June Partnership Meeting - June 1&2 Richfield

- UACD Board Meeting June 1st at 2pm NRCS Building conference room. Chairman from each district or a representative and other partners invited to attend. Waiting for information from UCC about the schedule for June 2nd. There will be two types of tours offered. Courtney will send out information so we know how many rooms to get for the board.
- Create a statement from UACD for the Department of Agriculture during the June 1st meeting.

UDAF Strategic Meetings Update

- Zone 1 report, they feel it was a beneficial meeting. Zone 1 doesn't see benefits of combining districts and feel they can accomplish more staying the way it is now in regards to each district's unique projects. However, there were not as many elected officials and representatives in attendance as they would have liked to see.
- Discussed how we can better communicate the importance of these meetings. Asked UACD board members to personally invite their representatives to strategy meetings to help future projects get done and be funded. Also talking with their representative from UCC and asking them to attend meetings as well.
- Be able to tie all projects to a resource concern, ask Resource Coordinator for involvement and help putting presentation together.

Communication Stream

- Department of Agriculture would like feedback on how they can help with communication. Discussed ways to have better communication with the District Chairman. Look into asking UDAF if they have extra funding for communication efforts.

District Dues Committee

The dues committee met and decided because dues just changed last year that we will keep it the same at \$750. The budget will be sent out before the next board meeting in June. There will be a vote with the budget in the June meeting.

Next Meeting

- June 1st at 2:00pm.

Adjournment

Allen Henrie made a motion to adjourn, Jeff Kent seconded, approved unanimously.
