AMENDED TEACHER STUDENT SUCCESS ACT (TSSA) FRAMEWORK

The TSSA framework is required to be updated to include a Literacy Achievement in accordance with SB 241 (2026) and State Rule R277-927. The Plan has been updated to address the school's progress toward statewide literacy proficiency goals and if the school fails to meet statewide literacy goals, the school must dedicate at least 50% of TSSA funds toward evidence-based literacy interventions and practices as described in 53G-7-921304(2)(e).

Action: *Board Vote*

LEA SPECIFIC LICENSES

The Board will consider approval of seven LEA-Specific license requests for Syracuse Arts Academy educators in various license areas and endorsements. The licenses will be valid for three (3) academic years, as indicated on the attached spreadsheet, which includes the associated educator information and rationale for each request. All LEA-Specific licenses will expire on June 30 of the final academic year approved and may be considered for renewal by the Utah State Board of Education (USBE) on a case-by-case basis.

Action: *Board Vote*

BLEACHER PURCHASE

The Board previously approved the purchase of new telescopic bleachers from ADP Lemco, Inc. for Syracuse Arts Academy's Antelope campus at a cost of \$68,898. The Board will now consider approval of additional bleachers, bringing the new total cost to \$99,978. The updated purchase remains available through State Contract #MA3912 and includes freight and installation.

Action: *Board Vote*

APPROVAL OF INTERLOCAL COOPERATION AGREEMENTS WITH SYRACUSE CITY

The Board will consider approval of two Interlocal Cooperation Agreements related to Syracuse Arts Academy facilities. The first agreement provides for the expansion of the North Campus parking lot, with the Syracuse City Redevelopment Agency reimbursing SAA for eligible construction costs up to \$1,000,000. The school has issued an RFP for the construction of the parking lot expansion in order to get bids and evaluate whether \$1,000,000 is sufficient to cover the school's costs. Parking Lot Agreement (9-28-26) The

second agreement allows the Syracuse City Arts Council limited use of SAA's auditorium, amphitheater, and new theater facility at no rental charge, with the City responsible for associated staff costs, damages, and insurance. Theater Agreement (9-28-26) Both agreements outline the responsibilities of SAA and Syracuse City related to the use, funding, and maintenance of the respective facilities.

POLICY AMENDMENTS:

Attendance Policy

The school's Attendance Policy and administrative procedures have been revised to reflect several bills enacted during the 2026 legislative session. HB 145 amended the definition of a "valid excuse." HB 502 authorizes schools to include attendance as up to twenty percent (20%) of a student's final course grade for students in grades 7 through 12. SB 58 revised several attendance-related definitions, including "instructional hours" and "chronic absenteeism," and established additional requirements for schools and governing boards. Among other things, SB 58 requires schools to regularly review attendance data to identify students at risk of chronic absenteeism, train relevant staff on the school's attendance policies and procedures, and implement attendance monitoring and intervention practices. It also requires governing boards to annually review attendance data, evaluate the effectiveness of attendance interventions, and ensure that the school has adequate resources to support attendance monitoring and intervention programs.

Bullying & Hazing Policy

The USBE recently published a model Bullying Policy. Although the school's existing Bullying and Hazing Policy is already consistent with the model policy in most respects, several provisions from the model policy have been incorporated to further strengthen and clarify the school's policy. These revisions include adding definitions for "accountability practice" and "restorative justice practice," requiring the school to leave a voicemail and send an email to a parent if the parent cannot be reached by telephone regarding an incident involving the parent's child, clarifying that a student's age, development, maturity, and other relevant factors will be considered when determining appropriate discipline for a policy violation, and expanding the policy's provisions regarding annual reporting, employee training, and bullying incident reporting.

Fee Waiver Policy

HB 142 permits students to receive fee waivers for no more than two (2) school-sponsored trips per school year. To qualify for a fee waiver for a second school-sponsored trip during the same school year, a student must request the waiver and, in coordination with school administration, complete an action plan describing how the student or the student's family will contribute to the School or the community through work or other service in lieu of paying the trip fees. The School's Fee Waiver Policy has been revised to reflect these statutory changes.

Financial Reporting Policy

Audits of the school's financial reporting must now be conducted in accordance with both Generally Accepted Auditing Standards (GAAS) and Generally Accepted Government Auditing Standards (GAGAS). Because the School's Financial Reporting Policy currently references only GAAS, it has been revised to also require compliance with GAGAS.

Amending Financial, Debt and Risk Management Plan

Updates to this plan include correcting its reference to “Financial Accounting Standards Board” (FASB) to “Governmental Accounting Standards Board” (GASB), as well as a couple other minor changes.

Lottery & Enrollment Policy

The changes to this policy are intended to bring the policy into compliance with current law and the School's charter and Schedule A (if applicable) regarding enrollment preferences, and to reflect current law governing the denial of student admission based on prior disciplinary issues and misconduct (see SB 131 and SB 167 from 2026 legislative session). Additional revisions clarify the school's procedures for addressing material misrepresentations or omissions in lottery applications that are discovered after a student has been enrolled.

Student Conduct & Discipline Policy

SB 167 revised the requirements governing the reintegration of students involved in serious offenses, including the timing and required contents of student reintegration plans. SB 181 established new physical standards and requirements for seclusion rooms used in schools, including standards governing room size, ceiling height, construction materials, lighting, ventilation, audio and video recording equipment, and door locks. In addition, SB 181 establishes the circumstances under which seclusion may continue when a parent cannot be reached after 15 minutes and the 30-minute time limit has expired, and imposes new requirements on schools when violations relating to seclusion or physical restraint are alleged. HB 188 also revised the circumstances under which a school may refer a student to court for a drug offense, generally prohibiting a referral until after a third allegation that the student committed a drug offense on school property. The Student Conduct and Discipline Policy has been revised to reflect these legislative changes.

Tuition Reimbursement Policy

The proposed changes to this policy include specifying that only licensed educators of the school are eligible for tuition reimbursement, increasing the reimbursement rate from \$150 to \$250 per credit hour, clarifying that the Board President is in charge of handling tuition reimbursement requests of the Lead Director, and stating that approvals of tuition reimbursement requests are given at the discretion of the Lead Director (or Board president if the Lead Director is the employee seeking tuition reimbursement). The corresponding tuition reimbursement agreement has also been amended to be consistent with these changes and to expound on how pro rata repayment will work for employees who don't remain employed at the school for 3 years after receiving their tuition reimbursement payment.

REPORTS

- Finance Reports
 - Financial Update – Rene Dreiling/Angie Young
July 2026 financials were reviewed. As of July 31, 2026, the school is 8% through fiscal year 2027. Auditors are on site at Academica West and the SAA trial balance is due by the end of August. The Board was advised that the July 2026 statements do not yet reflect accurate budget percentages in every category because the preliminary FY2027 budget was submitted in June and will require amendment once the bond proceeds, the purchase of the South campus, and the APEX grant award are reflected. A budget amendment will be brought back to the Board following the close of FY2026.
- Administration Reports
 - State of the School – Kellie Mudrow
Ms. Mudrow introduced the Syracuse Arts Academy administrative team. Sentiments were shared expressing the excitement in the air for all who have returned for a new school year. Enrollment numbers are very strong and increasing. The turf field has now been installed, cement is being poured for the new gymnasium and other construction efforts are successfully underway.
- Board Chair Report—Mary Johnston
 - 360 Advantage
The Board received an informational overview of 360 Advantage, an enterprise payroll optimization and preventive care management program. As presented, the program is designed to reduce employer payroll tax burden and increase employee take-home pay without disrupting existing health benefit plans, and pairs a message-based preventive, behavioral, and chronic care support platform with a MassMutual whole life insurance component.

The Board reviewed the following policy amendments, presented for approval:
 - Capitalization and Expense
Federal regulations and the Utah Division of Finance Capital Assets Policy were amended to increase the capitalization threshold from \$5,000 to \$10,000. The school's Capitalization and Expense Policy has been revised accordingly. The school's accountant supports this change.
 - Electronic Resources
The policy and corresponding administrative procedures have been revised to comply with changes in law, including SB 88 from the 2026 legislative session. Revisions specify that the policy must be reviewed and approved at least every three years; that all rules and procedures applicable to the policy must be available for review at the school; that AI glasses are included in the definition of "electronic device"; and that parents may request that administration allow

their student to briefly use a privately-owned electronic device during non-instructional time at a location designated by the school. The revisions also clarify the definitions of “obscene” and “harmful to minors” and explain that the school’s technology protection measures include a parent-accessible monitoring system allowing parents to review their child’s activity on school-owned devices.

- **Paid Parental and Postpartum Recovery**

HB 329 from the 2026 legislative session expanded paid leave benefits for qualified LEA employees. The bill requires LEAs to provide an additional three weeks of paid leave to a qualified employee who adopts a child under six years of age, in addition to the three weeks of parental leave already available, and creates a separate category of foster leave requiring four weeks of paid leave for a qualified employee who becomes a foster parent. The policy has been revised to incorporate these changes and retitled the Paid Parental, Postpartum Recovery, Adoption, and Foster Leave Policy.

- **Procurement**

The Procurement Policy has been revised to comply with changes to R33-105, including requirements for quotes on purchases between \$5,000 and \$50,000, professional services, and construction projects. A provision was also added regarding the school following federal procurement requirements, when applicable, for goods and services procured with federal grant funds.

- **Salary Supplement for Highly Needed Educators Policy (SHiNE)**

By law, the school must update or re-approve its SHiNE Policy annually. No changes are recommended to the school’s designated high-needs areas. In consultation with accounting and legal counsel, provisions were added regarding payment of the salary supplement, including that a teacher whose employment ends before the supplement is paid will receive only a prorated portion based on the portion of the school year worked, and that a teacher hired after the certified list of recipients is finalized is not automatically entitled to a supplement but may, at the administrator’s discretion and subject to SHiNE funding, receive a prorated supplement. Other minor revisions were also recommended.

- **Sex Education Instruction**

HB 281 from the 2025 legislative session revised the definition of “sex education instruction,” modified the list of prohibited sex education related topics and revised health curriculum requirements for junior high and high school students, including instruction in “situational awareness” and the “success sequence.” The policy and administrative procedures have been revised to comply with these requirements, which take effect July 1, 2026, and to specify that parent or staff complaints regarding sex education instruction materials be addressed under the school’s applicable grievance policy.

- **Weapons on School Property**

HB 84 clarifies that individuals may not carry a firearm on school property, whether openly or concealed, unless authorized by law, and that an individual with a concealed firearm permit may carry only in a concealed manner unless lawfully responding to an active threat or another statutory exception applies. The Weapons on School Property Policy has been amended to reflect these changes.

Neil Garner made a motion to approve the Into Math purchase in the amount up to \$40,000; the retaining wall project with Luxe Landscape in the amount up to \$30,000; the purchase of bleachers from ADP Lemco, Inc. in the amount up to \$70,000; the meal charge increase of ten cents to student breakfast and lunch costs and one dollar for adult meals as presented; and the amendments to the Capitalization and Expense, Electronic Resources, Paid Parental and Postpartum Recovery, Procurement, Salary Supplement for Highly Needed Educators (SHiNE), Sex Education Instruction and Weapons on School Property policies as presented. Art Hansen seconded. Votes were as follows: Mary Johnston, Aye; Neil Garner, Aye; Art Hansen, Aye; Nate Schow, Aye; Rene Dreiling, Aye. Motion passed.

WHEREAS, significant economic development and job creation have occurred within the EDA; and

WHEREAS, past growth necessitates improvements to pedestrian and vehicular traffic safety and the reduction of traffic congestion within the EDA; and

WHEREAS, improvements to pedestrian and vehicular traffic safety and the reduction of traffic congestion within the EDA will contribute to continuing economic development and job creation within the EDA; and

WHEREAS, the RDA plans to improve pedestrian and vehicle traffic safety and the reduction of traffic congestion within the EDA by installing a roundabout at the intersection of 300 South 1550 West, extending and connecting existing trails that border the North Campus, and funding the extension of the North Campus’s south parking lot eastward to the east boundary of Syracuse City’s real property located immediately east of the North Campus;

THEREFORE, the parties mutually agree as follows:

1. Recitals. The above recitals are part of this Agreement.

2. Agreement. This Agreement is made pursuant to the provisions of the Utah Interlocal Cooperation Act, Utah Code Ann. § 11-13-101 et seq. This Agreement shall become effective upon execution after the adoption of resolutions passed by the governing bodies of the parties.

3. Duration. The parties intend that this Agreement terminate upon completion of the parking lot expansion and final payment from the RDA. The easement described in paragraph 7 shall survive the termination of this Agreement.

4. No Separate Entity. This Agreement does not create any separate legal or administrative entity or body and there shall be no joint ownership of property. Rather, this Agreement is intended to define the responsibilities of the parties with regard to the design, construction, maintenance and funding of the parking lot expansion.

5. Design, ~~and~~ Construction and Maintenance.

a. SAA shall procure and contract for the design and construction of the parking lot expansion, including plans, permits, approvals, fill, grading, asphalt, striping, concrete, infrastructure, landscaping, and fencing, in accordance with the Utah Procurement Code, Utah Code Ann. Chapter 63G-6a.

b. However, if, based on the results of SAA's procurement process, the total cost for design and construction of the parking lot expansion exceeds the total reimbursable amount under paragraph 6, below, SAA's governing board may elect in its sole discretion not to proceed with the project and may cancel this Agreement by written notice to RDA.

c. If the parking lot expansion is completed, SAA and shall be responsible in perpetuity for all maintain~~ain~~aintenance, including but not limited to asphalt maintenance, striping, and snow removal, of the expanded parking lot, including the portion on real property owned by Syracuse City ~~lot in perpetuity.~~

6. Cost. RDA shall reimburse SAA for its actual hard and soft construction costs not to exceed \$1,000,000 within 30 days after SAA provides RDA with documentation reasonably acceptable to RDA demonstrating the amounts paid by SAA. The parties may, upon mutual agreement, allow periodic progress payments.

7. Easement. RDA will obtain from Syracuse City (as Grantor) a permanent easement in favor of SAA (as Grantee) for that portion of Syracuse City's real property needed to accommodate the parking lot expansion.

8. Waiver and Modification. No failure on the part of either party at any time to require the performance of the other of any term of this Agreement shall in any way affect such party's right to enforce its terms, nor shall any waiver by any party of any term hereof be taken or held to be a waiver of any other term or of any breach hereof. This Agreement may not be modified or amended except by written agreement executed by both parties.

9. Separate Agreement. The parties acknowledge that this Agreement is independent of any other agreement between SAA and Syracuse City and that RDA will not have any right to seek repayment of amounts paid under this Agreement based on any such agreement.

Syracuse Arts Academy Attendance Policy

PURPOSE

Syracuse Arts Academy (the “School”) is committed to providing a quality education for every student. The School firmly believes that consistent attendance teaches students responsibility. Students learn the value of being punctual and prepared. Frequent absences and tardiness result in a loss of continuity of instruction. Also, frequent absences and tardiness prove disruptive for students, teachers, and staff. Excessive unexcused absences may lead to a student’s permanent dismissal from the School.

Parents are expected to take a proactive role in ensuring their children attend school. We recommend families plan their vacation schedule around the existing School calendar. When possible, medical and dental appointments should take place outside of school hours and parents should notify the School in advance of any absence. Parents and students are responsible for obtaining homework or assignments for the time period which the student is absent.

The School intends for this policy to be consistent with the provisions of Utah’s compulsory education laws, Utah Code §§ 53G-6-201 through 53G-6-21~~5~~⁴, as well as Utah Administrative Code Rule R277-607.

The Lead Director will establish attendance procedures consistent with this policy and applicable law and will ensure that the policy and procedures are implemented consistently at the School and are publicized and distributed to parents annually.

Review and Evaluation

The School’s Board of Directors shall review this policy in an open and public meeting at least every five years~~regularly~~.

On an annual basis, the Board shall also review relevant School attendance data, evaluate the effectiveness of the School’s attendance interventions, and ensure that adequate resources are allocated to support the School’s attendance monitoring and intervention programs and efforts.

Syracuse Arts Academy Bullying & Hazing Policy

PURPOSE

The purpose of this policy is to prohibit bullying, cyber-bullying, hazing, retaliation, and abusive conduct involving Syracuse Arts Academy (the “School”) students and employees. The School’s Board of Directors (the “Board”) has determined that a safe, civil environment in School is necessary for students to learn and achieve high academic standards and that conduct constituting bullying, cyber-bullying, hazing, retaliation, and abusive conduct disrupts both a student’s ability to learn and the School’s ability to educate its students in a safe environment.

POLICY

Prohibited Conduct

Bullying, cyber-bullying, hazing, retaliation, and abusive conduct towards students and employees are against federal, state, and local policy and are not tolerated by the School. The School is committed to providing all students with a safe and civil environment in which all members of the School community are treated with dignity and respect. To that end, the School has in place policies, procedures, and practices that are designed to reduce and eliminate this conduct – including, but not limited to, civil rights violations – as well as processes and procedures to deal with such incidents. Bullying, cyber-bullying, hazing, retaliation, and abusive conduct towards students and/or employees by students and/or employees will not be tolerated in the School. Likewise, abusive conduct by students or parents or guardians against School employees is prohibited by the School and will not be tolerated in the School.

In order to promote a safe, civil learning environment, the School prohibits all forms of bullying of students and School employees (a) on School property, (b) at a School-related or sponsored event, or (c) while the student or School employee is traveling to or from School property or a School-related or sponsored event.

The School prohibits all forms of bullying, cyber-bullying, hazing, abusive conduct of or retaliation against students and School employees at any time and any location.

Students and School employees are prohibited from retaliating against any student, School employee or an investigator for, or witness of, an alleged incident of bullying, cyber-bullying, hazing, abusive conduct, or retaliation.

Students and School employees are prohibited from making false allegations of bullying, cyber-bullying, hazing, abusive conduct, or retaliation against a student or School employees.

Students and School employees are prohibited from sharing a recording of an act of bullying, cyber-bullying, hazing, abusive conduct, and retaliation in order to impact or encourage future incidents. This restriction does not prevent a student or employee from sharing such a recording

with a teacher or administrator as part of reporting the incident or in response to a request from a teacher or administrator for the recording.

Students and School employees are prohibited from creating and distributing nonconsensual intimate images.

In addition, School employees, coaches, sponsors and volunteers shall not permit, condone or tolerate any form of hazing, bullying, cyber-bullying, or abusive conduct and shall not plan, direct, encourage, assist, engage or participate in any activity that involves hazing, bullying, cyber-bullying, or abusive conduct.

Any bullying, cyber-bullying, hazing, abusive conduct, or retaliation that is found to be targeted at a federally protected class is further prohibited under federal anti-discrimination laws and is subject to OCR compliance regulations.

Definitions

Abusive Conduct – For purposes of this policy, “abusive conduct” means verbal, nonverbal, or physical conduct of a parent or guardian or student directed toward a School employee that, based on its severity, nature, and frequency of occurrence, a reasonable person would determine is intended to cause intimidation, humiliation, or unwarranted distress. A single act does not constitute abusive conduct.

Accountability Practice – For purposes of this policy, “accountability practice” means any evidence-based practice that increases academic outcomes, decreases behavior that disrupts the learning environment, and holds students accountable for their actions by requiring them to take responsibility to repair harm and provide restitution when appropriate.

Action Plan – For purposes of this policy, “action plan” means a process to address an incident of bullying, cyber-bullying, hazing, abusive conduct, or retaliation that is prohibited, as described in Utah Code § 53G-9-605.5.

Bullying – For purposes of this policy, “bullying” means student bullying and staff bullying.

Civil Rights Violations – For purposes of this policy, “civil rights violations” means bullying, cyber-bullying, harassment, abusive conduct, or hazing that is targeted at a federally protected class.

Cyber-bullying – For purposes of this policy, “cyber-bullying” means using the Internet, a cell phone, or another device to send or post text, video, or an image with the intent or knowledge, or with reckless disregard, that the text, video, or image will hurt, embarrass, or threaten an individual, regardless of whether the individual directed, consented to, or acquiesced in the conduct, or voluntarily accessed the electronic communication.

Federally protected class – For purposes of this policy, “federally protected class” means any group protected from discrimination under federal law, such as:

- (1) Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, or national origin.
- (2) Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex.
- (3) Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability.

Students who have been subjected to or witnessed bullying, cyber-bullying, hazing, or retaliation, and students who have witnessed abusive conduct, ~~must~~ are strongly encouraged to promptly report such prohibited conduct to any School personnel orally or in writing. School personnel who receive reports of such prohibited conduct must report them to the Campus Principal.

Each report of prohibited conduct shall include:

In connection with a report of prohibited conduct, students and School employees may request that their identity be kept anonymous, and reasonable steps shall be taken by the Campus Principal and others involved in the reporting and investigation to maintain the anonymity of such individuals, if possible. School employees must take strong responsive action to prevent retaliation, including assisting students who are subjected to prohibited conduct and his or her parents or guardians in reporting subsequent problems and new instances of prohibited conduct.

The Campus Principal or his/her designee shall promptly make a reasonably thorough investigation of all complaints of prohibited conduct, including, to the extent possible, anonymous reports, and shall, in accordance with the Consequences of Prohibited Behavior section below, administer appropriate discipline to all individuals who violate this policy. Formal disciplinary action is prohibited based solely on an anonymous report.

The Campus Principal may report to OCR all incidents of bullying, hazing, cyber-bullying, abusive conduct, or retaliation that he/she reasonably determines may be violations of a student's or employee's civil rights.

It is the School's policy, in compliance with state and federal law, that students have a limited expectation of privacy on the School's computer equipment and network system, and routine monitoring or maintenance may lead to discovery that a user has violated School policy or law. Also, individual targeted searches will be conducted if there is reasonable suspicion that a user has violated policy or law. Personal electronic devices of any student suspected of violation of this policy will be confiscated for investigation and may be turned over to law enforcement.

Investigation of Alleged Incidents

The School will investigate all allegations of bullying, cyber-bullying, hazing, retaliation, and abusive conduct in accordance with this policy and applicable law. The Campus Principal or his/her designee will investigate such allegations, and the School shall ensure that the investigator is provided adequate training to conduct such an investigation. The Lead Director or his/her designee will be the point person with training and expertise to assist, direct, and supervise training of other employees in the responsibilities set forth in this paragraph.

The School will investigate these alleged incidents by interviewing:

- (1) the individual who was allegedly targeted;
- (2) the individual who is alleged to have engaged in the prohibited conduct;
- (3) the parents or guardians of the students who were allegedly targeted and the individual who is alleged to have engaged in prohibited conduct;

- (6) School staff familiar with the individual who is alleged to have engaged in prohibited conduct; or
- (7) Other individuals who may provide additional information.

The individual who investigates an alleged incident will inform an individual being interviewed that (1) to the extent allowed by law, the individual is required to keep all details of the interview confidential; and (2) further reports of bullying will become part of the review. However, the confidentiality requirement described in this paragraph does not apply to conversations with law enforcement, requests for information pursuant to a warrant or subpoena, a state or federal reporting requirement, or other reporting required by R277-613.

In conducting this investigation, the School may (1) review disciplinary reports of involved students; and (2) review physical evidence, including video or audio, notes, email, text messages, social media, or graffiti.

The School shall keep a written record of the date and time individuals were interviewed; which individuals were interviewed (unless the individual requests to remain anonymous); and disciplinary reports and physical evidence reviewed as part of the investigation.

The School will report alleged incidents of bullying, cyber-bullying, hazing, retaliation, and abusive conduct to law enforcement when the Campus Principal reasonably determines that the alleged incident may have violated criminal law.

The School shall follow up with the parents or guardians of all parties to:

If the investigation results in a verification of an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct, the School shall create and implement an action plan for each such incident in accordance with Utah Code § 53G-9-605.5 and R277-613.

In addition, following verification of an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct, the Campus Principal may, if he/she determines it is appropriate:

- (1) take positive restorative justice practice action in accordance with policies established by the School; and
- (2) provide supportive services designed to preserve the student’s access to educational opportunities and a sense of safety.

However, a student to whom an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct is directed is not required to participate in a restorative justice practice with an individual who is alleged to have engaged in prohibited conduct. If the School would like any student to participate in a restorative justice practice, the School will notify the student’s parent or guardian of the restorative justice practice and obtain consent from the student’s parent or guardian before including the student in the process.

Parental Notification

The Campus Principal or his/her designee will timely notify a student’s parent or guardian if:

(1) the student threatens suicide; or

(2) the student is involved in an incident (including if the student is subjected to the incident or is the person who caused the incident) and of the action plan to address the incident.

If the Campus Principal or his/her designee believe that a situation exists which presents a serious threat to the well-being of a student, the Campus Principal or his/her designee shall notify the student's parent or guardian without delay, before the end of the school day.

The Campus Principal or his/her designee will attempt to contact the parent or guardian by telephone to provide this notification and to discuss the matter. If the parent or guardian is not available by telephone, the Campus Principal or his/her designee will leave a voicemail and then also provide the parent or guardian the required notification by email.

The Campus Principal or his/her designee will produce and maintain a record that:

(1) verifies that the School notified each parent or guardian as required above. If an in-person meeting takes place, the Campus Principal or his/her designee may ask the parent or guardian to sign the record acknowledging that the notification was provided. If a telephone conversation takes place, the Campus Principal or his/her designee may document on the record such details as the date and time of the telephone call, who was spoken to, and brief notes regarding the notification that was provided and the content of the conversation. If an email is sent, the Campus Principal or his/her designee will retain a copy of the email; and

(2) tracks implementation of the action plan addressing the incident, if applicable.

The School will retain the record for at least as long as the student is enrolled at the School and will provide or expunge the record in accordance with Utah Code § 53G-9-604. The School will maintain the confidentiality of the record in accordance with the state and federal student data privacy laws referenced in Utah Code § 53G-9-604.

In addition to notifying the parent or guardian as set forth above, the Campus Principal or his/her designee will provide the parent or guardian with the following:

- (1) suicide prevention materials and information as recommended by the Utah State Board of Education in accordance with Utah Code § 53G-9-604(2)(b);
- (2) information on ways to limit a student's access to fatal means, including firearms or medication; and

Action Plan to Address Incidents

Following verification of an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct, the School shall develop and implement an action plan. The action plan shall include:

- (1) with respect to the targeted student and in direct coordination with the student's parent or guardian:

 - (b) a process to determine and provide any needed resources related to the underlying cause of the incident;
 - (c) supportive measures designed to preserve the student's access to educational services and opportunities while protecting the safety and well-being of other students; and
 - (d) a process to remove the student from School in an emergency situation, including a description of what constitutes an emergency.

The School may not include in an action plan a requirement that the student to whom the incident was directed change the student's:

- (1) educational schedule or placement; or
- (2) participation in a School sponsored sport, club, or activity.

The School shall try to involve the parent or guardian of a student who was involved in an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct in the development and implementation of an action plan. However, if, after the School attempts to involve a parent or guardian in the development and implementation of an action plan, the parent or guardian chooses to not participate in the process, the School may develop and implement an action plan without the parent or guardian's involvement.

Communication Plan

The School shall communicate with the parent or guardian of each student involved in an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct about the implementation of the action plan. Specifically, the School shall provide regular updates on the implementation of the action plan to each such parent or guardian. The updates shall include:

- (1) the outcome of the School's investigation (if not already provided at the conclusion of the investigation);
- (2) a discussion of safety considerations for the student who is the subject of the incident; and

(3) an explanation of the School's process for addressing the incident.

The Campus Principal or his/her designee shall oversee the implementation of the action plan, monitor the implementation of the communication plan/requirements within the action plan, and assist the School with case-specific needs when the School is addressing an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct.

Consequences of Prohibited Behavior

If, after an investigation, a student is found to be in violation of this policy by participating in or encouraging conduct prohibited by this policy, the student shall be disciplined by appropriate measures up to, and including, suspension and expulsion, pursuant to Utah Code § 53G-8-205 and School policy, removal from participation in School activities, and/or discipline in accordance with regulations of the U.S. Department of Education Office for Civil Rights (OCR). In determining the appropriate disciplinary or other responsive action for such a student, the School shall consider all relevant circumstances, including the involved students' respective ages and development and maturity levels, the nature and impact of the prohibited conduct, the surrounding circumstances, any prior incidents or patterns of behavior, the relationship between the parties involved, and the extent to which the prohibited conduct disrupted or interfered with the orderly operation of the School. Discipline may only be imposed on a student after appropriate due process has been provided.

If, after an investigation, a School employee is found to be in violation of this policy, the employee shall be disciplined by appropriate measures, which may include termination, reassignment or other appropriate action.

School officials have the authority to discipline students for off-campus or online speech that causes or threatens a substantial disruption to School operations, including violent altercations or a significant interference with a student's educational performance and involvement in School activities.

Grievance Process for School Employees

As explained above, a School employee who has experienced abusive conduct must report the abusive conduct to the School Campus Principal orally or in writing. If the School employee is not satisfied with the Campus Principal or designee's investigation of the abusive conduct and/or the resulting disciplinary action (or recommended disciplinary action) against the perpetrator, the School employee may address/raise the issue in accordance with the School's Staff Grievance Policy.

Grievance Process for Parents and Guardians

A parent or guardian of a student who caused an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct may appeal one or more of the consequences included in an action plan in accordance with the School's Parent Grievance Policy.

Additional Provisions

- (1) Once the School knows or reasonably should know of possible student-on-student bullying, cyber-bullying, or hazing, the School must take immediate and appropriate action to investigate.
- (2) If it is determined that the bullying, cyber-bullying, or hazing of a student did occur as a result of the student's membership in a protected class, the School shall take prompt and effective steps reasonably calculated to:
 - (a) end the bullying, cyber-bullying, or hazing;
 - (b) eliminate any hostile environment; and
 - (c) prevent its recurrence.
- (3) These duties are the School's responsibilities even if the misconduct is also covered by a separate anti-bullying policy and regardless of whether the student makes a complaint, asks the School to take action, or identifies the bullying, cyber-bullying, or hazing as a form of discrimination.

The Campus Principal will take reasonable steps to ensure that any person subjected to prohibited conduct will be protected from further hazing, bullying, cyber-bullying, abusive conduct, and retaliation and that any student or School employee who reports such prohibited conduct will be protected from retaliation.

If the Campus Principal believes that any person who was subjected to or who caused conduct prohibited by this policy would benefit from counseling, the Campus Principal may refer such individuals for counseling.

If the Campus Principal believes that it would be in the best interests of the individuals involved, the Campus Principal may involve the parents or guardians of a student who was subjected to or a student who caused hazing, bullying, cyber-bullying, or retaliation in the process of responding to and resolving conduct prohibited by this policy.

Incidents of bullying, cyber-bullying, hazing, and retaliation will be reported in the School's student information system as required.

Student Assessment

- (5) the right of free speech and how it differs for students, employees, and parents or guardians; and
- (6) safe digital citizenship.

The training will also complement the suicide prevention program required for students under R277-620 and the suicide prevention training required for licensed educators consistent with Section 53G-9-704(1), and also include information on when issues relating to R277-613 may lead to student or employee discipline.

The School may only collect a fee for an activity, class, or program provided, sponsored, or supported by the School consistent with School policies and state law.

If the School imposes a fee:

- (a) the fee shall be equal to or less than the expense incurred by the School in providing for a student the activity, course, or program for which the School imposes a fee; and
- (b) the School may not impose an additional fee or increase a fee to supplant or subsidize another fee, including a fee to supplant or subsidize an expense that the School incurs for:
 - (i) a curricular activity; or
 - (ii) an expense for the portion of a co-curricular activity that occurs during regular school hours.

Beginning with the 2024-25 school year, the School may not sell textbooks or otherwise charge a fee for textbooks as provided in Section 53G-7-506, except for a textbook used for a concurrent enrollment, International Baccalaureate, or Advanced Placement course.

All fees are subject to the fee waiver requirements of this policy.

The School shall not charge a fee that is general in nature and for a service or good that does not have a direct benefit to the student paying the fee. In addition, except as set forth in this policy with respect to fees for life-cycle replacement costs for School equipment, the School may not charge a fee for School equipment.

The School may not charge students in grades K-6 fees to participate in the School's remediation programs.

Fees for Classes & Activities During the Regular School Day

Fees for Students in Kindergarten through Sixth Grade

The School may not charge a fee in kindergarten through sixth grade for materials, textbooks, supplies (except as provided below), or for any class or regular school day activity, including assemblies and field trips.

Elementary students cannot be required to provide their own student supplies. However, the School or teacher may provide to a student's parent a suggested list of student supplies for use during the regular school day so that a parent or guardian may furnish, only on a voluntary basis, those supplies for student use. The list provided to a student's parent or guardian must include and be preceded by the following language:

"NOTICE: THE ITEMS ON THIS LIST WILL BE USED DURING THE REGULAR SCHOOL DAY. THEY MAY BE BROUGHT FROM HOME ON A VOLUNTARY BASIS, OTHERWISE, THEY WILL BE FURNISHED BY THE SCHOOL."

The School may charge a fee to a student in grade six if all of the following are true:

- (a) the School has students in any of the grades seven through twelve;
- (b) the School follows a secondary model of delivering instruction to the School's grade six students; and

- (c) The School annually provides notice to parents that the School will collect fees from grade six students and that the fees are subject to waiver.

Fees for Students in Seventh through Ninth Grade

Fees may be charged in grades 7-9 in connection with an activity, class, or program provided, sponsored, or supported by the School that takes place during the regular school day if the fee is noticed and approved as provided in R277-407 and is allowed to be charged by state law. All such fees are subject to waiver. In addition, if an established or approved class requires payment of fees or purchase of items in order for students to fully participate and to have the opportunity to acquire skills and knowledge required for full credit and highest grades, the fees or costs for the class are subject to waiver.

In project related courses, projects required for course completion will be included in the course fee.

Secondary students may be required to provide their own student supplies, subject to the fee waiver requirements of this policy.

The School may charge students in grades 7-9 a fee for a curricular activity or a co-curricular activity that is not required for the instruction of established core standards as described in Utah Code § 53E-4-202 or § 53E-4-204 and that is an elective. However, beginning with the 2025-26 school year, the School may not charge students in grades 7-9 a fee for a curricular activity or a co-curricular activity that is required for the instruction of established core standards as described in Utah Code § 53E-4-202 or § 53E-4-204, and that is not an elective, unless the fee is for the following:

- (a) instructional equipment or supplies;
- (b) a driver education course described in Utah Code § 53G-10-503;
- (c) charter school application processing in accordance with Utah Code § 53G-6-503; or
- (d) competency remediation programs in accordance with Utah Code § 53G-9-803;
- (e) the life-cycle replacement costs for School equipment directly related to the co-curricular activity;
- (f) a music instrument rental; or
- (g) school activity clothing.

If the School charges a fee for a co-curricular activity as set forth above, a fee for the portion of the co-curricular activity that is during the regular school day is limited to the fees described in subsections (a)-(g) above.

Fees for Adult Education and Advanced Courses

The School may charge students in grades 7-9 fees for an adult education course or for tuition, college credit, an exam, or a textbook for an Advanced Placement course, an International Baccalaureate course, or a concurrent enrollment course, as described in Utah Code § 53G-7-503(4).

Fees for Remediation Programs

The School may charge students in grades 7-9 fees to participate in the School's remediation programs.

Fees for Optional Projects

The School may require students at any grade level to provide materials or pay for an additional discretionary project if the student chooses a project in lieu of, or in addition to a required classroom project. A student may not be required to select an additional project as a condition to enrolling, completing, or receiving the highest possible grade for a course. The School will avoid allowing high cost additional projects, particularly when authorizing an additional discretionary project results in pressure on a student by teachers or peers to also complete a similar high cost project.

Fees for Activities Outside of the Regular School Day

Fees may be charged in all grades for any School-sponsored activity that does not take place during the regular school day if the fee is approved as provided in this policy and is allowed by state law and if participation in the activity is voluntary and does not affect the student's grade or ability to participate fully in any course taught during the regular school day. Fee waivers are available for such fees.

A fee related to a co-curricular or extracurricular activity may not exceed the maximum fee amounts for the co-curricular or extracurricular activity adopted by the Board, as provided below.

Activities that use the School facilities outside the regular school day but are not provided, sponsored, or supported by the School (e.g., programs sponsored by the parent organization and/or an outside organization) may charge for participation, and fee waivers are not available for these charges.

An activity, class, or program that is provided, sponsored, or supported by the School outside of the regular School day or School year calendar is subject to this policy and state law regardless of the time or season of the activity, class, or program.

Fee Schedule

The Board will approve a Fee Schedule at least once each year on or before April 1. The Fee Schedule will establish the maximum fee amount per student for each activity and the maximum total aggregate fee amount per student per school year. No fee may be charged or assessed related to an activity, class, or program provided, sponsored, or supported by the School, including for a curricular, co-curricular or extracurricular activity, unless the fee has been set and approved by the Board, is equal to or less than the established maximum fee amount for the activity, and is included in the approved Fee Schedule.

The School will encourage public participation in the development of the Fee Schedule and related policies.

Before approving the School's Fee Schedule, the School will provide an opportunity for the public to comment on the proposed Fee Schedule during a minimum of two public Board meetings. In addition to the standard notice of Board meetings under the Open and Public Meetings Act, the School will provide notice of these Board meetings using the same form of communication regularly used by the administration to communicate with parents.

After the Fee Schedule is adopted, the Board may amend the Fee Schedule using the same process.

In connection with approving a fee schedule, the Board shall authorize each fee individually as required in Utah Code § 53G-7-503.

Maximum Fee Amounts

In connection with establishing the Fee Schedule, the Board will establish a per student annual maximum fee amount that the School may charge a student for the student's participation in all courses, programs, and activities provided, sponsored, or supported by the School for the year. This is a maximum total aggregate fee amount per student per School year.

The Board may establish a reasonable number of activities, courses, or programs that will be covered by the annual maximum fee amount.

Notice to Parents

The Lead Director will annually provide written notice of the School's Fee Schedule and Fee Waiver Policy to the parent or guardian of each student in the School by ensuring that a written copy of the School's Fee Schedule and Fee Waiver Policy is included with all registration materials provided to potential or continuing students each year.

The School will also post the following on its website each school year:

- (a) The School's Fee Schedule, including maximum fee amounts, and Fee Waiver policy;
- (b) The School's fee waiver application;
- (c) The School's fee waiver decision and appeals form; and
- (d) The School's fee notice(s) for families.

Donations

The School may not request or accept a donation in lieu of a fee from a student or parent unless the activity, class, or program for which the donation is solicited will otherwise be fully funded by the School and receipt of the donation will not affect participation by an individual student.

A donation is a fee if a student or parent is required to make the donation as a condition to the student's participation in an activity, class, or program.

The School may solicit and accept a donation or contribution in accordance with the School's policies, including the Donation and Fundraising Policy, but all requests must clearly state that donations and contributions by a student or parent are voluntary.

If the School solicits donations, the School: (a) shall solicit and handle donations in accordance with policies and procedures established by the School; and (b) may not place any undue burden on a student or family in relation to a donation.

Fee Collection

The School may pursue reasonable methods for obtaining payment for fees and for charges assessed in connection with a student losing or willfully damaging school property.

The School may not exclude students from school, an activity, a class, or a program that is provided, sponsored, or supported by the School during the regular school day; refuse to issue a course grade; or withhold official student records, including written or electronic grade reports, class schedules, diplomas, or transcripts, as a result of unpaid fees.

The School may withhold the official student records of a student responsible for lost or damaged School property consistent with Utah Code § 53G-8-212 until the student or the student's parent has paid for the damages, but may not withhold a student's records required for student enrollment or placement in a subsequent school.

A reasonable charge may be imposed by the School to cover the cost of duplicating, mailing, or transmitting transcripts and other school records. No charge may be imposed for duplicating, mailing, or transmitting copies of school records to an elementary or secondary school in which the student is enrolled or intends to enroll.

Consistent with Utah Code § 53G-6-604, the School will forward a certified copy of a transferring student's record to a new school within 30 days of the request, regardless of whether the student owes fees or fines to the School.

Students shall be given notice and an opportunity to pay fines prior to withholding issuance of official written grade reports, diplomas and transcripts. If the student and the student's parent or guardian are unable to pay for damages or if it is determined by the School in consultation with the student's parents that the student's interests would not be served if the parents were to pay for the damages, then the School may provide for a program of voluntary work for the student in lieu of the payment. A general breakage fee levied against all students in a class or school is not permitted.

Budgeting and Spending Revenue Collected Through Fees

The School will follow the general accounting standards described in Rule R277-113 for treatment of fee revenue.

Beginning with the 2020-2021 school year, the School will establish a spend plan for the revenue collected from each fee charged. The spend plan will (a) provide students, parents, and employees transparency by identifying a fee's funding uses; (b) identify the needs of the activity, course, or program for the fee being charged and include a list or description of the anticipated types of expenditures, for the current fiscal year or as carryover for use in a future fiscal year, funded by the fee charged.

The School will establish a procedure to identify and address potential inequities due to the impact of the number of students who receive fee waivers at each campus.

The School will distribute the impact of fee waivers across the School's campuses so that no campus carries a disproportionate share of the School's total fee waiver burden.

School Fee Collections & Accounting Procedures

It is the responsibility of the Lead Director to ensure that all student fees collected are in compliance with the Fee Schedule and applicable financial policies and procedures.

Fees must be received and deposited in a timely manner.

Money may only be collected by staff authorized by the Lead Director. Students may not collect fees.

Beginning in the 2020-21 school year, the School may not use revenue collected through fees to offset the cost of fee waivers by requiring students and families who do not qualify for fee waivers to pay an increased fee amount to cover the costs of students and families who qualify for fee waivers. However, the School may notify students and families that the students and families may voluntarily pay an increased fee amount or provide a donation to cover the costs of other students and families.

Fee Waiver Provisions

To ensure that no student is denied the opportunity to participate in a class or activity that is provided, sponsored, or supported by the School because of an inability to pay a fee, the School provides fee waivers or other provisions in lieu of a fee. Fee waivers or other provisions in lieu of a fee payment will be available to any student whose parent cannot pay a fee.

All fees are subject to waiver.

Non-waivable charges are not subject to waiver.

Fee Waiver Administration

The Lead Director will administer this policy and will review and grant fee waiver requests. The process for obtaining waivers or pursuing alternatives will be administered in accordance with this policy, fairly, objectively, and without delay, and in a manner that avoids stigma, embarrassment, undue attention, and unreasonable burdens on students and parents.

The School will not treat a student receiving a fee waiver or provision in lieu of a fee waiver differently from other students. The process for obtaining waivers or pursuing alternatives will create no visible indicators that could lead to identification of fee waiver applicants.

The process for obtaining waivers or pursuing alternatives will comply with the privacy requirements of The Family Educational Rights and Privacy Act of 1974, 20 U.S.C. 1232g (FERPA). The School may not identify a student on fee waiver to students, staff members, or other persons who do not need to know. As a general rule, teachers and coaches do not need to know which students receive fee waivers. Students may not assist in the fee waiver approval process.

Fee Waiver Eligibility

A student is eligible for a fee waiver if the School receives verification that:

- (a) In accordance with Utah Code § 53G-7-504(4), family income falls within levels established annually by the State Superintendent and published on the Utah State Board of Education website;
- (b) The student to whom the fee applies receives Supplemental Security Income (SSI). If a student receives SSI, the School may require a benefit verification letter from the Social Security Administration;
- (c) The family receives TANF or SNAP funding. If a student's family receives TANF or SNAP, the School may require the student's family to provide the School an electronic copy or screenshot of the student's family's eligibility determination or eligibility status covering the period for which the fee waiver is sought from the Utah Department of Workforce Services;
- (d) The student is in foster care through the Division of Child and Family Services or is in state care. If a student is in state care or foster care, the School may rely on the youth in care required intake form or school enrollment letter provided by a caseworker from the Utah Division of Child and Family Services or the Utah Juvenile Justice Department; or
- (e) The student qualifies for McKinney-Vento Homeless Assistance Act assistance. If a student qualifies for McKinney-Vento, verification is obtained through the School's McKinney-Vento liaison.

The School will not maintain copies of any documentation provided to verify eligibility for a fee waiver.

The School will not subject a family to unreasonable demands for re-qualification.

The School may grant a fee waiver to a student, on a case by case basis, who does not qualify for a fee waiver under the foregoing provisions but who, because of extenuating circumstances, is not reasonably capable of paying the fee.

The School may charge a proportional share of a fee or a reduced fee if circumstances change for a student or family so that fee waiver eligibility no longer exists.

The School may retroactively waive fees if eligibility can be determined to exist before the date of the fee waiver application.

Fee Waiver Approval Process

The Lead Director will inform patrons of the process for obtaining waivers and will provide a copy of the standard fee waiver application on the School's website and in registration materials each year.

The Lead Director will review fee waiver applications within five (5) school days of receipt. If the School denies a request for a fee waiver, the School will provide the decision to deny a waiver in writing and will provide notice of the procedure for appeal in the form approved by the Utah State Board of Education.

Any requirement that a student pay a fee will be suspended during any period in which the student's eligibility for a waiver is being determined or during the time a denial of waiver is being appealed.

Each year the School will maintain documentation regarding the number of School students who were given fee waivers, the number of School students who worked in lieu of fee waivers, the number of School students who were denied fee waivers, the total dollar value of student fees waived by the School, and the total dollar amount of all fees charged to students at the School, as this information may be requested by the Utah State Board of Education as part of its monitoring of the School's school fees practices.

The School shall also submit school fee revenue information in the Utah Public Education Financial System as provided in R277-113.

Appeal Process

Denial of eligibility for a waiver may be appealed in writing to the Principal or Lead Director within ten (10) school days of receiving notice of denial. The School shall contact the parent within two (2) weeks after receiving the appeal and schedule a meeting with the Principal or Lead Director to discuss the parent's concerns. If, after meeting with the Principal or Lead Director, the waiver is still denied, the parent may appeal, in writing, within ten (10) school days of receiving notice of denial to the Board.

In order to protect privacy and confidentiality, the School will not retain information or documentation provided to verify eligibility for fee waivers.

Alternatives to Fees and Fee Waivers

The School may allow a student to perform service or another approved task (as described in Utah Code § 53G-7-504(2)) in lieu of paying a fee or, in the case of an eligible student, in lieu receiving a fee waiver, but such alternatives may not be required. If the School allows an alternative to satisfy a fee requirement, the Principal or Lead Director will explore with the interested student and his or her parent/guardian the alternatives available for satisfying the fee requirement, and parents will be

given the opportunity to review proposed alternatives to fees and fee waivers. However, if a student is eligible for a waiver, textbook fees must be waived, and no alternative in lieu of a fee waiver is permissible for such fees.

The School may allow a student to perform service in lieu of paying a fee or receiving a fee waiver if: (a) the School establishes a service policy or procedure that ensure that a service assignment is appropriate to the age, physical condition, and maturity of the student; (b) the School's service policy or procedure is consistent with state and federal laws, including Section 53G-7-504 regarding the waiver of fees and the federal Fair Labor Standards Act, 29 U.S.C. 201; (c) the service can be performed within a reasonable period of time; and (d) the service is at least equal to the minimum wage for each hour or service.

A student who performs service may not be treated differently than other students who pay a fee.

The service may not create an unreasonable burden for a student or parent and may not be of such a nature as to demean or stigmatize the student.

The School will transfer the student's service credit to another LEA upon request of the student.

The School may make an installment payment plan available for the payment of a fee. Such a payment plan may not be required in lieu of a fee waiver.

The School may provide optional individual fundraising opportunities for students to raise money to offset the cost of the student's fees as provided in R277-408.

Fee Waivers for School Trips

Students may be granted a fee waiver for no more than two School-sponsored trips per school year. A student who has been granted a fee waiver for one School-sponsored trip may request a fee waiver for a second School-sponsored trip during the same school year. The fee waiver request for a second School-sponsored trip shall be accompanied by an action plan, developed in consultation with and approved by the Principal or Lead Director, that addresses how the student or family will contribute to the School or community through one or more of: (a) participation in approved fundraising; (b) approved custodial work or service in lieu of fees consistent with R277-407 and the Fair Labor Standards Act; (c) installment-payment arrangements for ancillary trip costs not covered by waiver; or (d) other contributions specified in the action plan.

The fee waiver request for a second School-sponsored trip shall be granted upon Principal or Lead Director approval of the action plan unless documentation establishes the student's participation would impose an undue financial burden on the School beyond fee-waiver expectations.

For purposes of this section, "trip" and "action plan" have the meanings assigned to those terms in Utah Code § 53G-7-504.

Annual Review, Approval, and Training

The Board will review and approve this policy annually.

The School will develop a plan for at least annual training of School employees on fee-related policies specific to each employee's job functions.

The School will provide financial reporting in a manner consistent with the basis of accounting as required by GAAP, as applicable to the School.

The School will provide reconciliation between the accrual basis of accounting and modified accrual basis of accounting, as applicable.

The School will provide data and information consistent with budgeting, accounting (including the uniform chart of accounts for LEAs), and auditing standards for Utah LEAs provided online annually by the Utah State Superintendent of Public Education.

Syracuse Arts Academy Financial, Debt and Risk Management Plan

In general, the Board of Directors and administration of Syracuse Arts Academy (the “School”) shall manage the financial affairs of the School based on the following principles: (1) comply with all applicable laws and bond covenants; (2) provide the best educational services to the students of the School consistent with the School’s charter; and (3) get the most effective and cost efficient services possible in all areas at the School.

Financial

General Financial Management

The Board understands that the School is a steward over the financial resources and assets entrusted to it by the state of Utah. The Board recognizes the need to abide by all applicable laws and regulations, including Utah Code [53A-1a-50853G-5-303](#), including the following acknowledgements: (i) fiscal procedures will be consistent with generally accepted financial management standards; and (ii) neither the chartering entity nor the state, including an agency of the state, is liable for the debts or financial obligations of the School or persons or entities who operate the School, unless agreed to in writing with the School.

The School adheres to Generally Accepted Accounting Principles as constituted by the [Financial Governmental](#) Accounting Standards Board. The School also complies with all applicable areas of the Utah Money Management Act. Cash collected at the School is handled properly, as set forth in the School’s Cash Handling Policy.

In accordance with state law, the School, prior to June 30th of ~~the~~ each fiscal year, prepares an annual operating budget for the next fiscal year. The budget is designed so that the School priorities, as established by the Board, are met. All budgets and budget amendments are approved by the Board through a vote in a public meeting in accordance with the Utah Open and Public Meetings Act.

Subject to appropriation limits with object codes and other restrictions, the School reserves the right to reallocate funds from one line item in the budget to another if purchasing practices or conservation result in an expenditure different from the budgeted amount. The Board may choose to add undistributed reserves from the School operational budget to the following year and/or may reallocate them to the current fiscal year’s budget, at its discretion. The budget and cash flow projections utilized by the School provide sufficient detail to enable reasonably accurate projections of revenues and expenses, separation of capital and operational items, cash flow, and subsequent audit trail documentation.

In addition, the School understands and complies with all applicable fiscal rules and regulations, including completion and submission of an annual financial audit of the current fiscal year conducted by an independent certified public accounting firm by November 30th of the following fiscal year, submission of October and December student counts in accordance with state-

mandated deadlines, Utah Money Management reports, wages and benefits negotiation reports, Utah Transparency Act reports and updates, October 1st AFR and APR submissions, and any other regular enrollment and financial reports as required by the State Board of Education now or in the future.

Purchases are authorized and carried out in accordance with the Purchasing and Disbursement Policy and the Procurement Policy adopted by the Board and the Utah Procurement Code.

The School tracks fixed assets in accordance with the Capitalization and Expense Policy and other applicable requirements.

All fiscal policies and procedures comply with the School's Conflict of Interest Policy.

The School assigns a representative to attend school finance and statistics training and all required finance training. The School will continue to take the measures necessary so that its representatives attend future trainings as announced or provided to ensure accounting and management of the School resources are in compliance with any revisions to applicable rules and statutes.

Minimum Reserve and Coverage Levels

The School will maintain minimum reserve and coverage levels that the Board determines are consistent with long-term financial health. The Board Financial Coordinator, administration, business manager and accounting staff will regularly monitor the status of reserve and coverage ratios and report that information to the Board.

The School will ensure that it satisfies minimum reserve and coverage levels as required by law or applicable bond covenants.

The School will take reserve and coverage levels into consideration when making budgeting, financial planning, and other financial decisions, including decisions regarding major purchases.

Financial Forecasting and Budgeting

Throughout the fiscal year, the Board Financial Coordinator, administration, business manager and accounting staff will meet regularly to discuss the budget, the School financial status, and any changes. The Board will be fully engaged in the budgetary process and informed of such issues on a regular basis.

The Board Financial Coordinator, administrator, business manager and accounting staff will meet to prepare a tentative budget. The School's budgeting philosophy will be to conservatively project both revenues and expenses while achieving the level of accuracy required by state standards. The tentative budget will be circulated to the Board for further review and discussion. The tentative budget will be scheduled for discussion on a board meeting agenda, further discussed, and adopted at the annual board meeting.

As the October 1 count is finalized, and as the School receives new revenues, the Board will be updated on new figures. In order to account for these changes, the Board will approve revisions and amendments to the budget over the course of the fiscal year, as needed and appropriate.

Debt

The School will seek to avoid debt to the extent possible. The School's plan is to only assume debt as absolutely necessary or when the benefits of a purchase will, in the judgment of the Board, benefit the School's students for the life of such debt. The Board recognizes that the ability to take on debt will be governed by the covenants of existing indebtedness and pending indebtedness. The School's accounting staff, administration and Board Financial Coordinator will be informed of the requirements affecting the School ability to incur debt. Any debt assumed by the School will therefore comply with applicable laws and any existing bond covenants.

As economical or in its best interests, the School will seek refunding opportunities to either lower its debt profile, meet bond covenants or other advantageous benefits realized through a restructure of its debt.

Risk Management

As a nonprofit corporation and public school, the School shall actively seek to avoid unnecessary risks to the greatest extent possible. The School shall always maintain insurance at the highest amount that is either (a) required by law, (b) required by existing bond covenants, (c) is reasonable and customary for a Utah charter school, or (d) is considered prudent by the Board after consulting with qualified professionals. In the event any material risk is identified by the School's Board or administration that is not covered by existing insurance, a qualified professional shall promptly be engaged to evaluate such risk and recommend the appropriate action.

The Board will work with qualified professionals to recognize and avoid risks associated with its governance of the School. In particular, the Board will be cognizant of financial risks that are addressed by the provisions above, compliance with applicable laws, including but not limited to the Utah Open and Public Meetings Act and the Government Records Access and Management Act. The Board will periodically review the policies that it has adopted to ensure that it has all necessary policies in place and that the policies that have been adopted comply with current law, adequately address issues at which they are aimed, and cover all areas requiring board guidance. The Board may periodically request that the administration provide assurance that Board policies are being complied with. In the event the Board learns that policies are not being complied with, it will request the administration to create a plan to remedy any deficiencies and establish procedures to ensure that the policies are complied with in the future.

The administration is also directed to work with qualified professionals, including the School management company and loss control representatives of the School insurer, to recognize, manage and avoid risks associated with the operation of the School. In particular, the administration will be cognizant of risks associated with human resources activities, student safety and security, facility matters, and state and federal legal compliance, including civil rights issues. The administration will establish procedures in order to address key issues pertaining to the School operations and will

ensure that all the School employees and, to the extent necessary, students and parents, are aware of such procedures. The administration will periodically review and revise administrative procedures in order to ensure that they adequately address the pertinent issues and are consistent with the School situation and needs.

Syracuse Arts Academy Enrollment & Lottery Policy

PURPOSE

The purpose of this policy is to provide guidelines on appropriate procedures on enrollment and lottery processes for Syracuse Arts Academy (the “School”).

POLICY

In regards to applications, enrollment, and lottery procedures, the School will follow all state and federal laws.

General Information

Notice of the opportunity to submit an application and procedures for enrollment at the School shall be published on the School’s website beginning no later than sixty (60) days before the School’s initial open enrollment period. The School’s website shall also include, but not be limited to, the following enrollment information: (i) a description of the procedures for applying for admission to the School; (ii) the School’s calendar; and (iii) a description of how a student may transfer from the School to another charter school or district school.

For each enrollment period during which the School accepts applications from students, the School shall publicize that it is accepting applications on the School website.

The School shall follow the provisions of Utah Code § 53G-6-503, Utah Administrative Code Rule R277-551, and Utah Administrative Code Rule R277-472, each of which include requirements related to admissions, enrollment, withdrawals, and transfers.

Lottery

For each enrollment period, if there are more applications for admission in any grade than there are available openings in that grade, the School shall conduct a lottery to determine which students will be admitted to the School. The School shall conduct its lottery electronically and notify accepted students via e-mail or telephone.

In accordance with Utah Code § 53G-6-502, the following students shall receive preference in the School’s lottery in the following order: a child or grandchild of an individual who has actively participated in the development of the School; a child or grandchild of a member of the School’s Board of Directors; a sibling of an individual who is presently enrolled in the School; a child of a teacher or administrator of the School; a student articulating between the School’s campuses; a student who resides within a one-mile radius of any of the School’s campuses; and a child of a military servicemember as defined in Utah Code § 53B-8-102. Such students shall not, however, be given priority notice or guaranteed admission to the School.

The School shall not give preference to any student and shall not make any enrollment decision on any basis prohibited by state or federal law, including Utah Code § 53G-6-403(3)(a), federal civil rights laws, and the Individuals with Disabilities Education Improvement Act of 2004 (“IDEA”).

The School’s lottery shall be held in approximately January or February of each year with additional lotteries held periodically as needed until the desired enrollment numbers are reached. The School may, at the discretion of the School’s Lead Director, continue to enroll students from the lottery throughout the school year to fill spots left open when students withdraw.

Past Disciplinary Issues

Any student seeking enrollment in the School who was suspended for ten (10) days or more from another school for disciplinary reasons within the previous twelve (12) months shall not be admitted to the School unless and until a thorough review of the student’s prior conduct is evaluated by the School’s administration and the School’s administration approves the student to be admitted. In addition, the School may not enroll a student from another school unless the student record from the previous school, including the discipline file (if applicable), is received or the School’s administration reviews the data gateway for any safe-school violation, reintegration, or threat assessment.

In accordance with Utah Code § 53G-8-205(3), the School may deny admission to the School to students who were expelled from the School or any other school during the preceding twelve (12) months.

Consistent with Utah Administrative Code Rule R277-472-7, the School may deny admission to the School to students who have disciplinary procedures pending at their previous school until previous allegations have been resolved. The School generally recognizes and honors disciplinary actions imposed on a student by another school. Accordingly, the School may deny admission to a student who is currently under suspension or expulsion from another school.

In accordance with Utah Code § 53G-6-403(3)(b), the School may deny admission to students who (i) have committed serious infractions of the law or school policies, including policies of the School; ~~or~~ (ii) have been guilty of chronic misbehavior which would, if it were to continue after the student was admitted to the School, endanger persons or property, cause serious disruptions in the School, or place unreasonable burdens on School staff; or (iii) have any school safety incidents or safe-school violations.

Parents of students seeking admission to the School must disclose in their application to the School information about their student’s past serious disciplinary actions and criminal convictions. ~~If this information is not disclosed in connection with a student’s application for enrollment in the School and is discovered after the student is enrolled in the School, the student may be immediately suspended until the School’s administration investigates the matter and reaches a final disciplinary decision in accordance with School policy. If this information is not disclosed, if materially false or misleading information is provided in the application, or if information that would have been relevant to the School’s enrollment decision is omitted, and the School discovers the omission or misrepresentation after the student has been enrolled in the School, the School may place the~~

student's enrollment under review while the School investigates the matter. Following the investigation, the School may take appropriate action in accordance with this and other School policy, which may include but is not limited to continued enrollment, continued enrollment subject to conditions, or rescission of the student's enrollment if the School determines that the undisclosed information would have provided a lawful basis to deny admission at the time of the application. Parents of students whose enrollment has been rescinded consistent with this paragraph may appeal the decision in accordance with the School's Parent Grievance Policy.

During the investigation process mentioned above, the School may restrict a student's attendance at the School if deemed necessary by the School to protect student safety or facilitate the review.

Situations involving students receiving special education and related services under the IDEA shall be handled in a manner consistent with applicable laws and School policy.

Provisional Enrollment for Students with Prior Behavior Problems

The School may provide for provisional enrollment of students with prior behavior problems and establish conditions under which enrollment of such students would be permitted or continued.

Syracuse Arts Academy

Student Conduct & Discipline Policy

1. PURPOSE, BELIEFS, AND PHILOSOPHY

1.1 Purpose

The purpose of Syracuse Arts Academy's (the "School") Student Conduct and Discipline Policy is to help all students develop positive relationships with other students and adults, take responsibility for their actions and learning, and develop the self-discipline necessary to create an environment that is characterized by physical and emotional safety in order to enhance learning for everyone.

The School will foster a School and community-wide expectation of good citizenship for students and a sense of responsibility in the School community for rules and standards of behavior.

The School will promote and require:

- student responsibility for learning and behavior in all grades;
- student conduct that produces a proper learning environment and respect for the personal, civil, and property rights of all members of the School community;
- parents of all students to assume proper responsibility for their students' behavior and to cooperate with School authorities in encouraging student self-discipline and discouraging behavior that is disruptive to the School's educational program.

1.2 Beliefs and Expectations

The School's beliefs and expectations set a positive and inviting culture for dealing with student behavior issues.

Beliefs:

- Punishment alone will not change behavior
- Much aggressive behavior is a relationship problem, not a behavior problem
- Adults must model the behaviors they expect from the students
- We expect conflicts, but we expect conflicts to be resolved and relationships mended

Expectations:

- Students will show respect for other students
- Students will show respect for adults
- Students will show respect for the building
- Adults will show respect for students
- Students will develop self-discipline

1.3 Procedural Philosophy

The School recognizes that establishing a procedural philosophy consistent with the desired positive school environment is as important as following legal and due process procedures. The School's policy sets forth appropriate legal and due process procedures and will be followed within the context of the procedural philosophy outlined below:

Procedures:

When students are involved in conflicts with other students, they will, when appropriate:

- Work together to resolve the conflict
- Work to repair the relationship and build trust
- Be subject to additional consequences if they exhibit unsafe behaviors during the conflict

When students are involved in a conflict with or feel they have been treated unfairly by a member of the staff or a volunteer, they will:

- Report their feelings to their parent or to the administrator or counselor, who will work together to set up a conference with the student, the parent, an administrator or counselor, and/or the adult involved in order to resolve the conflict and mend the relationship

When students flagrantly disregard the safety of others, show blatant disrespect to others, or consistently behave in a disrespectful or unsafe way:

- The student will be subjected to consequences and positive behavior support to ensure that the student will make better choices in the future. Consequences might include:
 - ✓ In-School Suspension
 - ✓ Out-of-School Suspension
 - ✓ Expulsion
 - ✓ Restitution
 - ✓ Repayment for damages
- The student will work to earn back the trust of the school community by actions such as:
 - ✓ Genuine apology to injured or affected parties
 - ✓ Demonstration of appropriate behaviors following the incident
 - ✓ Repair or replace any damaged items

Due process to protect the rights of students will include:

- All students will be treated with dignity and respect as they go through correction procedures. The administration will see to it that their rights are protected through the process. If parents feel their student has not been treated fairly, they should meet with the Campus Principal. If resolution is not made there, they may address those concerns in accordance with this policy or the School's Parent Grievance Policy, as applicable.
- Parents will be notified when students are involved in situations that are deemed to be serious.
- Parents and students will be notified of the expectations, possible consequences, and the procedures involved in this policy at the beginning of each school year.

2. ENVIRONMENT

2.1 Safe School Environment

It is the School's policy to promote a safe and orderly school environment for all students and employees. Accordingly, the School holds all students, employees, and other adults to the highest standards of behavior in the classroom, on School grounds, in School vehicles, and during School-sponsored activities. Criminal acts or disruptive behavior of any kind will not be tolerated, and any individual who engages in such activity will be subject to disciplinary action, criminal prosecution, or both.

2.2 Discrimination Prohibited

It is the School's policy to provide equal educational and employment opportunity for all individuals. Therefore, the School prohibits all discrimination on the basis of race, color, religion, sex, age, national origin, disability, or veteran status. Complaints of discrimination or unfair application of this policy should be submitted pursuant to the School's applicable Grievance Policy.

3.3 Change of Placement for Students with Disabilities under IDEA and Section 504

For purpose of the removal of a student with a disability from the student's current educational placement, a "change of placement" occurs if (a) the removal is for more than ten (10) consecutive school days or (b) the student is subjected to a series of removals that constitute a pattern because they total more than ten (10) school days in a school year or because of factors such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another. Any "change of placement" requires compliance with the procedures outlined in Section 10 of this policy.

~~_____ (ii) The Campus Principal shall also notify~~ the Lead Director as well as other School personnel if the Campus Principal determines that other School personnel should be informed; ~~and~~
~~_____ (iii) the student's parent.~~

The Campus Principal may not disclose to the student, or to the student's parent, the identity of the School employee who made the initial notification under Subsection (g) above. The identity of a School employee who notifies the Principal under Subsection (g) above shall be kept confidential, except that the identity of a School employee may be disclosed to a law enforcement officer or agency for purposes of an investigation or prosecution.

6.4.4 Referral of Students for Firearm Offense. If a student brings a firearm or weapon to the School, the student shall be referred directly to a law enforcement officer or agency, a prosecuting attorney, or a court.

7. ALTERNATIVES TO EXPULSION, OR CHANGE OF PLACEMENT FOR FREQUENT OR FLAGRANT DISRUPTIVE BEHAVIOR – Utah Code Ann. § 53G-8-207

A continuum of intervention strategies shall be available to help students whose behavior in School repeatedly falls short of reasonable expectations. Prior to suspending a student for more than ten (10) school days or expelling a student for repeated acts of willful disobedience, defiance of authority, or disruptive behavior which are not so extreme or violent that immediate removal is warranted, good faith efforts shall be made to implement a remedial discipline plan to allow the student to remain in the School.

7.1 Before referring the student for long-term suspension, expulsion or change of placement under this Section, School staff should demonstrate that they have attempted some or all of the following interventions:

7.1.1 Talking with the student;

7.1.2 Class schedule adjustment;

7.1.3 Phone contact with the parent;

7.1.4 Informal parent/student conferences;

7.1.5 Behavioral contracts;

7.1.6 After-school make-up time;

7.1.7 Short-term in-school suspension;

7.1.8 Short-term at-home suspensions;

7.1.9 Appropriate evaluation;

7.1.10 Home study;

7.1.11 Alternative programs; or

7.1.12 Law enforcement assistance as appropriate.

7.2 Parental Attendance with Student – Utah Code Ann. § 53G-8-207(1)-(2).

As part of a remedial discipline plan for a student, the School may require the student's parent, with the consent of the student's teachers, to attend class with the student for a period of time specified by a designated School official. If the parent does not agree or fails to attend class with the student, the student shall be suspended in accordance with the provisions of this policy.

8. DUE PROCESS FOR SUSPENSIONS OF TEN (10) SCHOOL DAYS OR LESS

The following procedure shall apply to all students facing suspension of ten (10) school days or less:

8.1 The Campus Principal shall notify the student's custodial parent of the following without delay: that the student has been suspended, the grounds for the suspension, the period of time for which the student is suspended, and the time and place for the parent to meet with the Campus Principal to review the suspension.

8.2 The Campus Principal shall also notify the non-custodial parent, if requested in writing, of the suspension.

8.2.1 Section 8.2 does not apply to the portion of School records which would disclose any information protected under a court order.

8.2.2 The custodial parent is responsible to provide the School a certified copy of any court order under subsection 8.2.1.

8.3 The Campus Principal shall document the charges, evidence, and action taken.

8.4 Unless one of the exceptions below applies, before a suspension begins the student shall be given notice of the charges, provided with an explanation of the evidence, and given an opportunity to present his/her version of the incident to the Campus Principal. The student shall be requested to present his/her version of the incident in writing. Students with disabilities or young students who are unable to write their own statements shall be accommodated through the use of tape recorder, scribe, etc.

8.4.1 In general, the notice and informal conference described in Section 8.4 above shall precede the student's removal from the School.

8.4.2 If, in the judgment of the Campus Principal, notice and an informal conference is not possible because the student poses a danger to a person or property or an ongoing threat of substantially disrupting the academic process, he/she may be removed immediately. However, in such cases, the necessary notice and informal conference shall follow as soon as possible.

9. DUE PROCESS FOR SUSPENSIONS OF MORE THAN TEN (10) SCHOOL DAYS AND EXPULSIONS

The following procedure shall apply to all students facing suspension of more than ten (10) school days or expulsion:

9.1 The Campus Principal shall first follow the due process procedures set forth in Section 8 above. If, after following the due process procedures in Section 8, the Campus Principal believes that a student should be suspended for more than ten (10) school days or expelled, the Campus Principal shall refer the matter to the Lead Director.

9.2 Prior to sending the referral, but in no instance longer than ten (10) school days after the suspension began, the Campus Principal shall meet with the parent to discuss the charges against the student and the proposed discipline. A suspension may not extend beyond ten (10) school days unless the student and the student's parent have been given a reasonable opportunity to meet with the Campus Principal and respond to the allegations and proposed disciplinary action.

9.2.1 The Campus Principal shall also notify the non-custodial parent, if requested in writing, of the possible suspension or expulsion as outlined in Section 8.2 of this policy.

9.3 The referral to the Lead Director shall include all relevant documentation of the student's violation(s), including written student statements, written witness statements, evidence of an informal conference, evidence of a Campus Principal meeting with parent, and written parental input.

9.4 Notice to Student and Parent

If the Lead Director, after considering the totality of the circumstances and consulting with the CMT, decides that a student should be suspended for longer than ten (10) school days or expelled, the Lead Director shall, within ten (10) school days after the suspension or expulsion began, send written notice by certified mail, return receipt requested, to the student's parent, which includes all of the following elements:

9.4.1 a description of the alleged violation(s) or reason(s) giving rise to disciplinary action;

9.4.2 the penalty being imposed (duration of suspension or expulsion);

9.4.3 a statement that a due process hearing may be requested in writing within ten (10) working days of receipt of the notice;

9.4.4 a statement that, if a hearing is requested, the Board has the authority to appoint an impartial Hearing Officer(s), who may be an employee of the School;

9.4.5 a statement that the suspension or expulsion is taking effect immediately and will continue for the stated period unless a hearing is requested in a timely manner and the Hearing Officer determines otherwise;

9.4.6 the mailing date of the notice; and

9.4.7 a statement that, if a hearing is not requested within ten (10) working days after receipt of the notice, the Lead Director's decision to suspend or expel the student will be final, and the parent's right to oppose the Lead Director's decision will be waived.

9.5 Hearing Procedures

If a hearing is requested in response to the notice of suspension for longer than ten (10) school days or expulsion, the following procedures shall apply:

9.5.1 After receipt of the request, the School shall schedule a hearing as soon as possible but not later than ten (10) school days following receipt of the request, unless the student's parent agrees otherwise.

9.5.2 A written Hearing Notice shall be sent to the parent informing the parent of:

[a] the name of the Hearing Officer;

[b] the date, place, and time of the hearing;

[c] the circumstances, evidence, and issues to be discussed at the hearing;

[d] the right of all parties to present evidence;

[e] the right of all parties to cross-examine witnesses subject to the Hearing Officer's determination that this right should be limited to protect student witnesses from retaliation, ostracism or reprisal;

[f] the right of all parties to appeal to the President of the Board within ten (10) working days following the decision if the parties disagree with the Hearing Officer's decision;

[g] the right of all parties to examine all relevant records; and

[h] the right of all parties to representation by counsel or otherwise at the hearing.

9.5.3 The Hearing Officer shall conduct the hearing on the record and shall:

[a] ensure that a written record of the Hearing is made, a copy of which shall be provided to all parties upon request, with the cost borne by the School;

- [b] consider all relevant evidence presented at the Hearing;
- [c] allow the right to cross-examination of witnesses, unless the Hearing Officer determines that this right should be limited to protect student witnesses from ostracism, retaliation or reprisal;
- [d] allow all parties a fair opportunity to present relevant evidence; and
- [e] issue a written decision including findings of fact and conclusions.

9.5.4 Hearing Rules

Formal Rules of Evidence do not apply to the Hearing, and no discovery is permitted. However, the following rules will apply:

- [a] parties may have access to information contained in the School's files to the extent permitted by law;
- [b] hearings shall be closed to the press and the public;
- [c] documents, testimony, or other evidence submitted by the parties after the hearing will not be considered by the Hearing Officer; and
- [d] the Hearing Officer may excuse witnesses or parties or suspend or terminate a hearing if persons involved in the hearing are abusive, disorderly, disruptive, or if they refuse to abide by the rules and orders of the Hearing Officer.

9.6 Appeals

9.6.1 Within ten (10) working days following receipt of the Hearing Officer's written decision, either party may appeal the decision, in writing, to the President of the Board.

9.6.2 Within ten (10) working days following receipt of the appeal, the Board President shall rule on the appeal.

10. DUE PROCESS FOR CHANGE OF PLACEMENT OF STUDENTS WITH DISABILITIES

Where the student is receiving special education services or accommodations on the basis of disability under IDEA, 504 or ADA, procedures outlined in the Utah State Board of Education ("[USBE](#)") Special Education Rules shall be followed, including prior written notice to parents regarding their procedural due process rights, before any long-term disciplinary action or change of placement takes place.

10.1 Required Services

10.1.1 504 and ADA Students

When a determination is made that the conduct of a 504 or ADA student (but not a student who is disabled under IDEA) is not a manifestation of the student's disability pursuant to Section 10.5, the student shall be subject to the same disciplinary consequences as regular education students, up to and including expulsion from School; however, the School must continue to provide education services in accordance with guidelines established by the [USBEtah State Board of Education](#).

10.1.2 IDEA

A school need not provide services during periods of removal to a student with a disability under IDEA who has been removed from his or her current placement for ten (10) school days or less in that school year if services are not provided to a student without disabilities who has been similarly removed.

If a student with a disability under IDEA has been removed from his or her current placement for more than ten (10) school days in the same school year, for the remainder of the removals the School shall provide services to the extent necessary to enable the student to progress in the general curriculum and appropriately advance toward achieving the goals set out in the student's IEP. School personnel, in consultation with the student's special education teacher, determine the extent to which services are necessary to enable the student to appropriately progress in the general curriculum and advance toward achieving the goals set out in the student's IEP.

10.2 Change of Placement for Weapons, Drugs, or Serious Bodily Injury

A student's IEP team may order a change in placement of a student with a disability to an appropriate interim alternative educational setting for the same amount of time that a student without a disability would be subject to discipline, but for not more than forty-five (45) school days, if:

10.2.1 The student carries a weapon to or possesses a weapon at School, on School premises, or to or at a School-sponsored activity; or

10.2.2 The student knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at School, on School premises, or at a School-sponsored activity; or

10.2.3 The student has inflicted serious bodily injury upon another person while at School, on School premises, or at a School-sponsored activity.

10.3 Change of Placement Due to Student's Serious Misconduct

School officials may request an expedited due process hearing in order to change the placement of a student with a disability to an appropriate interim alternative educational setting, recommended by the student's IEP team, for not more than forty-five (45) school days. A hearing officer may order such a change, if he/she:

10.3.1 Determines that School officials have demonstrated by substantial evidence that maintaining the current placement of a student is substantially likely to result in injury to the student or others;

10.3.2 Considers the appropriateness of the student's current placement;

10.3.3 Considers whether School officials have made reasonable efforts to minimize the risk of harm in the student's current placement, including the use of supplementary aids and services; and

10.3.4 Determines that the interim alternative educational setting being recommended by School officials (1) has been selected so as to enable the student to continue to progress in the general curriculum, although in another setting, and to continue to receive those services and modifications, including those described in the student's current IEP, that will enable the student to meet the goals set out in that IEP: and (2) includes services and modifications designed to address the behavior at issue so that it does not recur.

10.4 Parental Notice

As soon as a decision is made by School officials to remove a student with a disability from his/her current placement for more than ten (10) school days, the student's parents must be notified of that decision and of all procedural safeguards outlined by law and School policy.

10.5 IEP Meetings for Manifestation Determination

10.5.1 Immediately, if possible, but in no case later than ten (10) school days after the date on which the decision is made to remove the student from the current placement, a review must be conducted of the relationship between the student's disability and the behavior subject to the disciplinary action.

10.5.2 The manifestation review must be conducted by the student's IEP team and other qualified School personnel.

10.5.3 In conducting the manifestation review, the IEP team may determine that the behavior of the student was not a manifestation of student's disability only if the IEP team:

[a] First considers, in terms of behavior subject to disciplinary action, all relevant information, including:

(i) Evaluation and diagnostic results, including the results or other relevant information supplied by the parents of the student;

(ii) Observations of the student; and

(iii) The student's IEP and placement; and

[b] Then determines whether:

(i) The conduct in question was caused by or had a direct and substantial relationship to the child's disability; or

(ii) The conduct in question was the direct result of the School's failure to implement the student's IEP.

10.5.4 If the IEP team determines that either of the standards above was met, the behavior must be considered a manifestation of the student's disability.

10.5.5 Determination that Behavior was not Manifestation of Disability

If the result of the manifestation review is a determination that the behavior of a student with a disability was not a manifestation of the student's disability, the relevant disciplinary procedures applicable to students without disabilities may be applied to the student in the same manner in which they would be applied to students without disabilities, except that a free appropriate public education must still be made available to the student if the student is suspended or expelled from School.

10.5.6 Determination that Behavior was Manifestation of Disability

If the result of the manifestation review is a determination that the behavior of a student with a disability was a manifestation of the student's disability, the student must remain in or be returned to the prior placement.

10.6 IEP Meetings for Functional Behavioral Assessments

10.6.1 Post-Discipline Functional Behavioral Assessments

If School officials have not conducted a Functional Behavioral Assessment and implemented a behavioral intervention plan for the student before the behavior that results in a removal from School for longer than ten (10) school days or a change of placement to an interim alternative educational setting, School officials shall convene an IEP meeting to develop an assessment plan and appropriate behavioral interventions to address that behavior.

10.6.2 Pre-Discipline Behavioral Intervention Plans

If the student already has a behavioral intervention plan, the IEP team shall review the plan and modify it, as necessary, to address the behavior.

10.7 Placement During Appeals and Stay Put

10.7.1 If a parent requests a due process hearing to challenge the interim alternative educational setting or the manifestation determination, the student must remain subject to the disciplinary action pending the decision of the hearing officer or until the expiration of the forty-five (45) school-day period, whichever occurs first, unless the parent and School officials agree otherwise.

10.7.2 If a student is placed in an interim alternative educational setting and School personnel propose to change the student's placement after expiration of the interim alternative placement, during the pendency of any proceeding to challenge the proposed change in placement the student must remain in the current placement (the student's placement prior to the interim alternative education setting), unless School officials succeed in getting an order through an expedited hearing as described in Section 10.3.

11. ADMINISTRATIVE STUDENT CONDUCT AND DISCIPLINE PLAN(S)

11.1 Elements of Plan(s)

The Lead Director will develop, with input from administration, instruction and support staff, students, parents, and other community members, a Student Conduct and Discipline Plan(s). The plan(s) shall be comprehensive, clearly written, consistently enforced, and include the following elements:

11.1.1 written standards for student behavior expectations, including schoolwide and classroom management;

11.1.2 effective instructional practices for teaching student expectations;

11.1.3 systematic methods for reinforcing expected behaviors;

11.1.4 uniform and equitable methods for correcting student behavior;

11.1.5 procedures for re-teaching behavior expectations followed by effective, evidence-based interventions matched to student needs before suspension or court referral;

11.1.6 direction to determine the range of behaviors and establish the continuum of administrative procedures that may be used by School personnel to address student behavior; and

11.1.7 procedures for responding to reports received through the SafeUT Crisis Line under Utah Code Ann. § 53H-4-210.

11.2 Plan(s) Consistent with this Policy

The administrative Student Conduct and Discipline Plan(s) shall be consistent with this policy. It shall also be consistent with the School's Plan for Harassment and Discrimination Free Learning, which shall be developed by the School in accordance with § 53G-8-802 and R277-609.

12. EXTRACURRICULAR ACTIVITIES

Participation in interscholastic athletics and other extracurricular activities is not a constitutionally protected civil right. Therefore, students who are suspended or expelled may lose the privilege of participation during the period of suspension/expulsion and may not be

allowed to invoke due process procedures to challenge the denial of extracurricular participation.

13. RE-ADMISSION OF EXPELLED STUDENTS AND DENIAL OF ADMISSION BASED ON PRIOR EXPULSION – Utah Code Ann. §53G-8-205(3)

A student who is expelled from the School can only be re-admitted to the School through the School's standard lottery procedures.

A student may be denied admission to the School if he or she was expelled from the School or any other school during the preceding 12 months.

14. INVESTIGATIONS

Whenever the Campus Principal has reason to believe that School rules or policies have been broken, he or she shall proceed with an investigation. However, if the Campus Principal believes that laws have been broken or child abuse has occurred, he/she shall request appropriate authorities to conduct the investigation.

14.1 General Investigation Guidelines for Campus Principals

The Campus Principal has the authority and duty to conduct investigations and to question students pertaining to infractions of School rules, whether or not the alleged conduct is a violation of criminal law. The Campus Principal shall conduct investigations according to the following general guidelines:

14.1.1 The Campus Principal shall conduct investigations in a way that does not unduly interfere with School activities.

14.1.2 The Campus Principal shall separate witnesses and offenders in an attempt to keep witnesses from collaborating their statements and have all parties provide separate statements concerning the incident under investigation; written statements are preferable, if possible.

14.1.3 The Campus Principal shall advise students suspected of wrongdoing orally or in writing of the nature of the alleged offense.

14.1.4 Students must be provided an opportunity to give their version of the incident under investigation; however, refusals to respond or provide information should be respected.

14.1.5 When questioning students as part of an investigation, School staff should have another adult present whenever possible.

14.1.6 The Campus Principal shall accommodate students with disabilities and young children unable to write their own statements through use of tape recorders, scribes, etc.

14.1.7 All students involved in the investigation shall be instructed that retaliation is prohibited. Any act of reprisal against any person who has testified, assisted, or participated

in any manner in an investigation, proceeding, or hearing is strictly prohibited and subject to disciplinary action.

14.1.8 When the investigation is completed and if it is determined that disciplinary action may be in order, due process requirements must be met. Specifically, the student must be given proper notice of the charges against him/her and the disciplinary action being recommended, as well as a fair opportunity to present his or her version of the facts.

14.2 Coordination with Law Enforcement

The Campus Principal has the responsibility and the authority to determine when the help of law enforcement officers is necessary, as outlined in this policy and Utah State law.

14.2.1 The School administration may invite law enforcement officials to the School to:

[a] conduct an investigation of alleged criminal conduct on the School premises or during a School-sponsored activity;

[b] maintain a safe and orderly educational environment; or

[c] maintain or restore order when the presence of such officers is necessary to prevent injury to persons or property.

14.2.2 Investigation of Criminal Conduct

During an investigation for violation of School rules, it may become evident that the incident under investigation may also be a violation of criminal law. If the School official has reason to suspect that a criminal act has been committed and, in the opinion of the Campus Principal, law enforcement should be notified, the following procedure should be followed:

[a] The Campus Principal shall request that law enforcement officers conduct an investigation during school hours and question students who are potential witnesses to the alleged criminal behavior.

[b] The School official shall inform the student's parent as soon as possible that the student may have committed a criminal act and that law enforcement authorities will be involved in the investigation.

[c] Unless circumstances dictate otherwise, questioning of the student by School officials shall not begin or continue until the law enforcement officers arrive.

[d] Reasonable attempts shall be made to contact the student's parents who, unless an emergency exists, shall be given the opportunity to meet with the student and to be present with the student during questioning by law enforcement authorities.

[e] The Campus Principal shall document the contact or attempted contact with the student's parents. If the Campus Principal cannot contact the student's parent, or if the parent is unable

to be present with the student for questioning, the Campus Principal shall be present and document generally what occurs during the interview.

[f] If the parent or student refuses to consent to questioning by law enforcement authorities, the law enforcement authorities shall determine the course of action to be pursued.

14.2.3 Investigation Initiated by Law Enforcement Authorities

School officials shall cooperate with law enforcement authorities who are carrying out official duties such as investigating crimes, serving subpoenas, etc.

[a] When law enforcement officers can show a need to do so, they shall be permitted to conduct an investigation on School grounds during School hours.

[b] Such a need will ordinarily be shown if delay in police investigation might result in danger to a person, flight from jurisdiction by a person reasonably suspected of a crime, or destruction of evidence. In such cases:

(i) The officers shall be required to get prior approval of the Campus Principal or other designated person before beginning an investigation on School premises.

(ii) The Campus Principal shall document the circumstances warranting the investigation as soon as practical.

(iii) Alleged criminal behavior related to the School environment brought to the Campus Principal's attention by law enforcement officers shall be dealt with under the provisions of Section 14.1.

(iv) Law enforcement officials (investigating School-related or student-related crimes) may not have access to student education records, aside from directory information, unless they have a subpoena or court order or permission from a parent.

14.2.4 Release of Student to Law Enforcement Official

[a] Students may not be released to law enforcement authorities voluntarily by School officials unless the student has been detained or unless the parent and the student agree to the release.

[b] When students are removed from School for any reason by law enforcement authorities, every reasonable effort shall be made to contact the student's parent immediately except in cases of child abuse and neglect. Such effort shall be documented.

[c] The Campus Principal shall immediately notify the Lead Director of the removal of a student from School by law enforcement authorities.

[d] Where it is necessary to take a student into custody or detained on School premises, the law enforcement officer shall contact the Campus Principal and relate the circumstances necessitating such action.

[e] Whenever the need arises to make arrests or take students into custody on School premises, the Campus Principal shall make reasonable efforts to consult and confer with the law enforcement officers as to how an arrest is to be made.

[f] When possible, the Campus Principal shall have the student summoned to the Campus Principal's office before the student is taken into custody.

[g] When a student has been taken into custody or arrested on School premises without prior notification to the Campus Principal, the School staff present shall encourage the law enforcement officers to tell the Campus Principal of the circumstances as quickly as possible. If the officers decline to tell the Campus Principal, the School staff members present shall immediately notify the Campus Principal and the Lead Director.

14.2.5 Quelling Disturbances of School Environment

Law enforcement officers may be requested to assist in controlling disturbances of the School environment that a Campus Principal has found to be unmanageable by School personnel and that has the potential of causing harm to students and other persons or to property. Such circumstances include situations where a parent or member of the public exhibits undesirable or illegal conduct on or near School grounds or at a School-sponsored activity and who refuse to abide by a Campus Principal's directive to leave the premises.

14.2.6 Investigations of Alleged Drug Offenses

Nothing in this Section or policy prohibits the Principal or their designee from investigating an alleged drug offense that involves School property, a student, or a School employee, including conducting a search on School property, before notifying a law enforcement officer or agency. Any such investigation, search, and handling of evidence shall comply with the requirements of Utah Code Ann. § 53G-8-511 and related USBE rules.

15. INVESTIGATION OF CHILD ABUSE AND NEGLECT

Utah law requires that whenever any person, including any School employee, has reason to believe that a child has been subjected to incest, molestation, sexual exploitation, sexual abuse, physical abuse, or neglect, or observes a child being subjected to conditions or circumstances which would reasonably result in such, he/she shall immediately notify the nearest peace officer, law enforcement agency, or office of the Division of Child and Family Services.

15.1 The School shall distribute annually to all School employees copies of the School's procedures for reporting suspected child abuse or neglect.

15.2 If there is reason to believe that a child may have been subjected to abuse or neglect, an oral report shall be made immediately by the School employee reporting the abuse/neglect with a written report to follow within twenty-four (24) hours.

15.2.1 When making the oral report, always have the person you notify identify himself/herself. The notified person's name shall be entered on the written report.

15.2.2 A copy of the written report shall be put in a child abuse-neglect file to be maintained by the Campus Principal, for all reported cases of suspected child abuse or neglect.

15.2.3 The child abuse-neglect reporting form shall not be placed in the student's personal file.

15.3 It is not the responsibility of the Campus Principal or other School employees to prove that the child has been abused or neglected, or to determine whether the child is in need of protection.

15.3.1 Investigation by staff prior to submitting a report shall not go beyond that necessary to support a reasonable belief that a reportable problem exists.

15.3.2 To determine whether or not there is reason to believe that abuse or neglect has occurred, professional School employees may (but are not required to) gather information only to the extent necessary to determine whether a reportable circumstance exists.

15.3.3 Interviews with the child or suspected abuser shall not be conducted by the Campus Principal or School employees.

15.3.4 Notes of voluntary or spontaneous statements by the child shall be made and given to the investigating agency.

15.3.5 The Campus Principal, School employees, Division of Child and Family Services and law enforcement personnel are required to preserve the anonymity of those making the initial report and any others involved in the subsequent investigation.

15.3.6 Investigations are the responsibility of the Division of Child and Family Services.

[a] The Campus Principal or other School employees shall not contact the parents, relatives, friends, neighbors, etc. for the purpose of determining the cause of the injury and/or apparent neglect.

[b] School officials shall cooperate with social service and law enforcement agency employees authorized to investigate reports of alleged child abuse and neglect, assisting as asked as members of interdisciplinary child protection teams in providing protective diagnostic, assessment, treatment, and coordination services.

15.3.7 Persons making reports or participating in good faith in an investigation of alleged child abuse or neglect are immune, in accordance with state law, from any civil or criminal liability that otherwise might arise from those actions.

16. SEARCHES OF PERSON OR PROPERTY

Given the School's custodial and tutelary responsibility for children, and the Board's intent to preserve a safe environment for all students and staff, the Board recognizes that School officials must have the authority to conduct reasonable searches of students and student property. School officials engaging in searches of students and property shall abide by the following guidelines:

16.1 General Guidelines for Searches of Person or Property

16.1.1 Student Lockers

Students have no right or expectation of privacy in school lockers. While lockers are under the joint control of students and the School, lockers are solely School property and may be searched at any time by School officials with or without cause. Once a locker is opened for search, any search of student belongings contained within the locker must comply with the guidelines for searches of personal belongings in Section 16.2 of this policy.

16.1.2 Searches of Students and Student Property

Searches of a student's person, personal property (coats, hats, backpacks, bookbags, purses, wallets, notebooks, gym bags, etc.) may be conducted whenever the student's conduct creates a reasonable suspicion that a particular School rule or law has been violated and that the search is reasonably related to the suspicion and not excessively intrusive in light of the age and sex of the student and nature of the infraction. Circumstances warranting a search include those in which School officials have a reasonable suspicion that the student or student property is concealing weapons, drugs, controlled substances, electronic cigarette products, alcohol, tobacco, unsafe contraband, pornography, pagers or lost/stolen/misplaced items.

16.2 Searches of Personal Belongings

16.2.1 Personal belongings may be searched by School officials whenever School officials have a reasonable suspicion to believe a student is concealing evidence of a policy violation or criminal activity and the items being searched are capable of concealing such evidence. The student may be asked to open personal belongings and to turn over personal property for search by a School official. All searches of student property by School officials shall be witnessed by an objective third party (such as another teacher, or police officer) to observe that the search is not excessively intrusive.

16.2.2 All contraband discovered in a search by School officials shall be immediately confiscated and turned over to law enforcement officers if School officials have reason to believe the contraband is related to the commission of a criminal act.

16.3 Searches of Person

16.3.1 School officials shall make sure the search meets the following guidelines:

[a] The search shall be conducted in a private area of the School by a School official of the same sex (where practical) as the student being searched;

[b] The search shall be observed by an objective third party of the same sex (where practical) as the student being searched (i.e., Campus Principal, teacher, police officer);

[c] School officials may ask the student to remove his/her hat, coat, shoes and socks, turn pockets inside out, and roll up sleeves to see if the student is hiding contraband;

[d] Under no circumstances may School officials require students to remove any other items of clothing or touch students in any way during the search.

[e] If this limited search does not turn up suspected contraband and School officials have reasonable suspicion that the student is concealing contraband in his/her inner clothing (i.e., hiding drugs, weapons or other contraband underneath shirts, pants or underwear), law enforcement officers shall be summoned immediately to conduct further search and investigation.

[f] In general, all questioning and searching of students conducted by law enforcement officers shall proceed according to the investigation guidelines in Section 14 of this policy.

16.4 Documentation of Searches

School officials shall thoroughly document the details of any search conducted of a student's property or person. Documentation shall be made at the time of the search, or as soon as possible thereafter, and shall include the following:

16.4.1 The time, place and date of the search;

16.4.2 The reasonable suspicion giving rise to the search (what did School officials suspect to find during the search);

16.4.3 The name and title of individuals conducting and observing the search;

16.4.4 A statement about evidence that was found or not found as a result of the search;

18.2 General Procedures

18.2.1 All School employees who supervise students, or who may be asked to assist in managing a student’s behavior, shall receive foundational behavior support training. This training must be completed within two months, or within 30 days if working directly with a student with disabilities, of employment at the School and bi-annually thereafter.

18.2.2 Key Identified School Employees shall receive comprehensive ESI training in addition to the foundational behavior support training. Comprehensive ESI training shall be completed before a Key Identified School Employee may use an ESI with a student and annually thereafter.

18.2.3 An ESI shall:

[a] be applied for the minimum time necessary to ensure safety, as reasonably understood by the Key Identified School Employee using the ESI;

[b] be released under the following circumstances (release criteria):

(i) as soon as the student is no longer an immediate danger of physical harm to self or others (e.g., student is no longer hitting, kicking, biting, throwing objects, self-harming, or making other movements that create imminent risk of physical violence; student is able to respond to staff verbally or nonverbally in a regulated way; and/or the student exhibits signs of de-escalation, such as having a relaxed body, no longer attempting to break free, or breathing slowly); or

[c] never be used as punishment or discipline;

[d] in no instance be imposed for more than 30 minutes, per occurrence; and

[e] be documented and reported, as required.

~~18.2.5 The School shall take prompt and appropriate action, including in-service training and other administrative action, upon confirming a violation related to the use of an ESI on a student. Violations of any standards for seclusion or physical restraint established by the Utah State Board of Education shall also result in a referral to local law enforcement and the Utah Professional Practices Advisory Commission.~~

18.3 Students with Disabilities Receiving Special Education Services

18.3.1 Use of ESI for a student with a disability receiving specialized educational services under IDEA or Section 504 shall be subject to all applicable state and federal laws, including LRBI policies and procedures for special education/504 programs.

18.3.2 Additionally, ESIs written into a student's IEP as a planned intervention are prohibited unless school personnel, the family, and the IEP team agree less restrictive means have been

attempted; a Functional Behavioral Assessment has been conducted; and a positive behavior intervention plan based on data analysis has been written into the plan and implemented.

18.4 Physical Restraint

18.4.1 Key Identified School Employees may, in accordance with Section 18.2.3 and when acting within the scope of employment, use physical restraint on a student when the student presents an immediate danger to self or others and when no other safe or effective intervention is available.

18.4.2 Key Identified School Employees may use reasonable and necessary physical restraint only:

- [a] in self-defense;
- [b] to protect a student or another person from physical injury;
- [c] to remove from a situation a student who is violent;
- [d] to take possession of a weapon or other dangerous object in the possession or under the control of a student; or
- [e] to protect property from being damaged, when physical safety is at risk.

18.4.3 When an employee exercises physical restraint as an ESI on a student, the following types of physical restraint are prohibited:

- [b] supine, or face-up;
- [c] physical restraint which obstructs the airway or adversely affects the student's primary mode of communication;
- [d] mechanical restraint, except for restraints required by law, including seatbelts or any other safety equipment used to secure students during transportation, protective or stabilizing restraints as prescribed by an appropriate medical or related services professional, and devices used by a law enforcement officer in carrying out law enforcement duties; or
- [e] chemical restraint.

18.4.4 A Key Identified School Employee may not use physical restraint on a student for more than the shortest of the following before stopping, releasing, and reassessing the intervention used:

- [a] the amount of time described in the School's ESI training program;

[b] 30 minutes; or

[c] when law enforcement intervenes.

18.4.5 Despite the foregoing, a Key Identified School Employee shall first use the least restrictive intervention available to the employee, including a physical escort, to address circumstances described in Section 18.4.1. In addition, nothing in this Section prohibits a Key Identified School Employee from subsequently using less restrictive interventions to address circumstances described in Section 18.4.1.

18.4.6 A student who has been physically restrained and then released shall, in addition to being promptly reassessed by the Key Identified School Employee, be monitored for a reasonable period of time to help ensure the continued safety and well-being of the student and others. Monitoring should include observation for signs of such things as injury, respiratory distress, or continued escalation, and the Lead Director or Campus Principal and medical personnel shall be notified when warranted.

18.5 Seclusion

18.5.1 A Key Identified School employee may, in accordance with Section 18.2.3 and when acting within the scope of employment, place a student who is in grade 1 or higher in seclusion as an ESI when the student presents an immediate danger to self or others and when no other safe or effective intervention is available. Students in kindergarten shall not be placed in seclusion.

18.5.2 Key Identified School Employees may use seclusion only when:

[a] other less restrictive interventions have failed;

[b] a staff member who is familiar to the student is actively supervising the student for the duration of the seclusion;

[c] the student is observed at all times during the seclusion by School personnel who have received the comprehensive ESI training;

[d] any door to the area or room used for seclusion remains unlocked consistent with applicable fire and public safety requirements described in R392-200 and R710-4; and

[e] the seclusion is time-limited to a maximum time of 30 minutes, per occurrence, and monitored.

18.5.3 A School employee may not place a student in seclusion:

[a] as a behavioral intervention;

[b] as a disciplinary practice;

[c] for coercion, retaliation, or humiliation;

[d] due to inadequate staffing; or

[e] for the School employee's convenience.

18.5.4 A student who has been placed in seclusion and then released shall be promptly reassessed by the Key Identified School Employee and also monitored for a reasonable period of time to help ensure the continued safety and well-being of the student and others. Monitoring should include observation for signs of such things as injury, severe distress, or continued escalation, and the Lead Director or Campus Principal and medical personnel shall be notified when warranted.

18.5.5 The Lead Director or Campus Principal shall ensure that all the following individuals are debriefed at an appropriate time after a student seclusion has taken place:

[a] all witnesses;

[b] all School staff who were involved;

[c] the student who was secluded; and

[d] the parent of the student who was secluded.

18.5.6 The Lead Director or Campus Principal shall also ensure that a proper review of the decision to use seclusion is performed as soon as reasonably possible after a student seclusion has taken place.

18.5.7 The School does not allow the designation of any enclosed area in its building for the sole purpose of seclusion. If the School chooses to operate a room primarily intended for seclusion, the room shall comply with the physical standards and other requirements for seclusion rooms as set forth in Utah Code Ann. § 53G-8-301(14), even if the room is also used for other purposes. These requirements include, but are not limited to, physical standards governing square footage, distance between walls, ceiling height, and construction design; requirements for lighting, ventilation, climate, safety features, and audio and video recording equipment; and compliance with building and fire codes.

18.6 Notification of the Use of an ESI

18.6.1 If an ESI is used on a student, the School or the employee who used the ESI shall immediately notify the following:

[a] the student's parent; and

[b] School administration.

This notice shall be provided no later than 15 minutes after the use of an ESI.

18.6.2 If the student's parent cannot be reached after 15 minutes, and the 30-minute time limit has been reached, the School or the employee who used the ESI may:

[a] conduct a reassessment of the student's condition;

[b] determine whether the student continues to pose an immediate and significant threat to the student or others; and

[c] if the School determines that the threat continues and that less restrictive interventions remain ineffective, place the student back in seclusion for an additional period not to exceed 30 minutes, after which the same process described above shall be repeated if necessary.

18.6.32 Parent notifications made under this Section shall be documented in the School's student information system.

18.7 Documentation of the Use of an ESI

18.7.1 If an ESI is used on a student, the School or the employee who used the ESI shall document the use of the ESI. This shall include a written description of the type of ESI used, the date and time the ESI was used, the location where the ESI was used (and if a seclusion room was used, whether the room complied with Utah Code Ann. § 53G-8-301(14)), the length of time the ESI was used, the reason the ESI was used, the alternative interventions or de-escalation strategies attempted before the ESI was used, and demographic information on the student (sex, gender, age, grade in school, and disability status, if any). This documentation shall be provided to the School's Emergency Safety Intervention Committee and the student's parents.

18.7.2 In addition, upon request of a student's parent, the School shall provide the parent with a copy of any notes or additional documentation taken during the use of the ESI, including a description of the physical space in which a seclusion occurred or the type of physical restrained that was used.

18.7.3 Within 48 hours of using an ESI on a student, the School shall notify the parent that the parent may request a copy of any notes or additional documentation taken during the use of the ESI.

18.7.4 A parent may request a time to meet with School staff and administration to discuss the use of an ESI.

18.7.5 The documentation of an ESI described in this Section shall be documented in the School's student information system.

18.8 Emergency Safety Intervention (ESI) Committee

18.8.1 The School shall establish an ESI committee that includes:

[a] at least one administrator;

18.9 ESI Records and Reporting

18.9.1 The School shall collect, maintain, and periodically review the documentation or records regarding the use of ESIs in the School.

18.9.2 The School shall annually provide documentation of any School use of an ESI to the State Superintendent of Schools in accordance with Utah Code Ann. § 53G-8-301(11). This includes documentation described in Section 18.7.

18.10 Violation of ESI Requirements

18.10.1 Violations of Seclusion Room Standards

If the School identifies or receives a report of a violation of the physical standards applicable to a seclusion room, the School shall notify the Board, develop a corrective action plan, and report the violation and corrective action plan to the USBE within the timeframe established by USBE rule. If the USBE identifies or receives a report of such a violation and notifies the School, the School shall investigate the matter and take corrective action as required by law. If the School fails to develop an appropriate corrective action plan or achieve compliance within the timeframe established by the USBE, the USBE may take further action as authorized by law.

18.10.2 Violations of Seclusion or Physical Restraint Requirements

If the School identifies or receives a report of a violation of the statutory requirements governing the use of seclusion or physical restraint, including improper use of seclusion or physical restraint, failure to provide the required parent notification, or failure to properly document the use of an ESI, the School shall investigate the matter, take appropriate disciplinary action against involved staff, and implement corrective measures to prevent future violations. Any violation constituting unlawful detention, including the use of seclusion or physical restraint in violation of Utah Code Ann. § 53G-8-301(10), shall be handled in accordance with applicable law, including a referral to local law enforcement and the Utah Professional Practices Advisory Commission.

19. CORPORAL PUNISHMENT

“Corporal punishment” means the intentional infliction of physical pain upon the body of a student as a disciplinary measure. Corporal punishment at the School is prohibited. School employees may not inflict or cause the infliction of corporal punishment upon a student. The School shall take prompt and appropriate action, including in-service training and other administrative action, upon confirming a violation with respect to corporal punishment. School personnel who inflict or cause the infliction of corporal punishment on a student will be subject to discipline up to and including termination. School personnel who have been disciplined for the infliction of corporal punishment upon a student may appeal the disciplinary action in accordance with the School’s Staff Grievance Policy.

Syracuse Arts Academy

Tuition Reimbursement Policy

PURPOSE

Syracuse Arts Academy (the “School”) believes that the School and its students benefit when employees develop and improve their knowledge and skills. Obtaining additional education can increase teaching abilities and professional competence. The School therefore desires to identify the conditions upon which the School is willing to reimburse School employees for tuition paid in order to obtain education that will improve their ability to serve the School and its students.

POLICY

The School may reimburse tuition for School employees licensed educators employed by the School if the following conditions are satisfied:

- 1) The employee has been employed by the School for at least one (1) year.
- 2) The tuition is for courses that are either (a) job related, meaning the course will result in increased knowledge and skill, is aimed primarily at improving the employee’s performance in his/her present job or will enable the employee to remain current with changes or developments in their field or (b) an elective that is part of a degree program that is job related.
- 3) The courses are taken at (a) fully-accredited Utah colleges or universities; or (b) a school providing training or instruction that is approved by the Utah State Board of Education.
- 4) Courses may be for credit or not.
- 5) Except in unusual circumstances and as approved by the Lead Director (or as approved by the Board President if the Lead Director is the employee requesting reimbursement), courses must be taken outside of regularly scheduled work hours.
- 6) Reimbursement will only be provided when the employee obtains approval from the Lead Director (or from the Board President if the Lead Director is the employee requesting reimbursement) and enters into a written agreement in the form approved by the Board of Directors prior to enrolling in the course. Additionally, the Lead Director (or the Board President if the Lead Director is the employee requesting reimbursement) must give prior approval for each course for which reimbursement will be sought.
- 7) The employee must agree to work at the School for a minimum of three (3) years following reimbursement of tuition. In the event the employee’s employment with the School is terminated, voluntarily or involuntarily, for any reason, before the completion of three (3) years, the prorated portion of the reimbursed tuition must be repaid to the School based on the number of years worked for the School since the most recent

reimbursement.

[8] Reimbursement is limited to a maximum of nine (9) credit hours per year, up to a total of thirty-six (36) credit hours, at a rate not to exceed \$~~150~~250 per credit hour.

8)[9] Reimbursement will be paid when the employee:

- [(a)] Provides evidence of completion of the course with a passing mark of B or better;
- [(b)] Provides an itemized receipt of the payment of tuition; and
- (a)[(c)] Passes any applicable Praxis exam.

The approval of an employee's request for reimbursement of tuition as well as the amount of tuition to be reimbursed to an employee will be at the Lead Director's sole discretion (or the Board President's sole discretion if the Lead Director is the employee requesting reimbursement). The Lead Director may also, in his/her sole discretion, set an annual cap on approved tuition reimbursement payments from the School in any given year.

Nothing in this policy guarantees reimbursement of tuition to an employee or an employee's continued employment with the School.

3. The School will reimburse the Employee’s tuition for the Coursework in the amount of \$ _____ when the Employee:

[4.] If the Employee's employment at the School is terminated (voluntarily or involuntarily) for any reason within three (3) years following the most recent reimbursement of tuition or the Employee fails to satisfactorily complete the Coursework within the required time frame set forth in Section 1, above, the Employee must repay the tuition paid by the School pro rata based on the number of years worked for the School from the most recent reimbursement. In consideration of the tuition reimbursement contemplated under this Agreement, the Employee agrees to remain employed by the School for a minimum of three (3) years from the date of the final tuition reimbursement payment made to the Employee under this Agreement. The terms and conditions of the Employee's employment during this period shall be governed by the Employment Agreement executed annually between the Employee and the School. If the Employee does not complete the required three (3) years of employment for any reason, the Employee shall repay tuition reimbursement amounts to the School as set forth below:

- (a) Repayment of tuition by the Employee to the School will be on a pro-rata basis. If the Employee does not complete one (1) year of service from the date of the final tuition reimbursement payment to the Employee, all tuition monies received by the Employee shall be refunded to the School. - (c) Any amount owed in excess of what is deducted from the Employee's final paycheck shall be paid to the School within one (1) year of the date the Employee's employment with the School is terminated (voluntarily or involuntarily), at no interest.
- (d) If repayment within one (1) year would cause an undue hardship on the Employee, then the Employee may request an extended repayment plan from the Lead Director [insert "Board President" if the Employee making repayment is the Lead Director], and the Lead Director [insert "Board President" if the Employee making repayment is the Lead Director] will negotiate such a repayment plan in good faith. Any extended repayment plan will be documented by a promissory note and will bear interest at a rate of seven percent (7%) per year. In the event the Lead Director [insert "Board President" if the Employee making repayment is the Lead Director] and the Employee are unable to agree on an extended repayment plan, any amount owed by the Employee in excess of

what is deducted from the Employee's final paycheck shall be paid to the School as set forth in subsection (c) above.

4. The Employee's repayment obligation applies regardless of the reason the Employee's employment with the School ends, including, but not limited to:

(a) the Employee's resignation;

(b) the Employee's breach of an Employment Agreement;

(c) the Employee's refusal, unwillingness, or inability to enter into an Employment Agreement offered by the School or to satisfactorily perform the Employee's duties; or
