Dear Mr. Jennings,

We would like to state our intent of participating in the states continued ground-based cloud seeding program. The cost for our program, per Rainmaker Technology Corporation, is expected to be **\$60,000.00** We appreciate the continued support from the state of Utah and the Utah Division of Water Resources and will anticipate a contract from the state for the 50% cost-share.

We look forward to this continued partnership. Please contact us if you have any questions.

Sincerely,

Jay Capener

Chairman.

Bear River Water Conservancy District.
