

Small Expansion Application

Charter School Name:

Monticello Academy

Charter School Director:

Dane Roberts

Does this request meet the definition of a small expansion, as found in R277-550, which: is for 100 or fewer students; would not necessitate a significant renovation; and is for no more than one additional grade?

☒ Yes

☐ No

What is the school requesting specifically? **Addition of 9th grade and 98 additional seats**

What school year does the small expansion start? **SY 2027-28**

Adding Grade 9 will allow West Point students to complete their junior high experience before transitioning to high school, consistent with the K–9 grade configuration commonly used in Davis County. The additional 98 seats provide long-term capacity as both Monticello Academy campuses mature.

Signature from the school's governing board chair and director, as allowed by R277-552-5. Add additional page or lines as needed.
