## **#2 Group Assignments Progress/Status Updates**

**Goodlander** reviewed the legislation from the State that formed this committee.

**Committee** discussed gather and sharing data, recidivism data and what should be included in the data, how to use the recidivism data, how knowing if someone is in treatment or dealing with homelessness or not affects recidivism, making sure misdemeanors are included in the data, and how to account for move in/move outs.

### **a. Case Management and Warm Handoffs**

**Goodlander** informed the committee that there is money for case management and warm handoffs of about \$324,280.

**Committee** discussed hiring a case manager, the receiving center and the type of clients they will be able to help and the parameters for those clients, how the case manager could potentially be covered by Medicaid when the state pilot program becomes available.

### **b. Recidivism/Data for Measuring Outcomes**

See above notes.

### **c. Countywide Justice Court Exploration**

**Edwards** informed the committee that a countywide justice court is something that should happen and that Logan is looking at dissolving their justice court.

**Committee** discussed creating a county justice court, the case numbers that are available, how Salt Lake County is dissolving their justice court, and where starting the process to convert to a county wide justice court would start.

### **d. Opioid Settlement Funding**
