1. Discussion and Consideration of Resolution 26-06, Approving an Amendment to the Interlocal Agreement with Salt Lake County Regarding the County Participation in the Woodland Avenue Community Reinvestment Area

Mike Winder explained that when the Woodland Avenue Community Reinvestment Area (CRA) was established, the adopted plan indicated that the Salt Lake County library tax levy would be excluded; however, the adopted budget inadvertently included the levy. After the CRA was activated this past year, the county's auditor identified the discrepancy and recommended adoption of a resolution to clarify the exclusion and ensure consistency between the CRA plan and budget. Winder noted that excluding the library levy is standard practice for these agreements and that the County Council had already approved the clarification. Staff recommended approval of the resolution to formally exclude the county library tax levy from the Woodland Avenue CRA.
