as applicable, then no later than the Due Diligence Deadline, or the Financing & Appraisal Deadline, whichever is later, Buyer: ☐ **WILL** ☒ **WILL NOT** deliver to the Buyer's Brokerage, an Additional Earnest Money Deposit in the amount of \$ _____. The Earnest Money Deposit and the Additional Earnest Money Deposit, if applicable, are sometimes referred to herein as the "Deposits". The Earnest Money Deposit, or Deposits, if applicable, shall be credited toward the Purchase Price at Closing.

9. ADDENDA. There ☒ **ARE** ☐ **ARE NOT** addenda to the REPC containing additional terms. If there are, the terms of the following addenda are incorporated into the REPC by this reference: ☒ **Addendum No. 1 & 2** ☐ **Seller Financing Addendum** ☐ **FHA/VA Loan Addendum** ☐ **Other (specify) _____**.

10. HOME WARRANTY PLAN / AS-IS CONDITION OF PROPERTY.

10.1 Home Warranty Plan. A one-year Home Warranty Plan ☒ **WILL** ☐ **WILL NOT** be included in this transaction. If included, the Home Warranty Plan shall be ordered by ☒ **Buyer** ☐ **Seller** and shall be issued by a company selected by ☒ **Buyer** ☐ **Seller**. The cost of the Home Warranty Plan shall not exceed \$ 1,500.00 and shall be paid for at Settlement by ☐ **Buyer** ☒ **Seller**.

10.2 Condition of Property/Buyer Acknowledgements. Buyer acknowledges and agrees that in reference to the physical condition of the Property: (a) Buyer is purchasing the Property in its "As-Is" condition without expressed or implied warranties of any kind; (b) Buyer shall have, during Buyer's Due Diligence as referenced in Section 8.1, an opportunity to completely inspect and evaluate the condition of the Property; and (c) if based on the Buyer's Due Diligence, Buyer elects to proceed with the purchase of the Property, Buyer is relying wholly on Buyer's own judgment and that of any contractors or inspectors engaged by Buyer to review, evaluate and inspect the Property. The provisions of Section 10.2 shall survive Closing.

10.3 Condition of Property/Seller Acknowledgements. Seller acknowledges and agrees that in reference to the physical condition of the Property, Seller agrees to: (a) disclose in writing to Buyer defects in the Property known to Seller that materially affect the value of the Property that cannot be discovered by a reasonable inspection by an ordinary prudent Buyer; (b) carefully review, complete, and provide to Buyer a written Seller property condition disclosure as stated in Section 7(a); (c) deliver the Property to Buyer in substantially the same general condition as it was on the date of Acceptance, as defined in Section 23, ordinary wear and tear excepted; (d) deliver the Property to Buyer in broom-clean condition and free of debris and personal belongings; and (e) repair any Seller or tenant moving-related damage to the Property at Seller's expense. The provisions of Section 10.3 shall survive Closing.

11 FINAL PRE-SETTLEMENT WALK-THROUGH INSPECTION. No earlier than seven (7) calendar days prior to Settlement, and upon reasonable notice and at a reasonable time, Buyer may conduct a final pre-Settlement walk-through inspection of the Property to determine only that the Property is "as represented," meaning that the items referenced in Sections 1.1, 1.2 and 8.1(b)(ii) ("the items") are respectively present, repaired or corrected as agreed. The failure to conduct a walk-through inspection or to claim that an item is not as represented shall not constitute a waiver by Buyer of the right to receive, on the date of possession, the items as represented.

12. CHANGES DURING TRANSACTION. Seller agrees that except as provided in Section 12.5 below, from the date of Acceptance until the date of Closing the following additional items apply:

12.1 Alterations/Improvements to the Property. No substantial alterations or improvements to the Property shall be made or undertaken without prior written consent of Buyer.

12.2 Financial Encumbrances/Changes to Legal Title. No further financial encumbrances to the Property shall be made, and no changes in the legal title to the Property shall be made without the prior written consent of Buyer.

12.3 Property Management Agreements. No changes to any existing property management agreements shall be made and no new property management agreements may be entered into without the prior written consent of Buyer.

12.4 Long-Term Lease or Rental Agreements. No changes to any existing tenant lease or rental agreements shall be made and no new long-term lease or rental agreements, as defined in Section 6.1(a), may be entered into without the prior written consent of Buyer.

12.5 Short-Term Rental Bookings. If the Property is made available for short-term rental bookings as defined in Section 6.1(b), Seller **MAY NOT** after the Seller Disclosure Deadline continue to accept short-term rental bookings for guest use of the property without the prior written consent of Buyer.

13. AUTHORITY OF SIGNERS. If Buyer or Seller is a corporation, partnership, trust, estate, limited liability company or other entity, the person signing the REPC on its behalf warrants his or her authority to do so and to bind Buyer and Seller.

14. COMPLETE CONTRACT. The REPC together with its addenda, any attached exhibits, and Seller Disclosures (collectively referred to as the "REPC"), constitutes the entire contract between the parties and supersedes and replaces any and all prior negotiations, representations, warranties, understandings or contracts between the parties whether verbal or otherwise. The REPC cannot be changed except by written agreement of the parties.

15. MEDIATION. Any dispute relating to the REPC arising prior to or after Closing: ☐ **SHALL** ☒ **MAY AT THE OPTION OF THE PARTIES** first be submitted to mediation. Mediation is a process in which the parties meet with an impartial person who helps to resolve the dispute informally and confidentially. Mediators cannot impose binding decisions. The parties to the dispute must agree before any settlement is binding. The parties will jointly appoint an acceptable mediator and share equally in the cost of such mediation. If mediation fails, the other procedures and remedies available under the REPC shall apply. Nothing in this Section 15 prohibits any party from seeking emergency legal or equitable relief, pending mediation. The provisions of this Section 15 shall survive Closing.

16. DEFAULT.

16.1 Buyer Default. If Buyer defaults, Seller may elect one of the following remedies: (a) cancel the REPC and retain the Earnest Money Deposit, or Deposits, if applicable, as liquidated damages; (b) maintain the Earnest Money Deposit, or Deposits, if applicable, in trust and sue Buyer to specifically enforce the REPC; or (c) return the Earnest Money Deposit, or Deposits, if applicable, to Buyer and pursue any other remedies available at law.

16.2 Seller Default. If Seller defaults, Buyer may elect one of the following remedies: (a) cancel the REPC, and in addition to the return of the Earnest Money Deposit, or Deposits, if applicable, Buyer may elect to accept from Seller, as liquidated damages, a sum equal to the Earnest Money Deposit, or Deposits, if applicable; or (b) maintain the Earnest Money Deposit, or Deposits, if applicable, in trust and sue Seller to specifically enforce the REPC; or (c) accept a return of the Earnest Money Deposit, or Deposits, if applicable, and pursue any other remedies available at law. If Buyer elects to accept liquidated damages, Seller agrees to pay the liquidated damages to Buyer upon demand.

17. ATTORNEY FEES AND COSTS/GOVERNING LAW. In the event of litigation or binding arbitration arising out of the transaction contemplated by the REPC, the prevailing party shall be entitled to costs and reasonable attorney fees. However, attorney fees shall not be awarded for participation in mediation under Section 15. This contract shall be governed by and construed in accordance with the laws of the State of Utah. The provisions of this Section 17 shall survive Closing.

18. NOTICES. Except as provided in Section 23, all notices required under the REPC must be: (a) in writing; (b) signed by the Buyer or Seller giving notice; and (c) received by the Buyer or the Seller, or their respective agent, or by the brokerage firm representing the Buyer or Seller, no later than the applicable date referenced in the REPC.

19. NO ASSIGNMENT. The REPC and the rights and obligations of Buyer hereunder, are personal to Buyer. The REPC may not be assigned by Buyer without the prior written consent of Seller. Provided, however, the transfer of Buyer's interest in the REPC to any business entity in which Buyer holds a legal interest, including, but not limited to, a family partnership, family trust, limited liability company, partnership, or corporation (collectively referred to as a "Permissible Transfer"), shall not be treated as an assignment by Buyer that requires Seller's prior written consent. Furthermore, the inclusion of "and/or assigns" or similar language on the line identifying Buyer on the first page of the REPC shall constitute Seller's written consent only to a Permissible Transfer.

20 INSURANCE & RISK OF LOSS.

20.1 Insurance Coverage. As of Closing, Buyer shall be responsible to obtain casualty and liability insurance coverage on the Property in amounts acceptable to Buyer and Buyer's Lender, if applicable.

20.2 Risk of Loss. If prior to Closing, any part of the Property is damaged or destroyed by fire, vandalism, flood, earthquake, or act of God, the risk of such loss or damage shall be borne by Seller; provided however, that if the cost of repairing such loss or damage would exceed ten percent (10%) of the Purchase Price referenced in Section 2, either Seller or Buyer may elect to cancel the REPC by providing written notice to the other party, in which instance the Earnest Money Deposit, or Deposits, if applicable, shall be returned to Buyer.

21. TIME IS OF THE ESSENCE. Time is of the essence regarding the dates set forth in the REPC. Extensions must be agreed to in writing by all parties. Unless otherwise explicitly stated in the REPC: (a) performance under each Section of the REPC which references a date shall absolutely be required by 5:00 PM Mountain Time on the stated date; and (b) the term "days" and "calendar days" shall mean calendar days and shall be counted beginning on the day following the event which triggers the timing requirement (e.g. Acceptance). Performance dates and times referenced herein shall not be binding upon title companies, lenders, appraisers and others not parties to the REPC, except as otherwise agreed to in writing by such non-party.

22. ELECTRONIC TRANSMISSION AND COUNTERPARTS. The REPC may be executed in counterparts. Signatures on any of the Documents, whether executed physically or by use of electronic signatures, shall be deemed original signatures and shall have the same legal effect as original signatures.

23. ACCEPTANCE. "Acceptance" occurs **only** when **all** of the following have occurred: (a) Seller or Buyer has signed the offer or counteroffer where noted to indicate acceptance; and (b) Seller or Buyer or their agent has communicated to the other party or to the other party's agent that the offer or counteroffer has been signed as required.

24. CONTRACT DEADLINES. Buyer and Seller agree that the following deadlines shall apply to the REPC:

(a) Seller Disclosure Deadline	<u>7/31/2026</u>	(Date)
(b) Due Diligence Deadline	<u>8/12/2026</u>	(Date)
(c) Financing & Appraisal Deadline	<u>8/30/2026</u>	(Date)
(d) Settlement Deadline	<u>9/11/2026</u>	(Date)

25. OFFER AND TIME FOR ACCEPTANCE. Buyer offers to purchase the Property on the above terms and conditions. If Seller does not accept this offer by: 6:00 ☐ AM ☒ PM Mountain Time on July 24, 2026 (Date), this offer shall lapse; and the Brokerage shall return any Earnest Money Deposit to Buyer.
