Mayor Rohde called the September 24, 2026 Town Hall Meeting to order at 6:00 p.m. The meeting was held at City Hall, located at 102 South Tremont Street, Tremonton, Utah. Those in attendance were Mayor Rohde, Councilmembers Bowcutt, Jex, and Lewis, and City Recorder Nelson. Councilmembers Oyler and Westergard were excused.

1. Mayor Rohde thanked everyone for coming to the open house style meeting. The following is a summary of what was discussed.

Overview

Transportation Grant

- One-year, $100,000 grant opportunity for transportation within the regional triangle.
- Potential needs included medical appointments, senior activities, shopping, work, school, and connections to Logan and Brigham City.
- Options discussed: city van, senior center van, UTA van pool, partnerships with existing providers, vouchers, and gas reimbursement.
- Concerns included demand data, affordability, insurance, licensing, drivers, grant conditions, and sustainability after the grant ends.

Main Street and Midland Square

- Main Street revitalization may use facade grants, sidewalk improvements, coordinated lighting, trees, and seasonal decorations.
- Initial focus is the three-block core near Midland Square.
- Midland Square was discussed as both a gathering place and a veteran’s memorial.
- Participants supported respectful events, veteran participation, historical education, and defined usage guidelines.

Safety and Beautification

- Concerns included dark roads, missing or inadequate crosswalks, streetlights requiring repair, and pedestrian access near residential areas and the hospital.

- The city discussed stronger beautification efforts and enforcement of existing vehicle and property maintenance codes.
- Tree selection and potential building damage were raised as considerations for Main Street improvements.

Growth Planning

- The city is reviewing proposals for a new citywide general master plan.
- The plan is intended to establish clearer locations for residential density, commercial uses, industrial areas, mixed-use development, transportation, and future annexations.
- Participants emphasized public involvement and consistent adherence to the adopted plan.

Infrastructure and Communication

- A sewer treatment project and possible bond financing were discussed, including public education about repayment through growth-related impact fees.
- Participants requested clearer promotion of town halls, public hearings, neighborhood meetings, and city events through utility notices, social media, signage, calendars, and the city website.
- The Citizen's Voice system was highlighted as a way to submit and track service requests.

The Citizen's Voice system was highlighted as a way to submit and track service requests.
