PUBLIC NOTICE

PUBLIC HEARING

2027-2028 U.S. Housing and Urban Development General Community Development Needs Annual Public Hearing

WHAT IS BEING CONSIDERED

Each year Salt Lake City receives several million dollars in grants from HUD for the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), HOME Investment Partnership (HOME), and Housing Opportunities for Persons With HIV/AIDS (HOPWA) programs. HUD requires an annual public hearing for the City to hear about community development needs from the public. This feedback helps prioritize the distribution of grant funds among many competing community needs.

HOW TO PARTICIPATE

All individuals interested will be given an opportunity to be heard. The meeting will be held electronically and will also include an in-person option at City Hall, 451 South State Street, Room 315, Salt Lake City, Utah. For the agenda and electronic connection information, visit www.slc.gov/council/agendas or call 801-535-7600.

Comments may also be submitted through the 24-hour comment line at 801-535-7654 or by email at council.comments@slc.gov. Comments received through any source are shared with the Council and added to the public record.

ACCESSIBILITY City Hall is an accessible facility. People with disabilities may make requests for reasonable accommodation, which may include alternate formats, interpreters, and other auxiliary aids and services. Please make requests to the City Council Office at least two business days in advance, 801-535-7600.
