

New School Number Application

Charter School Name:

Wallace Stegner Academy

Charter School Director:

Adam Gerlach

This application is only for a new school number and would not necessitate a significant renovation?

☐ Yes ☐ No

What is the school requesting specifically? We are requesting a new LEA #

Which school year? Must be approved by SCSB before Oct. 1 for the following school year. 2027-28 SY

A separate school number is needed to more accurately distinguish the high school from the elementary/middle school operations. This would improve student data segregation and reporting, allow for more accurate purchasing and vendor bids specific to high school programs, simplify accountability and assessment reporting, and better differentiate staffing, scheduling, budgeting, and program needs between the two school levels. The separate number would improve operational clarity without changing the school's charter structure.

Signature from the school's governing board chair and director.
