Jamie Duncan Plott	Treasurer	ThrivePoint
Stephanie Christensen	Secretary	ThrivePoint
Erin Shannon	Member	ThrivePoint
Kristina Yamada	Member	ThrivePoint

Articulation Agreement Request – Itineris Early College High School and ThrivePoint Academy of Utah

☒ *Articulation agreement.*

This Articulation Agreement (hereinafter referred to as “the Agreement”) is entered into by and between ThrivePoint Academy of Utah (“ThrivePoint”) and Itineris Early College High School (“Itineris”) for the purpose of establishing a collaborative framework that supports student success, educational continuity, and seamless academic transitions between the two institutions.

Both institutions recognize the diverse and evolving needs of students across the state of Utah and are committed to providing clear, accessible, and equitable pathways for students to pursue the educational environment that best meets their individual goals and circumstances. This Agreement is intended to: Facilitate smooth academic transitions between ThrivePoint Academy and Itineris Early College High School in either direction.

Establish a reciprocal referral process grounded in student-centered values.

Outline available programming options, including dual enrollment, summer school, and credit recovery.

Respect and affirm the right of students and their families to make the final decision regarding school placement.

This Agreement establishes a bi-directional (reverse) articulation framework, recognizing that students’ needs may change over time and that academic mobility between schools should be supported, not hindered. Transition pathways are available in both directions.

- Provide a copy of the school’s proposed articulation agreement signed by all participating charter school(s).
