RE: Entrance into Durability and Acceptance of LDS Church Rocky Mountain Way
Subdivision Into the City

Dear Mayor Haddock,

The final inspection for the LDS Church Rocky Mountain Way Subdivision for public improvements has been completed. All the items on the final punch list have been completed and the project is ready for entrance into durability.

If the improvements are accepted the beginning of the one-year durability period, based upon final acceptance, is September 16, 2027. The type II slurry seal has been completed and the one-year inspection for the Type II slurry seal will be completed in August 2027.

Thank you,

Jerry Clark
Public Works Director
