ACTION: A motion was made by Cook to approve the minutes from 04-20-2026 and was seconded by Murray. The vote in favor was unanimous, 10-0.

12:04:00

#2 Group Assignment Progress/Status Updates

a. Case Management and Warm Hands off

Council discussed hiring a case manager and how the money is already available to be used. The goal is to have someone hired in the next two months. It would be a good idea to include the sheriff's office in the job description and try to find someone who currently is working in the system that would have experience and knowledge for the job. A case manager should be able to be hired in 3-4 weeks and the logistics of housing the position will need to be figured out.

b. Recidivism/Data for Measuring Outcomes

Council discussed what the definition of recidivism is for the county, limiting the definition to drug offenses to begin with and then there is the possibility to expand, whether or not to include what circumstances those people were in for re-offending, and how to collect that data, and measuring desistance. The health department does have resources to help with data collection and the information would live on the public dashboard of the health department. A meeting will be set up with the health department resources and include the Sheriff, someone from the County attorney's office, Andrew Erickson, a representative from the health department, and the future case manager if they are hired by that time.

c. Countywide Justice Court Exploration

Goodlander explained the meeting with the State and how they suggested to create an interlocal agreement with Logan City for a County wide justice court. Taking over the current Logan City justice court does make sense from a security standpoint as several security features are already in place.

d. Opioid Settlement Funding

Goodlander informed the Council that there is a possibility for funding support for the case manager from the State but the position needs to be in place and some history of the position being filled before funding can be asked for.

#3 Other Items for Discussion or Update

- a. New or Revised Assignments (as-needed)

#4 Setting next CJCC Meeting Time and Date

Monday, September 14, 2026 at 12:00

12:51:00

#5 Adjournment

Adjourned.
