MEETING OBJECTIVES: Review and approve March and May minutes and approve updates to the 2027 WFRC Policies and Procedures, discuss future meeting schedule

The first item on the agenda was to review and approve the minutes from the March and May RRC meetings. Mayor Allen made a motion to approve and Rachelle seconded. The motion passed and the minutes were approved. Next Christy reminded the Committee of the changes that were discussed and made to the 2027 Rating and Ranking Criteria during the previous meeting and asked for a motion to approve the changes. Stephanie made a motion to approve, Mayor Allen seconded the motion and the motion to approve the 2027 Rating and Ranking Criteria passed.

Christy then informed the group of the How to Apply workshop and there were no known conflicts.

Lastly, we discussed the meeting schedule moving forward to ensure a quorum for meetings moving forward. The group indicated that 1 PM may work better than noon, and to plan for most meetings to be completely virtual. We talked about canceling the November meeting unless needed. The meeting was adjourned at 12:20.

NEXT STEPS

Christy will send a flyer with the How to Apply Workshop information. Christy will also work to update the meeting schedule and by-laws that outline the meeting schedule.
