Greg noted that he was misquoted in the article and objected to the misrepresentation of the town’s response and his comments about the report findings and the town’s response. See the attached email thread for more information. Greg was approached by neighbors while he was shoveling dirt off the roadway after a storm, who expressed their appreciation for his work on behalf of the town.

Greg noted that we’ve looked into mailboxes in the past. The main issue is where they would be placed, and the associated cost. Sue added her concerns, regarding the objections by lot owners who don’t live here full time.
