

## **Board of Regents Informal Discussion, Session IV**

### **Technology in USHE**

**March 27, 2015**

#### **9:30 Welcome and Overview of Session**

(Regent Chair Campbell and Commissioner Buhler)

- Focus on Technology for Teaching and Learning Today (not business processes)
- Questions:
  - What role does technology play in teaching and learning in USHE institutions currently?
  - If implemented properly, can technology augment access to learning? Academic success?
  - Does technology offer ways to cut instructional costs?

#### **9:40 – 10:00 Context and Overview (Liz Hitch)**

- Increasing Impact of Technology in USHE Higher Education (Overview of Fall 2014 USHE Technology Report data)
- Technology in Teaching and Learning...to What End?
  - Access?
  - Success/Completion?
  - Improved Learning?
  - Student Exposure to Technology Critical to Disciplinary Area and to Citizenship?
  - Cost Savings?

#### **10:00 – 10:40 Institutional Technology Responses**

- **Utah State University: A Leader in Interactive Video (IVC) to Provide Access and Support the Land Grant Mission** (President Stan Albrecht)
- **Weber State University: An Early Innovator in On-line Learning** (President Chuck Wight)
- **A Comparative View: Utah as Compared with Another State** (President Biff Williams, DSU)

#### **10:40 – 11:00**

- **Q&A** (Regent Chair Campbell facilitating)
- **Questions, Issues and Ideas for Follow-up in the Future** (Commissioner Buhler)
