

Date: October 1, 2026

Utah State Board of Education

Meeting Dates:

Upcoming Writing Team Meetings:

Aug 27, 2026

Sep 10, 2026

Oct 14, 2026

Topics To Be Discussed:

- Currently on Step 7 of the Standards Revision Process (2023). "Staff submits a draft of the standards to the Utah State Board for review and feedback. Staff will email Utah State Board Members to submit their feedback in a provided template to the writing committee for consideration within 30 days of email notification. If feedback is received outside of the 30 days, it will be included as public comment. The writing committee will make recommendations based on the individual Utah State Board member's feedback by providing a rationale document that categorizes each amendment submitted into one of three categories (i.e., yes, acceptable, or no) and a 1-2 sentence rationale, as necessary."
- Review the Board comments on the first draft of the Physical Education Standards.
- Decisions of implementation of Board suggestions.
- Move to Step 8 of the Standards Revision Process (2023)

Status Update:

- The Board feedback period has closed and feedback will be brought to the August 27, 2026 Writing Team meeting for review, decision making, and implementation into the new draft.
- Any additional feedback from Board members will be included in the public feedback period.

Next Steps:

- Board comments on the Comment Sheet will be considered and a new draft with changes will be sent to the Board along with a request for public review will be submitted according to Step 8 in the Standards Revision Process (2023).

When the writing committee completes revisions based on the Utah State Board's feedback and rationale documentation, staff submits a new draft. The updated draft will include a request to release the amended draft for public review.

This draft is for consideration during the September 4, 2026 Standards and Assessment Committee meeting.

Date: October 1, 2026

Utah State Board of Education

Path B

- The Utah State Board considers requests for amendments or feedback that are substantial in nature (e.g., significant meaning/intent changed in a standard, entire standards added/deleted).
- Staff will work with the writing committee to attend further to the Board's revisions.
- Staff will return to the Utah State Board with a new draft and request to release for public review.
