Duchesne Branch signups increased 6% again this year, a record number of sign ups. They also had a record number of completions. Of note, Duchesne's teen and adult reading completion goal was lower (1000 minutes) than Roosevelt's (1,500 & 1,800). This was discussed with staff and is likely to be implemented in Duchesne for the older groups in 2027. Roosevelt sign ups remained level. Roosevelt completion rate dropped 15% after a record rate in 2025, mostly with the children program. Yet 240 completions is the high count for Roosevelt post-COVID. The county's 869 signups are the highest post-COVID. Total county reading hours did drop 4%. Budgeting for prizes continues to be a concern.
