

Utah County LEPC Minutes

Utah County Emergency Management Building
364 W 3200 N
Spanish Fork, Utah
17 September, 2026 @14:00 - 15:00

Open the Meeting:

1. Welcome & Introductions- LEPC Chair - David Ulibarri

General Meeting Items:

1. General LEPC Business
2. Action Items- Approve Meeting Minutes
Motion: Jake Catmull
2nd: Kelly Johnson
Approved

Presentation:

1. Statewide Type 1 Hazardous Materials Team Letter of Support

The committee reviewed the proposed Utah County LEPC letter supporting the continued development of a statewide Type 1 Hazardous Materials Response Capability.

Members discussed several amendments to the letter before final approval. The final letter will be revised to:

- Address the letter to **Commissioner Beau Mason of the Utah Department of Public Safety**.
- Clarify that the LEPC supports the continued evaluation and development of a statewide Type 1 HazMat capability rather than endorsing a specific organizational or funding model.
- State that current local, regional, and grant-funded hazardous materials programs should not be reduced or redirected to fund the proposed statewide capability.
- Update the signature section to reflect the current LEPC leadership.
- Include **Peter Quittner, Utah County Emergency Manager**, in the signature section.
- Make any additional wording and formatting corrections discussed by the committee before the final letter is distributed.

Motion: Kelly Johnson moved to approve the letter of support with the amendments discussed.

Second: Chris Blinzinger
Motion Approved

LEPC Tabletop Exercise

The committee discussed rescheduling the LEPC tabletop exercise to allow additional key agencies and participants to be involved.

The proposed new exercise schedule is:

Thursday, December 17, 2026

1:00–3:00 PM

Utah County Emergency Management Building

Updated invitations and additional exercise information will be distributed once the date and participant list are finalized.

Other Business:

Members are encouraged to continue sharing potential presentation topics, facility tours, training opportunities, and hazardous materials preparedness needs for future LEPC meetings.

Adjourn Meeting:

The meeting concluded following completion of the scheduled discussions and announcements.

Administrative Note:

Due to an administrative oversight involving the meeting's voting procedure, the motions and votes recorded during this meeting will be presented for formal ratification at the next regular Utah County LEPC meeting.

Upcoming Meetings:

17 November, 2026 @14:00 - 15:00
