4. School Land Trust Amendments

The School Land Trust Amendments were included for the Board's review.

Superintendent Smith recommended approval of the routine business, with the exception of LEA Licenses. Dr. Mark Clement made the motion to approve the routine business, with the exception of LEA Licenses, and it was seconded by Joylin Lincoln. The Board Members who voted in favor were Ada Wilson, Joylin Lincoln, Dr. Mark Clement, Stacy Bateman, Julie King, Emily Peterson, and Sarah Beeson.

DISCUSSION/ACTION ITEMS

1. Policy# 7150 – Sexual Harassment

Hyrum Clarke, Legal Counsel, explained that the policy relates to Title IX and includes changes recommended by the Title IX Coordinator. He noted that the District has implemented the policy in conjunction with Civil Rights requirements for several years. The proposed changes are relatively minor and are intended to streamline the process, provide timely resolutions for the parties involved, and more closely align the policy with federal definitions of sexual assault.

Joylin Lincoln made the motion to approve Policy# 7150 – Sexual Harassment, and it was seconded by Dr. Mark Clement. The Board Members who voted in favor were Ada Wilson, Joylin Lincoln, Dr. Mark Clement, Stacy Bateman, Julie King, Emily Peterson, and Sarah Beeson.

2. Policy# 5205 – Middle School and High School Graduation Requirements

Hyrum Clarke, Legal Counsel, shared a college experience involving changes to graduation requirements that were not communicated to students. He explained that the proposed revisions provide greater courtesy and consideration to students by improving communication regarding such changes. The revisions will not take effect until 2029 and will incorporate changes implemented by the state.

The Board of Education engaged in discussion with Mr. Clarke.

Dr. Mark Clement made the motion to approve Policy# 5205 – Middle School and High School Graduation Requirements, and it was seconded by Joylin Lincoln. The Board Members who voted in favor were Ada Wilson, Joylin Lincoln, Dr. Mark Clement, Stacy Bateman, Julie King, Emily Peterson, and Sarah Beeson.

3. Policy# 5250 – Electronic Communication Devices

Hyrum Clarke, Legal Counsel, explained that the Legislature has added a new category of devices referred to as "AI glasses." He noted that the District continues to work with the Policy Committee to determine an appropriate approach. Because some AI glasses may also serve as prescription eyewear and have the ability to disable AI functions, developing a balanced policy presents challenges. He emphasized legitimate privacy concerns associated with their use and stated that the Policy Committee is working to balance privacy protections with appropriate use. He advised that the policy may not yet be ready for Board action.

The Board of Education elected to keep this policy as a discussion item and the Policy Committee will continue working on it.

ACTION ITEMS

1. Canyons School District MOU Resolution# 2026-015 – Suncrest Bus Routes

Superintendent Smith explained that the MOU is between the Canyons School District and ASD and has been approved for many years. The MOU addresses the Suncrest and Traverse Mountain development areas in the north area of the District. The agreement provides for collaboration between the two districts and provides support for students as we partner with parents. Joylin Lincoln motioned to approve Resolution# 2026-015 Canyons School District MOU, and it was seconded by Dr. Mark Clement. The Board Members who voted in favor were Ada Wilson, Joylin Lincoln, Dr. Mark Clement, Stacy Bateman, Julie King, Emily Peterson, and Sarah Beeson.

2. Resolution# 2026-013: Sale of CTE Home

Superintendent Smith thanked Director Neild for attending and commended the team for their work on this CTE home. He highlighted the strength of the building trades program and the valuable experiences it provides for students. He recommended that the Board approve Resolution# 2026-013.

3. Resolution# 2026-014: Vehicles for Surplus

Superintendent Smith explained that the District is declaring a 15-passenger van as excess property after it was purchased in error and could not be insured through State Risk Management. A replacement vehicle that meets insurance requirements will be purchased. He also noted that a utility trailer from PGHS Band is being declared excess. All three new Boards have approved the resolution, and he recommended that the Board approve Resolution# 2026-014.

Joylin Lincoln motioned to approve Resolution# 2026-014: Vehicles for Surplus, and it was seconded by Dr. Mark Clement. The Board Members who voted in favor were Ada Wilson, Joylin Lincoln, Dr. Mark Clement, Stacy Bateman, Julie King, Emily Peterson, and Sarah Beeson.
