Subject: PROST Plan

Background

Virgin's first Park, Recreation, Open Space and Trails (PROST) plan was presented to the Town Council at the September 9, 2026, work meeting. The purpose of the plan is to document our park system, its strengths, weaknesses and opportunities and to guide future maintenance and improvements. The plan is the culmination of a 10-month process guided by consultant SE Group and involving Town elected officials, staff and a steering committee of town residents. Two open houses and two written surveys were used to solicit input from residents, business owners and other stakeholders.

Molly Ryan of SE Group presented the PROST Plan at last month's work meeting. It's being placed on the October 14, 2026, work meeting agenda for discussion.

Recommendation

Staff recommends the Town Council review and discuss the PROST Plan and consider formal adoption at a future regular meeting.
