COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PUBLIC HEARING:

Mayor/Commissioner Gary Price opened the public hearing for the CDBG program and stated that the purpose of the public hearing is to provide citizens with pertinent information about the Community Development Block Grant program and to allow for discussion of possible applications for the 2026 funding cycle. It was explained that the grant money must be spent on projects benefiting primarily low and moderate-income persons. The South-Eastern Region, in which Clawson is a member, is expecting to receive approximately \$180,000 in this new program year. All eligible activities that can be accomplished under this program are identified in the CDBG Application Policies and Procedures Manual and interested persons can review it at any time. Mayor/Commissioner Gary Price read several of the eligible activities listed including examples, such as Construction of public works and facilities, e.g., water and sewer lines, fire stations, acquisition of real property, provision of public services such as food banks or homeless shelters. Mayor/Commissioner Gary Price indicated that in the past Clawson has received at least three grants in the past, which helped establish secondary water, the current park pavilion, and the sewer system. The city has handed out its capital investment plan as part of the regional "Consolidated Plan". This list shows which projects the city has identified as being needed in the community. It was asked that anyone with questions, comments or suggestions during the hearing please identify themselves by name, before they speak. No questions or concerns were brought before the Mayor or councilman Price.

Mayor/Commissioner Gary Price then asked if there were any other comments or suggestions.

The hearing was adjourned at 6:30 PM.
