

Timpanogos District Board of Education

Cluster Meetings

Tuesday, September 15, 2026

Wednesday, September 16, 2026

Agenda Items:

1. Notice is hereby given that members of the Timpanogos School District Board of Education may attend and participate in the following Grade Configuration Study Cluster meetings. All members of the Board have been invited to attend, and a quorum of the Board may be present at any of the meetings listed below.

The purpose of these meetings is to receive information and hear feedback and comments from school leaders, employees, parents, and community members regarding the District's grade configuration studies.
