Action Item

Recommended Action:

That the Committee approve R277-701, Early College Programs, Draft 1, on first reading and forward to the Board for approval on second and final reading.

Purpose of Memo:

Staff recommendation

Background:

Up until the 25-26 school year, students could receive concurrent enrollment credit for taking general financial literacy. The USHE Board will be voting to update this requirement allowing the credit going forward in its October meeting. Staff recommends updating our rule to allow concurrent enrollment credit for general financial literacy and personal finance. This will facilitate alignment with USHE and allow the awarding of credit for these classes going forward.

Staff will present R277-701, Early College Programs, Draft 1, for consideration and approval.
